To Board of Directors / Resolution Professional (RP) of Reliance Communications Limited

1. The Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") admitted an insolvency and bankruptcy petition filed by an operational creditor against Reliance Communications Limited ("the Company") and appointed Resolution Professional (RP) who has been vested with management of affairs and powers of the Board of Directors with direction to initiate appropriate action contemplated with extant provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules.
2. We have reviewed the accompanying statement of standalone unaudited financial results of the Company for the quarter and nine months ended December 31, 2024 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("Listing Regulations").
3. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company and taken on record by the RP in their meeting held on February 06, 2025, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
4. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
5. We draw attention to Note no. 4 & 6 of the Statement, "Assets Held for Sale (AHS)" including Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs) along with liabilities continues to be classified as held for sale at the value ascertained at the end of March 31, 2018, for the reasons referred to in the aforesaid note and impact of the non payment of spectrum installments due to Department of Telecommunication (DOT). Non determination of fair value of Asset Held for Sale as on the reporting date is not in compliance with Ind AS 105 "Non Current Assets Held for Sale and Discontinued Operations". Accordingly, we are unable to comment on the consequential impact, if any, on the carrying amount of Assets Held for Sale and on the reported losses for the quarter and nine months ended December 31, 2024.
6. We draw attention to Note no. 5 of the Statement regarding admission of the Company and its two subsidiaries into Corporate Insolvency Resolution Process ("CIRP") and pending determination of obligations and liabilities with regard to various claims submitted by the Operational/financial/other creditors and employees including interest payable on loans during CIRP. We are unable to comment the accounting impact there of pending reconciliation and determination of final obligation. The Company accordingly has not provided interest on borrowings amounting to Rs. 1,327 crore and Rs. 3,575 crore for the quarter and nine months ended December 31, 2024 respectively and Rs. 28,786 crore up to the Company's previous financial year calculated based on basic rate of interest as per terms of loan. The Company

further has not provided for foreign exchange (gain) / loss amounting to Rs. 368 crore and Rs. 447 crore for the quarter and nine months ended December 31, 2024 and Rs. 3,677 crore of foreign exchange loss up to the previous financial year. Had such interest and foreign exchange variation (gain)/ loss as mentioned above been provided, the reported loss for the quarter and nine months ended December 31, 2024 would have been higher by Rs. 1,695 crore and Rs. 4,022 crore respectively and Networth as on December 31, 2024 and March 31, 2024 would have been lower by Rs. 36,485 crore and Rs. 32,463 crore respectively. Non provision of interest and non-recognition of foreign exchange variation (gain)/ loss is not in compliance with Ind AS 23 "Borrowing Costs" and Ind AS 21 "The Effects of Changes in Foreign Exchange Rates" respectively.

7. We draw attention to Note no. 4 & 16 of the Statement, regarding pending comprehensive review of carrying amount of all assets (including investments, receivables and balances lying under Goods and Service Tax) & liabilities and non-provision for impairment of carrying value of the assets and write back of liabilities if any, pending completion of the CIRP and various irregularities reported by the forensic auditor M/s BDO India LLP, appointed by one of the lenders, in their forensic audit report for the period from April 01, 2013 to March 31, 2017 as communicated by certain banks and communication received from certain banks with respect to willful defaulter and fraud. In the absence of comprehensive review as mentioned above for the carrying value of all the assets and liabilities and unable to determine of potential impact of communications from banks in respect of willful default / fraud, we are unable to comment that whether any adjustment is required in the carrying amount of such assets and liabilities and consequential impact, if any, on the reported losses for the quarter and nine months ended December 31, 2024. Non determination of fair value of financial assets & liabilities and impairment of carrying amount for other assets and liabilities are not in compliance with Ind AS 109 "Financial Instruments", Ind AS 36 "Impairment of Assets" and Ind AS 37 "Provisions, Contingent Liabilities & Contingent Assets".
8. We draw attention to Note no. 18 of the Statement, wherein during the previous year ended March 31, 2024, Bonn Investment Inc. ("Bonn") had sold its property for an amount of USD 8.34 million (approx. Rs. 69.55 crore). Out of the sale proceeds, Bonn has invested amounting to USD 8.20 million (approx. Rs. 68.38 crore) with AZCO Real Estate Brokers LLC ("AZCO") without the authorisation / permission of the Management and Resolution Professional of the Company. The director of Bonn had initiated a digital analysis of the various email correspondence exchanged by the erstwhile director of Bonn, with the erstwhile director / erstwhile management of the Company, to further investigate the unauthorised and potentially fraudulent sale and investment transaction undertaken by the erstwhile director of Bonn (including the circumstances / motive behind the same) as well as to ascertain the role of any other individuals involved in the matter and the final report in this regard has been received. Pending complete examination by the relevant stakeholders and their advisors, for any further action to be taken pursuant to the findings in the report, in the meantime, based on certain matters which came into light from the final report, RP has issued an email dated February 6, 2025 to a director of the Company seeking his response on his involvement in the above potentially fraudulent transactions, the response from the director is awaited. The Management and RP, as stated in the aforesaid note, have initiated the process of legal remedies for the action taken by the director suo-moto, including recovery of the advance against the investment in AZCO and is in the process of examining further legal remedies based on the digital analysis. Further, the financial results of Bonn for the quarter ended June 30, 2024, September 30, 2024 and December 31, 2024, are certified by the management and the financial statements of Bonn for the year ended March 31, 2024 is not yet audited.

Considering the above, we are unable to comment on the potential impact in the unaudited financial results of Bonn in respect of the matters stated in the aforesaid note in relation to unauthorised sale and Investment made in AZCO by the erstwhile director of Bonn and involvement of any erstwhile director / management if any on the said transactions. We are also unable to comment on the going concern assumption made by the management while preparing the standalone financial results for the quarter and nine months ended December 31, 2024.

9. We draw attention to Note no. 10 of the Statement, regarding non adoption of Ind AS 116 "Leases" effective from April 01, 2019 and the consequent impact thereof. The aforesaid accounting treatment is not in accordance with the relevant Indian Accounting Standard Ind AS 116.
10. We draw attention to Note no. 4 of the Statement, regarding continuous losses incurred by the Company, current liabilities exceeding its current assets, default in repayment of borrowings and default in payment of regulatory and statutory dues and pending application of renewal of Telecom Licenses and potential impact of the matters stated in note no 16 and 18. These situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The accounts, however, have been prepared by the management on a going concern basis for the reason stated in the aforesaid note. However, we are unable to obtain sufficient and appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the standalone financial results, in view of ongoing CIRP and matters pending before regulatory authorities, the outcome of which cannot be presently ascertained.
11. Based on our review conducted as above, except for the matters described in paragraphs 5 to 10 above, nothing has come to our attention that causes us to believe that the accompanying Statement of standalone unaudited financial results prepared in accordance with applicable Accounting Standards i.e. Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Act read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended including the manner in which it is to be disclosed, or that it contains any material misstatement.
12. We draw attention to Note no. 7 of the Statement, regarding provision of license fee and spectrum usage charges based on management estimates pending special audit from Department of Telecommunications, pursuant to the judgment of Hon'ble Supreme Court of India, vide its order dated October 24, 2019 and status of payment thereof which may undergo revision based on any development in the said matter. Our conclusion on the Statement is not modified in respect of this matter.
13. Pursuant to applications filed by Ericsson India Pvt. Ltd. before the National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the applications and ordered the commencement of corporate insolvency resolution process ("CIRP") of Reliance Communication Limited ("the Company") and two of its subsidiaries namely Reliance Infratel Limited (RITL, ceased w.e.f December 22, 2022) and Reliance Telecom Limited (RTL) (collectively, the "Corporate Debtors") vide its orders dated May 15, 2018. qualification in this regard in their Limited review report for the quarter and nine months ended December 31, 2024.

