8. In continuation to this Ministry's **General Circular No. 20/2020** dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Monday, 23rd September, 2024 at 9:00 A.M. and ends on Wednesday, 25th September, 2024 at 5:00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 19th September, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular **no. SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The Company has annexed to this Board Report as “**Annexure-II**”, the Secretarial Audit Report given by the Secretarial Auditor. The Secretarial Auditor issued Qualified report for the financial year 2023-24 and management given its explanation in following manner:

Auditor Remark	Management Reply
During the period under review it was noticed that, the Listed Entity had failed record necessary entry in the SDD Software as per applicable regulations, for the quarter of ended of December 31st 2023 due to technical error in the software. However, listed entity duly complied with said SEBI (Prohibition of Insider Trading) Regulations, 2015 for the others quarter March ending 2024.	Company hereby undertakes to be compliant with all the regulations as applicable in future and further, the Company undertakes to not repeat any non-compliance from now onwards.
During the period under review it was noticed that, the Listed Entity had delayed in disclosing/filing the Related Party Transaction with the National Stock Exchange of India Limited and BSE Limited under Regulation 23 of SEBI (Listing Obligation and Disclosure Requirement) Regulation 2015 for the half year ended on September 2023. Due to which the said Stock Exchanges freeze the shares of the promoter and promoter group. Further, due to the said delay in the filing, the said Stock Exchanges levied monetary fines on the Listed Entity. However, the monetary fines levied by the Stock Exchanges were duly paid by the Listed Entity.	Company hereby undertakes to be compliant with all the regulations as applicable in future and further, the Company undertakes to not repeat any non-compliance from now onwards.

<p>During the period under review it was noticed that, there was an inter-se-transfer of share as a gift between the promoter i.e. Mr. Sandeep Goyal to Mr. Pardeep Goyal pursuant to the Regulation 10 of SEBI (Substantial Acquisition of Shares and Takeovers) Regulation, 2011 However, no prior intimation was not given to concerned Stock Exchanges as per Regulation 10(5) of said Regulation.</p>	<p>Company hereby undertakes to be compliant with all the regulations as applicable in future and further, the Company undertakes to not repeat any non-compliance from now onwards.</p>

INTERNAL AUDITOR

During the financial year under review, M/s KMRG & Associates, Chartered Accountants, were appointed as Internal Auditors of the Company, to conduct the Internal Audit for the financial year 2023 – 24.

Findings and reports of Internal Auditors are reviewed by the Audit Committee about compliance with internal controls, the efficiency and effectiveness of operations as well as key process risks. The Audit Committee periodically reviews internal audit plans, significant audit findings and adequacy of internal controls.

INTERNAL FINANCIAL CONTROL AND THEIR ADEQUACY

The Company has established an internal control system, commensurate with the size, nature, scale and complexity of its operations. Your Company has a robust and well embedded system of internal controls. This ensures that all assets are safeguarded and protected against loss from unauthorised use or disposition and all financial transactions are authorised, recorded and reported correctly.

An extensive risk based programme of internal audits and management reviews provides assurance to the Board regarding the adequacy and efficacy of internal controls. The internal audit plan is also aligned to the business objectives of the Company.

Comprehensive policies, guidelines and procedures are laid down for all business processes. The internal control system has been designed to ensure that financial and other records are reliable for preparing financial and other statements and for maintaining accountability of assets.

Significant features of the Company's internal control system are:

- ✚ A well-established, independent, Internal Audit team operates in line with best-in-class governance practices. It reviews and reports to the Audit Committee about compliance with internal controls, the efficiency and effectiveness of operations as well as key process risks.
- ✚ The Audit Committee periodically reviews internal audit plans, significant audit findings and adequacy of internal controls.
- ✚ Systematic self-certification of adherence to key internal controls, as part of control self-assurance by process owners, monitors and reviewers.
- ✚ Adherence with a comprehensive information security policy and continuous upgrades of the Company's IT systems for strengthening automated controls.
- ✚ During the financial year, the internal controls were tested and found effective, as a part of the Management's control testing initiative.

The Internal Auditors of your Company have direct access to the Audit Committee of the Board. Furthermore, the Internal Auditors are also responsible for following up the corrective actions to ensure that satisfactory controls are maintained.

Accordingly, the Board, with the concurrence of the Audit Committee and the Auditors is of the opinion that the Company's Internal Financial Controls were adequate and operating effectively for the financial year ended 31 March 2024.

CORPORATE GOVERNANCE REPORT

The Board of Directors present the Company's Report on Corporate Governance pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations") as amended for the financial year ended March 31, 2024

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

At Goyal Aluminiums Limited ('Company'/ 'Goyal'), thrust is on ensuring good conduct and governance by following transparency, fairness, integrity, equity and accountability in all dealings with customers, vendors, employees, regulatory bodies, investors and community at large. Our Corporate Governance is a reflection of us – our value system, work culture and thought process.

