Dear Sir,

Annual Report and AGM Notice - 2022

Please refer to our earlier letter dated 01st July,2022.

We would like to inform you that the 61st Annual General Meeting of the Company will be held on Thursday, 04th August,2022 through video conferencing (VC)/other approved audio visual means (OAVM).

In this connection, please find enclosed herewith the following:

- 1) The Notice convening the Annual General Meeting of the Company.
- 2) Annual Report 2021-2022

This information is being submitted pursuant to Regulation 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Further, this to inform you that in compliance with Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management & Administration) Rules, 2014,as amended, the Company has fixed Thursday, 28th July 2022, as the cut-off date for the purpose of offering remote e-voting facility to the Members in respect of resolutions to be transacted at the Annual General Meeting scheduled to be held on 04th August,2022 through video conferencing (VC)/other approved audio visual means (OAVM).

Kindly take the same on record.

Thanking you.

Yours faithfully,
For MRF LIMITED

S DHANVANTH KUMAR
COMPANY SECRETARY

MRF LIMITED, Regd. Office: No. 114, Greams Road, Chennai 600 006, CIN: L25111TN1960PLC004306, Tel: 044-28292777, Fax: 91-44-28295087, E-mail: mrfshare@mrfmail.com, Website: www.mrfityres.com

NOTICE

NOTICE is hereby given that the Sixty First Annual General Meeting of the shareholders of MRF Limited will be held on Thursday, the 4th August, 2022, at 11.00 A.M. through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”) to transact the following business:

ORDINARY BUSINESS

1. To receive, consider and adopt the audited financial statements of the Company for the financial year ended 31st March, 2022 and the Reports of the Board of Directors and Auditors thereon and the audited consolidated financial statements of the Company for the financial year ended 31st March, 2022 and the Reports of the Auditors thereon.
2. To declare a final dividend on equity shares.
3. To appoint a Director in place of Mr. Rahul Mammen Mappillai (DIN: 03325290), who retires by rotation and being eligible, offers himself for re-appointment.
4. To appoint a Director in place of Dr (Mrs) Cibi Mammen (DIN: 00287146), who retires by rotation and being eligible, offers herself for re-appointment.
5. To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution:

“RESOLVED THAT pursuant to the provisions of section 139 and other applicable provisions, if any, of the Companies Act, 2013, and relevant rules made thereunder, Messrs. Sastri & Shah, Chartered Accountants (Firm Regn No. 003643S), Chennai be and is hereby appointed as Joint Statutory Auditor of the Company, to hold office for a period of 5 (Five) consecutive financial years, from the conclusion of the 61st Annual General Meeting of the Company until the conclusion of the 66th Annual General Meeting of the Company and to authorise the Board of Directors of the Company to fix their remuneration”.

SPECIAL BUSINESS

6. To consider and if thought fit, to pass with or without modification, the following resolution as an Ordinary Resolution:

“RESOLVED that pursuant to the provisions of Sections 196, 197 and other applicable provisions of the Companies Act, 2013 and the rules made thereunder read with Schedule V of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) and Articles of Association of the Company, approval of the Company be and is hereby accorded to the re-appointment of Mr. Samir Thariyan Mappillai, (DIN : 07803982) as Whole-time Director of the Company, for a period of 5 years commencing from 04.08.2022 on the remuneration, terms and conditions as set out in the explanatory statement annexed to the Notice.

RESOLVED FURTHER that the Board of Directors be and is hereby authorized to alter or vary the scope of remuneration of Mr. Samir Thariyan Mappillai, including the monetary value thereof, to the extent recommended by the Nomination and Remuneration Committee from time to time, as may be considered appropriate, subject to the overall limits specified by this resolution and the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

RESOLVED FURTHER that any one of the Directors or Company Secretary of the Company be and are hereby authorized to do all necessary acts, deeds and things, which may be usual, expedient or proper to give effect to the above resolution.”

7. To consider and if thought fit, to pass with or without modification, the following resolution as an Ordinary Resolution:

“RESOLVED that pursuant to the provisions of Sections 196, 197 and other applicable provisions of the Companies Act, 2013 and the rules made thereunder read with Schedule V of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) and Articles

of Association of the Company, approval of the Company be and is hereby accorded to the re-appointment of Mr. Varun Mammen, (DIN : 07804025) as Whole - time Director of the Company, for a period of 5 years commencing from 04.08.2022 on the remuneration, terms and conditions as set out in the explanatory statement annexed to the Notice.

RESOLVED FURTHER that the Board of Directors be and is hereby authorized to alter or vary the scope of remuneration of Mr. Varun Mammen, including the monetary value thereof, to the extent recommended by the Nomination and Remuneration Committee from time to time, as may be considered appropriate, subject to the overall limits specified by this resolution and the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

RESOLVED FURTHER that any one of the Directors or Company Secretary of the Company be and are hereby authorized to do all necessary acts, deeds and things, which may be usual, expedient or proper to give effect to the above resolution."

8. To consider and if thought fit, to pass with or without modification, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of section 148 and all other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 or any statutory modification or re-enactment thereof, Mr. C. Govindan Kutty, Cost Accountant (Membership No. 2881), appointed as Cost Auditor by the Board of Directors of the Company to conduct an audit of the Cost Records of the Company for the financial year ending 31st March, 2023, be paid a remuneration of ₹ 8.40 Lakhs (Rupees Eight Lakhs Forty thousand only) (excluding taxes, as applicable) in addition to reimbursement of out of pocket expenses and conveyance as recommended by the audit committee and approved by the Board of Directors of the Company.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to do all such acts, deeds and things as may be necessary for the purpose of giving effect to this resolution".

By Order of the Board,

Chennai
Date: 10th May, 2022

S DHANVANTH KUMAR
Company Secretary

Notes:

- a) In accordance with the provisions of the Companies Act, 2013 ("Act"), read with the Rules made thereunder and General Circular dated 8th April, 2020, 13th April, 2020, 5th May, 2020, 13th January, 2021, 14th December, 2021 and 5th May, 2022, issued by the Ministry of Corporate Affairs ("MCA") read with relevant circulars issued by the Securities and Exchange Board of India ("SEBI"), from time to time (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold Annual General Meeting (AGM) through VC or OAVM upto 31st December, 2022, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC/OAVM.
- b) The information required to be provided as per section 102 of the Companies Act, 2013, Secretarial Standard - 2 on General Meetings issued by The Institute of Company Secretaries of India and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, are furnished in the explanatory statement which is annexed hereto.
- c) Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- d) In compliance with the aforementioned Circulars, Notice of the AGM along with the Annual Report 2021-2022 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2021-2022 will also be available on the Company's website: www.mrfttyres.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of NSDL <https://www.evoting.nsdl.com>.

In case any member is desirous of obtaining physical copy of the Annual Report for the financial year 2021-2022 and Notice of the AGM of the Company, he/she may send a request to the Company by

writing at mrshare@mrffmail.com mentioning their DP ID and Client ID/Folio No.

- e) The register of members and transfer books of the Company will remain closed from 29th July, 2022 to 4th August, 2022 both days inclusive, for the purpose of payment of final dividend.
- f) Upon declaration of final dividend as recommended by the Directors payment of dividend, subject to deduction of tax at source, will be made on or after 25th August, 2022 to the shareholders whose names appear on the Company's Register of Members on 4th August, 2022.
- g) In respect of shares held in electronic form, the dividend will be payable on the basis of beneficial ownership as per details furnished by National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd. (CDSL) for this purpose.
- h) Members are requested to notify immediately any change in their address/change in bank details or demise of any member as soon as possible to the Company's registered office quoting their ledger folio number. In respect of shares held in electronic form, members may notify these changes to their depository participants.
- i) All relevant documents referred to in the accompanying notice and explanatory statement are available for inspection through electronic mode.
- j) Members holding shares in electronic form may please note that their bank details as furnished by the respective depositories to the Company will be printed on the dividend warrants as per applicable regulations of the depositories and the Company will not entertain any direct request from such member for change/deletion in such bank details. Members may therefore give instructions regarding bank accounts to their respective depository participants only.
- k) The Company is also extending the facility of NACH for the receipt of dividend. In case of shareholders holding shares in physical form who wish to avail of this facility, please send NACH mandate form, (which could be obtained from the Company) duly filled in, to the registered office of the Company at the earliest. Members holding shares in electronic form may forward their details to their respective depository participants only.

- l) Members may note that the Income Tax Act, 1961, ("the IT Act") as amended by the Finance Act 2020, mandates that dividends paid or distributed by a company after 1st April, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source (TDS) at the time of making the payment of final dividend.

For resident shareholders, tax shall be deducted at source under Section 194 of the IT Act at applicable rates.

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during financial year 2022-2023 does not exceed ₹ 5,000 and also in cases where members provide Form 15G / Form 15H (applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. PAN is mandatory for members providing Form 15G/ 15H. The format of the aforementioned documents may also be accessed from the Company's website at <https://www.mrftyres.com/shareholder-info>. Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to mrshare@mrffmail.com.

The aforesaid declarations and documents need to be submitted by the shareholders on or before 28th July, 2022.

TDS certificates will be sent to shareholders in hard copy form or by email after payment of dividend.

- m) Under section 124 of the Companies Act, 2013, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to unpaid dividend account of the Company shall be transferred to the Investor Education and Protection Fund (IEPF) set up by the Government of India. Accordingly, unclaimed dividend amounts upto final dividend 2013-2014 have been transferred to the said fund. The shareholders are advised to forward all uncashed dividend warrants from interim dividend 2014-2016 to the registered office of the Company for revalidation and encash the same before the respective due date of transfer to IEPF.

Last date for claiming unclaimed dividend from the Company is given below:

| Year | Dividend | Date of Declaration | Last date for claiming unclaimed dividend |
|-----------|-----------------|---------------------|---|
| 2014-2016 | I-Interim | 27-07-2015 | 27-08-2022 |
| | II-Interim | 29-10-2015 | 29-11-2022 |
| | Final | 11-08-2016 | 11-09-2023 |
| 2016-2017 | I-Interim | 27-10-2016 | 27-11-2023 |
| | II-Interim | 03-02-2017 | 03-03-2024 |
| | Final | 04-08-2017 | 04-09-2024 |
| 2017-2018 | I-Interim | 10-11-2017 | 10-12-2024 |
| | II-Interim | 01-02-2018 | 01-03-2025 |
| | Final | 09-08-2018 | 09-09-2025 |
| 2018-2019 | I-Interim | 08-11-2018 | 08-12-2025 |
| | II-Interim | 07-02-2019 | 07-03-2026 |
| | Final | 09-08-2019 | 09-09-2026 |
| 2019-2020 | I-Interim | 08-11-2019 | 08-12-2026 |
| | II-Interim | 10-02-2020 | 10-03-2027 |
| | Final | 24-09-2020 | 24-10-2027 |
| 2020-2021 | I-Interim | 06-11-2020 | 06-12-2027 |
| | II-Interim | 11-02-2021 | 11-03-2028 |
| | Final & Special | 12-08-2021 | 12-09-2028 |
| 2021-2022 | I-Interim | 09-11-2021 | 09-12-2028 |
| | II-Interim | 10-02-2022 | 10-03-2029 |

- n) With respect to dividends which remain unclaimed for a period of 7 years or more, the Company in due compliance with Section 124 (6) of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, has transferred to IEPF authority the corresponding equity shares. Details of shares transferred to the IEPF Authority are available on the website of the Company: www.mrftyres.com and on the website of the IEPF Authority: www.iepf.gov.in.

The members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in/IEPF/corporates.html. Members may contact Secretarial Department of the Company for any guidance required

for lodging claim for refund of shares and/or dividend from the IEPF Authority.

- o) As per the provisions of the Companies Act, 2013, facility for making nominations is available to individuals holding shares in the Company. The prescribed nomination form in Form SH - 13 can be obtained from the Company. Members holding shares in electronic form may forward nomination form duly filled to their respective depository participants only.
- p) The Company has sent individual letters to all the Members holding shares of the Company in physical form for furnishing their PAN and KYC details pursuant to SEBI Circular dated 3rd November, 2021 in Form ISR-1. The Form ISR-1 is also available on the website of the Company: www.mrftyres.com. Attention of the Members holding shares of the Company in physical form is invited to go through and submit the said Form ISR-1.
- q) Members may please note that SEBI vide its Circular dated 25th January, 2022 has mandated the Listed Companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate; claim from Unclaimed Suspense Account; Renewal/Exchange of securities certificate; Endorsement; Sub-division/Splitting of securities certificate; Consolidation of securities certificates/folios; Transmission and Transposition. Accordingly, shareholders are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website: www.mrftyres.com. It may be noted that any service request can be processed only after the folio is KYC compliant. SEBI vide its notification dated 24th January, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and to avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company, for assistance in this regard.
- r) Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, PAN, registering of nomination, power of attorney registration, Bank Mandate details, etc., to their DPs in case the shares are held in

electronic form and to the Company in prescribed Form ISR-1 and other forms pursuant to SEBI Circular dated November 3, 2021. Further, Members may note that SEBI has mandated the submission of PAN by every participant in securities market.

- s) Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
- t) Institutional / Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization along with a ID proof of the representative, authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to jandsca@gmail.com with a copy marked to evoting@nsdl.co.in by 31st July, 2022.
- u) Instructions for members for attending the AGM through VC / OAVM are as under:
 - i. NSDL will be providing facility for voting through remote e-Voting, for participation in the AGM through VC/OAVM facility and e-Voting during the AGM.
 - ii. Members may note that the VC/OAVM facility, allows participation of atleast 1,000 Members on a first-come-first-served basis.
 - iii. Members will be able to attend the AGM through VC/ OAVM at <https://www.evoting.nsdl.com> by using their remote e-voting login credentials and selecting the link available against the EVEN (120180) for Company's AGM. Members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned below in the Notice.
 - iv. Facility of joining the AGM through VC / OAVM shall open 30 minutes before the time scheduled for the AGM and will be available for Members on first-come-first-served basis.
 - v. Members who need assistance before or during the AGM, can contact NSDL on evoting@nsdl.co.in / 1800-222-990 or contact

Mr. Amit Vishal, Senior Manager – NSDL at amitv@nsdl.co.in /022-24994360 or Ms. Soni Singh, Assistant Manager- NSDL at sonis@nsdl.co.in /022-24994545.

- vi. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- vii. Members are advised to send their queries in advance mentioning their name, demat account number / folio number, email id, mobile number to mrfshare@mrfmail.com. Questions / queries received by the Company till 5.00 p.m. on 2nd August, 2022 shall only be considered and responded during the AGM.
- viii. Members who would like to express their views/ask questions during the meeting may register themselves as a speaker and send their request mentioning their name, demat account number/ folio number, email id, mobile number to mrfshare@mrfmail.com between 9.00 a.m. on 29th July, 2022 and 5.00 p.m. on 31st July, 2022.
- ix. The Company reserves the right to restrict the number of questions and number of speakers, depending on the availability of time for the AGM.
- v) E-Voting:

In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, and Regulation 44 of the SEBI Listing Regulations, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by NSDL, on all the resolutions set forth in this Notice.

The remote e-voting period commences on 30th July, 2022 (9.00 A.M.) and ends on 3rd August, 2022 (5.00 P.M.). During this period, members holding shares either in physical form or in dematerialized form, as on 28th July, 2022 i.e. cut-off date, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in Demat mode:

|--|---|
| a) For Members who hold shares in demat account with NSDL | 8 Character DP ID followed by 8 Digit Client ID. For example, if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****. |
| b) For Members who hold shares in demat account with CDSL. | 16 Digit Beneficiary ID. For example, if your Beneficiary ID is 12***** then your user ID is 12*****. |
| c) For Members holding shares in Physical Form. | EVEN Number followed by Folio Number registered with the company For example, if folio number is 001*** and EVEN is 120180 then user ID is 120180001*** |

5. Password details for shareholders other than Individual shareholders are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your Demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8-digit client ID for NSDL account, last 8-digit of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

-
- (ii) If your email ID is not registered with the Company/ Depositories, please follow steps for registering email ID's.
6. If you are unable to retrieve or have not received the "initial password" or have forgotten your password:
 - a) Click on **"Forgot User Details/Password"** (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **"Physical User Reset Password"** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
 8. Now, you will have to click on "Login" button.
 9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting are in active status.
 2. Select "EVEN" of company (EVEN No.: 120180) for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
 3. Now you are ready for e-Voting as the Voting page opens.
 4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
 6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
 7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

Process for those shareholders whose email ids are not registered with the Depositories/Company for procuring user id and password for e-Voting for the resolutions set out in this Notice:

Shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-Voting by providing below mentioned documents.

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAAR (self attested scanned copy of Aadhaar Card).
2. In case shares are held in demat mode, please provide DP ID-Client ID (16 digit DP ID + Client ID or 16 digit Beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAAR (self attested scanned copy of Aadhaar Card).

If you are an Individual shareholder holding securities in demat mode, you are requested to refer "Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode".

General Guidelines for shareholders:

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter and ID proof of the person who is authorised to vote to the Scrutinizer by e-mail to jandsca@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will

need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” Option available on www.evoting.nsdl.com to reset the password.

