Dear Sir/ Madam,

Sub.: Disclosure of information pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We are pleased to inform that the Company has been awarded a very prestigious contract for export of LSAW Pipes and Bends to the Middle East which will be executed from its facilities in Anjar, India. The contract is for supply of approximately 61,000 MT bare pipes and bends which will be used for offshore production and transport of gas.

It is worthwhile to note that with the receipt of the above order, we have cumulatively received total orders of approximately 191,000 MT of line pipes, to be executed from our India and USA facilities, since our last announcement dated August 4, 2023.

This latest award is a testament to our engineering excellence, impeccable track record and dedication to delivering innovative solutions that meet the unique needs of our clients. The line pipes shall be used for extreme sour service application, thus making this Project extremely challenging & reinforces our position as one of the Top line Pipe manufacturer of the world. The energy scenario across the globe is changing due to various geopolitical reasons and we are well-placed to secure further projects in the Oil & Gas sector both in international as well as domestic market.

The above is in compliance with Regulation 30 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and the Company's Code of Practices and Procedure for Fair Disclosure of Unpublished Price Sensitive Information.

Thanking You.