The Corporate Debtor had filed applications with the DoT for migration of various telecom licenses [Universal Access Service License (UASL), National Long Distance (NLD) and International Long Distance (ILD) licenses] to the Unified License regime (UL) on October 25, 2020 (17 of which were supposed to expire on July 19, 2021). On June 15, 2021, the DoT has issued a letter to the Corporate Debtor requiring payments of various categories of certain amounts such as 10% of the AGR dues, deferred spectrum installments falling due within the CIRP period, etc. against the telecom licenses, stating such dues to be in the nature of "current dues" and prescribing such payment as a pre-condition to the consideration/processing of the migration applications ("DoT Letter"). On June 25, 2021, the Corporate Debtor has issued a letter to DoT clarifying that the various categories of dues stipulated by the DoT are not in the nature of the "current dues" and are to be resolved within the framework of the Code (being dues that pertain to the period prior to May 7, 2019) and/ or are not payable at present, and requesting that making payments against the said dues should not be mandated as a pre-condition for further processing of the migration applications filed by the Corporate Debtor.

In light of the urgency of the matter, the RP had filed an application before the NCLT in both RCOM and RTL praying that the DoT inter alia be restrained from taking any action which may interfere with the continued holding of the telecom spectrum of the Corporate Debtor. The NCLT had adjourned the matter following which the RP had thereafter filed a writ petition in the Delhi High Court seeking issuance of an appropriate writ, order or direction in the nature of mandamus directing the DoT to migrate the telecom licenses to UL without the insistence on the payment of the dues set out in DoT Letter. The Delhi High Court, on July 19, 2021, passed an interim order that *"till the next date, the respondent is directed to not take any coercive action against the petitioner for withdrawal of the telecom spectrum granted to the petitioner in respect of 18 service areas, as also to permit the petitioner to continue providing telecom services in the 18 service areas which are subject matters of the present petition."* On July 20, 2021, the writ petition hearing concluded and order was passed by the Delhi High Court permitting the withdrawal of the writ petition with direction that the issue on "current dues" should be decided by the NCLT and extending the protection under the July 19, 2021 order by further 10 days.

In view of the aforesaid, the NCLT was apprised of the order of the Delhi High Court and the NCLT has, as an interim measure, extended the ad interim protection granted by the Delhi High Court until the next date of hearing. Further, on August 12, 2021, the NCLT has directed that the interim orders shall continue until the next date of hearing. The issue under consideration by the NCLT relates to whether the dues being claimed by DoT in its letter of June 15, 2021 for the purposes of processing the license renewal/ migration applications of the Corporate Debtor are in the nature of "current dues" (within the meaning of the Explanation to Section 14(1) of the Code) and therefore, payable during the CIRP period. The application

was listed on various occasions before the NCLT; however effective hearing did not take place due to paucity of time. Matter was listed on August 08, 2023 and the matter was adjourned on next several dates and the next date of hearing is March 10, 2025.

Simultaneously, a petition has been filed before the Telecom Disputes Settlement and Appellate Tribunal ("TDSAT") bearing T.P. No. 31 of 2021 seeking directions for migration of the telecom licenses, in view of the Guidelines for Grant of Unified License dated March 28, 2016 issued by the DoT, not prescribing pre-condition for any payment to be made prior to the migration of the telecom licenses. The TDSAT, on September 23, 2021, has directed that *"The interim arrangement shall be considered further after receipt of the order of NCLT. However, till then let the status quo be maintained in terms of initial order of Delhi High Court passed on July 19, 2021 which has continued thereafter by further order of the High Court followed by orders of NCLT."* On March 15, 2022, the TDSAT granted time for filing rejoinder and continued the interim order dated September 23, 2021. The matter was last listed on July 29, 2024 where the counsels apprised the TDSAT that matter is still pending in NCLT and therefore the matter has been adjourned to February 17, 2025.

Further, an application for Jammu and Kashmir Circle for RCOM was filed with DOT for migration of UASL license to UL license on April 19, 2023, which expired on September 05, 2024. This license was not included in the above petition and accordingly, another petition bearing T.P. No. 44 of 2024 was filed before the Hon'ble TDSAT seeking similar directions for Jammu and Kashmir circle. An interim order dated September 10, 2024 has been issued in this matter in favour of RCOM directing DOT to not take any coercive action against RCOM, and continuing RCOM's United Access Service License till the next date of hearing. The matter is now listed on February 17, 2025.

Similarly, in the case of RTL, in one of the circles where the UASL license was due to expire on September 26, 2021, an application had been filed with DoT on July 16, 2021 for migration of UASL to UL wherein the DoT has sought for payment of certain dues as "current dues" (being dues that pertain to the period prior to May 7, 2019 and are not payable at present) as a pre-condition for consideration of the application. The RP has filed an application in the NCLT and a petition before the TDSAT bearing T.P. No. 39 of 2021 in this regard (which matters are heard together with the RCOM license migration matters). On September 23, 2021, the TDSAT has directed that *"Since the matters are similar in nature, in the interest of justice and uniformity the interim order of status quo as operating in TP No. 31 of 2021 shall operate in this matter also till the next date. It will be in the interest of petitioner to expedite the proceeding pending before the NCLT and try its best to produce the orders passed by that Tribunal by the next date."* On March 15, 2022, the DoT had been granted 6 weeks' time by TDSAT to file the reply, and rejoinder was to be filed before the next date of hearing. The TDSAT further directed that the interim order passed by the TDSAT vide order dated September 23, 2021 shall stand continuing to be operative during the pendency of the petitions. The matter

was last listed on July 29, 2024 where the counsels apprised the TDSAT that matter is still pending in NCLT and therefore the matter has been adjourned to February 17, 2025.

Further, Telecom Petition No. 9 and 10 of 2024 were filed on behalf of RCOM against the impugned demand notices for FY 2015-16 to FY 2023-24 seeking alleged shortfall of license fee paid by RCOM. On May 9, 2024, both the Telecom Petitions were listed before the TDSAT on which date, TDSAT was pleased to restrain the DoT from encashing the Bank Guarantees ("BGs") of the Corporate Debtor except to the extent of Rs. 49 crore, which was the amount under challenge in the Telecom Petitions. Aggrieved by the order dated May 9, 2024, the Corporate Debtor filed a Writ Petition under Article 227 of the Constitution of India before the Hon'ble Delhi High Court. Meanwhile BGs to the tune of Rs. 2 crores were encashed by DoT. On May 14, 2024 the Hon'ble Delhi High Court had directed the DoT to not encash the remaining BGs which had not been encashed till May 17, 2024. Further, on May 17, 2024, TDSAT has granted a stay on the encashment of BGs of RCOM by the DoT, until further orders in TDSAT Petitions and the stay continues till the pendency of the petitions and this matter is next listed on February 25, 2025. Pursuant to the order dated May 17, 2024, the Petitioner withdrew its Writ Petition before the Delhi High Court.

Additionally, the RP has also filed another telecom petition bearing T.P. No. 34 of 2024 before the TDSAT challenging the vires of (i) Office Memorandum dated October 9, 2019 and; (ii) Office Memorandum dated October 18, 2022 ("**Impugned Office Memorandums**") with respect to adjustment of surplus license fees, issued by the DoT to the extent that they:

- (a) Restrict companies undergoing insolvency from claiming surplus adjustment only after Financial Years 2021-22; and
- (b) Permit adjustment of surplus payments only after the assessment has been finalised by the DoT.

This matter was last listed on August 21, 2024. On this date, DoT sought time to file their counter affidavit in the matter. The RP has been permitted to file a rejoinder to the counter affidavit. This matter is now listed on February 25, 2025.