The key focused attributes to achieve good conduct and governance are as under:

Transparency: It includes informing the Company's policies and actions to those towards whom it has responsibility. This also includes disclosure without hampering the interests and privacy of the Company and those of its stakeholders.

Fairness: It refers to working towards achieving the goal and enhancing shareholders' value without any conflict of interest or any bias.

Integrity: This is to ensure independent verification and correct presentation of the Company's financial position.

Equity: It includes treating various stakeholders equally and providing effective mechanism for redressal.

Accountability: It refers to the obligation and responsibility to give an explanation or reason for the Company's actions and conduct.

Your Company believes that good corporate governance is essential for achieving long-term corporate goals and enhancing stakeholder value. Goyal is committed to conduct its business in compliance with the applicable laws, rules, regulations and statutes. Goyal believes in building and retaining the trust of its stakeholders by placing special emphasis on formulation and compliance of principles of corporate governance. The governance principles ingrained in the value system of the entity are based on conscience, openness, fairness and professionalism, which have built strong foundation of trust and confidence in the market.

The Company has constructed its vision and business strategy around these principles in such a way that it would help the organisation to continuously improve its position in a fast-changing world. The Company strives at doing the "right things" in the "right manner" in the interest of multiple stakeholders, which would attract sound financial status, brand value, sustainability, and reliability.

Corporate governance refers to the manner in which a corporation is governed, directed and managed. Corporate governance essentially involves balancing interests of all the stakeholders, such as shareholders, Board of Directors, management team, employees, customers, suppliers, bankers, government and the community. Corporate governance facilitates effective, entrepreneurial and prudent management which can deliver sustainable business results over a long term. Good corporate governance creates a mechanism of checks and balances to ensure that the decision making powers vested in the executive management are used with care and responsibility to meet stakeholders' aspirations and societal expectations.

We, at Goyal, continuously strive to adopt and implement the best in class governance practices. Responsible corporate conduct is integral to the way we do our business. Our actions are governed by our values and principles, which are reinforced at all levels within the Company and entire group. The Company's governance framework enjoins the highest standards of ethical and responsible conduct of business to create value for all stakeholders. We firmly believe, that for our continued success, we will need to adhere to the highest standards of corporate behavior towards every stakeholder and the society at large. Over the years, we have strengthened our governance practices, and it is our endeavor to achieve the best in class governance standards, benchmarked globally.

Corporate Governance has always been intrinsic to the management of the Business and passion for good governance ingrained in the organisation. Goyal has deeply ingrained the Corporate Governance in its value system and is reflection of principles entrenched in our values and policies.

We at Goyal strive to adopt and implement robust Board governance processes, internal control systems and processes, and strong audit mechanisms. Corporate Governance basically involves Company's Code of Business Conduct, Corporate Governance Guidelines and charters of various subcommittees of the Board and Company's Disclosure Policy.

The Corporate Governance framework of the Company is based on the following Broad practices:

- ✚ Engaging a diverse and highly professional, experienced and competent Board of Directors, with versatile expertise in industry, finance, management and law.
- ✚ Deploying well defined governance structures that establishes checks and balances and delegates decision making to appropriate levels in the organisation.
- ✚ Adoption and implementation of fair, transparent and robust systems, processes, policies and procedures.
- ✚ Making high level of disclosures for dissemination of corporate, financial and operational information to all its stakeholders.
- ✚ Having strong systems and processes to ensure full and timely compliance with all legal and regulatory requirements and zero tolerance for non-compliance.

Over the years at Goyal, we have strengthened our governance practices and it is our endeavor to achieve the best governance practices globally. Some of the best implemented governance norms include the following:

- a) All securities related filings with Stock Exchanges and SEBI are reviewed by the Company's Board.
- b) The Company has following independent Board Committees: Audit Committee, Nomination and Remuneration Committee, & Stakeholders' Relationship Committee.
- c) The Company also undergoes secretarial audit conducted by an independent Company Secretaries Firm. The Secretarial Audit Report is placed before the Board and is included in the Annual Report.
- d) Observance and adherence of the Secretarial Standards issued by the Institute of Company Secretaries of India.

This Corporate Governance Report outlines the key aspects of the Company's governance framework and governance practices which are consistent with the SEBI Listing Regulations and other rules and regulations.