3. In case of any query pertaining to e-voting, Members may refer to the Frequently Asked Questions (FAQs) for shareholders and e-Voting user manual for shareholders available at the download section of www.evoting.nsdl.com or call on Toll Free No.: 1800-222-990 or send a request at evoting@nsdl.co.in. Any query or grievance connected with the remote e-voting may be addressed to Ms. Soni Singh, Assistant Manager, NSDL, 4th Floor, ‘A’ Wing, Trade World, Kamala Mills Compound, Senapati Bapat Marg, Lower Parel, Mumbai 400 013. Email: evoting@nsdl.co.in, 1800 1020 990 /1800 224 430.
4. The voting rights of members shall be in proportion to their shareholding in the paid-up equity share capital of the Company as on the cut-off date i.e., 28th July, 2022.
5. Any person, who acquires shares of the Company and become member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e, 28th July,2022, may obtain the login ID and password by sending a request at evoting@nsdl.co.in.
6. However, if you are already registered with NSDL for remote e-voting then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using “Forgot User Details/Password” option available on www.evoting.nsdl.com or contact NSDL at the following toll free no.: 1800-222-990.
7. Mr. N C Sarabeswaran (Membership No.: 009861) Senior Partner, Messrs. Jagannathan & Sarabeswaran, Chartered Accountants, will be acting as the Scrutinizer for conducting the voting and remote e-voting process in a fair and transparent manner.
8. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/ participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again.
9. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast during the AGM, thereafter unblock the votes cast through remote e-voting and make, not later than 48

hours of conclusion of the AGM, a consolidated Scrutinizer’s Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing, who shall countersign the same.

10. The results declared along with the report of the Scrutinizer shall be placed on the website of the Company, www.mrf tyres.com and on the website of NSDL immediately after the declaration of result by the Chairman or a person authorized by him in writing and also communicate the same to BSE Limited & National Stock Exchange of India Limited.

EXPLANATORY STATEMENT

Dr. (Mrs) Cibi Mammen and her spouse Mr. Arun Mammen, Vice Chairman and Managing Director and their relatives may be deemed to be concerned or interested in the above resolution.

None of the other Directors and key managerial personnel are related to Dr. (Mrs) Cibi Mammen as envisaged under the Companies Act, 2013. Further, none of them or their relatives are concerned or interested, financially or otherwise, in the above resolution.

Dr. (Mrs) Cibi Mammen has the requisite skills and experience expected of a member of the Board and accordingly, the Board (on the basis of the recommendation of the Nomination and Remuneration Committee) recommends this ordinary resolution for the approval of the shareholders.

Item No. 5

The Members of the Company at the 56th Annual General Meeting held on 4th August, 2017 approved the appointment of Messrs. Mahesh, Virender & Sriram, Chartered Accountants (Firm Regn. No. 001939S), Hyderabad as the Joint Statutory Auditor of the Company for a period of 5 (five) consecutive financial years from the conclusion of the 56th Annual General Meeting (AGM) till the conclusion of the 61st AGM. Messrs. Mahesh, Virender & Sriram, Chartered Accountants will complete their present term on conclusion of this Annual General Meeting in terms of the said approval and as per Section 139 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014. The

present remuneration of Messrs. Mahesh, Virender & Sriram, Chartered Accountants for conducting the statutory audit for the financial year 2021-2022 is ₹ 36.93 Lakhs (excluding out of pocket expenses and statutory levies).

Messrs. Mahesh, Virender & Sriram, Chartered Accountants have expressed their intention not to seek re-appointment as Joint Statutory Auditor of the Company on conclusion of the present term vide their letter dated 25th April, 2022 addressed to the Audit Committee and to the Board of Directors of the Company. The Audit Committee and the Board of Directors at their meeting held on 10th May, 2022 took note of the above and accepted their request to retire on conclusion of the forthcoming AGM of the Company.

The Board of Directors of the Company at its meeting held on 10th May, 2022, on the basis of the recommendations of the Audit Committee, recommended for the approval of the Members, the appointment of Messrs. Sastri & Shah, Chartered Accountants (Firm Regn No: 003643S), Chennai as the Joint Statutory Auditor of the Company for a period of 5 (five) consecutive financial years from the conclusion of the 61st AGM till the conclusion of the 66th AGM on remuneration, terms and conditions as may be approved by the Board. Messrs. Sastri & Shah, Chartered Accountants was formed in the year 1931. There are 6 partners in the firm having experience in corporate audits, direct and indirect taxation and internal audit. The firm specializes in conducting statutory audit, tax audit, GST audit, concurrent audit, compliance audit, HR audit, GST and Income Tax consulting and compliance etc. The firm has clientele in companies spread across several industries, Government companies including banking, hotels, plantation, travel and tourism etc. Messrs. Sastri & Shah, Chartered Accountants were earlier Joint statutory Auditors of the Company till August, 2017.

The fees proposed to be paid will be decided by the Board of Directors every year during the five year tenure. For the financial year 2022-2023, it is proposed to pay a remuneration of ₹ 41.74 Lakhs (excluding out of pocket expenses and statutory levies). The remuneration proposed is not materially higher than that paid to the outgoing auditor. The Audit Committee while recommending Messrs. Sastri & Shah, Chartered Accountants for appointment by the Board also considered various parameters like relevant audit experience, clientele served, technical knowledge etc., and found Messrs. Sastri & Shah, Chartered Accountants

to be suited to handle the scale, diversity and complexity associated with the audit of the financial statements of the Company.

Messrs. Sastri & Shah, Chartered Accountants have given their consent to act as the Joint Statutory Auditor of the Company and have confirmed that the said appointment, if made, will be in accordance with the conditions prescribed under Sections 139 and 141 of the Act.

None of the Directors and key managerial personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the above resolution.

Accordingly, the Board recommends this Ordinary Resolution for the approval of the shareholders.

Item No. 6

Mr. Samir Thariyan Mappillai was appointed as Whole-time Director of the Company with effect from 04.08.2017 for a period of 5 years. This was approved by the shareholders at the annual general meeting held on 04.08.2017. In view of the impending expiry of his earlier appointment, the Board of Directors at its meeting held on 10.05.2022, based on the recommendations of the Nomination and Remuneration Committee have re-appointed Mr. Samir Thariyan Mappillai as Whole-time Director of the Company with effect from 04.08.2022 for a further period of 5 years.

Mr. Samir Thariyan Mappillai aged about 40 years, is on the Board of the Company since 4th August, 2017. Mr. Samir Thariyan Mappillai has completed his B.A., Economics from St. Stephen's College, Delhi and M.A., (Economics) from the University of Madras. Thereafter, he did his Masters Degree in Business Administration (M.B.A.), from Kellogg School of Management, North-Western University, Illinois, USA. Mr. Samir Thariyan Mappillai joined the Company as Corporate Manager in the Marketing department in 2010 and was later promoted as Deputy General Manager Marketing in 2011 and General Manager – Marketing in 2014 in the Company. He has varied experience in all major functions in marketing and product development. In 2017, he was appointed as Whole-time Director of the Company.

Taking into consideration the duties and responsibilities of the Whole-time Director, the prevailing managerial remuneration in industry and considering the increasing size and complexity of the business and on the recommendation of the nomination and remuneration committee, the

Board has approved the following terms of remuneration for Mr. Samir Thariyan Mappillai, with effect from 04.08.2022 (which are in line with his current terms):

- A) Salary: ₹ 7,00,000/- per month with annual increment of ₹ 1,00,000/-
- B) Residential accommodation: Shall be provided free furnished residential accommodation.
- C) Perquisites and allowances: In addition to the above salary and residential accommodation, he shall be entitled to the following perquisites and allowances restricted to an amount equal to two times his annual salary in a financial year:
- i) Gas, electricity, water, furnishing and other amenities, repairs, house maintenance expenses, servant(s), cook(s), security guard(s), etc., at his residence;
 - ii) Leave travel concession: For self and family once in a year incurred in accordance with the rules of the Company;
 - iii) Facility of car with driver;
 - iv) Allowances and other perquisites: Special allowance and/ or any other allowances or perquisites as determined by the Nomination and Remuneration Committee.

The above perquisites and allowances shall be evaluated as per Income Tax rules, wherever applicable. In the absence of any such rules, these shall be evaluated at actual cost.

D) Other Benefits:

- i) Contribution to provident fund, pension/superannuation/gratuity fund schemes in accordance with the Company's rules and regulations in force from time to time;
- ii) One month's leave with full salary for every 11 months of service. Leave accumulated but not availed will be allowed to be encashed. Leave encashment at the end of the tenure will be as per the rules of the Company;
- iii) Reimbursement of actual medical expenses incurred in India or abroad for self and family including hospitalization expenses,

treatment expenses and in case of medical treatment abroad, the air fare, boarding/ lodging, travel, etc., for self and family and attendant;

- iv) Medical/Personal accident/ Travel insurance: Actual premium to be paid by the Company for self & family;
- v) Telephone: Free telephone facility at residence including mobile phone & other suitable communication facilities;
- vi) Club Fees: Actual fees of clubs will be reimbursed.

The above benefits will not be included in the computation of the ceiling on perquisites and allowances.

- E) Commission: In addition to the above, an amount by way of commission calculated at a rate not exceeding 1% of the net profits of the Company, subject to a ceiling of 36 months' salary.
- F) Minimum remuneration: Where in any financial year during the currency of the tenure of Mr. Samir Thariyan Mappillai as Whole-time Director, the Company has no profits or its profits are inadequate, the Company shall pay remuneration permissible in accordance with the applicable provisions of Schedule V to the Companies Act, 2013, as minimum remuneration, subject to necessary approvals.

The remuneration of Mr. Samir Thariyan Mappillai shall be within the limits prescribed under Companies Act, 2013 read with Schedule V of the said Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Mr. Samir Thariyan Mappillai holds 4470 shares of the Company. He is not holding any Directorship in other Companies. Mr. Samir Thariyan Mappillai has not resigned from any other listed entity in the past 3 years. During the last financial year, Mr. Samir Thariyan Mappillai attended all the 4 Board meetings of the Company.

The details of remuneration paid to Mr. Samir Thariyan Mappillai for the year 2021-2022 in his capacity as Whole-time Director of the Company is as follows: (a) Salary and perquisites – ₹ 35264064 (b) Commission – ₹ 21600000 (c) Total – ₹ 56864064.

Mr. Samir Thariyan Mappillai (being the appointee), Mr. K M Mammen, Chairman and Managing Director (Father), Mrs. Ambika Mammen,

Director (Mother) and Mr. Rahul Mammen Mappillai, Managing Director (brother) and their relatives may be deemed to be concerned or interested in the above resolution.

Since Mr. K M Mammen is deemed to be interested in this resolution, he has not participated in the discussion or vote on this item during the meeting of the Nomination and Remuneration Committee when this proposal was considered. Further, all the above directors have not participated in the discussion or vote on this item during meeting of the Board when this proposal was considered.

None of the other Directors and key managerial personnel and their relatives are concerned or interested, financially or otherwise, in the above resolution.

Accordingly, approval of the Shareholders by way of Ordinary Resolution is sought for the above proposal.

The Board recommends the Ordinary Resolution as set out in this notice for the approval of the Shareholders.

Item No. 7

Mr. Varun Mammen was appointed as Whole-time Director of the Company with effect from 04.08.2017 for a period of 5 years. This was approved by the shareholders at the annual general meeting held on 04.08.2017. In view of the impending expiry of his earlier appointment, the Board of Directors at its meeting held on 10.05.2022, based on the recommendations of the Nomination and Remuneration Committee have re-appointed Mr. Varun Mammen as Whole-time Director of the Company with effect from 04.08.2022 for a further period of 5 years.

Mr. Varun Mammen aged about 39 years is on the Board of the Company from 04th August, 2017. He is a graduate in Chemical Engineering from the University of Madras, Chennai. He holds a Masters degree (MSc) in Polymer Materials Science and Engineering from The University of Manchester, UK. He has also obtained a Masters degree in Business Administration (MBA) from The Wharton School, University of Pennsylvania, USA. He joined the Company as Deputy General Manager in the Manufacturing Division in 2011 and was later promoted as General Manager-Manufacturing in 2014 in the Company. He has undertaken many projects within Manufacturing to make improvements to the

existing processes, resulting in greater efficiency, smoother operations and significant cost savings across all factories. In 2017, he was appointed as Whole-time Director of the Company.

Taking into consideration the duties and responsibilities of the Whole-time Director, the prevailing managerial remuneration in industry and considering the increasing size and complexity of the business and on the recommendation of the nomination and remuneration committee, the Board has approved the following terms of remuneration for Mr. Varun Mammen, with effect from 04.08.2022 (which are in line with his current terms):

- A) Salary: ₹ 7,00,000/- per month with annual increment of ₹ 1,00,000/-
- B) Residential accommodation: Shall be provided free furnished residential accommodation.
- C) Perquisites and allowances: In addition to the above salary and residential accommodation, he shall be entitled to the following perquisites and allowances restricted to an amount equal to two times his annual salary in a financial year:
 - i) Gas, electricity, water, furnishing and other amenities, repairs, house maintenance expenses, servant(s), cook(s), security guard(s), etc., at his residence;
 - ii) Leave travel concession: For self and family once in a year incurred in accordance with the rules of the Company;
 - iii) Facility of car with driver;
 - iv) Allowances and other perquisites: Special allowance and/ or any other allowances or perquisites as determined by the Nomination and Remuneration Committee.

The above perquisites and allowances shall be evaluated as per Income Tax rules, wherever applicable. In the absence of any such rules, these shall be evaluated at actual cost.

- D) Other Benefits:
 - i) Contribution to provident fund, pension/superannuation/gratuity fund schemes in accordance with the Company's rules and regulations in force from time to time;

-
- ii) One month's leave with full salary for every 11 months of service. Leave accumulated but not availed will be allowed to be encashed. Leave encashment at the end of the tenure will be as per the rules of the Company;
 - iii) Reimbursement of actual medical expenses incurred in India or abroad for self and family including hospitalization expenses, treatment expenses and in case of medical treatment abroad, the air fare, boarding/lodging, travel, etc., for self and family and attendant;
 - iv) Medical/Personal accident/Travel insurance: Actual premium to be paid by the Company for self & family;
 - v) Telephone: Free telephone facility at residence including mobile phone & other suitable communication facilities;
 - vi) Club Fees: Actual fees of clubs will be reimbursed.

The above benefits will not be included in the computation of the ceiling on perquisites and allowances.

- E) Commission: In addition to the above, an amount by way of commission calculated at a rate not exceeding 1% of the net profits of the Company, subject to a ceiling of 36 months' salary.
- F) Minimum remuneration: Where in any financial year during the currency of the tenure of Mr. Varun Mammen as Whole-time Director, the Company has no profits or its profits are inadequate, the Company shall pay remuneration permissible in accordance with the applicable provisions of Schedule V to the Companies Act, 2013, as minimum remuneration, subject to necessary approvals.

The remuneration of Mr. Varun Mammen shall be within the limits prescribed under Companies Act, 2013 read with Schedule V of the said Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Mr. Varun Mammen holds 8706 shares of the Company. He is not holding any Directorship in other Companies. Mr. Varun Mammen has not resigned from any other listed entity in the past 3 years. During the last financial year, Mr. Varun Mammen attended all the 4 Board meetings of the Company.

The details of remuneration paid to Mr. Varun Mammen for the year 2021-2022 in his capacity as Whole time Director of the Company is as follows:

- (a) Salary and perquisites – ₹ 35435599 (b) Commission – ₹ 21600000
- (c) Total - ₹ 57035599.

Mr. Varun Mammen and his relatives may be deemed to be concerned or interested in the resolution.

None of the other Directors and key managerial personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the above resolution.

Accordingly, approval of the Shareholders by way of Ordinary Resolution is sought for the above proposal.

The Board recommends the Ordinary Resolution as set out in this notice for the approval of the Shareholders.

Item No. 8

The Board at its meeting held on 10th May, 2022 on the recommendations of the Audit Committee, has appointed Mr. C Govindan Kutty, Cost Accountant as the Cost Auditor to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2023 on a remuneration of ₹ 8.40 Lakhs (Rupees Eight Lakhs Forty thousand only) (excluding taxes, as applicable) plus reimbursement of out of pocket expenses and conveyance.

In accordance with the provisions of section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration as mentioned above, payable to the Cost Auditor is required to be ratified by the shareholders of the Company. The Board recommends the aforesaid resolution for approval of the shareholders.

None of the Directors and key managerial personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the above resolution.

Accordingly, the Board recommends this Ordinary Resolution for the approval of the shareholders.

By Order of the Board,

CHAIRMAN'S MESSAGE

Dear Shareholders,

As we emerged from the lock-down problems of the previous two years, we were faced with a new challenge of rising costs of raw materials during the current year. This increase in the costs of raw materials has been unprecedented as it has happened continuously for months together, forcing us to increase prices of our products time and again in the market. The Ukraine war has not helped either, as some of the raw materials became unavailable and costlier.

