Sub: Announcement under Regulation 30 of SEBI (LODR) Regulations, 2015- Monthly Business Update

Dear Sirs,

This is to inform you that Anmol India Ltd for the first time traded 1 Million+ tonnes of coal in a single financial year in FY 20-21. This, in line with our future goals, we have already started directly importing in bulk other types of coal other than USA coal and that too on a different port than the usual kandla/ tuna port. We intend to add more coal products to our portfolio going forward. We were able to successfully move this new product in the market without any hurdle. It was thanks to the excellent supply chain that we have created over the past year with USA Coal as a basis.

This is for your information and records.

Thanking You,

Yours Faithfully,
For Anmol India Limited