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC SCENARIO AND GLOBAL ECONOMIC OUTLOOK

Global economic activity is experiencing a broad-based and sharper-than-expected slowdown, with inflation higher than seen in several decades. The cost-of-living crisis, tightening financial conditions in most regions, continued Russia's invasion of Ukraine, and the lingering COVID-19 pandemic all weigh heavily on the outlook. However, despite several headwinds, global gross domestic product (GDP) growth forecast for 2023 was revised from 2.7% to 2.9%, signaling that the expected global recession will not be as severe as previously feared. According to the International Monetary Fund (IMF), "adverse risks have moderated" since its previous World Economic Outlook, released in October 2022. Global inflation is expected to be lower on-year in 2023 but will remain above the pre-pandemic average and higher than central bank targets. While risks have reduced, the global economy remains vulnerable to the geopolitical fallout from the Russia-Ukraine conflict. Increasing crude oil and food grain prices and formation of trade blocs due to intensification of the conflict remain risks to the economy.

World aluminium production including primary and recycled aluminium increased by about 2.49% in 2023 and stood at 98.6 million tonnes (preliminary estimate). Aluminium is an essential component of the global economy, but the aluminium market is currently experiencing temporary slowdowns on account of the multiple geopolitical crises, inflation, economic deceleration in the major economies, high bank interest, etc., which had an impact on the industry. However, aluminium consumption demand will continue to grow despite all these factors. Chinese aluminium prices have demonstrated resilience throughout the year, remaining stronger compared to global prices. While London Metal Exchange (LME) aluminium prices have experienced a decline of over 7% this year, prices on the Shanghai Futures Exchange (SHFE) have seen an increase of more than 1% year-to-date. Despite a slower economic recovery than expected in China, the demand for aluminium has remained positive, driven by sustained interest from the green sector. The demand for aluminium in emerging economies such as India, Brazil and Indonesia, which exhibit promising economic growth prospects, shows signs of increasing production. Additionally, the Gulf Cooperation Council (GCC) region has shown improvement in aluminium production performance.

Key prediction for 2024

- ✦ The global aluminium market in H1 2024 is anticipated to mirror 2023
- ✦ Anticipated is a resurgence in both demand and prices for aluminium, expected to manifest in the latter half of 2024.
- ✦ China's construction industry continues to face challenges, contributing to short to medium-term concerns for aluminium demand.
- ✦ We anticipate a gradual price increase in 2024 as demand slowly recovers.
- ✦ Global aluminium consumption is projected to reach 100.6 million tonnes @ 2.33% growth.
- ✦ Chinese aluminium market to stay positive in 2024.
- ✦ Aluminium recycling (secondary aluminium) sector expansions will be on the rise

INDIAN ECONOMY

India is the only country that stands out from the rest of the world regarding aluminium production and consumption amidst a down market projecting a slow recovery in 2023. The government's strong emphasis on new infrastructure, particularly green energy, drives domestic consumption and overall stability for aluminium prices.

India is currently the second-largest aluminium producer and third-largest consumer globally. However, industry analysts predict that India's aluminium demand will double within the next ten years, which could significantly impact both short-term and long-term aluminium price projections.

India's government has emphasized infrastructure, particularly through initiatives such as "Make in India," which is likely to increase demand for aluminium in the power and construction sectors. Despite lagging global aluminium markets due to events such as Russia's invasion of Ukraine and the COVID-19 pandemic, India has seen a turnaround in the aluminium industry thanks to domestic projects like the "Vande Bharat" trains, metro rail development and increased capacity for green power generation.

Production of key minerals in India, such as iron ore and limestone, has shown robust growth in the first quarter of FY25, following record production levels in FY24. Iron ore and limestone, which account for about 80% of the total MCDR mineral production by value, recorded substantial outputs of 275 million metric tons (MMT) and 450 MMT, respectively, in FY24. The increase in production reflects strong demand from user industries like steel and cement, underscoring continued robust economic activity in energy, infrastructure, construction, automotive, and machinery sectors.

Provisional data for the non-ferrous metal sector indicates that primary aluminium production rose 1.2% in FY25 (April-June), reaching 10.43 lakh tons (LT) from 10.28 LT in FY24. India remains the second-largest aluminium producer, third-largest lime producer, and fourth-largest iron ore producer globally. Iron ore production increased from 72 MMT in FY24 (April-June) to 79 MMT in FY25 (April-June), marking a 9.7% growth. Limestone production grew by 1.8%, from 114 MMT to 116 MMT, and manganese ore production surged by 11%, reaching 1.0 MMT.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Aluminium Industry is the second most important metallurgical industry in India. Aluminium has gained popularity as a substitute of steel, copper, zinc and leads in a number of industries because it is light metal, resistant to corrosion, a good conductor of heat, malleable and becomes strong when it is mixed with other metals. There are 8 aluminium smelting plants in the country located in Odisha (formerly Orissa) (Nalco and Balco), West Bengal, Kerala, Uttar Pradesh, Chhattisgarh, Maharashtra and Tamil Nadu. In 2004, India produced over 600 million tons of aluminium. Bauxite, the raw material used in the smelters is a very bulky, dark reddish coloured rock. The flow chart given below shows the process of manufacturing aluminium. Regular supply of electricity and an assured source of raw material at minimum cost are the two prime factors for location of the industry.