Considering these developments including, in particular, the RP having taken over the management and control of the Corporate Debtor and its subsidiaries, i.e. RTL and RCIL (with RCIL presently being under the management and control of the monitoring committee constituted in terms of its resolution plan which was approved by the NCLT on December 19, 2023 and the resolution plan implementation being still pending) ("**Company**") inter alia with the objective of running them as going concern, the standalone financial results continue to be prepared on going concern basis. Since the Company continues to incur losses, current liabilities exceed current assets and has defaulted in repayment of borrowings, payment of regulatory and statutory dues and pending renewal of telecom licenses, these events indicate that material uncertainty exists that may cast significant doubt on Company's ability to continue as a going concern. The Auditors

have drawn qualification in their Limited review report for the quarter and nine months ended December 31, 2024.

5. Considering various factors including admission of the Corporate Debtor, RTL and RCIL to CIRP under the Code, there are various claims submitted by the operational creditors, the financial creditors, employees and other creditors. The overall obligations and liabilities including obligation for interest on loans and the principal rupee amount in respect of loans including foreign currency denominated loans shall be determined during the CIRP and accounting impact, if any, will be given on completion of CIRP and implementation of the approved resolution plan.

Further, prior to May 15, 2018, the Corporate Debtor and its said subsidiaries were under Strategic Debt Restructuring (SDR) and asset monetization and debt resolution plan were being worked out. The Corporate Debtor have not provided Interest of Rs.1,327 crore and Rs. 3,575 crore calculated based on basic rate of interest as per terms of loan for the quarter and nine months ended December 31, 2024 respectively and foreign exchange (gain)/loss aggregating to Rs. 368 crore and Rs. 447crore for the quarter and nine months ended December 31, 2024 respectively. Had the Company provided Interest and foreign exchange variation, the Loss would have been higher by Rs. 1,695 crore and Rs. 4,022 crore for the quarter and nine months ended December 31, 2024 respectively and Net Worth of the Company as on December 31, 2024 and March 31, 2024 would have been lower by Rs.36,485 crore and Rs. 32,463 crore respectively. The Auditors have drawn qualification for non-provision of interest and foreign exchange variations in their Limited review report for the quarter and nine months ended December 31, 2024. During the previous years, Interest of Rs. 28,786 crore and foreign exchange loss (net) aggregating to Rs. 3,677 crore were not provided and the Auditors had drawn qualification in their audit reports for the financial years ended March 31, 2018, March 31, 2019, March 31, 2020, March 31, 2021, March 31, 2022, March 31, 2023 and March 31, 2024.

6. Assets held for sale including Wireless Spectrum, Towers, Optical Fibre and Media Convergence Nodes (MCNs) continue to be classified as held for sale at the value ascertained at the end of March 31, 2018, along with liabilities, for the reasons referred in Note No.4 above and disclosed separately as discontinued operations in line with Ind AS 105 "Non-current Assets Held for Sale and Discontinued Operations".

In this regard it is pertinent to note that the dues pertaining to the spectrum (including entire deferred payments) have been claimed by DoT and the same have been admitted by the RP, and accordingly, the dues shall be dealt with in accordance with provisions of the IBC. In accordance with the aforesaid and admission of deferred spectrum installments as claims, the Corporate Debtor and its subsidiary RTL have not paid the installments.

7. The Hon'ble Supreme Court of India, vide its order dated October 24, 2019 had dismissed the petition filed by the telecom operators and agreed with the interpretation of the Department of Telecommunications (DoT) to the definition of Adjusted Gross Revenue (AGR) under the license.

On September 1, 2020, the Supreme Court pronounced the judgement in the AGR matter ("**SC Judgement**"). It has framed various questions in respect of companies under insolvency and in respect of such questions, the Court has held that the same should be decided first by the NCLT by a reasoned order within 2 months, and that it has not gone into the merits in this decision.

The RP of the Corporate Debtor and Reliance Telecom Limited (RTL) had filed intervention applications before the NCLAT in the appeal filed by the DoT against the resolution plan approval orders of the Aircel companies (wherein the NCLAT was adjudicating on the questions framed by the Hon'ble Supreme Court in the SC Judgement). The RP had also filed written legal submissions in this regard with the NCLAT. The Hon'ble NCLAT has pronounced its judgement dated April 13, 2021 setting out its findings on the questions framed in the SC Judgement. The RP has filed appeals in respect of the Corporate Debtor and RTL against the judgement of the NCLAT before the Supreme Court. On August 2, 2021, the appeals were listed when the bench issued notice in the matter and tagged the same with Civil Appeal No 1810 of 2021 (being the appeal filed by the COC of Aircel companies) and also allowed the application seeking permission to file the civil appeal.

On February 22, 2022, the Supreme Court granted a period of six weeks to the DoT to file counter affidavit. The matter was listed on May 2, 2022 wherein the SC directed the matter to be tentatively listed in the third week of July 2022. The matter was mentioned on August 5, 2022, for early listing for arguments, but the

Supreme Court directed the matter to be listed after eight weeks. The matter was thereafter listed on October 11, 2022, on which date, the Supreme Court directed that the matter be listed after six weeks. Further, the Supreme Court stated that the parties were to file a common compilation post discussion with each other, and file brief written submissions within a period of six weeks. Thereafter, Nazeer J retired and the matter came up for listing before a reconstituted bench comprising Justice V. Ramasubramaniam and Justice Pankaj Mittal on February 21, 2023. However, the matter was not taken up due to paucity of time and was tentatively listed on May 10, 2023. Since the matter was not reflected in the list for May 10, 2023, it was mentioned by the counsel for RP and the Bench directed listing on July 18, 2023.

The matter was listed on July 18, 2023 before a bench comprising Justice Sanjiv Khanna and Justice Bela M Trivedi, and once again it was not taken up due to paucity of time. The matter was mentioned on August 4, 2023 for listing on the shortest possible date and the Bench directed listing on any Tuesday, but no specific date was allotted. The appeals were thereafter listed on September 12, 2023 but could not be heard due to paucity of time. Aircel Monitoring Committee has filed an application seeking sale of right to use spectrum subject to proceeds being kept in escrow account, which shall be subject to outcome of the Supreme Court matter. RCOM and RTL RP has also filed applications seeking similar dispensation for RCOM and RTL as well. Further, DoT was asked to file reply within two weeks to the application filed by Aircel Monitoring Committee (I.A. No. 186218/2023 in Civil Appeal No. 2263/2021) vide order dated September 18, 2023 and the DoT has accordingly filed its reply on October 9, 2023.

The appeals were mentioned before the Hon'ble Supreme Court, on July 10, 2024 and it was requested that the said appeals not be deleted from the cause list of August 2, 2024. Hon'ble Justice Khanna took note of the same and directed that the appeals may not be deleted from cause list dated August 02, 2024. However, on August 02, 2024 all matters listed were adjourned. Accordingly, the appeals were listed on August 20, 2024 before a bench comprising of comprising of J. Sanjiv Khanna and J. Sanjay Kumar. When the appeals were called out, the Bench notified the set of appeals to be listed in the week commencing from September 02, 2024 for further consideration. The Bench also remarked that the matter be listed before a Bench where one of the judges in the current bench (J. Sanjay Kumar) is not a member.

The appeals were thereafter listed before a bench comprising of Hon'ble Mr. Justice Pamidighantam Sri Narasimha and Hon'ble Mr. Justice Sandeep Mehta on September 03, 2024. On September 03, 2024, the bench was pleased to admit the captioned appeal alongside the connected appeals and list them for final hearing in the week commencing from October 14, 2024. However, the appeals did not appear in the list in the week commencing from October 14, 2024 and were thereafter listed on October 23, 2024. On October 23, 2024, the bench heard a background of the matter, and a description of key issues involved therein. The bench directed that the matter be listed before it in the week commencing from November 04, 2024. Subsequently, the newly appointed Hon'ble Chief Justice of India passed a notification dated November 16, 2024 vide which it was directed that no regular matters shall be taken up for hearing until further orders.