On the other hand, the increase in the fuel cost has had its effect on the consumer demand particularly in two wheeler tyres and even to some extent in passenger tyres. The automobile industry has faced its own challenges, the foremost being shortage of semi-conductors for vehicles. This brought down the production of vehicles in many cases, thus bringing down the volume of our institutional sales.

However, the commercial vehicle movement has been brisk for most part of the year and this has lessened our discomfort on the selling front. In the midst of all these challenges, it is indeed remarkable that MRF has been able to notch up a total income of Rs.19304 crores for the last year ended 31st March 2022. This has been achieved mainly because of our own unrelenting stand on the quality of our products and also the trust we have earned from our customers over the years.

MRF's 10th factory in Gujarat has ramped up its production and is contributing significantly to our total production. MRF is in the process of developing new products for new markets in India and abroad. MRF was the pioneer in exports being the first company to export tyres from India way back in the 1960s and we have built up our export markets through the years.

Brand Finance, the world's leading brand valuation consultancy has come out with its brand survey for India and MRF has been adjudged as No.6 amongst the top 10 strongest brands in the country. This is definitely a feather on our cap as the brand preference of our products keeps increasing.

MRF continues its commitment with MRF Pace Foundation and we have produced new fast bowlers like Mr. Prasidh Krishna, Mr. Avesh Khan, Mr. Chetan Sakariya and Mr. Sandeep Warrier who are all selected for the Indian cricket team during the year gone by.

In line with the Government of India's commitment to make the country carbon neutral by 2070 and our domestic and global suppliers'/customers' requirements, our company has initiated a series of measures to enhance its sustainability profile. The various measures which we are taking will reflect in our ESG scores going forward.

I wish to thank the Shareholders, Investors, Central and State Governments, Lenders, Suppliers and Customers for their great support during these trying times. I also thank all my colleagues on the board for their continued support.

Best Wishes,

A handwritten signature in blue ink, appearing to read 'K. M. Mammen', with a horizontal line underneath it.

Quality Management

MRF'S ENVIRONMENTAL, SOCIAL AND GOVERNANCE (ESG) INITIATIVES

Environment

MRF is committed towards environmental sustainability and with this objective it is adopting renewable raw materials from biomass and thus reducing the share of fossil fuel derived raw material in manufacturing. It is also improving energy efficiency in manufacturing processes through various initiatives. Environmental sustainability is also promoted by the introduction of low-rolling resistance tyres for original equipment manufacturers and the replacement market.

MRF is also working towards optimization of resources and scrap reduction in manufacturing, apart from promoting materials' circularity by facilitating recycling of end-of-life tyres and adopting recycled materials as raw material for new tyres. MRF has robust retreading activity to save precious raw material resources, energy savings and to reduce carbon emissions.

MRF is also endeavoring to improve the share of renewable energy in manufacturing processes in the coming years.

Social

On the social front, MRF has a rich organizational culture rooted in its core values of respect for people. Fairness in dealings with Vendors is one of the cornerstones of MRF's business practices and it endeavors to create products which are value for money for the customers. MRF's CSR activities are directed towards fulfilling the needs of various communities with regard to promotion of education, healthcare and public infrastructure. MRF also supports skill development initiatives for increasing employability of rural youth and also for sports.

Governance

MRF has always adopted high standards of governance. Our business processes are crafted to deliver long term value for investors through prudent fiscal practices and sound business strategy combined with fair disclosure practices.

MRF Vapocure Paints closed the year with a sales turnover of Rs.318 crores, with an impressive value growth of 37%. On a standalone basis, the company posted a Net Profit of 6%. The prices of raw materials continued to increase and the availability of raw materials itself was quite challenging through the year. The business revised prices during the year and the average increase was around 7%.

Two new TV commercials namely "Try-New" and "Extraaa Coverage" were produced and released for select regions and did really well. The "Try-New" campaign also went digital. These campaigns did bring about a good traction for Wall Finishes in our test markets of Tamil Nadu and Kerala.

623 new channel partners were appointed during the year. We also doubled the number of waterbased tinting machines in the market. The greenfield site at Aanambakkam near Chengalpattu started trial production of Solvent Based products.

The business finalized the "Salesforce" platform to launch their CRM which will help the internal Sales Team, Management, Dealers and Paint Contractors in the day-to-day business operations. This initiative will actually help business to speed up and engage more closely with the stakeholders. It is expected to "Go-Live" by Dec 2022.

TEAM MRF IN EUROPE

Team MRF Tyres continued its growing presence in the European Rally Championship (ERC) and this yielded rich results with the team coming second in two rounds of the ERC, Rally Leipaja (Latvia) with Craig Breen and in Azores (Portugal) with Dani Sordo. Paolo Andreucci continued his winning streak for MRF Tyres in the Italian National Gravel Championship. These victories were won against stiff competition from International Tyre Brands.

DOMESTIC NATIONAL CHAMPIONSHIPS

The domestic season witnessed high-octane action with the MRF MMSC National Championships in Motorcycle and Car Racing finish a full season in various categories. The 2-wheeler MRF MOGRIP National Rally Championship was held across 6 rounds. The FMSCI Indian National Rally Championship saw Aditya Thakur emerge victorious on MRF Tyres as the National Champion 2021.

BOARD'S REPORT

Your Directors have pleasure in presenting to you the Sixty First Annual Report and the Audited Financial Statements for the financial year ended 31st March, 2022.

Financial Results

| | ₹ Crores | |
|------------------------|--------------------|------------------|
| | <u>2021 - 2022</u> | <u>2020-2021</u> |
| Total Income | 19304 | 16129 |
| Profit before tax | 879 | 1700 |
| Provision for taxation | 232 | 451 |
| Profit for the year | 647 | 1249 |

Performance Overview

During the financial year ended 31st March, 2022, your Company's total income is ₹ 19304 crores as against ₹ 16129 crores in the previous year. The profit before tax stood at ₹ 879 crores for the year as against ₹ 1700 crores for the previous financial year. The net provision for tax (current tax and deferred tax) for the year is ₹ 232 crores (previous year ₹ 451 crores). After making provision for income tax, the net profit for the year ended 31st March, 2022 is ₹ 647 crores as against ₹ 1249 crores for the previous financial year.

During the year, there was an unprecedented increase in raw material prices. Market conditions, after the pandemic, were not favourable to fully absorb these price increases. Further the operations were also adversely impacted by the uncertainties posed by the COVID 19 pandemic in the early part of the year, issues connected with availability of raw materials and also challenges posed by the Ukrainian war towards the end of the year.

There was an overall increase of 18% in tyre production in financial year 2021-2022, with all product groups showing growth.

The Company's exports (including Indian Rupee Exports) stood at ₹ 1779 crores for the financial year ended 31st March, 2022, as against ₹ 1333 crores for the previous year.

As required under regulation 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion and Analysis Report is attached and forms part of this Report.

Dividend

Two interim dividends of ₹ 3/- each per share (30% each) for the financial year ended 31st March, 2022 were declared by the Board of Directors on 9th November, 2021 and on 10th February, 2022. The Board of Directors is now pleased to recommend a final dividend of ₹ 144/- (1440%) per share of ₹ 10 each on the paid up equity share capital of the Company, for consideration and approval of the shareholders at the forthcoming Annual

General Meeting of the Company and shall be subject to deduction of Income tax at source. The total dividend for the financial year ended 31st March, 2022 works out to ₹ 150/- (1500%) per share of ₹ 10 each. The above dividend declared by the Company is in accordance with dividend distribution policy of the Company.

The Directors recommend that after considering provision for taxation and the dividend paid during the year, an amount of ₹ 584 crores be transferred to general reserve. With this, the Company's Reserves and Surplus stands at ₹ 13773 crores.

Industrial Relations

Overall, the Industrial Relations in all our Manufacturing Units have been harmonious and cordial. Long Term Settlement has been concluded in Arkonam Plant. Both Production & Productivity were maintained at the desired satisfactory levels throughout the year in all Plants except minor interruption in operations in Tiruvottiyur, Kottayam & Pondicherry due to Covid related issues.

Performance of Subsidiaries

The consolidated financial statements of the Company prepared in accordance with the Companies Act, 2013 and applicable accounting standards form part of the Annual Report. The consolidated financial statements include the financial results of its subsidiary Companies.

Pursuant to the provisions of section 136 of the Companies Act, 2013, the financial statements, consolidated financial statements along with the relevant documents and audited accounts of subsidiaries are available on the website of the Company.

The Company has four subsidiaries viz. MRF Corp Limited, MRF International Limited, MRF Lanka (P) Ltd. and MRF SG PTE. LTD. The aggregate turnover of all four subsidiaries in equivalent Indian Rupees during the financial year ended 31st March, 2022 was ₹ 2378.29 crores and the aggregate profit after tax was ₹ 21.99 crores.

A statement in Form AOC-1, containing the salient features of the financial statements of the Company's subsidiaries is attached with the financial statements. The statement provides details of performance and financial position of each of the subsidiaries.

The contribution of the subsidiaries to the overall performance of the company is given in note 25d of the consolidated financial statements.

During the year under review, your Company has entered into transactions with MRF SG PTE. LTD, a wholly owned subsidiary of your Company for purchase of raw materials and the total value of transactions executed during financial year 2021-2022, exceeded the materiality threshold adopted by the Company. These transactions were in the ordinary course of business and were on an arms length basis, details of which are provided in Annexure IV of the Board's Report as required under Section 134(3) (h) of the Companies Act, 2013 read with Rule 8(2) of the Companies (Accounts) Rules, 2014.

Directors' Responsibility Statement

As required under section 134(3)(c) of the Companies Act, 2013, your Directors state that:

- a) In the preparation of the annual accounts, the applicable Accounting Standards have been followed and that there are no material departures;
- b) They have, in selection of the accounting policies, consulted the statutory auditors and applied them consistently, making judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for the year ended 31st March, 2022;
- c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) Annual accounts have been prepared on a going concern basis;
- e) Internal financial controls had been laid down and followed by the Company and such internal financial controls are adequate and were operating effectively; and
- f) Proper systems to ensure compliance with the provisions of all applicable laws have been devised and such systems were adequate and operating effectively.

Risk Management

The company has developed and implemented a detailed risk management policy for the Company including identification therein of elements of

risk, if any, which in the opinion of the Board may threaten the existence of the Company as required under the Companies Act, 2013 read with Regulation 21 of the Listing regulations. The Company has constituted a Risk Management Committee of the Board comprising of executive directors and an independent director of the Company as required under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Committee reviews the risk management initiatives taken by the Company on a half yearly basis and evaluate its impact and the plans for mitigation. During the year the Committee met on 22nd September, 2021 and 14th March, 2022.

Adequacy of Internal Financial Control

Internal financial control means the policies and procedures adopted by the Company for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, timely prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information. The Company has put in place well defined procedures, covering financial and operating functions. Delegation of authority and segregation of duties are also addressed to ensure that the financial transactions are properly authorized. Further the Company has an integrated ERP system connecting head office, plant and other locations to enable timely processing and proper recording of transactions. Physical verification of fixed assets is carried out on a periodical basis. The Internal audit department reviews the effectiveness of the internal control systems and key observations are reviewed by the Audit Committee. These, in the view of the Board, are designed to collectively provide an adequate system of internal financial control with reference to the financial statements commensurate with the size and nature of business of the Company.

Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

Information as required to be given under section 134(3)(m) read with Rule 8(3) of the Companies (Accounts) Rules, 2014 is provided in Annexure I, forming part of this Report.

Corporate Social Responsibility (CSR)

As required under section 135 of the Companies Act, 2013, the CSR Policy was formulated by the CSR Committee and thereafter approved by the Board. CSR Policy is available on the Company's website : <https://www.mrftyres.com/shareholder-info>. The details of the CSR initiatives undertaken during the financial year ended 31st March, 2022 and other details required to be given under section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended are given in Annexure II forming part of this Report.

Board and Key Management Personnel

During the year under review, there was no change in the composition of the Board of Directors and Key Managerial Personnel of the Company.

As required under Section 152 of the Companies Act, 2013, Mr. Rahul Mammen Mappillai (DIN: 03325290), Managing Director and Dr (Mrs) Cibi Mammen (DIN: 00287146), Director of the Company, retire by rotation at the forthcoming Annual General Meeting and being eligible have offered themselves for re-appointment.

The Company has received declarations of independence from all the Independent Directors confirming that they meet the criteria of independence as prescribed under section 149(6) of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that they are independent from Management.

The Board is of the opinion that all the Independent Directors of the Company are person's of integrity and possess relevant expertise and experience (including the proficiency) to act as Independent Directors of the Company. The Independent Directors of the Company have confirmed that they have registered with the Indian Institute of Corporate Affairs, Manesar and have included their name in the databank of Independent Directors within the statutory timeline as required under Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Performance evaluation of the Board, its Committees and Directors

The Board of Directors has made a formal annual evaluation of its own performance and that of its committees pursuant to the provisions of

the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015. The evaluation was done based on the evaluation criteria formulated by Nomination and Remuneration Committee which includes criteria such as fulfilment of specific functions prescribed by the regulatory framework, adequacy of meetings, attendance and effectiveness of the deliberations etc.

The Board also carried out an evaluation of the performance of the individual Directors (excluding the Director who was evaluated) based on their attendance, participation in deliberations, understanding the Company's business and that of the industry and in guiding the Company in decisions affecting the business and additionally in case of Independent Directors based on the roles and responsibilities as specified in Schedule IV of the Companies Act, 2013 and fulfilment of independence criteria and independence from management.

Corporate Governance

In accordance with Regulation 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a Report on Corporate Governance along with the Auditors' Certificate confirming compliance is attached and forms part of this Report.

Following information required to be disclosed as per the Companies Act, 2013 are set out in the Corporate Governance Report:

- a) Number of Board meetings held - Para 2(c) of the Corporate Governance Report.
- b) Constitution of the Audit Committee and related matters - Para 3(ii) and 14(o) of the Corporate Governance Report.
- c) Remuneration Policy of the Company (including directors remuneration)- Para 7a of the Corporate Governance Report.
- d) Company's policy on directors' appointment including criteria for determining qualifications, positive attributes, independence of a director and other matters provided under sub-section (3) of section 178 - Para 5, 6 of the Corporate Governance Report. The nomination and remuneration policy is also available on the website of the Company. <https://www.mrftyres.com/downloads/download.php?filename=nominatio-%20and-remuneration-policy.pdf>

e) Related Party Transactions -Para 14(a) of the Corporate Governance Report.

f) Vigil Mechanism - Para 14 (c) of the Corporate Governance Report.

The details of related party transactions are given in note 27d of the financial statements.

Business Responsibility Report

Business Responsibility Report as per Regulation 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, detailing the various initiatives taken by the Company on the environment, social and governance aspects of business, forms part of this Annual Report.

Particulars of Employees

The disclosures pertaining to remuneration and other details of Directors and employees as required under Section 197(12) of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 have been provided in the appendix forming part of this report. Having regard to the provisions of Section 136(1) read with relevant provisions of the Companies Act, 2013, the Annual Report excluding the aforesaid information is being sent to the members of the Company. The said information is available for inspection at the Registered Office of the Company during working hours and any member interested in obtaining such information may write to the Company Secretary and the same will be furnished to the members.

During the financial year under review, the Company has not received any complaint under The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. Further, Company has complied with provisions relating to the constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Deposits

Your Company had discontinued acceptance of fixed deposits with effect from 31st March, 2019 and all deposits have been repaid. No fresh deposits have been accepted subsequently.

Auditors

Messrs Mahesh, Virender & Sriram, Chartered Accountants, (Firm Regn. No. 001939S), Hyderabad and Messrs M M NISSIM & CO LLP, Chartered Accountants, (Firm Regn No. 107122W), Mumbai were appointed joint statutory auditors of the Company for a term of 5 (five) consecutive years, at the Annual General Meeting (AGM) of the company held on 4th August, 2017 and 12th August, 2021 respectively.

Messrs. Mahesh, Virender & Sriram, Chartered Accountants will complete their present term on conclusion of this AGM in terms of the said approval and as per Section 139 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014.

Messrs. Mahesh, Virender & Sriram, Chartered Accountants have expressed their intention not to seek reappointment as Joint Statutory Auditor of the Company on conclusion of the present term vide their letter dated 25th April, 2022 addressed to the Audit Committee and to the Board of Directors of the Company. The Audit Committee and the Board of Directors at their meeting held on 10th May, 2022 took note of the above and accepted their request.

The Board of Directors of the Company at its meeting held on 10th May, 2022 on the basis of the recommendations of the Audit Committee, recommended for the approval of the Members, the appointment of Messrs. Sastri & Shah, Chartered Accountants (Firm Regn No.: 003643S), Chennai as the Joint Statutory Auditors of the Company, for a period of 5 (five) consecutive financial years from the conclusion of this AGM till the conclusion of the Sixty Sixth AGM on remuneration, terms and conditions as may approved by the Board.

The proposal for appointment of Messrs. Sastri & Shah, Chartered Accountants, as Joint Statutory Auditor of the Company is listed as an item in the Notice convening the forthcoming Annual General Meeting of the Company, for necessary approval of the shareholders.