Aluminium is a metal of significant strategic importance to India, critical to almost all sectors of significance to modern life and essential to build a sustainable tomorrow. By virtue of its unusual properties like high strength-to-weight ratio, exceptional design flexibility, superior thermal & electrical properties, 100% recyclability over and over again, Aluminium's demand in space exploration, aviation, electric vehicles, renewable energy production, electricity transmission, construction, consumer goods, and more, is only slated to increase.

India is a leading player in the global Aluminium industry with the second largest Aluminium production capacity of about 4 million tonnes per annum (MTPA).

India's Aluminium demand is estimated to double again by the year 2025 with current resilient GDP growth rate driven by increasing urbanization and push for boosting domestic infrastructure, automotive, aviation, defence, and power sectors.

OPPORTUNITIES AND THREATS

Aluminum is the most abundant mineral on earth behind oxygen and silicon, making it the most abundant metal naturally found on the planet and the second-most used metal globally, behind only Iron. It is largely used as an alloy, even if the aluminum content is as high as 99%. The Aluminium industry meets the requirements of a wide range of industries including engineering, electrical and electronics, automobile and automobile components etc. The principal user segment of the aluminum industry in India continues to be the electrical and electronics sectors followed by automotive, transportation, building, construction, packaging, consumer durables.

According to data released by Department for Promotion of Industry and Internal Trade (DPIIT), Indian metallurgical industries attracted Foreign Direct Investment (FDI) to the tune of US\$ 13.4 billion in the period April, 2000 to March, 2020 (Source: Aluminium Industry India - Sector Research & Analysis – Equity master).

The aluminium business continues to be affected to a large extent by the volatility in the aluminium raw material prices, foreign exchange fluctuations and low quality aluminium products being dumped by neighboring countries.

The Board of Directors regularly overview external and internal risks associated with the operations of the Company and carries out its impact assessment & effective implementation of the mitigation plans and risk reporting is conducted. GOYAL ALUMINIUMS LIMITED

Independent Auditor's Report

To the members of
GOYAL ALUMINIUMS LIMITED
(formerly known as Advitiya Trade India Limited)

Report on the Audit of Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of **GOYAL ALUMINIUMS LIMITED** (formerly known as Advitiya Trade India Limited) ("the Company"), which comprise the balance sheet as at 31st March 2024, the statement of profit and loss, statement of changes in equity and statement of cash flows for the year ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and explanations given to us except for the effect of the matters described in the Basis of Qualified Opinion in para below, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2024, and the **net profit** (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

The Company has not implemented accounting software having Audit Trail (edit log) facility while maintaining its books of accounts.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of Standalone Financial Statements' section of our report. We are independent of the company in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and Rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with the requirements with these requirements and the Code of Ethics. We believe that the audit evidences obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and the auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in

this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the applicable accounting standards and the other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain a reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

V.N. PUROHIT & CO.

Chartered Accountants

- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.

ANNEXURE- B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

We have audited the **GOYAL ALUMINIUMS LIMITED** (formerly known as Advitiya Trade India Limited) as on 31st March 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at 31st March 2024, based on "the internal financial controls with reference to Standalone Financial Statements criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by "the Institute of Chartered Accountants of India" except that, the Company has not used an accounting software for maintaining its Books of Accounts which has a feature of recording Audit Trail (edit log) facility.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness

V.N. PUROHIT & CO.
Chartered Accountants

exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

1 Corporate Information:

GOYAL ALUMINIUMS LIMITED (CIN L74999DL2017PLC314879) was incorporated on March 22nd, 2017 under the Companies Act, 2013 with the Registrar of Companies, NCT of Delhi & Haryana. The company is currently engaged in the business of trading of aluminium and other metals on wholesale, retail or commission basis. The Company is listed on Bombay Stock Exchange (BSE) [Script code: GOYALALUM].

2 Significant Accounting Policies:

2.1 Statement of Compliance with Ind AS:

The Standalone financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015. The Company has uniformly applied the accounting policies during the periods presented.

2.2 Basis for preparation of financial statements:

The Standalone financial statements have been prepared in historical cost basis except for certain financial instruments which are measured at fair value or amortised cost at the end which is generally based on the fair value of consideration given in exchange for goods and services. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

2.3 Use of Estimates:

The preparation of Standalone financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

2.4 Significant Management judgement in applying accounting estimates:

2.4.1 Income taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

2.4.2 Impairment of investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

2.4.3 Provision:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

2.4.4 Recognition of Deferred Tax Assets:

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

2.5 Preliminary expenses

Expenditure incurred prior to incorporation of the company is treated as preliminary expenses. One fifth of the expenses is treated as revenue expense and therefore is being booked as revenue expenses in every year.

