Independent Auditor's Report on the Quarterly and Year to Date Audited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**To
The Board of Directors of
Ganesh Holding Limited**

Report on the audit of the Financial Results Opinion

We have audited the accompanying statement of quarterly and year to date financial results of Ganesh Holding Limited (the "Company") for the quarter ended 31st March 2022 and for the year ended 31st March, 2022 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the financial result:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. Except basis of qualification para, the financial results gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information of the Company for the quarter ended 31st March, 2022 and for the year ended 31st March, 2022.

Basis for Qualified Opinion

- a) As stated on note no 4 the company was bought and sold commodities through broker Anand Rathi Commodities Limited, who is registered with NSEL. Due to NSEL scam all stock as on the date was not delivered and business had stopped. As informed to us by the management In August 2013 the committee of NSRI, has decided to Pay money to investor in small amount. Hence the company had converted the stock into recoverable under other current assets. Since long nothing is recovered against this advance, management as per their resolution dated 12-02-2018 decided to w/off 7.50% of the advances as Bad Debts every year till it becomes nil. The management has decided to make provision on yearly instead of quarterly basis but management did not make provision of the same and Rs 67,06,657 appearing as receivable from Anand Rathi in the financial statement as on 31st March 2022, the company need to following provisioning requirement in line of master circular no RBI/2014-15/299 DNBR (PD) CC No 002/03 10 001/2014-15 further in absence security and development of case it is highly doubtful and we are unable to comment on recoverability of carrying amount as on 31st March 2022 and by following the requirement of IND AS 109 " Financial Instrument" recoverability of whole amount is highly doubtful and Management should consider the whole amount as " Expected Credit loss"
- b) The RBI cancelled the NBFC Certificate of the company vide order dated 1st October, 2018. As informed to us the Management has filed an appeal against the same with Ministry of Finance, Delhi on 26/10/2018 which was heard on 05/09/2019 and an order dated 27/04/2022 received from ministry of finance stating that RBI may review its order cancelling COR of the company. Now awaiting RBI action for the same. In the absence of any update about the ongoing case we are unable to comment on the possible effect of the same.

Management's Responsibilities for the Financial Results

The Statement has been prepared on the basis of the annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Statement includes the results for the quarter ended 31st March, 2022 being the balancing figures between the audited figures in respect of the full financial year ended 31st March, 2022 and the published audited year-to-date figures up to the end of the third quarter of the current financial year, which were subject to a limited review by us, as required under the Listing Regulations.