Auditors Report to the shareholders for the financial year ended 31st March, 2022, does not contain any qualification.

Cost Audit

The Board of Directors, on the recommendations of the Audit Committee, has approved the re-appointment of Mr. C. Govindan Kutty, Cost Accountant (Mem. No. 2881), as Cost Auditor of the Company for the financial year ending 31st March, 2023, under section 148 of the Companies Act, 2013, and recommends ratification of his remuneration by the shareholders at the forthcoming Annual General Meeting of the Company.

Secretarial Audit

Pursuant to provisions of Section 204 of the Companies Act, 2013 read with rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, your Company engaged the services of Mr K Elangovan, Elangovan Associates, Company Secretaries, Chennai to conduct the Secretarial Audit of the Company for the financial year ended 31st March, 2022. The Secretarial Audit Report (in Form MR-3) is attached as Annexure-III, to this Report. The Secretarial Auditor's Report to the shareholders does not contain any qualification.

Annual Return

The Annual Return as required under Section 92 and Section 134 of the Companies Act, 2013 read with Rule 12 of the Companies (Management and Administration) Rules, 2014 is available on the Company's website: www.mrfityres.com. Weblink : <https://www.mrfityres.com/downloads/download.php?filename=Form-MGT-7-for-the-financial-year-ended-31st-March,2022.pdf>

Other Matters

There are no material changes and commitments affecting the financial position of the Company between the financial year ended 31st March, 2022 and the date of this report.

During the year under review, there were no material and significant orders passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

However, the Competition Commission of India has on 2nd February, 2022 released its order dated 31st August,2018, imposing penalty of Rs 622.09 Crores on the Company for breach of provisions of the Competition Act, 2002 during the year 2011-2012. The Company has filed an appeal before the National Company Law Appellate Tribunal [NCLAT]. The Company believes that the order of the Commission is not based on a proper appreciation of facts and law.

Details of investments as required under section 134 of the Companies Act, 2013 is given in note 3 to the financial statements.

During the year under review, the Board confirms that the Company has complied with the applicable Secretarial Standards issued by the Institute of Company Secretaries of India.

During the year under review, no fraud has been reported by the auditors to the audit committee or the board.

During the year under review, there is no change in the nature of business of your Company.

As regards Cost Audit Records, it is confirmed that the Company is covered by Cost Audit Records Rules under section 148(1) of the Companies Act, 2013 and accordingly, such accounts and all relevant records are maintained by the Company.

Appreciation

Your Directors place on record their appreciation of the invaluable contribution made by the Company's employees which made it possible for the Company to achieve these results. They would also like to take this opportunity to thank customers, dealers, suppliers, bankers, financial institutions, business associates and valued shareholders for their continued support and encouragement.

On behalf of the Board of Directors

Chennai
10th May, 2022

K M MAMMEN
Chairman & Managing Director
DIN: 00020202

ANNEXURE I TO THE BOARD'S REPORT

A. CONSERVATION OF ENERGY

Energy Conservation is a key focus area for the manufacturing plants and related functions and we have undertaken a continuous improvement program to reduce specific consumption of fuel, power and water. Benchmarking of best performance, base lining of best consumption and identification of losses is considered for setting targets. Energy monitoring system data is analysed to arrive at improvements. Focus on renewable energy, alternate fuels and clean sources of energy are being evaluated for immediate and future requirements.

(i) The steps taken or impact on energy conservation:

The following measures were implemented to reduce specific fuel consumption:

- a) Monitoring and correction of steam leaks in plants to reduce the steam consumption.
- b) Revision of targets based on best shift energy consumption from energy monitoring system.
- c) Increased use of nitrogen based cure process to minimise the process energy requirement.
- d) Optimisation of process steam requirement by modifying the process pipe lines.
- e) Analysing data from energy monitoring system for faster identification of abnormalities and corrective actions.
- f) Waste heat recovery system from process to improve steam generation efficiency.
- g) Replacement of existing old steam traps with energy efficient steam traps.

The following measures were implemented to reduce specific power consumption:

- a) Monitoring and correction of air leaks in plants to reduce the compressor energy.
- b) Optimized scheduling of production equipments to avoid equipment idle time to reduce the specific energy.
- c) Installation of energy efficient fans at shop floor and office buildings to reduce the power consumption.

- d) Replacement of induction lights with LED lights.
 - e) Conversion of pneumatic based system to hydraulic based system to reduce the compressor energy.
 - f) Replacement of old cooling pumps with new energy efficient cooling pumps.
 - g) Ensuring running of energy efficient compressors in the system.
- (ii) Steps taken by Company to increase utilization/ alternate source of energy:
- a) Coal fired boilers as replacement for furnace oil boilers.
 - b) Sourcing of power from renewable energy and clean fuels.
 - c) Evaluation of solar power plants is under consideration.
 - d) Evaluation of gas based steam generation in place of furnace oil.
- (iii) Capital Investment on energy conservation projects:
- Investments have been carried out for energy conservation proposals resulting in long term saving impact and reduction of losses in the system.
- Key projects initiated are listed below:
- a) Extension of nitrogen system to reduce the energy consumption.
 - b) Optimisation of process steam and power consumption by process changes.
 - c) Programmable Logic Controller (PLC) based control system for evacuating hot air from the process.
 - d) Conversion of pneumatic based system to hydraulic based system to reduce the compressor energy.
 - e) Implementation of plant efficiency monitoring system to display and monitoring of Energy performance.
- Key on-going proposals are as listed below:
- a) Recycling of waste water from effluent treatment plant and sewage treatment plant to reuse in process.
 - b) Introduction of solar based power generation plant.

- c) Replacement of furnace oil based steam generation with alternate gas based fuels.
- d) Identifying lower specific energy consuming machines and utilizing to maximum level to reduce total energy consumption.
- e) Increased rain water recovery to optimise the sourcing water requirement.

B. TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATIONS

1. Efforts made towards technology absorption, adaptation and innovation:

- a. Joint R&D with Indian and foreign universities and research institutes:

Towards continued excellence in tyre technology, in addition to a robust in-house R&D programme, we have collaborative R&D projects with institutions of eminence in India and abroad (including Ph.D programs and consultancy projects). The projects involve a comprehensive scientific understanding of the various materials' interfaces in tyres, materials and design parameters on noise-vibration- harshness (NVH), exploration of new and sustainable (bio-derived) materials, and nano and nano structured materials with the overall stated goal of the company to continuously advance green and sustainable tyre technology. The joint R&D programs result in Ph.Ds, international publications and patents.

- b. New product and material development, elimination of hazardous materials, etc.:

To improve the sustainability, your company is working on the multipronged 4R strategy, that is reduce (by reduction in CO₂ emission by low RR tyres) – recycle (promoting recycled materials from end-of-life tyres as raw materials for new tyres) – reuse (by making multiple re-treadable tyres and doing the retreading process) and renewable (by promoting critical tyre raw materials from environmentally sustainable sources such as biomass, waste materials, etc.).

Towards import substitution, we have initiated joint development programs for raw materials such as sulphur, resource-formaldehyde resin, emulsion SBR, butyl rubber, micro crystalline wax, super tackifier resin, etc., with domestic suppliers.

- c. Key product developments:

Your company has adopted sustainability as our main goal and protecting the environment is key to achieve the goal. We have improved the share of sustainable raw materials in tyres. To meet the emission norms under R117 and AIS 142 standards, we developed several low RR tyres which were approved by Indian and global passenger car OEMs. Similar activities are underway in tyres for commercial vehicles' segment as well.

- 2. Benefits derived as a result of the above efforts:

Development of low rolling resistance tyres with an increased share of renewable materials (without compromise in grip) will improve the carbon footprint, thus contributing to the overall sustainability goal.

Material group has embarked on attaining import substitution of raw materials such as resins, rubber, wax, process aids, etc., which will eventually result in their sourcing from local sources with cost-saving.

- 3. Details of imported technology (imported during last 3 years reckoned from the beginning of the financial year).

No technology was imported during the last 3 years and MRF is self-reliant on tyre technology for several decades.

- 4. Expenditure incurred on Research and Development:

On behalf of the Board of Directors

K M MAMMEN

Chairman & Managing Director

DIN: 00020202

Chennai

10th May, 2022.

ANNEXURE II TO THE BOARD'S REPORT

ANNUAL REPORT ON CSR ACTIVITIES FOR FINANCIAL YEAR ENDED 31ST MARCH, 2022

1. Brief outline on CSR Policy of the Company:

The CSR activities carried out by the Company are in accordance with the CSR Policy, as formulated by the CSR Committee and approved by the Board. The broad objectives, as stated in the CSR Policy, includes supporting causes concerning healthcare, education, rural development, provide safe drinking water, skill development, sports training, disaster management and environmental protection.

2. Composition of CSR Committee:

| Sl. No. | Name of Director | Designation/Nature of Directorship | Number of meetings of CSR Committee held during the year | Number of meetings of CSR Committee attended during the year |
|---------|----------------------------|---|--|--|
| 1 | Mr. K M Mammen | Chairman & Managing Director & Chairman of CSR Committee | 4 | 4 |
| 2 | Mr. Arun Mammen | Vice Chairman & Managing Director & Member of CSR Committee | 4 | 4 |
| 3 | Mr. Rahul Mammen Mappillai | Managing Director & Member of CSR Committee | 4 | 4 |
| 4 | Mr. Ranjit I Jesudasan | Independent Director & Member of CSR Committee | 4 | 4 |

3. Provide the web-link where Composition of CSR committee, CSR Policy and CSR projects approved by the board are disclosed on the website of the company : <https://www.mrftyres.com/shareholder-info>.

4. Provide the details of Impact assessment of CSR projects carried out in pursuance of the Companies (Corporate Social Responsibility Policy) Rules, 2014, if applicable (attach the report):

As per Rule 8(3) of the Companies (CSR Policy) Rules, 2014, effective 22nd January, 2021, impact assessment is required to be undertaken for CSR projects with outlays of minimum ₹ 1 Crore and which have been completed not less than 1 year before undertaking impact assessment. Accordingly Impact assessment for the CSR projects undertaken during financial year 2021-2022 with outlay of ₹ 1 Crore and above will be undertaken after completion of one year i.e., during financial year 2022-2023 and reported in the CSR Annual report for financial year 2022-2023.

5. Details of the amount available for set off in pursuance of sub-rule (3) of rule 7 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 and amount required for set off for the financial year, if any:

| Sl. No. | Financial Year | Amount available for set off from preceding financial years (in Lakhs) | Amount required to be set off for the financial year, if any (in Lakhs) |
|----------------|----------------|--|---|
| Not Applicable | | | |

6. Average net profit of the company as per section 135(5) : ₹ 16,96,20,46,471

7. (a) Two percent of average net profit of the company as per section 135(5) : ₹ 33,92,40,929

(b) Surplus arising out of the CSR projects or programmes or activities of the previous financial years : Not Applicable

(c) Amount required to be set off for the financial year, if any : Not Applicable

(d) Total CSR obligation for the financial year (7a+7b-7c) : ₹ 33,92,40,929

- 8 (a) CSR amount spent or unspent for the financial year:

11. Specify the reason(s), if the company has failed to spend two per cent of the average net profit as per section 135(5) :

During financial year 2021-2022, the Company has spent ₹ 17.62 Crore on various projects and transferred ₹ 16.30 Crore to the Unspent CSR Account for two Ongoing CSR Projects. The shortfall in CSR expenditure was on account of delay in implementation of projects and project duration extending beyond one financial year as per their original schedule of implementation. The unspent amount has been transferred to the Unspent CSR Account and the same will be spent in accordance with the CSR Rules on the two Ongoing projects.

ANNEXURE III TO THE BOARD'S REPORT

FORM NO. MR - 3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022
(Pursuant to Section 204(1) of the Companies Act, 2013 and
Rule 9 of the Companies (Appointment and Remuneration of
Managerial Personnel) Rules, 2014)

To,
The Members,
MRF Limited, Chennai - 600 006.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by MRF LIMITED (CIN: L25111TN1960PLC004306) (hereinafter called the Company), in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and I am expressing my opinion thereon.

Based on my verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended 31st March, 2022 has complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent and in the manner subject to the reporting made hereunder.

I have examined the books, papers, minutes books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and external commercial borrowings;

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (wherever applicable):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of capital and disclosure requirements) Regulations, 2018;
 - d) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - e) The Securities and Exchange Board of India (Registrars to an issue and Share Transfer Agents) Regulations, 1993 regarding the Act and dealing with client;
 - f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - g) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 2018.

I have also examined compliance with the applicable clauses of the following:

1. Secretarial Standards issued by the Institute of Company Secretaries of India;
2. The Listing Agreements entered into by the Company with Bombay Stock Exchange Ltd. and National Stock Exchange Ltd.;
3. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, and Standards etc., mentioned above.

I have reviewed the systems and mechanisms established by the Company for ensuring compliance under applicable Acts, Rules, Regulations and other legal requirements of the Central, State and other Government and local authorities concerning the business and affairs of the Company categorized under the following major heads/groups, and report that there are adequate systems and processes in the Company, commensurate with

the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines:

1. Factories Act, 1948;
2. Labour laws and other incidental laws related to labour and employees appointed by the Company including those on contractual basis as relating to wages, gratuity, prevention of sexual harassment, dispute resolution, welfare, provident fund, insurance, compensation etc.;
3. Industries (Development & Regulation) Act, 1951;
4. The Rubber Act, 1947 & Rubber Rules, 1955;
5. Acts and Rules relating to consumer protection;
6. Acts and Rules prescribed under prevention and control of pollution;
7. Acts and Rules relating to environmental protection and energy conservation;
8. Acts and Rules relating to hazardous substances and chemicals;
9. Acts and Rules relating to electricity, fire, petroleum, motor vehicles, explosives, boilers etc.;
10. Acts and Rules relating to protection of IPR;
11. Acts and Rules relating to the industry to which this Company belongs;
12. Other local laws as applicable to various plants and offices.

I further report that -

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and Women Directors in compliance with Rules and provisions of the Companies Act, 2013, the regulations and directives of Securities Exchange Board of India (SEBI).

Special Resolutions were passed by Postal Ballot by voting through electronic means on 8th October, 2021 to continue payment of remuneration to Managing Directors/Whole-time Directors in terms of Regulations 17(6) (e)(i) and 17(6)(e)(ii) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Adequate notice was given to all directors on schedule of the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting. All decisions carried are duly recorded in the minutes of the Meeting.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to

monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSION AND ANALYSIS

(Within the limits set by Company's competitive position)

The year 2021-22 was another challenging year for India and the World, having to deal with the 2nd Covid wave at the beginning of the year and the milder Omicron wave later in the year. The year saw inflation rising through the year, primarily due to high commodity and energy prices. As the World Economy was recovering from the impact of Covid, came the war in Ukraine. The war aggravated an already high inflation in the global economy while dislocating supply chains further. The Organization for Economic Co-operation and Development (OECD) estimates that the War in Ukraine could shave-off a percentage point from global growth. Debt level of Countries has gone up while some Countries are grappling with foreign exchange crisis. Central Banks around the world have started tightening monetary conditions to rein in inflation. Developing Countries have limited space for additional fiscal spending in view of the elevated spending of the past two years to combat the impact of Covid. Consequently, global growth is set to moderate. MRF continued its leadership journey in this challenging year and continues to be ranked among the World's Top 20 Tyre manufacturers.

Global economy grew by an estimated 6.1% in 2021 (IMF World Economic Outlook, April 2022), reflecting the base impact of the previous year (-3.1%) when Covid ravaged the World. IMF's current estimate for the global growth for Calendar year 2022 is 3.6%. Much depends upon the course of the war in Ukraine, inflation trajectory and how supply chain recovers.

US Federal Reserve has started hiking interest rates with a 0.25% hike in March, 2022 followed by a steep 0.50% in May, 2022, the highest single hike since 2000. The Fed will also start shrinking its balance sheet starting June, 2022. This will be the most aggressive monetary tightening in decades in the United States of America to combat soaring inflation. Consequently, emerging economies will have to deal with flight of capital and currency devaluation. Strengthening Dollar will make imports costlier, further aggravating inflation. Credit costs will increase for Governments which have resorted to higher spending to pull their economies out of the pandemic induced slow down.

Market & Industry Overview

For India, the year began with the 2nd Covid wave, with brief lockdowns, which impacted business performance in Quarter 1 of financial year 2021-22. Vaccinations against Covid helped in the economic recovery. The Omicron wave that came later in the year had a milder impact on Q3 and Q4 of financial year 2021-22. While releasing the 3rd Quarter GDP numbers in March, 2022, the government estimated the full year GDP growth at 8.9%. This would lift the GDP above the pre covid levels. 3rd Quarter GDP numbers showed that

private consumption is just about higher than pre pandemic levels while contact intensive services were still below the pre pandemic levels. Higher inflation also has impacted private consumption. The Indian Economy in financial year 2021-2022 reflected investment led growth while consumption demand was lagging. GDP growth decelerated over the Quarters reflecting base effect and slowing growth towards the end of the year. Tax revenue was buoyant with both direct and indirect taxes showing robust growth, which helped the government in meeting the fiscal deficit target. Tax buoyancy resulted in the tax to GDP ratio of 11.7%, highest in 23 years. Export growth was a bright spot with merchandise exports crossing \$ 400 Bln.