2.6 Borrowing Costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalization of such asset, are capitalized as a part of the cost of such assets. Any income earned on the temporary development /investment of those borrowings is deducted from the borrowing costs so incurred.

A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of Profit and Loss.

2.7 Property, Plant and Equipment:

PPE are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/ installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on PPE, including assets taken on lease, other than freehold land is charged based on Written Down Value method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Furniture & fixtures	10
Vehicles	10
Office Equipment	5
Computers & peripherals	3

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

2.8 Revenue recognition:

Revenue is recognized when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognized depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods or services.

2.8.1 Sale of goods:

Revenue from sale of goods is recognised when control over such goods have been transferred, being when the goods are delivered to the customers. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, risks of loss have been transferred to the customers, and either the customer has accepted the goods in accordance with the sales contract or the acceptance provisions have lapsed or the Company has objective evidence that all criteria for acceptance have been satisfied. Revenue from these sales is recognized based on the transaction price as agreed with the customer in consideration for sale of such goods.

2.8.2 Dividend and interest income:

Dividend income from investments is recognised when the shareholders' right to receive such amount has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

2.8.3 Other income:

In respect of other heads of income in the Company's accounts the income shall be recognised on accrual basis.

2.9 Foreign currency transactions:

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional and the foreign currency prevailing on date of transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the date of Balance Sheet. Exchange differences arising on monetary items on settlement or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

2.10 Financial Instruments:

2.10.1 Financial Assets: -

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction cost.

Subsequent measurement: -

Equity instrument and Mutual Fund: - All equity instrument and mutual funds within scope of IndAS 109 are measured at fair value. Equity instrument and Mutual fund which are held for trading are classified as at fair value through profit & loss (FVTPL). For all other equity instruments, the Company decided to classify them as at fair value through other comprehensive income (FVTOCI).

Debt instrument: - A 'debt instrument' is measured at the amortised cost if both the following conditions are met. The assets are held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the assets given rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such Financial Assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De-recognition of Financial Assets: -

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its right to receive cash flow from the asset.

2.10.2 Financial Liabilities: -

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified as amortised cost.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of Financial liabilities: -

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of management and actual facts of each case and recognized in other operating revenues.

Further, when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

2.10.3 Offsetting of financial instrument: -

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

2.10.4 Impairment of Financial Assets

Equity Instruments, Debt Instruments and Mutual Fund: -

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets and unbilled revenue which are not fair valued through profit or loss. Loss allowance for trade receivables and unbilled revenues with significant financing component is measured at an amount equal to 12-month ECL. For all other financial assets, expected credit losses are measured at an amount equal to the lifetime 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considers current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recorded is recognized as an impairment gain or loss in condensed consolidated statement of comprehensive income.

Other Financial Assets: -

The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

2.11 Inventories

Inventories (other than quoted shares and securities) are valued at cost or net realisable value, whichever is lower. Cost is determined on FIFO and includes cost of purchase and other costs incurred in bringing inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.12 Cash & Cash equivalents

Cash and cash equivalents in the Balance Sheet comprise of cash at bank and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.13 Taxation

Tax expense recognised in Statement of Profit and Loss comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961. Current and deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively. Advance taxes and provisions for current income taxes are presented in the statement of financial position after offsetting advance tax paid and income tax provision.

Deferred tax is recognised on temporary differences arising between the carrying amount of assets and liabilities and the corresponding tax bases used in computation of taxable profit under Income Tax Act, 1961.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted. Deferred tax relating to items recognised outside Statement of Profit and Loss is recognised outside Statement of Profit and Loss (either in other comprehensive income or in equity).

2.14 Earnings per share:

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potentially dilutive equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

2.15 Provision, Contingent Liabilities and Contingent Assets:

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Assets and Contingent Liabilities are not recognized in the financial statements.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

2.16 Retirement Benefits

Short-term Employee benefits payable wholly within twelve months of rendering the service such as salaries, performance, incentives, etc, are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the employee renders the related service.

For defined benefits retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each year end balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised as an expense within employment costs.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier. The retirement benefit obligation recognised in the balance sheet represents the present value of defined-benefit obligation as reduced by the fair value of plan assets, if any.

