Wipro Appoints Sarat Chand as Regional Head and Managing Director of Northern Europe Region

AMSTERDAM | BENGALURU, India – May 23, 2024: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading technology services and consulting company, today announced the appointment of **Sarat Chand as Regional Head and Managing Director of Northern Europe**. Sarat will report to Wipro's **Europe CEO Pierre Bruno**.

Sarat joined Wipro in 2001. Over his two decades at Wipro, he's assumed a variety of leadership roles, including solutions lead, account management, EMEA utilities business head, and, most recently, the head of Wipro's Benelux region.

As the head of the Benelux region, Sarat significantly strengthened Wipro's position in the market, driving growth with both existing and new clients. Under Sarat's leadership Wipro's Netherlands business has consistently been ranked among the top IT providers in the region by analyst firms.

As the head of Northern Europe, Sarat will lead Wipro's Benelux and Nordics region, which includes seven strategic growth markets: Belgium, Denmark, Finland, Luxemburg, the Netherlands, Norway, and Sweden. Previously, the Nordics region was led by [Vinay Firake, who was recently appointed to CEO of APMEA](#) strategic market unit.

"Northern Europe is a strategic growth market for Wipro, with a strong client base, pipeline, brand recognition and top analyst ratings," said **Bruno**. "By bringing this high-growth, high-potential region under one leadership, we will be able to drive increased synergies, better efficiencies, and faster execution capabilities for our clients. This structure will also enable us to cross-leverage resources and bring specialized, industry-led capabilities to the region.

"As the lead for Benelux, Sarat has demonstrated exceptional leadership that has led to strong growth for our business and deeper client relationships in the region. His client-centricity, focus on execution excellence, and ability to build high-performing teams will be instrumental in expanding our presence in the Northern Europe region. Sarat will build on the foundation set by Vinay in the Nordics and lead our combined Northern Europe region to new heights."

Commenting on his appointment, **Sarat** said, "I am honored and excited to take on the leadership for Northern Europe at this critical juncture in our growth journey. This market offers a tremendous opportunity for us to deliver enhanced value to our clients. Combining these markets will allow us to create new synergies in how we serve our clients, enable faster innovation and execution, while continuing to provide clients with exceptional experiences."

Sarat holds a Mechanical Engineering Degree from Bangalore University. He will be based in Amsterdam.

Wipro Forward-looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations, and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