Inflation was elevated through the year with wholesale price inflation remaining in double digits for 12 months in a row. Retail inflation hit 7% in March, 2022, well above the RBI's tolerance band of 2%-6%. This plus the uncertainty around the trajectory of inflation prompted RBI to resort to an off cycle rate hike of 40 basis points. Inflation is expected to remain high and further rate hikes by RBI is to be expected. Lending rates are set to rise across the economy.

During the year, the government executed a Comprehensive Economic Partnership Agreement (CEPA) with UAE, India's third largest trade partner, this being the first major Trade Agreement in a decade. This was followed by an interim Economic Cooperation and Trade Agreement (ECTA) with Australia. Talks with European Union is scheduled for a Free Trade Agreement. The Trade Agreements should improve Trade and Exports and would impact growth positively in the long run.

RBI in April, 2022 projected financial year 2022-23 GDP growth at 7.2% while IMF's estimate is higher at 8.2%. Forecast for GDP growth have been toned down in recent weeks given the outlook on inflation and interest rate movements. Global growth and trade are trending lower, which could slow down India's Export growth. Higher commodity prices will continue to impact consumption and investment, translating to lower growth. RBI, which had prioritized growth over inflation over the last 3 years, is now targeting inflation ahead of growth. Government will need to step up public expenditure to maintain the economy's growth in the face of weak private demand.

Globally, Automobile Industry was impacted by shortage of semi conductors and other components, leading to temporary shut down of Plants. Post the war in Ukraine, availability of several key raw materials for the industry that comes from Russia and Ukraine have been impacted. Logistics costs have also hugely increased for the industry.

The year has been defining for our Auto Industry in its movement towards Electric vehicles. Industry insiders feel that demand generation for electric vehicles is no longer a problem as managing the supply chain is. Government announced in the Budget that it would introduce a Battery swapping policy,

following which NITI Aayog released a draft Policy. This is expected to give a boost to Electric Vehicles in India. There was a huge increase in the demand for CNG Vehicles due to spiraling energy prices and adequate infrastructure.

The response to PLI scheme for the Auto Industry exceeded expectations. The scheme has attracted an investment of ₹ 74,850 Crores against the target estimate of ₹ 42,500 Crores over a 5 year period. The scheme will aid in the country's movement to a manufacturing destination, besides strengthening the supply chain through its emphasis on value addition.

After a weak 2020-21, there were signs of recovery in the Medium and Heavy Commercial Vehicle (M&HCV) segment towards the second half of 2021-22. The infrastructure industry showed a faster growth and hence the demand for Tippers started picking up. With more industries opening up and a good harvest season, the 4th quarter showed recovery in the haulage segment too. However the bus segment continued to be on the weaker side.

The overall M&HCV production increased by about 50% over 2020-21. However it is far below the peak year of 2018-2019. With a good demand expected in both the construction and haulage segments, the year 2022-23 could see improved production. The Vehicle scrapage policy which is likely to be rolled in by 2023-24 is expected to provide new opportunities in the State transport (STU) bus segment also.

The passenger vehicle production has seen a growth of 19% in the year ended 2021-22, showing a good recovery after the double digit decline in financial year 2020-21. The segment continued to witness preference for Sports Utility Vehicles (SUVs), coming at the expense of hatchback and Sedans. While there was huge pent up demand on the back of the preference for personal mobility, the segment was hit by supply side issues arising from shortage of components like semiconductor chips. This has resulted in long waiting period for many car models ranging from 3-4 months and in some models going upto 10 months. The other challenges affecting the sector are the increasing cost of raw materials and logistics cost. The high fuel prices due to geo political issues may impact the demand and usage of personal vehicle in the short term. But the passenger segment is better poised to handle cost increases than other segments considering the order backlog.

A major shift seen in the passenger segment in 2021-22 was the movement towards Electric vehicles [EVs]. Original Equipment Manufacturers (OEMs) are investing in EV models and most of the new developments will be in this area.

Two Wheeler production recorded a decline of 3%, the third consecutive year of decline. The decline in Scooter production continues to be higher than Motorcycles this year also. There were multiple price hikes over the last 2 years by Manufacturers. Entry level vehicles took the biggest volume hit being

the segment most sensitive to price. Also, high fuel costs, poor rural sentiment etc kept Customers away. New launches have been subdued. Your company continues to be the preferred choice of fitment in most of the new launches. During the year, your company also launched quite a few new products for after market sales which have been well accepted by the customers. The excitement in the electric vehicle space continues with more players entering the segment and volumes more than doubling.

Two wheelers performed well in Exports which came as a relief to companies that were impacted by demand pressure in the domestic markets.

Tractor Production in financial year 2022 was flat despite the first half showing good growth. Substantial increase in fuel costs, raw material and labour costs impacted the off-take of Tractors in financial year 2022. Farmers are benefiting from high prices of commodities, specially of Wheat and Oilseeds resulting from the current geopolitical situation. A healthy Rabi crop and low channel inventory should lead to a good start to financial year 2023. Also, Indian Meteorological Department (IMD) prediction of a normal monsoon augurs well for a good Kharif season.

Tyre production recorded a healthy growth in financial year 2022. Passenger and Off The Road (OTR) segments grew impressively reflecting personal mobility and economic growth in the country. Two wheeler Tyres and Tractor Tyre growth was modest while Truck Tyre growth was better. Tyre Exports recorded a healthy growth. Two wheeler Tyre exports have grown significantly, in line with Two wheelers' exports from the country.

Margins of the Tyre industry decreased over the Quarters in financial year 2022 reflecting increase in input costs of an unprecedented nature.

Product wise Performance

During fiscal 2021-22, your Company achieved a total income of Rs.19304 Crores. There was an overall increase of 18% in tyre production in financial Year 2022, with all product groups showing growth. In the Heavy Commercial Vehicle product group, there was an increase of 15% over the previous year while Light Commercial Vehicle Tyres increased by around 13%. Small Commercial Vehicle Tyres increased by 44% in Three Wheel product group, while it increased by 13% in Four Wheel product group. Passenger & SUV showed a growth of 21%. The Farm product group grew by 7%. The Motorcycle and Scooter product groups increased by 11% and 33% respectively. The OTR product group grew by 38%.

Exports

Our exports of Tyres grew by a substantial 33% over the previous year. Export turnover is ₹ 1779 crores in financial year 2021-22 as compared to ₹ 1333

crores in 2020-21. Post the 2nd wave of the pandemic in early 2021 and opening up of our key markets, there was encouraging demand for MRF tyres from our valued Customers.

Our traditional and strong markets of Bangladesh, Philippines, Indonesia, the African continent and the Middle East region showed substantial growth across categories.

The demand for our Truck Bias, Truck Radial, and Light truck tyres continued to grow reflecting the strong demand and brand equity for our tyres.

We also saw a huge surge in demand for our Motorcycle tyres across markets like the African region, Bangladesh, & Latin American countries.

Going forward we expect the demand and preference for MRF tyres to continue while we explore newer markets to establish our dominance across categories.

Discussion on Financial Performance with respect to Operational Performance and Key financial Ratios

(₹ Crores)

| | 2021 - 2022 | 2020 - 2021 |
|-------------------------|-------------|-------------|
| Revenue from operations | 18989 | 15922 |
| Other Income | 315 | 207 |
| Total Income | 19304 | 16129 |
| Profit before tax | 879 | 1700 |
| Provision for tax | 232 | 451 |
| Profit after tax | 647 | 1249 |

The revenue from operations of the Company for the 2021-2022 stood at ₹ 18989 crores against ₹ 15922 crores for the previous year ended 31st March, 2021. During the year ended 31st March, 2022, the earnings before interest and depreciation (EBIDTA) stood at ₹ 2328 crores as against ₹ 3102 crores in the previous year ended 31st March, 2021. After providing for depreciation and interest, the profit before tax for the year ended 31st March, 2022 is ₹ 879 crores as compared to ₹ 1700 crores in the previous year ended 31st March 2021. After making provision for income tax, the net profit for the year ended 31st March, 2022 is ₹ 647 crores as against ₹ 1249 crores in the previous year ended 31st March, 2021.

There is no significant change (i.e. 25% or more) in key financial ratios viz. debtors turnover, inventory turnover, current ratio, debt equity ratio and Interest coverage ratio except for net profit margin (%), operating profit margin and return on net worth.

During the year, the net profit margin reduced from 7.74% to 3.35% due to sharp increase in raw material cost during the year. The operating profit margin of the Company reduced from 11.04% to 4.31% mainly due to sharp increase in raw material cost during the year.

The return on net worth decreased during the year from 9.92% to 4.80% when compared to the previous year. This is due to the drop in current year profit.

Opportunities and Threats

Forecast of a normal monsoon for the fourth year in a row will be a positive for the rural sector and the economy as a whole. High agricultural prices arising from the geo political situation should be a boost to the rural sector. Higher Government spend on infrastructure should be a growth positive for the related sectors. Production Linked Incentives and Free Trade Agreements will be a boost to manufacturing in the long run.

The high inflation would have a negative impact on consumption. RBI has increased interest rates which will increase cost of Funds and may curb demand. Central Banks the world over are fighting inflation through interest rate hikes and other monetary measures which might curb growth and international trade. This could be a dampener for Exports. The continuing war in Ukraine will be an uncertainty and will keep commodity prices high.

Outlook

The two major issues facing the Auto industry today is managing the supply chain and the high input Costs. Interest rates are also moving up in the economy, which will increase the cost of vehicle financing. On the positive side, demand for all segments is good except for Two wheelers. Pending order book should keep the passenger segment in good stead. An early end to the war in Ukraine would ease the supply chain bottlenecks for the Auto Industry and also push costs downward.

Investments in the PLI Scheme in the Auto and Auto Components industries will be a big boost for Automobile production in India.

Impact on the Tyre industry would also be similar as outlined above.

Internal Control Systems and their Adequacy

Your Company has established internal control systems commensurate with the size and nature of business. It has put in place systems and controls across the Company covering various financial and operational functions. Company through its own Internal Audit Department carries out periodical audits at various locations and functions based on the audit plan as approved by the Audit Committee. Some of the salient features of the Internal control systems are:-

-
- (i) An integrated ERP system connecting all plants, sales offices, head office, etc.
 - (ii) Systems and procedures are periodically reviewed to keep pace with the growing size and complexity of company's operations.
 - (iii) Assets are recorded and system put in place to safeguard against any losses or unauthorized disposal.
 - (iv) Periodic physical verification of fixed assets and Inventories.
 - (v) Key observations arising out of the Internal Audit are reviewed at the Audit Committee meeting and follow up action taken.

Risks and Concerns

The key risk in financial year 2022-23 are uncertainties arising out of steep increase in raw material prices and inflation which will result in the auto mobile industry remaining in slow lane in financial year 2022-23 and will slow down growth which will pose challenge to the Company's performance. Moreover, the war in Ukraine will pose supply chain bottlenecks for the Auto Industry and also result in uncertainties which will keep commodity prices high.

Challenges faced with regard to availability of raw materials due to Covid-19 continues to remain. Moreover, restrictions in China consequent to the Omicron wave will continue to have its impact on the supply chain situation.

Human Resources

MRF is a value driven organization and the company has a rich organizational culture rooted in its core values of respect for people and belief in empowerment.

The core value underlying our corporate philosophy is "trusteeship" and "proprietary interest". In dealing with each other, the values which are at the core of our HR Philosophy - trust, teamwork, mutuality and collaboration, objectivity, self-respect and human dignity are upheld. The management is committed to the development and growth of its people and the core focus is on Human Resources for its continued success. We owe our success and dominance in the market to the dedication and hard work of our employees who have overcome all challenges to meet the daunting challenges of the market and the ever increasing quality expectations, customer taste and preferences of the customers across the length and breadth of the country as well as in overseas market.

As Covid-19 has brought several economies to a standstill, we together combated the unprecedented challenges of Covid-19. Special Task Force was formed to ensure safe work place and extend care for employees' family, people and community.

In order to strengthen our human resource for meeting the future challenges, we have focused on hiring the best resources available and retaining and developing our existing talent pool.

We also concentrated on acquisition of top talent from premier institutes to build a Leadership talent pool especially in Research & Development and Sales & Marketing, the key areas of our operation for product superiority and market dominance.

We leverage human capital for competitiveness by nurturing knowledge, entrepreneurship and creativity.

Our Talent Management strategy is in tune with our growth needs and we focus intensively on developing internal resources for critical positions along with need based recruitment for specific lateral positions.

Our human resource development is focussed on our company's mission to have competitive edge in technology & excellence in manufacturing. All our training programs are designed and tailor made to meet our specific requirements. Training effectiveness measurement is an integral part of our learning and development strategy.

We continued imparting teambuilding and collaboration training to our workmen to enhance the team cohesiveness. Leadership training for union leaders and opinion makers also continued through the year, thereby keeping with our commitment of shaping the future of our plants.

The total employee strength as on 31st March, 2022 was 18,734.

We maintained cordial and harmonious industrial relations in all our manufacturing units through our various employee engagement initiatives and focus on improving the work culture, enhancing productivity and enriching the quality of life of the workforce and maintaining our supremacy in the market.

Cautionary Statement

Statements in the Management Discussion and Analysis describing the Company's objectives, expectations or forecast may be forward looking within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include global and domestic supply and demand conditions affecting selling prices of finished goods, input availability and prices, changes in government regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations.

On behalf of the Board of Directors

Chennai
10th May, 2022

K M MAMMEN
Chairman & Managing Director
DIN: 00020202

REPORT ON CORPORATE GOVERNANCE

1. Company's Philosophy on Code of Governance

As always, your Company continues to remain committed to good corporate governance practices by maintaining the highest levels of fairness, transparency, accountability, ethics and values in all facets of its operations and in all its interactions with its stakeholders.

Your Company's Corporate Governance framework is all about maintaining valuable relationship and trust with all stakeholders. We ensure that timely and accurate disclosure on all material matters including the financial situation, performance and regulatory requirements, leadership and governance of the company are shared with all the stakeholders. It encourages cooperation between the Company and the stakeholders for better participation in the Corporate Governance processes.

Your Company continues to believe that good corporate governance is essential for achieving long-term corporate goals of the Company and for meeting the needs and aspirations of its stakeholders, including shareholders.

2. Board of Directors

(a) Composition of the Board

The Board comprises of 14 Directors which includes a Chairman & Managing Director, a Vice Chairman and Managing Director, a Managing Director, 2 Whole-time Directors, 2 Non-Executive Directors and 7 Independent Directors. None of the Directors on the Board is a member of more than 10 committees or act as Chairman of more than 5 committees across all listed Companies and unlisted public limited Companies in which he/she is a Director.

(b) Attendance of Directors at Board Meetings during the financial year ended 31.03.2022 and at the last Annual General Meeting, outside directorships and board committee memberships and number of shares held as on 31.03.2022:

| Name | Composition and Category | No. of Directorships in other Public Ltd. Companies | No. of Board Meetings attended during the financial year ended 31.03.2022 | Names of the other listed entities where the person is a director and the category of directorship | No. of Committee Memberships in other Public Limited Companies | Attended last AGM held on 12.08.2021 | No. of Shares held |

*Mr. Vijay R Kirloskar has resigned from the independent directorship held in Batliboi Limited with effect from 27th April, 2021.

For Committee memberships, the chairmanship and membership in Audit / Stakeholders Relationship Committee in all public limited Companies, alone are considered. The Committee memberships of Directors are within the limits prescribed under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (herein after referred to as "Listing Regulations").

Mr. K M Mammen and Mr Arun Mammen are brothers. Mrs. Ambika Mammen is the wife of Mr. K M Mammen. Dr. (Mrs) Cibi Mammen is the wife of Mr. Arun Mammen. Mr. Rahul Mammen Mappillai and Mr Samir Thariyan Mappillai are the sons of Mr K M Mammen and Mrs Ambika Mammen. None of the other Directors are related to any Board Member.

(c) Dates of Board meetings

During the financial year ended 31st March, 2022, four Board Meetings were held on 07.06.2021, 09.08.2021, 09.11.2021 and 10.02.2022.

(d) Information placed before the Board

The Board of Directors periodically reviews reports regarding operations, capital expenditure proposals, statutory compliance and other required information as enumerated in Part A of Schedule II of the Listing regulations and as required under relevant provisions of the Companies Act, 2013.

