# Govt creating world-class programmes, infra to develop creators' economy: Minister

AMRITA NAYAK DUTTA NEW DELHI, AUGUST 22

INFORMATION AND Broadcasting Minister Ashwini Vaishnaw Thursday said the government is focused on creating world-class talent development programmes and infrastructure to develop creators' economy and there are plans to establish worldclass universities and facilities  $that \, will \, enhance \, the \, capabilities \,$ of creators in media and enter-

tainment. He said this while launching 25 challenges as part of first season of 'Create in India Challenge' for World Audio Visual & Entertainment Summit (WAVES). The global summit is scheduled to be held between November 20 and 24 in Goa, alongside the Intern $at ional \, Film \, Festival \, of \, India \, (IFFI).$ 

Vaishnaw said a totally new creators' economy has been created and the same is also recognised by PM Narendra Modi, as reflected in the first-ever National Creators Award presented by him in March 2024. These challenges, hosted by industry associations and organi-

days after the government faced flak from the industry as well as from independent content creators for bringing a draft Broadcasting Bill 2024 last month.

The draft Bill — shared with few select stakeholders - had sought to define a "digital news broadcaster" in sweeping terms to include independent content

The draft Bill was subsequently put on hold and in a tatement the ministry had said it is holding a series of consulta-tions with the stakeholders and is offering them further additional time till October 15 to issue their comments, adding that a fresh draft will be published after detailed consultations.

On Thursday, Vaishnaw said. "The Government of India is leaving no stone unturned to encourage this economy and therefore, we need to ensure the talent and skill development and availability of necessary infrastructure in this sector.'

He said filmmaking is one of India's strengths, adding that there is a great scope of using new technology and tools in this sector, thereby ensuring a good scope for employment generation in today's era. He said it is estimated that if successfully executed, the programme can generate 2-3 lakh jobs in the sector. I&B secretary Sanjay Jaju said this initiative is a "significant milestone in our ongoing mission to nurture and ele-

# Assam: Opp walks out of House over land Bill, calls it 'unconstitutional'

**EXPRESS NEWS SERVICE** 

THE OPPOSITION walked out of the Assam Legislative Assembly on the first day of the autumn session Thursday, calling proposed amendments to the Assam Land Revenue and Regulation Act "unconstitutional"

The government introduced 10 Bills in the Assembly Thursday which will be debated and considered later during the course of the ongoing session. When Revenue and Disaster Management Minister Jogen Mohan presented the Assam Land and Revenue Regulation (Amendment) Bill. 2024, some Opposition members opposed its introduction.

# for violating green laws

KANCHAN VASDEV

THE NATIONAL Green Tribunal imposed a ₹1,026-crore penalty on Punjab government for "persistent defiance and non-compliance of environment laws" with regard to solid and liquid waste management and issued notices asking why proceedings should not be initiated against top officials for defying an earlier order.

The tribunal has asked the state government to deposit the penalty towards environmental compensation with the Central Pollution Control Board (CPCB) It added that the government

was fined Rs 2,080 crore on September 22, 2022, for the same issue and asked to create a ring fence account for the But neither the penalty was

paid nor the ring fence account "Since Chief Secretary has

also failed in compliance of Tribunal order dated 22.09.2022 with regard to creation of ringfence account of Rs 2,080 crore. this is clear that the order of this Tribunal has been defied and disobeved, which is also an offence under Section 26 of NGT Act, 2010," the order read.

# NGT fines Punjab ₹IK-cr Part of proposed stone crusher unit in Rajaji park ESZ falls in River Song's floodplain: Wildlife Institute to NGT

**NIKHIL GHANEKAR** NEW DELHI, AUGUST 22

THE WILDLIFE Institute of India (WII) has submitted in a report before the National Green Tribunal (NGT) that a part of a stone crusher unit proposed in Rajaji Γiger Reserve's eco-sensitive zone, Dehradun, falls in River Song's active floodplain area which sees regular elephant movements.

The NGT's principal bench was hearing a plea filed by a group of residents from Dehradun, who have sought quashing of permits granted for proposed stone crusher unit, stating that no wildlife clearance was obtained for the project. The environmental clearance granted for the project, proposed to be run by M/S Balaji Associates, stated it was subject to obtaining wildlife clearance. The Tribunal granted four weeks to the project proponent to respond to the plea as well as the WII report.

In July, the NGT had admitted the case and served notices to the Uttarakhand government, its forest department, the project proponent and WII.

WII said in its report dated August 16 that the river is used by elephants and other wildlife to access the Lal Thappar and Teen Pani elephant corridors.

"Both of these corridors are crucial to facilitate elephant movement in an otherwise disjunct forest mosaic in the western portion of Rajaji National Park and adjoining Dehradun Forest Division," it said. According to maps attached with the report, the proposed unit is located near Banwaha, Fatehpur and Majri forest beats which have witnessed human-elephant conflicts.
