The shortage of electronic components had a minor impact on the production of vehicles during the month.

There was a difference in number of working days in June 2022 and June 2021 as the Company observed annual maintenance shutdown during June 2022, whereas last year, it had to advance its annual maintenance shutdown from June 2021 to May 2021.

Note: The above production data also includes production from Suzuki Motor Gujarat Private Limited and vehicles manufactured for sale to other OEM
