Ahmedabad, 31 January 2022: Adani Total Gas Ltd (ATGL), India's largest private CGD company and a joint venture between the Adani Group and TotalEnergies, has won licenses to expand its City Gas Distribution (CGD) network to 14 new Geographical Areas (GAs) in the recently concluded 11th round of CGD bidding by the Petroleum and Natural Gas Regulatory Board (PNGRB). ATGL is now the largest city gas distribution company catering to 52 GAs, 19 of which are operated along with its strategic JV partner Indian Oil Corporation. These 52 GAs account for 15% of the country covering 124 districts across 18 States and 3 UTs.

"Adani Total Gas is one of India's pioneers in environment-friendly piped natural gas (PNG) and compressed natural gas (CNG). Now with the authorization of additional 14 geographical areas, our presence expands from 39 to 95 districts," said **Mr. Suresh Manglani, CEO, Adani Total Gas Ltd.** "With strong support from the Adani Group and TotalEnergies, ATGL is committed to the expeditious development of CGD networks across all these new 52 districts. ATGL will now be catering to 10% of country's population with

cleaner fuel for households as well as for transportation. Therefore, ATGL is fully committed to play a pivotal role in meeting the clean energy needs of India and this strategic expansion is fully aligned with our commitment of Nation Building.”

With an increasing basket of products and services in the clean energy sector, ATGL is committed to provide convenient and environment-friendly natural gas for cooking and water heating to more than 9 million households, economic transport fuel for vehicles by establishing around 2,000 CNG Stations and clean fuel to industrial and commercial consumers. To achieve these ambitions, ATGL will be investing Rs 12,000 Cr. in these 14 additional GAs, taking ATGL’s total commitment in the clean energy sector to Rs 20,000 Cr.

About Adani Total Gas

Adani Total Gas Limited is one of India’s largest private player in developing City Gas Distribution (CGD) networks to supply Piped Natural Gas (PNG) to Industrial, Commercial, Domestic (residential) customers and Compressed Natural Gas (CNG) to the transport sector. Given its gas distribution mandate prior to the authorisation of 14 new Geographical Areas (GAs), ATGL is catering to 38 GAs which account for 8% of India’s population. ATGL plays a significant role in the nation’s efforts in enhancing the share of natural gas in its energy mix. Of these 38 GAs, 19 are managed by ATGL and the rest are managed by Indian Oil-Adani Gas Private Limited (IOAGPL) – a 50:50 joint venture between Adani Total Gas Ltd and Indian Oil Corporation Ltd.