(e) Familiarization Programme

Presentations/briefings are made at the meeting of the Board of Directors/Committees by KMP's/ Senior Executives of the Company on industry scenario, Company's operating and financial performance, raw material scenario, industrial relations status, risk management etc. The details of familiarization programme are available on the Company's web site at <https://www.mrfityres.com/downloads/download.php?filename=familiarisation-programme-for-independent-directors.pdf>

3. Audit Committee

(i) Reference

The powers, role and terms of reference of the Audit Committee covers the areas as mentioned under Regulation 18 of the Listing Regulations and Section 177 of the Companies Act, 2013, besides other terms as may be referred by the Board of Directors. These, inter alia, include oversight of Company's financial reporting process, internal financial controls, reviewing the adequacy of the internal audit function, reviewing with management the quarterly/annual financial statements before submission to the Board, recommending

the appointment of statutory auditors and fixation of their remuneration, approval of related party transactions, evaluation of risk management systems etc.

(ii) Composition

The Audit Committee comprises of 3 Directors and all of them being Non-Executive Independent Directors. The members of the Committee are as follows:

| | |
|------------------------|----------|
| Mr. Jacob Kurian | Chairman |
| Mr. V Sridhar | Member |
| Mr. Ranjit I Jesudasen | Member |

Mr. S Dhanvanth Kumar, Company Secretary, is the Secretary of the Committee.

Mr. K M Mammen, Chairman & Managing Director, Mr. Arun Mammen, Vice Chairman and Managing Director and Mr. Rahul Mammen Mappillai, Managing Director are permanent invitees. The Vice President Finance, Head of Internal Audit, Statutory Auditors and other Executives, as considered appropriate, also attend the meetings by invitation.

(iii) Meetings and Attendance

During the financial year ended 31st March, 2022, the Audit Committee met on the following dates: 07.06.2021, 09.08.2021, 09.11.2021 and 10.02.2022. All the members of the Committee were present for all the meetings.

4. Nomination and Remuneration Committee

(i) Reference

In accordance with Section 178 of the Companies Act, 2013 and Regulation 19 of the Listing Regulations, the terms of reference of the Committee include the following namely formulation of criteria for determining qualifications, positive attributes and independence of director, recommending to the Board a policy relating to remuneration of directors, key managerial personnel and other employees, formulation of criteria for evaluation of directors performance, devising a policy on Board diversity, identifying persons who are qualified to become directors and who may be appointed in senior management positions in accordance with the criteria

laid down and recommend to the Board their appointment and removal and also recommend to the Board remuneration payable to Senior Management.

(ii) Composition

The Committee comprises of 3 Non-Executive Independent Directors and an Executive Director. The Chairman is a Non-Executive Independent Director. The Committee comprises of:

| | |
|------------------------|----------|
| Mr. Ranjit I Jesudasen | Chairman |
| Mr. V Sridhar | Member |
| Mr. Jacob Kurian | Member |
| Mr. K M Mammen | Member |

Mr. S Dhanvanth Kumar, Company Secretary, is the Secretary of the Committee.

(iii) Meetings and Attendance

During the financial year ended 31st March, 2022, the Committee met on the following dates: 07.06.2021, 09.08.2021 and 10.02.2022. All the members of the Committee were present for the meeting.

5. Criteria for determining the qualifications, positive attributes and Independence of a Director

Candidates for the position of a Director shall be a person of integrity and possess requisite education, experience and capability to make a significant contribution to the deliberations of the Board of Directors. Apart from the above, the Board candidate should be of the highest moral and ethical character. The candidate must exhibit independence, objectivity and be capable of serving as a representative of the stakeholder. The candidate should have the personal qualities to be able to make an active contribution to Board deliberations. These qualities include intelligence, inter-personal skills, independence, communication skills and commitment. The Board candidate should not have any subsisting relationships with any organization which is a competitor to the Company. The Board candidate should be able to develop a good working relationship with other Board members. This apart, the Directors must satisfy the qualification requirements laid down under the Companies Act, 2013, the Listing Regulations and any other applicable law and in

case of Independent Directors, the criteria of independence as laid down in those laws.

6. Performance evaluation of Independent Directors

The criteria for evaluation of the Independent Directors is attendance, participation in deliberations, understanding the Company's business and that of the industry and guiding the Company in decisions affecting the business and additionally based on the roles and responsibilities as specified in Schedule IV of the Companies Act, 2013 and fulfillment of independence criteria and independence from management.

The Board carried out evaluation of the performance of the Independent Directors on the basis of the criteria laid down. The evaluation was done by the Board of Directors except the Director who was evaluated.

7. Remuneration of Directors

a. Remuneration Policy:

A policy on remuneration of Directors, Key Managerial Personnel ("KMP") and Senior Management and other staff was put in place by Nomination and Remuneration Committee on 23.07.2014 and approved by the Board of Directors at its meeting held on 30.10.2014.

The Policy provides as follows:

(i) Non-Executive Directors:

The Non-Executive Directors (including Independent Directors) may be paid remuneration by way of sitting fees for attending meetings of Board or Committee thereof.

The Directors may also be reimbursed any expenses in connection with attending the meetings of the Board or Committee or in connection with the business of the Company.

The quantum of fees shall be determined, from time to time, by the Board subject to ceiling / limits as provided under Companies Act, 2013 and rules made thereunder.

(ii) Chairman & Managing Director, Managing Director(s) / Whole-time Director(s):

The level and composition of remuneration will be reasonable and sufficient to attract, retain and motivate directors of quality to run the Company successfully. The remuneration package should adequately compensate them for the high level of responsibilities shouldered by them and sensitivity of the position held. The level of remuneration shall take into consideration the professional expertise, past credentials and potential of the person concerned. The compensation package may comprise of a fixed compensation package in the nature of monthly and annual pay-out, provision of perquisites, contribution to retirement benefits, health and insurance and any other benefits (including provision of loans on such terms as to interest, repayment and security as determined by the Board) and commission on profits, in such proportion and quantum as decided from time to time based on the Company's business needs and requirements and prevailing practices in industry.

Besides the above, the remuneration to be paid to Chairman & Managing Director, Managing Director(s) and Whole-time Director(s) shall be governed by the provisions of the Companies Act, 2013 and rules made thereunder or any other enactment for the time being in force.

- (iii) KMP's (other than MD's and WD's), Senior Management Personnel and other Staff:

The level and composition of remuneration will be reasonable and sufficient to attract, retain and motivate persons of the quality required to handle appropriate management roles in the Company successfully. The level of remuneration may be based on the qualification, experience and expertise and potential of the person concerned and also the responsibilities to be shouldered, criticality of the job to the Company's business and any other criteria as considered appropriate. The compensation package may comprise of a fixed compensation package in the nature of monthly and annual payout, provision of perquisites, contribution to retirement benefits, health and insurance and any other benefits (including provision of loans on such terms as to interest, repayment and security as determined by the

Board) and variable pay (having a clear relationship to performance which will meet appropriate benchmarks relevant to the working of the Company and its goals), in such proportion and quantum as decided from time to time based on the Company's business needs and requirements and prevailing practices in industry.

- (iv) Directors and Officers Insurance:

Where any insurance is taken by the Company on behalf of its Directors, KMP's / Senior Management Personnel, Staff etc., for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

b. Details of Remuneration to all the Directors for the financial year ended 31.03.2022

- (i) The remuneration of the Managing / Whole-time Directors comprises of a fixed component (viz., salary, allowances, perquisites and retirement benefits) and variable components (viz., commission on profit). Commission is paid as a percentage of profit before tax computed as per Section 198 of the Companies Act, 2013 and accordingly the performance metric for payment of commission is profit before tax.

The details of remuneration paid for the financial year ended 31.03.2022 are as follows:

(a) Name (b) Designation (c) Salary and perquisites (₹) (d) Commission (₹) (e) Total (₹)

(a) Mr. K M Mammen (b) Chairman & Managing Director (c) 172905110 (d) 87500000 (e) 260405110
(a) Mr Arun Mammen (b) Vice Chairman and Managing Director (c) 129957449 (d) 87500000 (e) 217457449
(a) Mr Rahul Mammen Mappillai (b) Managing Director (c) 113213659 (d) 87500000 (e) 200713659 (a) Mr Samir Thariyan Mappillai (b) Whole-time Director (c) 35264064 (d) 21600000 (e) 56864064 (a) Mr Varun Mammen (b) Whole-time Director (c) 35435599 (d) 21600000 (e) 57035599.

Note: Salary and perquisites include all elements of remuneration i.e., salary, allowances and benefits but

excluding gratuity and leave benefits. In respect of Mr. K M Mammen, Mr Arun Mammen and Mr Rahul Mammen Mappillai the commission for the year 2021 - 22 is lower than the previous year and also the maximum eligibility as per the shareholders' resolution because of decrease in profits. The Company has not issued any stock options to any of the directors. The Managing Directors/ Whole-time Directors are appointed by shareholders for a period of five years at a time. Notice period and severance fees are not applicable.

- (ii) The Non-Executive Directors are paid sitting fees for each meeting of the Board or Committee attended by them and also reimbursed expenses in connection with attending the meetings. The sitting fees paid for the financial year ended 31.03.2022 to Non-Executive Directors are as follows:

(a) Name (b) Sitting fees (₹)

INDEPENDENT AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

TO THE MEMBERS OF MRF LIMITED

1. We, M M NISSIM & CO LLP & MAHESH, VIRENDER & SRIRAM, Chartered Accountants, the Statutory Auditors of MRF LIMITED ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended 31 March, 2022, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and Paras C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

MANAGEMENT'S RESPONSIBILITY

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

AUDITORS' RESPONSIBILITY

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

OPINION

7. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and Paras C and D of Schedule V of the Listing Regulations during the year ended 31st March, 2022.
8. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Notes:

- a. P1 - Ethics etc., P2 - Product Responsibility, P3 - Employee Wellbeing, P4 - Stakeholder Engagement, P5 - Human Rights, P6 - Environment, P7 - Public Policy, P8 - CSR, P9 - Customer Relations.
- b. The policies have been formulated taking into consideration statutory requirements (which are modelled based on national and international conventions/standards) and applicable standards of ISO 9001, ISO 14001, OHSAS 18001.

(b) If answer to the question at serial number (a) against any principle, is ‘No’, please explain why: Not applicable.

3. Governance related to BR

- Indicate the frequency with which the Board of Directors, Committee of the Board or CEO meet to assess the BR performance of the Company
Within 3 months, 3-6 months, Annually, More than 1 year:

The Board of Directors of the Company, annually reviews the various initiatives forming part of the BR performance of the Company. The CSR Committee reviews the implementation of the projects/ programmes/activities once in about 3 months.

The Chairman & Managing Director and the Vice Chairman & Managing Director deliberate on issues relating to the BR when the respective functional review is done (1-6 months).

- Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

The Company publishes the information on BR which forms part of the Annual Report of the Company. The Annual Report is uploaded on the website of the Company – www.mrf tyres.com/financial-results.

Section E: (Principle-wise Performance)

Principle 1

1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs /Others?

Yes. The Company has laid down a Code of Conduct for its operations. This covers issues, inter alia, related to ethics etc. It extends to all dealings between the Company and its stakeholders.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

During the financial year 2021-2022, 16 complaints were received from the shareholders, which have been attended to. The complaints are in the nature of non-receipt of dividends, share transmissions, demat requests etc. The Stakeholders' Relationship Committee at its meeting reviews the complaints and the status of their resolution.

Principle 2

1. List upto 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

- a) Your Company has adopted sustainability as our main goal and protecting the environment is key to meet the goal. To meet the emission norms under R117 and AIS 142, we have

developed several low RR tyres which were approved by Indian and global passenger car original equipment manufacturers (OEMs). We have also improved the share of sustainable raw materials in such tyres.

- b) To improve sustainability of tyre manufacturing, your company is working on a multipronged strategy, which include tyres with improved share of sustainable raw materials, CO₂ reduction in manufacturing by improving the energy efficiency of the processes and promoting renewable electricity in tyre manufacturing, sustainable transportation strategies for staff and materials, low rolling resistance tyres and recycling end of life tyres.
 - c) Towards import substitution, we are working on developing raw materials such as Sulphur, resource formaldehyde resin, emulsion SBR, butyl rubber, microcrystalline wax, super tackifier resin, etc., jointly with domestic partners.
2. Does the Company have procedures in place for sustainable sourcing (including transportation)? (a) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

30% of our raw material is naturally sourced. Further about 2% of our raw materials are recycled materials.

94% of our manufactured raw materials are sourced from suppliers who have ISO 14001. Our vendors are committed to MRF supplier code of conduct and Green Procurement policy guidelines. We along with our supply chain, focus our activities to improve performance of our products and services including transportation which are environment friendly.

3. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? (a) If yes, what steps have been taken to improve their capacity and capability of local and small vendors? –

Your Company has developed some local vendors for execution of activities like servicing and maintenance of machines, mould repair, engineering correction jobs, etc.

4. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

Work-in-progress (WIP) compounds not meeting dimensional requirements are reworked with parent compound. Dust collector black and chemicals are used in non critical products. Treated sewage water through UF with RO Plant reused as boiler feed water for steam generation. As regards rejected finished goods, Company sells scrap to authorised recyclers who convert them to usable materials. (Butyl compound scrap, Compound scrap, Scrap Fabric, Trimmings, Bladder Scrap, PCTR cut pieces, Empty barrels, waste oil, film waste etc).

Reclaim rubber made from scrap butyl compounds sold to scrap dealers are purchased and used in certain compounds in fixed percentages.

Principle 3

1. Please indicate the total number of employees: 18734 permanent employees.
2. Please indicate the total number of employees hired on temporary/contractual/casual basis: 12678
3. Please indicate the number of permanent women employees: 44
4. Please indicate the number of permanent employees with disabilities: 73 (Increased from 48)
5. Do you have an employee association that is recognized by management: Yes
6. What percentage of your permanent employees is members of this recognized employee association? 100% of workmen are members of Unions. 81.66% of the unionised employees are members of recognized unions.
7. Please indicate the number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

| No. | Category | No. of complaints filed during the financial year | No. of complaints pending as on end of the financial year |
|-----|---|---|---|
| 1 | Child labour / forced labour / involuntary labour | Nil | Nil |
| 2 | Sexual harassment | Nil | Nil |
| 3 | Discriminatory employment | Nil | Nil |

8. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year? (a) Permanent Employees – 49.26%; (b) Permanent Women Employees – 11.36%; (c) Casual/Temporary/Contractual Employees – 42.87%; (d) Employees with Disabilities – 21.92%.

Principle 4

1. Has the Company mapped its internal and external stakeholders? Yes
2. Out of the above, has the Company identified the disadvantaged, vulnerable and marginalized stakeholders - Underprivileged rural youth.
3. Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so.

The MRF Institute of Drivers Development (MIDD), a pioneering institute providing driver training to Light and Heavy commercial vehicles has a track record of 3 decades. Right from its inception, the institute epitomized a mission far nobler than merely training drivers. The objective was of moulding rural youngsters who were deprived of opportunities, into competent and cultured professionals, contributing immensely to the road transport industry and the society at large. The institute has turned out 111 drivers during the year 2021-22, including 15 drivers who have done a refresher course. Immediately after training, placement assistance is provided for all needy drivers, with reputed transporters and fleet operators.

Principle 5

1. Does the policy of the Company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

While the Company's human resource policies are intended to ensure adherence with applicable labour laws governing work place practices, contractual obligations are also stipulated in engagements with suppliers and contractors on compliance with applicable regulations.

2. How many stakeholder complaints have been received in the past financial year and what per cent was satisfactorily resolved by the management? Nil

Principle 6

1. Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

Your Company's EHS Policy covers all manufacturing plants of the company and scope extends to employees and contractors. The policy addresses compliance to legal, statutory, regulatory and customer specific requirements related to environment, health and safety.

2. Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

Green house gas emission reduction is proposed through identification of proposals to increase use of renewable energy, clean fuels and environment friendly materials are an ongoing activity.

3. Does the Company identify and assess potential environmental risks?

Yes. As part of Environmental Management System (EMS), the environmental risks are identified, assessed through Environmental Aspect and Impact Assessment Form. Based on this, Environmental Management Programs (EMP) are initiated. All our Plants are certified for EMS ISO 14001: 2015 by TuV Nord.

4. Does the Company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so.

Also, if yes, whether any environmental compliance report is filed? Projects on clean technology, energy efficiency, renewable energy are part of continuous ongoing activities in plants.

5. Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

Yes. Evaluating proposals for usage of Solar Energy, Clean fuel usage for Boilers and steps being taken for replacing steam curing media with alternate media are under consideration.

Details of the initiatives taken are detailed in Annexure I to the Board's Report. The Annual Report is uploaded on the website of the Company – www.mrf tyres.com/financial results.

6. Are the emissions/waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

The Emissions/Waste generated by the company are within the permissible limits given by CPCB/SPCB. The reports are submitted periodically to the respective State PCBs. The same is being reviewed and verified during internal audits & external audits.

7. Number of show cause/legal notices received from CPCB/SPCB which are pending (i.e. Not resolved to satisfaction) as on end of financial year.

Nil.

Principle 7

1. Is your Company a member of any trade and chamber or association? If Yes, name only those major ones that your business deals with:

- (a) Automotive Tyre Manufacturers Association
- (b) Confederation of Indian Industry
- (c) Federation of Indian Chambers of Commerce and Industry
- (e) The Madras Chamber of Commerce and Industry

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good?