Thus, as per the directions of the Chief Justice of India, the above appeals along with other regular matters were not being listed for hearing for some time.

Upon the recommencement of the listing of regular matters, a letter of urgency dated January 08, 2025 was filed before the Registrar, Supreme Court of India seeking urgent listing of the above appeals. On January 10, 2025, counsel for the RP apprised the Ld. Bench about the urgency in the matters and sought an early listing of the appeals. Accordingly, the matter was listed for further hearing on January 16, 2025. The appeals did not reach on January 16, 2025 and accordingly the matter was taken up on January 23, 2025. On January 23, 2025, the appeals could not reach as the Bench rose and clarified that the appeals will be rolled over to next Thursday. On January 30, 2025, the appeals could not be listed due to paucity of time, the counsel for RP sought for the appeals to be listed high on board. Accordingly, the Bench stated that they shall consider the request and appeals may be listed on February 06, 2025. On February 06, 2025, the bench did not preside and accordingly the matter was not heard.

The DoT had during the pendency of the various proceedings simultaneously directed Special Audit in relation to the computation of License fee, Spectrum fee, applicable interest and penalties thereon, which is under progress for the financial year 2015-16 onwards. Thereafter, the Company received a notice of invocation of pledge over such shares from Axis Trustee on December 14, 2022.

15. The Corporate Debtor has been served with copies of writ petitions filed by Mr. Punit Garg and certain others, being directors of the Corporate Debtor and its subsidiaries before the Hon'ble High Court of Delhi, challenging the provisions of the RBI Master Directions on Frauds- Classification and Reporting by commercial banks and select FIs bearing No. RBI/ DBS/ 2016-17/ 28 DBS. CO. CFMC. BC. No. 1/ 23.04.001/ 2016-17 dated July 1, 2016 ("**Circular**") and the declaration by certain banks classifying the loan accounts of the Company, RITL, and RTL being fraudulent in terms of the Circular. (RITL's implementation of resolution plan has been completed and RITL has ceased to be a subsidiary of the Company w.e.f December 22, 2022).

On May 12, 2023, the Hon'ble Delhi High Court in light of the judgement dated March 27, 2023 passed by the Hon'ble Supreme Court in SBI vs. Rajesh Agarwal [2023 SCC OnLine SC 342] has disposed of the said petitions filed by Mr. Punit Garg, setting aside the actions taken against the petitioners under the Circular. The Supreme Court has held that since the Circular does not expressly provide an opportunity of hearing to the borrowers before classifying their account as fraud, audi alteram partem has to be read into the provisions of the directions to save them from the vice of arbitrariness.

It has further been made clear *vide* the Delhi High Court order, that if any FIR has been lodged, proceedings proceeded thereto will remain unaffected by the said order and that it will be open to concerned banks to proceed in accordance with law in light of the judgement of the Supreme Court.

Further, Mr. Punit Garg has filed another writ petition in Delhi High Court challenging the order of IFCI declaring his account as fraud under the Circular. had received intimation of order passed by willful defaulter identification committee of certain banks for inclusion of name of RCOM, RTL and its directors / guarantors etc., in credit information companies (CiCs) list of willful defaulters and seeking representation against the said order. Further, during the current quarter, one of the banks has declared RTL as a willful defaulter. During the current quarter, one of the banks have served a letter intimating that the bank has classified the account of the Corporate Debtor and RTL as fraud as per the applicable RBI regulations. The Corporate Debtor and its subsidiaries have been responding to said show cause notices and intimations, from time to time. The Corporate Debtor in its response has highlighted that the proceedings and the classification of the Corporate Debtor as a willful defaulter is barred during the prevailing moratorium under section 14 of the Code and protection is available in terms of section 32A of the Code and asserting that accordingly, no action can be said to lie against the Corporate Debtor for classification as fraud and requested the banks to withdraw the notices. Further, certain banks had issued notices seeking personal hearing by the authorized representative of the Corporate Debtor and its subsidiaries in respect of the aforesaid matter. Hearings were attended to and necessary submissions were made in accordance with the submissions made earlier in the responses to the show cause notices.

Further, the Corporate Debtor and Reliance Telecom Limited (RTL) has received a letter dated August 7, 2023 from one of the banks, vide which the bank has indicated, inter alia, that it has received a forensic audit report dated October 15, 2020 of M/s BDO India LLP wherein certain 'irregularities / anomalies / commissions / omissions' have been pointed out by the forensic auditor. The said letter and report were accordingly tabled at the meeting of the Directors on August 12, 2023. In respect of the same, the bank has sought the views, inter alia, of the erstwhile management of the Corporate Debtor on the said report. The management had expressed that management views had not been sought prior to the issuance of the report. Further to receipt of a copy of the filings made before the Hon'ble Delhi High Court in the aforesaid matter, the Corporate Debtor and RTL had provided information to the forensic auditor during the period from March 2021 to November 2021 and it is not yet ascertained if the report incorporates and has considered such information. RP however has maintained that the Corporate Debtor and RTL is undergoing corporate insolvency resolution process in terms of the Code and the forensic audit report prima facie appears to pertain to the period prior to the corporate insolvency resolution process, the Corporate Debtor and RTL has already responded to the letter that the proceedings and the classification of the Corporate Debtor and RTL as a fraud is barred during the prevailing moratorium under Section 14 of the Code and protection is available in terms of Section 32A of the Code and accordingly, no action should lie against the Corporate Debtor and RTL for classification as fraud and notice against the Corporate Debtor should be withdrawn and the RP, Corporate Debtor and RTL shall have a limited responsibility to only share any information sought from it.

Similar to the letter received on August 7, 2023, Corporate Debtor has also received another letter dated May 7, 2024 from another bank, where the bank has indicated, that with respect to the loan account of the Corporate Debtor, it has conducted a forensic audit wherein element of fraud is identifiable and before

coming to final conclusion basis the forensic audit report dated October 15, 2020, the bank has provided an opportunity to the Corporate Debtor to submit its representation as to why the Corporate Debtor's account should not be classified as 'fraud' in terms of the 'Master Directions on Frauds – Classification and Reporting by Commercial Banks and Select FIs' dated July 1, 2016 issued by Reserve Bank of India. On receipt of the said letter, while the Corporate Debtor has made necessary disclosures to the relevant stock exchange in accordance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Corporate Debtor has also issued a response to the letter dated May 7, 2024 maintaining a similar stance (as against the letter dated August 7, 2023) *inter alia* citing that the Corporate Debtor is undergoing corporate insolvency resolution process in terms of the Code and the forensic audit report prima facie appears to pertain to the period prior to the corporate insolvency resolution process and hence any classification of the loan accounts of the Corporate Debtor as a fraud during its ongoing CIRP is barred during the prevailing moratorium under Section 14 of the Code and protection is available in terms of Section 32A of the Code and accordingly, no action should lie against the Corporate Debtor for classification as fraud and notice against the Corporate Debtor should be withdrawn. Currently, there is no impact of such notices/letter issued from banks, in the standalone financial results. The Auditors have drawn qualification in their Limited review report for the quarter and nine months ended December 31, 2024.

