# Vi Appoints CFO Akshaya Moondra as Its Next CEO

3RD TOP-LEVEL CHANGE IN 4 YRS Moondra to take charge from Aug

**Kolkata:** Vodafone Idea's chief financial officer Akshaya Moondra will replace outgoing chief executive Ravinder Takkar next month. This is the third top-level change in under four years at the loss-making telco, which has been fighting to turn around its operations amid a severe cash crunch. "The board of the company has, based on the recommendation of the nomination and remuneration committee, appointed Akshaya Moondra, currently the chief financial officer, as the chief executive officer for a period of three years, effective August 15," Vodafone Idea (VI) said in a statement Friday. Takkar's term as VI's MD and CEO comes to an end on August 15, the company added. He would, however, continue to be a non-executive and non-independent director after the completion of his term as MD. "The (Moondra) is well versed with the VI business context, and I am confident he will successfully steer the company through the next phase of development and help unlock its full potential," chairman Hi-

manshu Kapadia said. Vi said a new CFO would be named in due course. The company's shares closed 1.1% lower at ₹9.05 on the BSE Friday. The leadership change announcement came after market hours. Moondra will be cash-strapped Vodafone Idea's third CEO since the merger of Vodafone India and Idea Cellular in August 2018, which created what was then India's largest telco by subscriber and revenue market share. Moondra's elevation to the top job is also significant, in that, for the first time, VI - the telecom JV between UK's Vodafone Group Plc and India's Aditya Birla Group - will be led by a representative of the Kumar Mangalam Birla-led conglomerate.

## Co Gets ₹100 cr Tax Relief

**NEW DELHI:** In a relief for Vodafone Idea (VI), the Bombay High Court has said that international Inbound Roaming Services and International Long Distance services are export of services and allowed a refund claim of over ₹100 crore, which the revenue department had denied the company. VI had filed a writ against the revenue department in the high court. It had claimed a refund of ₹102.74 crore pertaining to a period between May 2019 to June 2019. As per the revenue authorities, the refund claims of Vodafone Idea were not correct as the supply of services provided by Vodafone Idea was in the state of Maharashtra and could not be considered as an export of services. -Anuradha Shukla

# Airtel to be at Forefront of Bringing 5G to India: Mittal

**New Delhi:** Bharti Airtel will be at the forefront of bringing 5G connectivity to India with a powerful network to support the country's digital-first economy and has taken the lead in testing 5G services ahead of the competition, its chairman Sunil Bharti Mittal has said. In a message to its shareholders in the

telco's annual report, Mittal said India's second largest telco's 5G-ready network is already playing an integral part in delivering robust performance for its clients. Airtel was the first operator in India to demonstrate a 5G cloud gaming experience and conduct a successful 700 MHz band trial for rural connectivity Mittal said. He also said the government's pivotal reforms ended years of dissonance,

and a softer regulatory regime with reduced procedural formalities has emboldened the investment cycle within the industry for upgrading and extending India's digital highways. Airtel added 23.5 million 4G subscribers in 2021-22 to cross the 200-million 4G smartphone customer threshold,

which played out as the newly acquired spectrum was fired up during the year. The additional spectrum helped bolster high-speed data capacity and network reach across circles, Mittal said. Airtel MD Gopal Vittal said, "We are fully ready for 5G. Our core network - radio network and transport network - is fully future proof. Our sub-GHz footprint across the country now gives us deep indoor coverage."