We initiate our own welfare programme. With the above associations, we have ventured into skill development of rubber

growers. We, on our own, run drivers' training institute, not only to meet the shortage of drivers but also to inculcate good ethical practices amongst these drivers. This programme provides an opportunity for underprivileged youth to become competent and cultured professionals in the road transport industry.

Principle 8

1. Does the Company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes, details thereof.

The Company has constituted a Corporate Social Responsibility Committee. Based on the CSR Committee's recommendation, the Board has approved a CSR policy. Details of the policy and the programmes undertaken are given in the CSR Report. (Annexure II to the Board's Report).

2. Are the programmes/projects undertaken through in-house team/ own foundation/external NGO/government structures/any other organization?

In-house team / Own Foundation/external NGO / government structures.

3. Have you done any impact assessment of your initiative?

The CSR Committee reviews the implementation of the projects undertaken. Reports are sought from the implementing agencies to understand the impact of the initiatives. Likewise in case of in-house projects, the same is reviewed and monitored. As required under the amended CSR rules, impact assessment for qualifying projects will be done next year.

4. What is your Company's direct contribution to community development projects - Amount in INR and the details of the projects undertaken.

Details are given in the CSR Report. (Annexure II to the Board's Report)

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

The Company's CSR projects have been primarily focused on disaster management including relief, promotion of education,

environmental sustainability, livelihood enhancement, vocational skill development, promoting health care, safe drinking water, training for sports, sanitation and hygiene and rural development projects. The project proponents interact with the implementing agency concerned to promote the adoption by the community concerned, wherever necessary.

Principle 9

1. What percentage of customer complaints/consumer cases are pending as on the end of financial year?

0.79% of customer complaints are pending as at the end of the financial year.

2. Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/ No/N.A./Remarks (additional information) –

No/NA as only passenger, some select motorcycle tyres and tubes carry labels.

3. Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.-

The Competition Commission of India has on 2nd February, 2022 released its order dated 31st August, 2018, imposing penalty of Rs 622.09 Crores on the Company for breach of provisions of the Competition Act, 2002 during the year 2011-2012. The Company has filed an appeal before the National Company Law Appellate Tribunal [NCLAT]. The Company believes that the order of the Commission is not based on a proper appreciation of facts and law.

4. Did your Company carry out any consumer survey/ consumer satisfaction trends?

Yes

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MRF LIMITED

1. Opinion

We have audited the Separate financial statements (also known as Standalone Financial Statements) of **MRF Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (IND AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March 2022, and its profit (financial performance including Other Comprehensive Income), the Changes in Equity and its Cash Flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the

Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

3. Emphasis of Matter

We draw attention to Note 27(p) to the Standalone Financial Statement which describe the following matter :

In terms of the Order dated 31st August 2018 the Competition Commission of India (CCI) has on 2nd February 2022 released its Order imposing penalty on the Company concerning the breach of provisions of the Competition Act, 2002 during the year 2011-2012 and imposed a penalty of ₹ 622.09 Crores on the Company. The Company has filed an appeal against the CCI Order before the National Company Law Appellate Tribunal (NCLAT). Based on the Company's assessment on the outcome of the appeal, the Company is of the view that no provision is necessary in respect of this matter in the Standalone Financial Statements.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter | Our Response |
|---------|--|--|
| 1 | <p>Defined Benefit Obligation</p> <p>The valuation of the retirement benefit schemes in the Company is determined with reference to various actuarial assumptions including discount rate, future salary increases, rate of inflation, mortality rates and attrition rates.</p> | <p>We have examined the key controls over the process involving member data, formulation of assumptions and the financial reporting process in arriving at the provision for retirement benefits. We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these key controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purposes of our audit.</p> |

| Sr. No. | Key Audit Matter | Our Response |
|---------|---|---|
| | <p>Due to the size of these schemes, small changes in these assumptions can have a material impact on the estimated defined benefit obligation.</p> | <p>We tested the employee data used in calculating the obligation and where material, we also considered the treatment of curtailments, settlements, past service costs, remeasurements, benefits paid, and any other amendments made to obligations during the year. From the evidence obtained, we found the data and assumptions used by management in the actuarial valuations for retirement benefit obligations to be appropriate.</p> |
| 2. | <p>Warranty Provision</p> <p>The Company makes an estimated provision for assurance type warranties at the point of sale. This estimate is based on historical claims data.</p> | <p>We understood and tested the controls over the assumptions applied in arriving at the warranty provision, particularly vouching of relevant data elements with provision calculations; validation of formula used in the warranty spread sheet; management review control of the relevant internal and external factors impacting the provision.</p> |
| 3. | <p>Litigation, Claims and Contingent Liabilities</p> <p>(Refer Note 27(p), to be read along with Emphasis of matter in Independent Auditor's Report)</p> <p>The Company is exposed to variety of different laws, regulations and interpretations thereof. Consequently, in the normal course of business, Provisions and Contingent Liabilities may arise from legal proceedings, constructive obligations and commercial claims.</p> <ul style="list-style-type: none"> • Management applies significant judgement when considering whether and how much to provide for the potential exposure of each matter. • These estimates could change substantially over time as new facts emerge as each legal case or matters progresses. • Given the different views possible, basis the interpretations, complexity and the magnitude of potential exposures and the judgement necessary to estimate the amount of provision required or determine required disclosures. | <ul style="list-style-type: none"> • We understood the processes, evaluated the design and implementation of controls and tested the operating effectiveness of the Company's controls over the recording and re-assessment of uncertain legal positions, claims and contingent liabilities. • We held discussions with senior management including the person responsible for legal and compliance to obtain an understanding of the factors considered by management in classification of the matter as 'probable', 'possible' and 'remote'. • Examined the Company's legal expenses on sample basis and read the minutes of the board meetings in order to ensure completeness. • With respect to tax matters, involving our tax specialists, and discussing with the Company's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws. • Assessing the decisions and rationale for provisions held or for decisions not to record provisions or make disclosures. • For those matters where management concluded that no provisions should be recorded, considering the adequacy and completeness of the Company's disclosures. |

5. Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Report on Corporate Governance, Business Responsibility Report, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, Changes in Equity and Cash Flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view

and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibility for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of

the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or

regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, based on our audit, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the IND AS prescribed under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) As required by section 197(16) of the Act, based on our audit, we report that the Company has paid and provided for

remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Refer Note 27 (p) to the Standalone Financial Statements;
 - ii. The Company has long-term contracts including derivative contracts for which there were no material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) As represented to us by the management and to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (Intermediaries), with the understanding whether recorded in writing or otherwise that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (b) As represented to us by the management and to the best of its knowledge and belief, no funds

have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on such audit procedures, we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that causes us to believe that the above representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has complied with the provisions with respect to Section 123 of the Companies Act, 2013 in respect of final dividend proposed in the previous year, interim dividends declared and paid by the company during the year and the proposed final dividend for the year which is subject to the approval of members at the ensuing Annual General Meeting.

**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF
EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF
MRF LIMITED**

- (i) (a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and right-of-use assets;
- B. The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Assets have been physically verified by the management in accordance with a phased programme of verification, which in our opinion is reasonable, considering the size and the nature of its business. The frequency of verification is reasonable and no material discrepancies have been noticed on such physical verification. All discrepancies have been properly dealt with in the books of accounts;
- (c) Based on our examination of the registered sale deed / transfer deed / conveyance deed / property tax paid documents (which evidences title) provided to us, we report that, the title in respect of self – constructed buildings and title deeds of all other immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued any of its property, Plant and Equipment (including of right-of-use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March 2022 for holding any benami property under the Benami Transaction (Prohibition) Act, 1988, as amended and rules made thereunder.
- (ii) (a) The inventory, except for goods in transit and stocks held with third parties, has been physically verified by the management during the year at reasonable intervals. In our opinion, the coverage and procedure of such verification by the management is appropriate having regard to the size of the Company and the nature of its operation. For stocks held with third parties at the year end, written confirmations have been obtained and in respect of goods in transit, the goods have been received subsequent to the year-end or confirmation have been obtained. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such physical verification of inventory when compared with books of account.
- (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, at any point of time during the year, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns and other stipulated financial information filed by the Company with such banks are in agreement with the unaudited books of account of the Company for the first three quarters and with the audited books of account in respect of fourth quarter ending 31st March 2022 and there are no material discrepancies.
- (iii) The Company has made investments in companies and other entities. The Company has not provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year.
- (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year and hence reporting under clauses (iii)(a), (c), (d), (e) and (f) of the order are not applicable.
- (b) In our opinion, the investments made in companies are, prima facie, not prejudicial to the company's interest.
- (iv) In our opinion, in respect of investments made, the Company has complied with the provisions of Section 186 of the Act.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 as amended. Accordingly, the provisions of clause 3(v) of Para 3 of the Order are not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148 (1) of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.
- (vii) (a) The Company is regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund,

Employees' State Insurance, Income Tax, Sales-Tax, Service Tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with appropriate authorities, where applicable. There are no undisputed amounts payable in respect of such statutory dues which have remained outstanding as at 31st March, 2022 for a period of more than six months from the date they became payable.

- (b) According to the records of the Company, the statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March 2022 on account of any dispute, are as follows:

| Statute and nature of dues | Financial year to which the matter pertains | Forum where dispute is pending | ₹ Crores |
|---|---|--|----------|
| CENTRAL SALES TAX ACT, 1956 and VAT LAWS | | | |
| Sales tax / VAT and Penalty | 1999-2000, 2000-01, 2002-03, 2003-04, 2006-07, 2009-10 to 2018-19 | Appellate Commissioner | 132.95 |
| | 1996-97 to 2010-11, 2014-15, 2016-17 | Appellate Tribunal/Board | 19.49 |
| | 1996-97, 2006-07 to 2017-18 | High Court | 43.59 |
| CUSTOMS ACT, 1962 | | | |
| Customs Duty and Penalty | 1992-93 to 1994-95 | High Court | 74.89 |
| CENTRAL EXCISE ACT, 1944 and FINANCE ACT, 1994 | | | |
| Excise duty, Service tax and Penalty | 2012-13 to 2016-17 | Director General Goods and Service Tax | 221.31 |
| | 1997-98, 1998-99, 2006-07 to 2010-11, 2014-15 to 2017-18 | Appellate Commissioner | 5.24 |
| | 2008-09 to 2017-18 | Appellate Tribunal | 38.46 |
| | 2001-02 | Supreme Court | 0.06 |
| INCOME TAX, 1961 | | | |
| Income Tax | 2013-14 to 2015-16 | Appellate Commissioner | 38.24 |
| | 2014-15 | Appellate Tribunal | 20.58 |
| | 2002-03, 2005-06, 2008-09 to 2013-14 | High Court | 3.53 |
| GOODS & SERVICES TAX | | | |
| GST | 2017-18, 2019-20 and 2020-21 | Appellate Commissioner | 1.57 |

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- (x) (a) The Company has not raised any moneys by way of Initial public offer or further Public offer (including debt instruments), during the year and hence reporting under Clause (x) (a) of Para 3 of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of share or fully convertible debentures (fully, partially or optionally convertible) during the year and accordingly provisions of clause (x)(b) of Para 3 of the Order are not applicable to the Company.
- (xi) (a) On the basis of our examination and according to the information and explanations given to us, no fraud by the Company or any material fraud on the Company has been noticed or reported during the year, nor have we been informed of any such case by the management.

- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and accordingly provisions of clause (xii) of Para 3 of the Order are not applicable to the Company.
- (xiii) On the basis of our examination and according to the information and explanations given to us, we report that all the transaction with the related parties are in compliance with Section 177 and 188 of the Act, and the details have been disclosed in the Standalone Financial Statements in Note 27(d) as required by the applicable Indian Accounting Standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) According to the information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with directors or persons connected with the directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and accordingly, provisions of clause (xvi)(a) of Para 3 of the Order are not applicable to the Company.
- (b) During the year, the Company has not conducted any Non-Banking Financial or Housing Finance activities and accordingly, provisions of clause (xvi)(b) of Para 3 of the Order are not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the Regulations made by the Reserve Bank of India and accordingly the provisions of clause (xvi)(c) of Para 3 of the Order is not applicable to the Company.
- (d) The group does not have any CIC as a part of the group and accordingly reporting under clause (xvi)(d) of Para 3 of the Order is not applicable to the Company.

- (xvii) The Company has not incurred cash losses during the Financial Year covered by our audit and in the immediately preceding Financial Year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on 'other than ongoing' projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with the provision of sub-section (5) of section 135 of the said Act. Accordingly, reporting under clause (xx) (a) of Para 3 of the Order is not applicable for the year.
- (b) In respect of 'ongoing' projects, the Company has transferred unspent CSR amount, to a special account within a period of 30 days from the end of the said financial year in compliance with the provisions of sub section (6) of section 135 of the said Act.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MRF LIMITED.

REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“the Act”)

1. OPINION

We have audited the internal financial controls with reference to Financial Statements of **MRF LIMITED** (“the Company”) as of **March 31, 2022** in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such controls were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India (ICAI).

2. MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records

and the timely preparation of reliable financial information, as required under the Act.

3. AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Financial Statements.

4. MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A Company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

5. INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

* Gain of ₹ 10.53 Crores and Loss of ₹ 15.64 Crores on re-measurement of defined benefit plans (net of tax) is recognised as part of Reserves and Surplus for the year ended 31st March 2022 and 31st March 2021, respectively.

| | |
|---|--|
| Securities Premium | Amounts received in excess of par value on issue of shares is classified as Securities Premium. |
| General Reserve | General Reserve represents accumulated profits and is created by transfer of profits from Retained Earnings and it is not an item of Other Comprehensive Income and the same shall not be subsequently reclassified to Statement of Profit and Loss. |
| Retained Earnings | Retained earnings are the Profits that the company has earned till date, less any transfer to General Reserve and Dividend. |
| Cash Flow Hedges | Gains / Losses on Effective portion of cashflow hedges are initially recognized in Other Comprehensive Income as per IND AS 109. These gains or losses are reclassified to the Statement of Profit or Loss when the forecasted transaction affects earnings, except for hedge transactions resulting in recognition of non financial assets which are included in the carrying amount of the asset ("Basis Adjustments") |
| Debt Instruments | The fair value change of the debt instruments measured at fair value through Other Comprehensive Income is recognised in Debt instruments through Other Comprehensive Income. Upon derecognition, the cumulative fair value changes on the said instruments are reclassified to the Statement of Profit and Loss. |
| Remeasurements of Defined Benefit Plans | Gains/Losses arising on Remeasurements of Defined Plan at the end of each reporting period is separately disclosed under Reserves and Surplus and shall not be reclassified to the Statement of Profit or Loss in the Subsequent years. |

Note 1 - Significant Accounting Policies under IND AS

A) **General Information**

MRF Limited (the "Company") is a limited company, incorporated on 5th November, 1960 in India, whose shares are publicly traded.

The Company is India's largest tyre manufacturer and ranked amongst the top 20 Global Manufacturers, with 10 state-of-the-art factories across India with an expansive tyre range from two-wheelers to fighter aircrafts.

The Registered Office is located at No.114, Greams Road, Chennai-600 006.

The Company is the ultimate parent of MRF Group.

B) **Basis of preparation of Financial Statements**

The principal accounting policies applied in the preparation of these Financial Statements are set out in Para C below. These policies have been consistently applied to all the years presented.

i. **Statement of Compliance**

These Separate Financial Statements (also known as Standalone Financial Statements) have been prepared in accordance with IND AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto.

ii. **Basis of preparation and presentation**

The Financial Statements have been prepared on historical cost basis considering the applicable provisions of Companies Act, 2013, except for the following material item that has been measured at fair value as required by relevant IND AS. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

- a) Certain financial assets/liabilities measured at fair value (Refer Note 1 (C 20)) and
- b) Any other item as specifically stated in the accounting policy. (Refer Note 27 (g))

The Financial Statement are presented in INR and **all values are rounded off to Rupees Crores** unless otherwise stated.

The Company reclassifies comparative amounts, unless impracticable and whenever the Company changes the presentation or classification of items in its Financial Statements materially. No such material reclassification has been made during the year.

The Financial Statements of the Company for the year ended 31st March, 2022 were authorised for issue in accordance with a resolution of the directors on 10th May, 2022.

iii. **Major Sources of Estimation Uncertainty**

In the application of accounting policy which are described in note (C) below, the management is required to make judgment, estimates and assumptions about the carrying amount of assets and liabilities, income and expenses, contingent liabilities and the accompanying disclosures that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant and are prudent and reasonable. Actual results may differ from those estimates. The estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future period.

