Dear Sir,

Sub: Disclosure pursuant to Reg. 30 read with Para B of Part A of Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Disruption of operations at the Company's manufacturing facilities at Manali due to floods

We write this to inform you that due to recent Cyclone Michaung, heavy rains, power disruptions and other resultant and consequential factors, our plant premises at Manali location have been flooded and accordingly we have shut down our LAB, HCD and PO manufacturing facilities at Manali, Chennai effective 4th December 2023.

We are taking necessary measures in co-ordination with relevant team/authority(ies) to bring the normalcy situation and to resume the operations in a phased manner, subject to receding of water level, resumption of normalcy in power supply, material movements etc. At this juncture, we are unable to quantify the impact of this disruption. Necessary steps have been taken with insurance authority.

We were unable to submit this communication to the stock exchanges earlier, due to non-availability of communication system and the abnormal situation caused by the natural calamity "Cyclone Michaung".

We shall keep the exchange informed once our plant resume operations and other information as may be required under SEBI Circular No. SEBI/HO/CFD/CFD-PoD-1/P/CIR/2023/123 dated July 13, 2023.

Request you to kindly take the above on record.

Thanking you,

Yours Sincerely,

For Tamilnadu Petroproducts Limited