2.17 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

Right-of-Use (ROU) assets are recognized at inception of a contract or arrangement for significant lease components at cost less lease incentives, if any. ROU assets are subsequently measured at cost less accumulated depreciation and impairment losses, if any. The cost of ROU assets includes the amount of lease liabilities recognized, initial direct cost incurred and lease payments made at or before the lease commencement date. ROU assets are generally depreciated over the shorter of the lease term and estimated useful lives of the underlying assets on a straight line basis. Lease term is determined based on consideration of facts and circumstances that create an economic incentive to exercise an extension option, or not to exercise a termination option. Lease payments associated with short-term leases and low value leases are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.

The Company recognises lease liabilities measured at the present value of lease payments to be made on the date of recognition of the lease. Such lease liabilities do not include variable lease payments (that do not depend on an index or a rate), which are recognised as expense in the periods in which they are incurred. Interest on lease liability is recognised using the effective interest method. Lease liabilities are subsequently increased to reflect the accretion of interest and reduced for the lease payments made. The carrying amount of lease liabilities is also remeasured upon modification of lease arrangement or upon change in the assessment of the lease term. The effect of such remeasurements is adjusted to the value of the ROU assets.

Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the Company is a lessor under an operating lease, the asset is capitalised within property, plant and equipment or investment property and depreciated over its useful economic life. Payments received under operating leases are recognised in the Statement of Profit and Loss on a straight line basis over the term of the lease.

Basis used to determine the Expected Rate of Return on Plan Assets

Discount Rate: The rate used to discount other long term employee benefit obligation (both funded and unfunded) have been determined by the reference to market yield at the Balance Sheet Date on government bonds. The currency and term of the government bond shall be consistent with currency and estimated term of the post employment benefit

Rate of Return on Plan Assets: Interest income on plan assets is calculated using the expected rate of return and the assets at the beginning of the period.

Withdrawal Rates: withdrawal rates takes into account the board economic outlook, type of sector the company operates in and measures taken by the management to retain/ relieve the employees.

Sensitivity Analysis

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged. Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously. The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

Independent Auditor's Report

To
The members of
GOYAL ALUMINIUMS LIMITED
(formerly known as Advitiya Trade India Limited)

Report on the Audit of Consolidated Financial Statements

Qualified Opinion and Conclusion

We have audited the accompanying consolidated financial statements of **GOYAL ALUMINIUMS LIMITED** (formerly known as Advitiya Trade India Limited) ("hereinafter referred to as the "Company") and its associate, which comprise the consolidated balance sheet as at 31st March 2024, the consolidated statement of profit and loss, the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and explanations given to us except for the effect of the matters described in the Basis of Qualified Opinion in para below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Company as at 31st March, 2024, and the consolidated **net profit** (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

The Company has not implemented accounting software having Audit Trail (edit log) facility while maintaining its books of accounts.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the company in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Consolidated Financial Results under the provisions of the Act and Rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with the requirements with these requirements and the Code of Ethics. We believe that the audit evidences obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The respective Board of Directors of the Company and its associate is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and the auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to

V.N. PUROHIT & CO.

Chartered Accountants

read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Company and its associate in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under section 133 of the Act. The Board of Directors of the Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associates respectively, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the company and its associate are responsible for assessing the ability of the Company and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or its associate or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the company and its associate are responsible for overseeing the financial reporting process of the Company and its associate respectively.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be

V.N. PUROHIT & CO.

expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company or its associate to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- (vi) Obtain sufficient and appropriate audit regarding the financial information of the entities or business activities within the Company and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are independent auditors. For other entities included in the consolidated financial statements, which have been audited by other auditors such other auditors remain responsible for direction supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

V.N. PUROHIT & CO.
Chartered Accountants

We communicate with those charged with governance of the Company and its associate in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We have not audited the financial statements of the associate viz. M/s Wroley E India Private Limited included in the consolidated financial results, whose financial information reflects total share in net asset of Rs. 21.05 lakhs as at March 31, 2024, total net profit after tax of Rs. 23.79 lakhs, other comprehensive income of Rs. Nil and net cash flows of Rs. Nil for the year ended on that date, as considered in the Annual Consolidated Financial Results. The financial statements of the component are unaudited and have been furnished to us by the management, and our opinion and conclusion on the statement, so far it relates to the amount and disclosure included in respect of this associate, is based solely on such unaudited financial statements/ financial information. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g);

Annexure-B To the Independent Auditor's Report on the Consolidated Financial Statements

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as at and for the year ended on 31st March 2024, we have audited the internal financial controls over financial reporting of **GOYAL ALUMINIUMS LIMITED** (formerly known as Advitiya Trade India Limited) (hereinafter referred to as "the Company") and its associate as of and for the year ended on that date.

Opinion

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2024, based on "the internal financial controls with reference to financial statements criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India" except that, the Company has not used an accounting software for maintaining its Books of Accounts which has a feature of recording Audit Trail (edit log) facility.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about

whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the associate company, which is incorporated in India, is based on the written representations received from the management of the said associate Company.