During the previous year, on October 16, 2023, the Hon'ble Supreme Court of India had pronounced a judgement regarding the treatment of AGR paid to DoT since July 1999, as capital in nature and not revenue expenditure for the purpose of computation of taxable income in a matter to which the Company is not a party. The Company has applied for renewal of its license as stated in Note 4 above. The terms of renewed license regime are different from those of the licenses dealt with in the aforesaid judgement. Further, there have been no disallowances in earlier years, by the tax authorities, on the AGR payments claimed by the Company as revenue expenditure in its tax filings. In the absence of any claim by the tax authorities against the Company and/ or directions or clarifications from the income tax department in this regard, no adjustments have been made to these standalone financial results for the quarter and nine months ended December 31, 2024.

This entire transaction did not have approval from the shareholders (including RCOM). The Company sent a notice to the director seeking clarification regarding the same but has not received any credible explanation so far. Accordingly, and in view of the above unauthorized and potentially fraudulent actions, the Company has removed the said director from the directorship of all US subsidiaries of RCOM including Bonn on August 21, 2024 and has appointed a new director in her place on the same date (as applicable). The final report in this regard has been received and the entire report is being examined by the relevant stakeholders and their advisors, for any further action to be taken pursuant to the findings in the report. Further, based on certain matters which came into light from the final report, RP has issued an email communication dated February 6, 2025 to a director of RCOM seeking his response on his involvement in the above potentially fraudulent transaction, the said response from the director is awaited. The management of the Company will take all necessary steps as required to be undertaken in accordance with the applicable laws. Further, pursuant to the meeting of the CoC of the Corporate Debtor dated March 2, 2020, a resolution plan, submitted by a resolution applicant in respect of the Corporate Debtor, has been approved by the CoC. An application (IA No. 383 of 2023) has been filed by a resolution applicant before NCLT for substitution of resolution applicant in the resolution plan submitted in respect of RCOM. On September 7, 2023, the matter was heard at length by the NCLT, and application has been allowed vide order dated December 12, 2023.

A similar application (IA No. 749 of 2023) has been filed in Reliance Telecom Limited ("RTL") as well, wherein NCLT vide order August 22, 2023 had directed the resolution professional of RTL to place on record necessary declaration(s) in relation to compliance with the provisions of Section 29A, after getting the confirmation of CoC of RTL in relation thereto. However, the status of the said IA was inadvertently reflecting as disposed creating difficulties in filing of the compliance affidavit. The RP had been attempting to liaison with the registry in this regard and also mentioned the matter multiple times to seek correction in its status. On December 19, 2024, the NCLT was pleased to direct the matter to be listed on January 21, 2025 for filing of the affidavit and passing of necessary orders by the NCLT. submitted to Hon'ble NCLT for its due consideration and approval. The plan approval application was heard on October 17, 2023, and has been allowed by the Hon'ble NCLT Mumbai *vide* its order dated December 19, 2023, thereby approving the resolution plan submitted in respect of RCIL under Section 31 of the Code. The resolution plan of RCIL is currently under implementation and RCIL is under the management of the monitoring committee constituted in terms of the provisions of its resolution plan.

4. Pursuant to strategic transformation programme, as a part of asset monetization and resolution plan of the Corporate Debtor, the Corporate Debtor and its subsidiary companies - RTL and RITL (ceased to be a subsidiary w.e.f December 22, 2022), with the permission of and on the basis of suggestions of the lenders, had entered into a master agreement dated 28 December, 2017 with Reliance Jio Infocomm Limited (RJio) for monetization of certain specified assets, including Wireless Spectrum, Towers, Optical Fibre and Media Convergence Nodes (MCNs). The relevant Reliance entities and RJIO have entered into separate transfer agreements for the sale of the aforesaid assets. *Vide* a termination agreement dated 18 March, 2019, the asset transfer agreements were terminated by mutual consent on account of various factors and developments as recorded in the termination agreement, excluding the escrow agreement and certain provisions of the master agreement from the ambit of the termination.

On completion of the corporate insolvency resolution process, the Group will carry out a comprehensive review of all the assets including investments, balances lying in Goods and Service Tax, liabilities and impairment of goodwill on consolidation and accordingly provide for impairment of assets and write back of liabilities, if any. The Auditors have drawn qualification in this regard in their Limited review report for the quarter and nine months ended December 31, 2024.

The Corporate Debtor had filed applications with the DoT for migration of various telecom licenses [Universal Access Service License (UASL), National Long Distance (NLD) and International Long Distance (ILD) licenses] to the Unified License regime (UL) on October 25, 2020 (17 of which were supposed to expire on July 19, 2021). On June 15, 2021, the DoT has issued a letter to the Corporate Debtor requiring payments of various categories of certain amounts such as 10% of the AGR dues, deferred spectrum installments falling due within the CIRP period, etc. against the telecom licenses, stating such dues to be in the nature of "current dues" and prescribing such payment as a pre-condition to the consideration/processing of the migration applications ("DoT Letter"). On June 25, 2021, the Corporate Debtor has issued a letter to DoT clarifying that the various categories of dues stipulated by the DoT are not in the nature of the "current dues" and are to be resolved within the framework of the Code (being dues that pertain to the period prior to May 7, 2019) and/ or are not payable at present, and requesting that making payments against the said dues should not be mandated as a pre-condition for further processing of the migration applications filed by the Corporate Debtor.

In light of the urgency of the matter, the RP had filed an application before the NCLT in both RCOM and RTL praying that the DoT *inter alia* be restrained from taking any action which may interfere with the continued holding of the telecom spectrum of the Corporate Debtor. The NCLT had adjourned the matter following which the RP had thereafter filed a writ petition in the Delhi High Court seeking issuance of an appropriate writ, order or direction in the nature of mandamus directing the DoT to migrate the telecom licenses to UL without the insistence on the payment of

the dues set out in DoT Letter. The Delhi High Court, on July 19, 2021, passed an interim order that *"till the next date, the respondent is directed to not take any coercive action against the petitioner for withdrawal of the telecom spectrum granted to the petitioner in respect of 18 service areas, as also to permit the petitioner to continue providing telecom services in the 18 service areas which are subject matters of the present petition."* On July 20, 2021, the writ petition hearing concluded and order was passed by the Delhi High Court permitting the withdrawal of the writ petition with direction that the issue on "current dues" should be decided by the NCLT and extending the protection under the July 19, 2021 order by further 10 days.

In view of the aforesaid, the NCLT was apprised of the order of the Delhi High Court and the NCLT has, as an interim measure, extended the ad interim protection granted by the Delhi High Court until the next date of hearing. Further, on August 12, 2021, the NCLT has directed that the interim orders shall continue until the next date of hearing. The issue under consideration by the NCLT relates to whether the dues being claimed by DoT in its letter of June 15, 2021 for the purposes of processing the license renewal/ migration applications of the Corporate Debtor are in the nature of "current dues" (within the meaning of the Explanation to Section 14(1) of the Code) and therefore, payable during the CIRP period. The application was listed on various occasions before the NCLT; however effective hearing did not take place due to paucity of time. Matter was listed on August 08, 2023 and the matter was adjourned on next several dates and the next date of hearing is March 10, 2025.

Simultaneously, a petition has been filed before the Telecom Disputes Settlement and Appellate Tribunal ("TDSAT") bearing T.P. No. 31 of 2021 seeking directions for migration of the telecom licenses, in view of the Guidelines for Grant of Unified License dated March 28, 2016 issued by the DoT, not prescribing pre-condition for any payment to be made prior to the migration of the telecom licenses. The TDSAT, on September 23, 2021, has directed that *"The interim arrangement shall be considered further after receipt of the order of NCLT. However, till then let the status quo be maintained in terms of initial order of Delhi High Court passed on 19.7.2021 which has continued thereafter by further order of the High Court followed by orders of NCLT."* On March 15, 2022, the TDSAT granted time for filing rejoinder and continued the interim order dated September 23, 2021. The matter was last listed on July 29, 2024 where the counsels apprised the TDSAT that matter is still pending in NCLT and therefore the matter has been adjourned to February 17, 2025.

