Independent Auditor's Review Report on Standalone Quarterly Unaudited Financial Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

To the Board of Directors of TULSYAN NEC LIMITED

1. We have reviewed the accompanying statement of standalone unaudited financial results ("the Statement") of TULSYAN NEC LIMITED ("the Company") for the quarter ended 30th September 2019, and the year to date results for the period 1st April 2019 to 30th September 2019, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with SEBI circular CIR/CFD/CMD1/44/2019 dated 29th March 2019 ("the Circular").
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis of Qualified Opinion

We draw attention to the fact that the Company is continuously incurring losses and its net worth is totally eroded on 30.09.2019. During the Financial year 2015-16 the Company's

loans and liabilities were restructured under the corporate debt Restructuring Scheme. As per the scheme the company's repayment obligations were restructured. The Banks also provided certain reliefs/waivers/sacrifices by reducing the rate of interest. Interest was provided in the books at the lowered rates of interest. However the bankers had withdrawn the concession with retrospective effect and charged the interest at original rates. Consequent to the withdrawal of concessions, few banks have debited the account of the company for the differential amount of interest and other concessions given as per CDR scheme. The period of withdrawal relates from May 1st 2014 to the date of debit. The Company has sought waiver of the said debits in the restructuring proposal submitted to the Bank which is pending with the Bankers. Pending acceptance of the waiver sought, the charges as debited have been recognized as Finance charges in the period of debit.

Based on information and explanation given to us, the company is also in the process of restructuring its borrowings from banks and finalizing alternative business plan which are expected to result in profits in the near future. The Company's ability to continue as going concern is dependent on the implementation of the same. The above indicates a significant uncertainty and doubt about the Company's ability to continue as a Going Concern.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, the SEBI Circulars, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

3. We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing specified under section 143(10) of the Companies Act, 2013 and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis of Qualified Opinion

We draw attention to the fact that the Parent is continuously incurring losses and its net worth is totally eroded on 30.09.2019. During the Financial year 2015-16 the Parent's loans and liabilities were restructured under the corporate debt Restructuring Scheme. As per the scheme the Parent's repayment obligations were restructured. The Banks also provided certain reliefs/waivers/sacrifices by reducing the rate of interest. Interest was provided in the books at the lowered rates of interest. However the bankers had withdrawn the concession with retrospective effect and charged the interest at original rates. Consequent to the withdrawal of concessions, few banks have debited the account of the Parent for the differential amount of interest and other concessions given as per CDR scheme. The period of withdrawal relates from May 1st 2014 to the date of debit. The Parent has sought waiver of the said debits in the restructuring proposal submitted to the Bank which is pending with the Bankers. Pending acceptance of the waiver sought, the charges as debited have been recognized as Finance charges in the period of debit.

Based on information and explanation given to us, the Parent is also in the process of restructuring its borrowings from banks and finalizing alternative business plan which are expected to result in profits in the near future. The Parent's ability to continue as going concern is dependent on the implementation of the same. The above indicates a significant uncertainty and doubt about the parents's ability to continue as a Going Concern.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above and subject to the matters given in the basis of qualified opinion paragraph, nothing has come to our attention that causes us to believe that the accompanying financial statements, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard, the SEBI Circulars and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We did not review the interim financial statements / financial information / financial results of all subsidiaries included in the consolidated unaudited financial results, whose interim financial statements / financial information / financial results reflect total revenues of Rs 1946.38 lakhs, total net profit after tax of Rs. 296.72 lakhs and total comprehensive profit of 296.72 lakhs for the quarter ended 30.09.2019, as considered in the consolidated unaudited financial results. These interim financial statements / financial information / financial results have not been reviewed by other auditors whose