GOYAL ALUMINIUMS LIMITED (CIN L74999DL2017PLC314879) was incorporated on March 22nd, 2017 under the Companies Act, 2013 with the Registrar of Companies, NCT of Delhi & Haryana. The company is currently engaged in the business of trading of aluminium and other metals on wholesale, retail or commission basis. The Company is listed on Bombay Stock Exchange (BSE) [Script code: GOYALALUM].

2 Significant Accounting Policies:

2.1 Statement of Compliance with Ind AS:

The Consolidated financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015. The Company has uniformly applied the accounting policies during the periods presented.

2.2 Basis for preparation of financial statements:

The Consolidated financial statements have been prepared in historical cost basis except for certain financial instruments which are measured at fair value or amortised cost at the end which is generally based on the fair value of consideration given in exchange for goods and services. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

2.3 Principles of consolidation

The consolidated financial statements comprise of the holding company and all its subsidiaries and associates in accordance with the requirements of Ind AS 110- Consolidated Financial Statements and Ind AS 28 - Investment in Associates and Joint Ventures (to the extent applicable). The consolidated financial statements have been prepared on the following basis: -

The financial statements of the holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions. Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full. Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.

The financial statements of the associate/ subsidiary companies used in the consolidation are drawn upto the same reporting date as of the Company i.e. year ended March 31, 2023. The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.

The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary. The difference between the proceeds from disposal of Investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognized in the Consolidated statement of profit & loss being the profit or loss on disposal of investment in subsidiary.

Investment in Associates and Joint Ventures has been accounted under the Equity Method as per Ind AS 28 - Investments in Associates and Joint Ventures. The Group accounts forfeits share of post-acquisition changes in net assets of associates and joint ventures, after eliminating unrealized profits and losses resulting from transactions between the Group and its associates and joint ventures.

Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company. Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.

Changes in a parent's ownership interest after control is obtained that do not result in a change in control of the subsidiary are accounted for as equity transactions. The carrying amount of the non-controlling interest is adjusted to reflect the change in the non-controlling interest's ownership interest in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognized in equity and attributed to the parent's equity holders.

2.4 Use of Estimates:

The preparation of Consolidated financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

2.5 Significant Management judgement in applying accounting estimates:

2.5.1 Income taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

2.5.2 Impairment of investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

2.5.3 Provision:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

2.5.4 Recognition of Deferred Tax Assets:

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

2.6 Preliminary expenses

Expenditure incurred prior to incorporation of the company is treated as preliminary expenses. One fifth of the expenses is treated as revenue expense and therefore is being booked as revenue expenses in every year.

2.7 Borrowing Costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalization of such asset, are capitalized as a part of the cost of such assets. Any income earned on the temporary development /investment of those borrowings is deducted from the borrowing costs so incurred.

A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of Profit and Loss.

2.8 Property, Plant and Equipment:

PPE are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/ installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on PPE, including assets taken on lease, other than freehold land is charged based on Written Down Value method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Furniture & fixtures	10
Vehicles	10
Office Equipment	5
Computers & peripherals	3

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

2.9 Revenue recognition:

Revenue is recognized when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognized depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods or services.

2.9.1 Sale of goods:

Revenue from sale of goods is recognised when control over such goods have been transferred, being when the goods are delivered to the customers. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, risks of loss have been transferred to the customers, and either the customer has accepted the goods in accordance with the sales contract or the acceptance provisions have lapsed or the Company has objective evidence that all criteria for acceptance have been satisfied. Revenue from these sales is recognized based on the price specified in the contract.

2.9.2 Dividend and interest income:

Dividend income from investments is recognised when the shareholders' right to receive such amount has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

2.9.3 Other Income:

In respect of other heads of income in the Company's accounts the income shall be recognised on accrual basis.

2.10 Foreign currency transactions:

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional and the foreign currency prevailing on date of transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the date of Balance Sheet. Exchange differences arising on monetary items on settlement or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

2.11 Financial Instruments:

2.11.1 Financial Assets: -

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction cost.

Subsequent measurement: -

Equity Instrument and Mutual Fund: - All equity instrument and mutual funds within scope of IndAS 109 are measured at fair value. Equity instrument and Mutual fund which are held for trading are classified as at fair value through profit & loss (FVTPL). For all other equity instruments, the Company decided to classify them as at fair value through other comprehensive income (FVTOCI).

Debt Instrument: - A 'debt instrument' is measured at the amortised cost if both the following conditions are met. The assets are held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the assets given rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such Financial Assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De-recognition of Financial Assets:-

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its right to receive cash flow from the asset.