Further, an application for Jammu and Kashmir Circle for RCOM was filed with DOT for migration of UASL license to UL license on April 19, 2023, which expired on September 05, 2024. This license was not included in the above petition and accordingly, another petition bearing T.P. No. 44 of 2024 was filed before the Hon'ble TDSAT seeking similar directions for Jammu and Kashmir circle. An interim order dated September 10, 2024 has been issued in this matter in favour of RCOM directing DOT to not take any coercive action against RCOM, and continuing RCOM's United Access Service License till the next date of hearing. The matter is now listed on February 17, 2025.

Similarly, in the case of RTL, in one of the circles where the UASL license was due to expire on September 26, 2021, an application had been filed with DoT on July 16, 2021 for migration of UASL to UL wherein the DoT has sought for payment of certain dues as "current dues" (being dues that pertain to the period prior to May 7, 2019 and are not payable at present) as a pre-condition for consideration of the application. The RP has filed an application in the NCLT and a petition before the TDSAT bearing T.P. No. 39 of 2021 in this regard (which matters are heard together with the RCOM license migration matters). On September 23, 2021, the TDSAT has directed that *"Since the matters are similar in nature, in the interest of justice and uniformity the interim order of status quo as operating in TP No. 31 of 2021 shall operate in this matter also till the next date. It will be in the interest of petitioner to expedite the proceeding pending before the NCLT and try its best to produce the orders passed by that Tribunal by the next date."* On March 15, 2022, the DoT had been granted 6 weeks' time by TDSAT to file the reply, and rejoinder was to be filed before the next date of hearing. The TDSAT further directed that the interim order passed by the TDSAT vide order dated September 23, 2021 shall stand continuing to be operative during the pendency of the petitions. The matter was last listed on 29 July, 2024 where the counsels apprised the TDSAT that matter is still pending in NCLT and therefore the matter has been adjourned to February 17, 2025.

Further, Telecom Petition No. 9 and 10 of 2024 were filed on behalf of RCOM against the impugned demand notices for FY 2015-16 to FY 2023-24 seeking alleged shortfall of license fee paid by RCOM. On May 09, 2024, both the Telecom Petitions were listed before the TDSAT on which date, TDSAT was pleased to restrain the DoT from encashing the Bank Guarantees ("BGs") of the Corporate Debtor except to the extent of Rs. 49 crores, which was the amount under challenge in the Telecom Petitions. Aggrieved by the order dated May 09, 2024, the Corporate Debtor filed a Writ Petition under Article 227 of the Constitution of India before the Hon'ble Delhi High Court. Meanwhile BGs to the tune of Rs. 2 crores were encashed by DoT. On May 14, 2024 the Hon'ble Delhi High Court had directed the DoT to not encash the remaining BGs which had not been encashed till May 17, 2024. Further, on May 17, 2024, TDSAT has granted a stay on the encashment of BGs of RCOM by the DoT, until further orders in TDSAT Petitions and the stay continues till the pendency of the petitions and this matter is next listed on February 25, 2025. Pursuant to the order dated May 17, 2024, the Petitioner withdrew its Writ Petition before the Delhi High Court.

Additionally, the RP has also filed another telecom petition bearing T.P. No. 34 of 2024 before the TDSAT challenging the vires of (i) Office Memorandum dated 09.10.2019 and; (ii) Office Memorandum dated 18.10.2022 ("**Impugned Office Memorandums**") with respect to adjustment of surplus license fees, issued by the DoT to the extent that they:

- (a) Restrict companies undergoing insolvency from claiming surplus adjustment only after Financial Years 2021-22; and
- (b) Permit adjustment of surplus payments only after the assessment has been finalised by the DoT.

This matter was last listed on August 21, 2024. On this date, DoT sought time to file their counter affidavit in the matter. The RP has been permitted to file a rejoinder to the counter affidavit. This matter is now listed on February 25, 2025.

Considering these developments including, in particular, the RP having taken over the management and control of the Corporate Debtor and its subsidiaries, i.e. RTL and RCIL (with RCIL presently being under the management and control of the monitoring committee constituted in terms of its resolution plan which was approved by the NCLT on December 19, 2023 and the resolution plan implementation being still pending) ("Group") inter alia with the objective of running them as going concerns, the consolidated financial results continue to be prepared on going concern basis. Since the Group continues to incur losses, current liabilities exceed current assets and Group has defaulted in repayment of borrowings, payment of regulatory and statutory dues and pending renewal of telecom licenses, these events indicate that material uncertainty exists that may cast significant doubt on Group's ability to continue as a going concern. The Auditors have drawn qualification in their Limited review report for the quarter and nine months ended December 31, 2024.

5. Considering various factors including admission of the Corporate Debtor and its subsidiaries; RTL and RCIL to CIRP under the Code, there are various claims submitted by the operational creditors, the financial creditors, employees and other creditors. The overall obligations and liabilities including obligation for interest on loans and the principal rupee amount in respect of loans including foreign currency denominated loans shall be determined during the CIRP and accounting impact, if any, will be given on completion of CIRP and implementation of the approved resolution plan.

Further, prior to May 15, 2018, the Corporate Debtor and its said subsidiaries were under Strategic Debt Restructuring (SDR) and asset monetization and debt resolution plan were being worked out. The Corporate Debtor and some of its subsidiaries have not provided Interest of Rs. 1,397 crore and Rs. 3,754 crore calculated based on basic rate of interest as per terms of loan for the quarter and nine months ended December 31, 2024 respectively and foreign exchange (gain)/loss aggregating to Rs. 406 crore and Rs 493 crore for the quarter and nine months ended December 31, 2024 respectively. Had the Group provided Interest and foreign exchange variation, the Loss would have been higher by Rs. 1,803 crore and Rs 4,247 crore for the quarter and nine months ended December 31, 2024 respectively and Net Worth of the Group as on December 31, 2024 and March 31, 2024 would have been lower by Rs. 38,619 crore and Rs. 34,372 crore respectively. The Auditors have drawn qualification for non-provision of interest and foreign exchange variations in their Limited review report for the quarter and nine months ended December 31, 2024. During the previous years, Interest of Rs. 30,319 crore and foreign exchange loss (net) aggregating to Rs. 4,053 crore were not provided and the Auditors had drawn qualification in their audit reports for the financial years ended March 31, 2018, March 31, 2019, March 31, 2020, March 31, 2021, March 31, 2022, March 31, 2023 and March 31, 2024.

6. Assets held for sale including Wireless Spectrum, Towers, Optical Fibres and Media Convergence Nodes (MCNs) continue to be classified as held for sale at the value ascertained at the end of March 31, 2018, along with liabilities, for the reasons referred in Note No. 4 above and disclosed separately as discontinued operations in line with Ind AS 105 "Non-current Assets Held for Sale and Discontinued Operations".

In this regard it is pertinent to note that the dues pertaining to the spectrum (including entire deferred payments) have been claimed by DoT and the same have been admitted by the RP, and accordingly, the dues shall be dealt with in accordance with provisions of the IBC. In accordance with the aforesaid and admission of deferred spectrum installments as claims, the Corporate Debtor and its subsidiary RTL have not paid the installments.

8. In case of two overseas subsidiaries and one domestic subsidiary, it indicates the existence of material uncertainty due to loss during quarter and nine months ended December 31, 2024, total liabilities exceeding total assets and holding company Reliance Communications Limited is undergoing insolvency proceeding. Further, in case of one other overseas subsidiary, the net worth of the subsidiary company is fully eroded and holding company is undergoing insolvency proceeding which indicates material uncertainty to going concern. The above has been qualified by respective Auditors in their Limited review reports of these subsidiaries. Further, in case of one other overseas subsidiary, the Auditor has given Qualification for Material Uncertainty on Going Concern in the Limited review report. Also, in respect of an associate, Auditors have drawn emphasis of matter relating to going concern in their Limited review report. The matter has been referred by the auditors in their Limited review report.

