## CORPORATE ANNOUNCEMENT

**Om Infra Limited (Formerly known as Om Metals Infraprojects Limited) gets LOI for Rs. 621 Crore order from Water Resource Department, Government of Punjab.**

In continuation to the Corporate Announcement dated 8th January, 2020 regarding the company being L1 (Lowest) successful bidder in competitive bidding for tender of value INR 621 crores from Water Resource Department, Government of Punjab. The Company is pleased to inform that we have now received the Letter of Award (LOA) from Government of Punjab for the aforesaid project works of Shahpurkandi power house project with value of INR 621 Crore for the Construction of Two power houses, their appurtenant works as part of Hydel Channel of Shahpurkandi Dam Project on EPC mode from Water Resource Department, Government of Punjab, Shahpurkandi Township.

Commenting on the development, Mr. Vikas Kothari, Managing Director & CEO said that, "We are very delighted to win this prestigious order from Government of Punjab. It takes a quantifiable leap in our revenues and primes us to prepare for much higher leaps in the near future. We are aggressively focused for enhancing our foot prints in India, neighbouring countries and Africa through our core business. With our order pipeline brimming with several more opportunities on all front, we are bullish on our growth in the years to come."

About Om Infra Limited - We are one of a leading EPC companies having business interests into various fields covering engineering construction (EPC) of Hydro mechanical components in dams, canals, barrages and other infrastructure projects including civil structures, irrigation, water storage and pipe line laying projects. Our core business is providing turnkey EPC solutions for Engineering and construction of dams, Hydropower and irrigation projects in India and Abroad.

The same is for your information and record, please.