2.11.2 Financial Liabilities: -

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified as amortised cost.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of Financial liabilities: -

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of management and actual facts of each case and recognized in other operating revenues.

Further, when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

2.11.3 Offsetting of financial instrument: -

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

2.11.4 Impairment of Financial Assets

Equity Instruments, Debt Instruments and Mutual Fund: -

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets and unbilled revenue which are not fair valued through profit or loss. Loss allowance for trade receivables and unbilled revenues with significant financing component is measured at an amount equal to 12-month ECL. For all other financial assets, expected credit losses are measured at an amount equal to the lifetime 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considers current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recorded is recognized as an impairment gain or loss in condensed consolidated statement of comprehensive income.

Other Financial Assets: -

The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

2.12 Inventories

Inventories (other than quoted shares and securities) are valued at cost or net realisable value, whichever is lower. Cost is determined on FIFO and includes cost of purchase and other costs incurred in bringing inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.13 Cash & Cash equivalents

Cash and cash equivalents in the Balance Sheet comprise of cash at bank and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.14 Taxation

Tax expense recognised in Statement of Profit and Loss comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961. Current and deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively. Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred tax is recognised on temporary differences arising between the carrying amount of assets and liabilities and the corresponding tax bases used in computation of taxable profit under Income Tax Act, 1961.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted. Deferred tax relating to items recognised outside Statement of Profit and Loss is recognised outside Statement of Profit and Loss (either in other comprehensive income or in equity).

2.15 Earnings per share:

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potentially dilutive equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

2.16 Provision, Contingent Liabilities and Contingent Assets:

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Assets and Contingent Liabilities are not recognized in the financial statements.

2.17 Retirement Benefits

Short-term Employee benefits payable wholly within twelve months of rendering the service such as salaries, performance, incentives, etc, are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the employee renders the related service.

For defined benefits retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each year end balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised as an expense within employment costs.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier. The retirement benefit obligation recognised in the balance sheet represents the present value of defined benefit obligation as reduced by the fair value of plan assets, if any.

2.18 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

Right-of-Use (ROU) assets are recognized at inception of a contract or arrangement for significant lease components at cost less lease incentives, if any. ROU assets are subsequently measured at cost less accumulated depreciation and impairment losses, if any. The cost of ROU assets includes the amount of lease liabilities recognized, initial direct cost incurred and lease payments made at or before the lease commencement date. ROU assets are generally depreciated over the shorter of the lease term and estimated useful lives of the underlying assets on a straight line basis. Lease term is determined based on consideration of facts and circumstances that create an economic incentive to exercise an extension option, or not to exercise a termination option. Lease payments associated with short-term leases and low value leases are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.

The Company recognises lease liabilities measured at the present value of lease payments to be made on the date of recognition of the lease. Such lease liabilities do not include variable lease payments (that do not depend on an index or a rate), which are recognised as expense in the periods in which they are incurred. Interest on lease liability is recognised using the effective interest method. Lease liabilities are subsequently increased to reflect the accretion of interest and reduced for the lease payments made. The carrying amount of lease liabilities is also remeasured upon modification of lease arrangement or upon change in the assessment of the lease term. The effect of such remeasurements is adjusted to the value of the ROU assets.

Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the Company is a lessor under an operating lease, the asset is capitalised within property, plant and equipment or investment property and depreciated over its useful economic life. Payments received under operating leases are recognised in the Statement of Profit and Loss on a straight line basis over the term of the lease.

Basis used to determine the Expected Rate of Return on Plan Assets

Discount Rate: The rate used to discount other long term employee benefit obligation (both funded and unfunded) have been determined by the reference to market yield at the Balance Sheet Date on government bonds. The currency and term of the government bond shall be consistent with currency and estimated term of the post employment benefit obligation.

Rate of Return on Plan Assets: Interest income on plan assets is calculated using the expected rate of return and the assets at the beginning of the period.

Withdrawal Rates: withdrawal rates takes into account the board economic outlook, type of sector the company operates in and measures taken by the management to retain/ relive the employees.

Sensitivity Analysis

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged. Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously. The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

The Company's activities expose it to a variety of financial risks, including market risk . The Company's primary risk management focus is to minimize potential adverse effects of risks on its financial performance. The Company's risk management assessment policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management of these policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee are responsible for overseeing these policies and processes.

(i) Market risk

Market risk is the risk of changes in the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Company's income or the value of its holdings of its financial instruments . The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising the returns.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to market risk for changes in interest rates relates to borrowings from banks and others.

Interest rate sensitivity - variable rate Instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased/(decreased) equity and profit or loss by amounts shown below. This analysis assumes that all other variables, in particular, foreign currency exchange rates, remain constant. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date.