9. The Hon'ble Supreme Court of India, vide its order dated October 24, 2019 had dismissed the petition filed by the telecom operators and agreed with the interpretation of the Department of Telecommunications (DoT) to the definition of Adjusted Gross Revenue (AGR) under the license

On September 01, 2020, the Supreme Court pronounced the judgement in the AGR matter ("**SC Judgement**"). It has framed various questions in respect of companies under insolvency and in respect of such questions, the Court has held that the same should be decided first by the NCLT by a reasoned order within 2 months, and that it has not gone into the merits in this decision.

The RP of the Corporate Debtor and Reliance Telecom Limited (RTL) had filed intervention applications before the NCLAT in the appeal filed by the DoT against the resolution plan approval orders of the Aircel companies (wherein the NCLAT was adjudicating on the questions framed by the Hon'ble Supreme Court in the SC Judgement). The RP had also filed written legal submissions in this regard with the NCLAT. The Hon'ble NCLAT has pronounced its judgement dated April 13, 2021 setting out its findings on the questions framed in the SC Judgement. The RP has filed appeals in respect of the Corporate Debtor and RTL against the judgement of the NCLAT before the Supreme Court. On August 2, 2021, the appeals were listed when the bench issued notice in the matter and tagged the same with Civil Appeal No 1810 of 2021 (being the appeal filed by the

COC of Aircel companies) and also allowed the application seeking permission to file the civil appeal. On February 22, 2022, the Supreme Court granted a period of six weeks to the DoT to file counter affidavit. The matter was listed on May 2, 2022 wherein the SC directed the matter to be tentatively listed in the third week of July 2022. The matter was mentioned on August 5, 2022, for early listing for arguments, but the Supreme Court directed the matter to be listed after eight weeks. The matter was thereafter listed on October 11, 2022, on which date, the Supreme Court directed that the matter be listed after six weeks. Further, the Supreme Court stated that the parties were to file a common compilation post discussion with each other, and file brief written submissions within a period of six weeks. Thereafter, Nazeer J retired and the matter came up for listing before a reconstituted bench comprising Justice V. Ramasubramaniam and Justice Pankaj Mittal on February 21, 2023. However, the matter was not taken up due to paucity of time and was tentatively listed on May 10, 2023. Since the matter was not reflected in the list for May 10, 2023, it was mentioned by the counsel for RP and the Bench directed listing on July 18, 2023.

The matter was listed on July 18, 2023 before a bench comprising Justice Sanjiv Khanna and Justice Bela M Trivedi, and once again it was not taken up due to paucity of time. The matter was mentioned on August 4, 2023 for listing on the shortest possible date and the Bench directed listing on any Tuesday, but no specific date was allotted. The appeals were thereafter listed on September 12, 2023 but could not be heard due to paucity of time. Aircel Monitoring Committee has filed an application seeking sale of right to use spectrum subject to proceeds being kept in escrow account, which shall be subject to outcome of the Supreme Court matter. RCOM and RTL RP has also filed applications seeking similar dispensation for RCOM and RTL as well. Further, DoT was asked to file reply within two weeks to the application filed by Aircel Monitoring Committee (I.A. No. 186218/2023 in Civil Appeal No. 2263/2021) vide order dated September 18, 2023 and the DoT has accordingly filed its reply on October 9, 2023.

The appeals were mentioned before the Hon'ble Supreme Court, on July 10, 2024 and it was requested that the said appeals not be deleted from the cause list of August 02, 2024. Hon'ble Justice Khanna took note of the same and directed that the appeals may not be deleted from cause list dated August 02, 2024. However, on August 02, 2024 all matters listed were adjourned. Accordingly, the appeals were listed on August 20, 2024 before a bench comprising of comprising of J. Sanjiv Khanna and J. Sanjay Kumar. When the appeals were called out, the Bench notified the set of appeals to be listed in the week commencing from September 02, 2024 for further consideration. The Bench also remarked that the matter be listed before a Bench where one of the judges in the current bench (J. Sanjay Kumar) is not a member.

The appeals were thereafter listed before a bench comprising of Hon'ble Mr. Justice Pamidighantam Sri Narasimha and Hon'ble Mr. Justice Sandeep Mehta on September 03, 2024. On September 03, 2024, the bench was pleased to admit the captioned appeal alongside the connected appeals and list them for final hearing in the week commencing from October 14, 2024. However, the appeals did not appear in the list in the week commencing from October 14, 2024 and were thereafter listed on October 23, 2024. On October 23, 2024, the bench heard a background of the matter, and a description of key issues involved therein. The bench directed that the matter be listed before it in the week commencing from November 04, 2024. Subsequently, the newly appointed Hon'ble Chief Justice of India passed a notification dated November 16, 2024 vide which it was directed that no regular matters shall be taken up for hearing until further orders. Thus, as per the directions of the Chief Justice of India, the above appeals along with other regular matters were not being listed for hearing for some time.

Upon the recommencement of the listing of regular matters, a letter of urgency dated January 08, 2025 was filed before the Registrar, Supreme Court of India seeking urgent listing of the above appeals. On January 10, 2025, counsel for the RP apprised the Ld. Bench about the urgency in the matters and sought an early listing of the appeals. Accordingly, the matter was listed for further hearing on January 16, 2025. The appeals did not reach on January 16, 2025 and accordingly the matter was taken up on January 23, 2025. On January 23, 2025, the appeals could not reach as the Bench rose and clarified that the appeals will be rolled over to next Thursday. On January 30, 2025, the appeals could not be listed due to paucity of time, the counsel for RP sought for the

appeals to be listed high on board. Accordingly, the Bench stated that they shall consider the request and appeals may be listed on February 06, 2025. On February 06, 2025, the bench did not preside and accordingly the matter was not heard.

The DoT had during the pendency of the various proceedings simultaneously directed Special Audit in relation to the computation of License fee, Spectrum fee, applicable interest and penalties thereon, which is under progress for the financial year 2015-16 onwards. In this regard, the Corporate Debtor had provided for estimated liability aggregating to Rs. 53,420 crore up to the previous year ended March 31, 2024 and has provided additional charge of Rs. 2,058 crore and Rs 6,037 crore during the quarter and nine months ended December 31, 2024 respectively and shown as exceptional items relating to discontinued operations which may undergo revision based on demands from DoT and/ or any developments in this matter.

Considering various factors including admission of the Corporate Debtor and its subsidiary RTL to resolution process under the Code and the moratorium applicable under Code, discharge of the aforesaid liability will be dealt with in accordance with the Code (subject to orders in the relevant judicial proceedings). This matter has been referred to by the Auditors in their Limited review report for the quarter and nine months ended December 31, 2024.

During an earlier year, Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Corporate Debtor had written to Industrial and Commercial Bank of China, Mumbai branch ("ICBC") requesting for balance confirmation of Rs. 32.79 crore and transfer of the entire amount lying in fixed deposit account including all interest monies accruing thereon up to the date of remittance to the designated TRA account of RCIL. The Auditors and RCIL have not received confirmation from ICBC and hence, the auditors have drawn qualification in this regard in their Limited review report for the quarter and nine months ended December 31, 2024. An application bearing IA no. 1943 of 2020 had been filed before NCLT against ICBC seeking removal of lien marked by it over the fixed deposit of RCIL (being Rs 31 crore as on September 30, 2019) and release of amount. (RGBV), a subsidiary of RCOM, has been de-registered from the Trade Register of the Netherlands Chamber of Commerce KVK, with effect from June 01, 2023. Accordingly, RGBV is deconsolidated for the purpose of and as per requirement of Ind AS 110 "Consolidated Financial Statement". Profit on de-subsidiarisation of Rs 22 crore during the previous year ended March 31, 2024 has been shown as Exceptional Items in the consolidated financial results. 18. During the earlier year, the Company received a notice from Axis Trustee Services Limited ("Axis Trustee" / "Security Trustee") on November 9, 2022 regarding invocation cum sale of pledged shares Globalcom IDC Limited ("GIDC"). Thereafter, the Company received a notice of invocation of pledge over such shares from Axis Trustee on December 14, 2022.

As a matter of background, it may be noted that Reliance Webstore Limited ("RWSL", "Parent Company") is a wholly owned subsidiary of RCOM, holding 100% of equity shares in GIDC. Accordingly, GIDC was a wholly owned step-down subsidiary of RCOM. Vide facilities agreement dated August 29, 2016, RCOM and RITL had availed a loan facility of Rs. 565 Crore and Rs. 635 Crore respectively from State Bank of India ("Lender"). Vide share pledge agreement dated September 23, 2016, RWSL had pledged 100% of its shareholding in GIDC comprising 20,99,994 equity shares to Axis Trustee (in its capacity as a security trustee for the Lender) for above loan facility.

Owing to defaults in the repayment of the facilities availed by RCOM and RITL, Axis Trustee first proceeded to issue a notice for the invocation cum sale of pledged shares on November 9, 2022, and thereafter, invoked the pledge on December 12, 2022.

On account of said invocation, the parent company does not have any control over the GIDC. Accordingly, during the previous year, GIDC has been de-subsidiarised w.e.f. December 12, 2022 and the impact of loss of control (without the value of shares invoked) over GIDC amounting to Rs. 106 crore was charged to the consolidated financial results as an exceptional item.

The impact of loss of control given in the books of account is without the value of shares invoked by the lender. The management will give the effect of the value of invocation of shares with the corresponding decrease in the value of liability on the receipt of the said details from the lender. This matter has been referred to by the Auditors in their Limited review report for the quarter and nine months ended December 31, 2024.

On May 12, 2023, the Hon'ble Delhi High Court in light of the judgement dated March 27, 2023 passed by the Hon'ble Supreme Court in SBI vs. Rajesh Agarwal [2023 SCC OnLine SC 342] has disposed of the said petitions filed by Mr. Punit Garg, setting aside the actions taken against the petitioners under the Circular. The Supreme Court has held that since the Circular does not expressly provide an opportunity of hearing to the borrowers before classifying their account as fraud, *audi alteram partem* has to be read into the provisions of the directions to save them from the vice of arbitrariness.

It has further been made clear *vide* the Delhi High Court order, that if any FIR has been lodged, proceedings proceeded thereto will remain unaffected by the said order and that it will be open to concerned banks to proceed in accordance with law in light of the judgement of the Supreme Court.

Further, Mr. Punit Garg has filed another writ petition in Delhi High Court challenging the order of IFCI declaring his account as fraud under the Circular. The matter was last listed on November 14, 2024, however due to unavailability of the Bench, the matter has been re-notified to April 8, 2025.

22. During the earlier years, certain banks had issued show cause notices to the Corporate Debtor, certain subsidiaries and certain directors seeking reasons as to why the Corporate Debtor and its subsidiaries should not be classified as willful defaulter. Further, during the current quarter, one of the banks has declared RTL as a willful defaulter. During the current quarter, one of the banks have served a letter intimating that the bank has classified the account of the Corporate Debtor and RTL as fraud as per the applicable RBI regulations. The Corporate Debtor and its subsidiaries have been responding to said show cause notices and intimations, from time to time. The Corporate Debtor in its response has highlighted that the proceedings and the classification of the Corporate Debtor as a willful defaulter is barred during the prevailing moratorium under section 14 of the Code and protection is available in terms of section 32A of the Code and asserting that accordingly, no action can be said to lie against the Corporate Debtor for classification as fraud and requested the banks to withdraw the notices. Further, certain banks had issued notices seeking personal hearing by the authorized representative of the Corporate Debtor and its subsidiaries in respect of the aforesaid matter. Hearings were attended to and necessary submissions were made in accordance with the submissions made earlier in the responses to the show cause notices.

Further, the Corporate Debtor and Reliance Telecom Limited (RTL) has received a letter dated August 7, 2023 from one of the banks, *vide* which the bank has indicated, *inter alia*, that it has received a forensic audit report dated October 15, 2020 of M/s BDO India LLP wherein certain 'irregularities / anomalies / commissions / omissions' have been pointed out by the forensic auditor. The said letter and report were accordingly tabled at the meeting of the Directors on August 12, 2023. In respect of the same, the bank has sought the views, *inter alia*, of the erstwhile management of the Corporate Debtor on the said report. The management had expressed that management views had not been sought prior to the issuance of the report. Further to receipt of a copy of the filings made before the Hon'ble Delhi High Court in the aforesaid matter, the Corporate Debtor and RTL had provided information to the forensic auditor during the period from March 2021 to November 2021 and it is not yet ascertained if the report incorporates and has considered such information. RP however has maintained that the Corporate Debtor and RTL is undergoing corporate insolvency resolution process in terms of the Code and the forensic audit report *prima facie* appears to pertain to the period prior to the corporate insolvency resolution process, the Corporate Debtor and RTL has already responded to the letter that the proceedings and the

classification of the Corporate Debtor and RTL as a fraud is barred during the prevailing moratorium under Section 14 of the Code and protection is available in terms of Section 32A of the Code and accordingly, no action should lie against the Corporate Debtor and RTL for classification as fraud and notice against the Corporate Debtor should be withdrawn and the RP, Corporate Debtor and RTL shall have a limited responsibility to only share any information sought from it.

Similar to the letter received on August 7, 2023, Corporate Debtor has also received another letter dated May 7, 2024 from another bank, where the bank has indicated, that with respect to the loan account of the Corporate Debtor, it has conducted a forensic audit wherein element of fraud is identifiable and before coming to final conclusion basis the forensic audit report dated October 15, 2020, the bank has provided an opportunity to the Corporate Debtor to submit its representation as to why the Corporate Debtor's account should not be classified as 'fraud' in terms of the 'Master Directions on Frauds – Classification and Reporting by Commercial Banks and Select FIs' dated July 1, 2016 issued by Reserve Bank of India. On receipt of the said letter, while the Corporate Debtor has made necessary disclosures to the relevant stock exchange in accordance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Corporate Debtor has also issued a response to the letter dated May 7, 2024 maintaining a similar stance (as against the letter dated August 7, 2023) *inter alia* citing that the Corporate Debtor is undergoing corporate insolvency resolution process in terms of the Code and the forensic audit report prima facie appears to pertain to the period prior to the corporate insolvency resolution process and hence any classification of the loan accounts of the Corporate Debtor as a fraud during its ongoing CIRP is barred during the prevailing moratorium under Section 14 of the Code and protection is available in terms of Section 32A of the Code and accordingly, no action should lie against the Corporate Debtor for classification as fraud and notice against the Corporate Debtor should be withdrawn. Currently, there is no impact of such notices/letter issued from banks, in the consolidated financial results. The Auditors have drawn qualification in their Limited review report for the quarter and nine months ended December 31, 2024.

23. During the previous year, on October 16, 2023, the Hon'ble Supreme Court of India had pronounced a judgement regarding the treatment of AGR paid to DoT since July 1999, as capital in nature and not revenue expenditure for the purpose of computation of taxable income in a matter to which the Company is not a party. Further, there have been no disallowances in earlier years, by the tax authorities, on the AGR payments claimed by the Company as revenue expenditure in its tax filings.