The few critical estimations and judgments made in applying accounting policies are:

Property, Plant and Equipment:

Useful life of Property, Plant and Equipment and Intangible Assets are as specified in Schedule II to the Companies Act, 2013 and on certain assets based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support. The Company reviews the useful life of Property, Plant and Equipment at the end of each reporting period. This reassessment may result in change in depreciation charge in future periods. (Refer Note 1 (C 1))

Impairment of Non-financial Assets:

For calculating the recoverable amount of non-financial assets, the Company is required to estimate the value-in-use of the asset or the Cash Generating Unit and the fair value less costs to disposal. For calculating value in use the Company is required to estimate the cash flows to be generated from using the asset. The fair value of an asset is estimated using a valuation technique where observable prices are not available. Further, the discount rate used in value in use calculations includes an estimate of risk assessment specific to the asset. (Refer Note 1 (C 4))

Impairment of Financial Assets:

The Company impairs financial assets other than those measured at fair value through profit or loss or designated at fair value through other comprehensive income on expected credit losses. The estimation of expected credit loss includes the estimation of probability of default (PD), loss given default (LGD) and the exposure at default (EAD). Estimation of probability of default apart from involving trend analysis of past delinquency rates includes an estimation on forward-looking information relating to not only the counterparty but also relating to the industry and the economy as a whole. The probability of default is estimated for the entire life of the contract by estimating the cash flows that are likely to be received in default scenario. The lifetime PD is reduced to 12 months PD based on an assessment of past history of default cases in 12 months. Further, the loss given default is calculated based on an estimate of the value of the security recoverable as on the reporting date. The exposure at default is the amount outstanding at the balance sheet date. (Refer Note 1 [C 21(a)])

Defined Benefit Plans:

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include

the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. (Refer Note 27 (g))

Fair Value Measurement of Financial Instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. (Refer Note 1 (C 20))

Income Taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. (Refer Note 1 (C 17))

In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Leases

IND AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts. (Refer Note 1 (C 6))

Allowance for credit losses on receivables:

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future.

C) Summary of Significant Accounting Policies:

1) Property, Plant and Equipment (PPE)

The Company has elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognised as of the transition date, measured as per the Previous GAAP and use that carrying value as its deemed cost of the PPE.

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment

losses except for freehold land which is not depreciated. Cost includes purchase price after deducting trade discount / rebate, import duties, non-refundable taxes, cost of replacing the component parts, borrowing costs (Refer Note C (15)) and other costs that are directly attributable and necessary to bring the asset to its working condition in the manner intended by the management, and the initial estimates of the cost of dismantling /removing the item and restoring the site on which it is located.

Spare parts procured along with the Plant and Equipment or subsequently which has a useful life of more than 1 year and considering the concept of materiality evaluated by management are capitalised and added to the carrying amount of such items. The carrying amount of items of PPE and spare parts that are replaced is derecognised when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as 'stores and spares' forming part of the inventory. If the cost of the replaced part is not available, the estimated cost of similar new parts is used as an indication of what the cost of the existing part was when the item was acquired.

An item of PPE is derecognised on disposal or when no future economic benefits are expected from use or disposal. Any gain or loss arising on derecognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss when asset is derecognised.

The depreciable amount of an asset is determined after deducting its residual value. Where the residual value of an asset increases to an amount equal to or greater than the asset's carrying amount, no depreciation charge is recognised till the asset's residual value decreases below the asset's carrying amount. Depreciation of an asset begins when it is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the intended manner. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale and the date when the asset is derecognised.

| Description of the Asset | Estimated Useful life (On Single shift working) |
|--|---|
| Tangible (Owned Assets) : | |
| Building – Factory | 30 Years |
| – Other than factory buildings | 60 Years |
| Plant and Equipment | 5-21 Years |
| Moulds | 6 Years |
| Furniture and Fixtures | 5 Years |
| Computer Servers | 5 Years |
| Computers | 3 Years |
| Office Equipment | 5 Years |
| Other Assets, viz., Electrical Fittings, Fire Fighting/Other Equipments and Canteen Utensils | 10 Years |
| Renewable Energy Saving Device – Windmills | 22 Years |
| Vehicles | 5 Years |
| Aircraft | 10 and 20 Years |
| Right of Use Assets (Leased Assets) : | |
| - Buildings-Other than factory buildings | 1-21 Years |
| - Vehicles | 2 Years |
| - Land – Leasehold | Primary period of lease |
| Intangible (Owned Assets): | |
| Software | 5 Years |

Depreciation on the property, plant and equipment, is provided over the useful life of assets based on management estimates which is in line with the useful life indicated in Schedule II to the Companies Act, 2013. Depreciation on all assets except Renewable Energy Saving Devices is provided on straight line basis whereas depreciation on renewable energy saving devices is provided on reducing balance basis. Plant and Machinery, Moulds, Vehicles, Furniture and Fixtures and Computer Servers are depreciated based on management estimate of the useful life of the assets, and is after considering the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset,

anticipated technological changes, manufacturers warranties and maintenance support.

Depreciation on property, plant and equipment added/discharged off during the year is provided on pro rata basis with reference to the date of addition/disposal.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Further, the Company has identified and determined separate useful life for each major component of Property, Plant and Equipment, if they are materially different from that of the remaining assets, for providing depreciation.

2) **Intangible Assets:**

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets.

An item of Intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible Assets are amortised over 5 years on straight-line method over the estimated useful economic life of the assets.

The Company undertakes Research and Development activities for development of new and improved products. All expenditure incurred during Research and Development are analysed into research phase and development phase. The Company recognises all expenditure incurred during the research phase in the profit or loss whereas the expenditure incurred in development phase are presented as Intangible Assets under Development till the time they are available for use in the manner intended at which moment they are treated

as Intangible Assets and amortised over their estimated useful life.

3) **Assets held for Sale:**

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the non-current asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as held for sale. Non-current assets held for sale are measured at the lower of carrying amount and fair value less cost to sell. Non-current assets that cease to be classified as held for sale shall be measured at the lower of carrying amount before the non-current asset was classified as held for sale adjusted for any depreciation/amortization and its recoverable amount at the date when it no longer meets the "Held for Sale" criteria.

4) **Impairment of tangible (PPE) and intangible assets:**

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit (CGU) to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such

transactions can be identified, an appropriate valuation model is used.

Where an impairment loss subsequently reverses, the carrying amount of the asset or CGU is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or CGU in prior years. A reversal of an impairment loss is recognised in the Statement of Profit and Loss.

5) **Inventories:**

Inventories consisting of stores and spares, raw materials, Work in progress, Stock in Trade and finished goods are valued at lower of cost and net realisable value. However, materials held for use in production of inventories are not written down below cost, if the finished products are expected to be sold at or above cost.

The cost is computed on FIFO basis except for stores and spares which are on daily moving Weighted Average Cost basis and is net of inputs tax credits under various tax laws.

Goods and materials in transit include materials, duties and taxes (other than those subsequently recoverable from tax authorities) labour cost and other related overheads incurred in bringing the inventories to their present location and condition.

Traded goods include cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated cost necessary to make the sale.

Inventory obsolescence is based on assessment of the future uses. Obsolete and slow-moving items are subjected to continuous technical monitoring and are valued at lower of cost and estimated net realisable value. When Inventories are sold, the carrying amount of those items are recognised as expenses in the period in which the related revenue is recognised.

6) **Leases:**

The Company has applied IND AS 116 using the modified retrospective approach.

The Company as a lessee

The Company's lease asset classes primarily consist of leases for land, buildings and vehicles. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset, (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are

evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the financial statements and lease payments have been classified as financing cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

7) **Government Grants:**

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognised as income on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset or by deducting the grant in arriving at the carrying amount of the assets. Where the assets have been fully depreciated with no future related cost, the grant is recognised in profit or loss.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities in respect of loans/ assistance received subsequent to the date of transition.

8) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when there is a present legal or constructive obligation as a result of a past event and it is probable (i.e. more likely than not) that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous

contract is considered to exist when a contract under which the unavoidable costs of meeting the obligations exceed the economic benefits expected to be received from it. Unavoidable cost is determined based on cost that are directly attributable to having and executing the contracts.

Contingent liabilities are disclosed on the basis of judgment of management / independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Provisions for warranty-related costs are recognised when the product is sold to the customer. Initial recognition is based on scientific basis as per past trends of such claims. The initial estimate of warranty-related costs is revised annually.

Contingent Assets are not recognised, however, disclosed in Financial Statement when inflow of economic benefits is probable.

9) Foreign Currency Transactions:

The Financial Statements of Company are presented in INR, which is also the functional currency. In preparing the financial statements, transactions in currencies other than the entity's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date. Non-monetary items denominated in foreign currency are reported at the exchange rate ruling on the date of transaction.

10) Share Capital and Securities Premium:

Ordinary shares are classified as equity, incremental costs directly attributable to the issue of new shares are shown in equity as a deduction net of tax from the proceeds. Par value of the equity share is recorded as share capital and the amount received in excess of the par value is classified as securities premium.

11) Dividend Distribution to Equity Shareholders:

The Company recognises a liability to make cash distributions to equity holders when the distribution is authorized and the distribution is no longer at the discretion of the Company.

A distribution is authorized when it is approved by the shareholders. A corresponding amount is recognised directly in other equity.

12) Cash Flows and Cash and Cash Equivalents:

Statement of cash flows is prepared in accordance with the indirect method prescribed in the relevant IND AS. For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheques and drafts on hand, deposits held with Banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and book overdrafts. However, Book overdrafts are to be shown within borrowings in current liabilities in the balance sheet for the purpose of presentation.

13) Revenue Recognition:

The Company derives revenues primarily from sale of goods comprising of Automobile Tyres, Tubes, Flaps and Tread Rubber. The following is a summary of significant accounting policies related to revenue recognition:

Revenue from contract with customers is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer.

Revenue is measured based on the transaction price, which is the consideration, adjusted for turnover/product/prompt payment discounts to customer as specified in the contract with the customers. When the level of discount varies with increase in levels of revenue transactions, the Company recognises the liability based on its estimate of the customer's future purchases. The Company recognises changes in the estimated amounts of obligations for discounts in the period in which the change occurs. Revenue also excludes taxes collected from customers.

Revenue in excess of invoicing is classified as contract assets while invoicing in excess of revenues are classified as contract liabilities.

The Company provides warranties for general repairs and does not provide extended warranties or maintenance services in its contracts with customers and are assurance type warranties. Claims preferred during the year against such obligations are netted off from revenue, consistent with its current practice. Provision for warranties is made for probable future claims on sales effected and are estimated based on previous claim experience and are accounted for under IND AS 37 Provisions, Contingent Liabilities and Contingent Assets, consistent with its current practice.

Use of significant judgements in Revenue Recognition.

- Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of consideration or variable consideration with elements such as turnover/product/prompt payment discounts. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period.
- The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer.

14) Other Income:

Dividend Income:

Dividend Income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

Interest Income:

Interest Income on financial assets measured at amortised cost is recognised on a time-proportion basis using the effective interest method.

15) Borrowing costs:

Borrowing cost includes interest, commitment charges, brokerage, underwriting costs, discounts / premiums, financing charges, exchange difference to the extent they are regarded as interest costs and all ancillary / incidental costs incurred in connection with the arrangement of borrowing.

Borrowing costs which are directly attributable to acquisition/ construction of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalised as a part of cost pertaining to those assets. All other borrowing costs are recognised as expense in the period in which they are incurred.

The capitalisation on borrowing costs commences when the Company incurs expenditure for the asset, incurs borrowing cost and undertakes activities that are necessary to prepare the asset for its intended use or sale. The capitalisation of borrowing costs is suspended during extended periods in which active development of a qualifying asset is suspended. The capitalisation of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

16) Employee Benefits:

a) Short term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering services are classified as short-term employee benefits. Benefits such as salaries, wages, short-term compensated absences and performance

incentives, are recognised during the period in which the employee renders related services and are measured at undiscounted amount expected to be paid when the liabilities are settled.

b) Long Term Employee Benefits:

The cost of providing long term employee benefit such as earned leave is measured as the present value of expected future payments to be made in respect of services provided by employees upto the end of the reporting period. The expected costs of the benefit is accrued over the period of employment using the same methodology as used for defined benefits post employment plans. Actuarial gains and losses arising from the experience adjustments and changes in actuarial assumptions are charged or credited to the Statement of Profit or Loss in which they arise except those included in cost of assets as permitted. The benefit is valued annually by independent actuary.

c) Post Employment Benefits:

The Company provides the following post employment benefits:

- i) Defined benefit plans such as gratuity, trust managed Provident Fund and post-retirement medical benefit (PRMB); and
- ii) Defined contributions plan such as provident fund, pension fund and superannuation fund.

d) Defined benefits Plans:

The cost of providing benefits on account of gratuity and post retirement medical benefits / obligations are determined using the projected unit credit method on the basis of actuarial valuation made at the end of each balance sheet date, which recognises each period of service as given rise to additional unit of employees benefit entitlement and measuring each unit separately to build up the final obligation. The yearly expenses on account of these benefits are provided in the books of accounts.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss except those included in cost of assets as permitted.

Re-measurements comprising of actuarial gains and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on plan asset (excluding net interest as defined above) are recognised in other comprehensive income (OCI) except those included in cost of assets as permitted in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements) is recognised in the Statement of Profit and Loss except those included in cost of assets as permitted in the period in which they occur.

Eligible employees of the Company receive benefits from a provident fund trust which is a defined benefit plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employees salary. The Company contributes a part of the contribution to the provident fund trusts. The trusts invests in specific designated instruments as permitted by Indian Law. The remaining portion is contributed to the Government Administered Pension Fund. The rate at which the annual interest is payable to the beneficiaries by the trusts is administered by the Government. The Company has obligation to make good the shortfall, if any, between the return from investments of the Trusts and the notified interest rate. However, as at the year-end no shortfall remains unprovided for.

e) Defined Contribution Plans:

Payments to defined contribution retirement benefit plans, viz., Provident Fund for certain eligible

employees, Pension Fund and Superannuation benefits are recognised as an expense when employees have rendered the service entitling them to the contribution.

17) Taxes on Income:

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

a) Current Tax:

Current tax is the expected tax payable/ receivable on the taxable income/ loss for the year using applicable tax rates for the relevant period, and any adjustment to taxes in respect of previous years. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to Income tax is included in Other Income.

b) Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in

which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

18) Earnings per Share:

Basic earnings per share is calculated by dividing the profit from continuing operations and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

19) Current versus Non-current classification:

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

- a) An asset is current when it is:
- Expected to be realized or intended to be sold or consumed in the normal operating cycle,
 - Held primarily for the purpose of trading,
 - Expected to be realised within twelve months after the reporting period, or
 - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

- b) A liability is current when:
- It is expected to be settled in the normal operating cycle,

- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

- c) Deferred tax assets and liabilities are classified as non-current.

20) Fair value measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of asset and liability if market participants would take those into consideration. Fair value for measurement and / or disclosure purposes in these Financial Statements is determined on such basis except for Inventories, Leases and value in use of non-financial assets. Normally at initial recognition, the transaction price is the best evidence of fair value.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the Financial Statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.

21) **Financial Instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognises a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

a) **Financial Assets**

A financial asset inter-alia includes any asset that is cash, equity instrument of another entity or contractual rights to receive cash or another financial asset or to exchange financial asset or financial liability under condition that are potentially favourable to the Company.

Investments in subsidiaries

Investments in equity shares of subsidiaries are carried at cost less impairment. Impairment is provided for on the basis explained in Paragraph (4) of Note C above.

Financial assets other than investment in subsidiaries

Financial assets of the Company comprise trade receivable, cash and cash equivalents, Bank balances, Investments in equity shares of companies other than in subsidiaries, Investment in units of Mutual Funds, loans/ advances to employee / related parties / others, security deposit, claims recoverable etc.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss. Where transaction price is not the measure of fair value and fair value is determined using a valuation method that uses data from observable market, the difference between transaction price and fair value is recognised in Statement of Profit and Loss on the date of recognition if the fair value pertains to Level 1 or Level 2 of the fair value hierarchy and in other cases spread over life of the financial instrument using effective interest method.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three categories:

- Financial assets measured at amortized cost
- Financial assets at fair value through OCI – Debt Instruments
- Financial assets at fair value through profit or loss

Financial assets measured at amortized cost

Financial assets are measured at amortized cost if the financials asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the

principal amount outstanding. These financial assets are amortized using the effective interest rate (EIR) method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss in finance costs.

Financial assets at fair value through OCI (FVTOCI)

Financial assets are mandatorily measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

At initial recognition, an irrevocable election is made (on an instrument-by-instrument basis) to designate investments in equity instruments other than held for trading purpose at FVTOCI. Fair value changes relating to financial assets measured at FVTOCI are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses and reversals and foreign exchange gain or loss in the income statement. On derecognition of the financial asset other than equity instruments, cumulative gain or loss previously recognised in OCI is reclassified to Profit or Loss.

Financial assets at fair value through profit or loss (FVTPL)

Any financial asset that does not meet the criteria for classification as at amortized cost or as financial assets at fair value through other comprehensive income, is classified as financial assets at fair value through profit or loss. Further, financial assets at fair value through profit or loss also include financial assets held for trading

and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognised in the Statement of profit and loss.

Derecognition

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

Impairment of financial assets

The Company assesses impairment based on expected credit loss (ECL) model on the following:

- Financial assets that are measured at amortised cost.
- Financial assets (excluding equity instruments) measured at fair value through other comprehensive income (FVTOCI).

ECL is measured through a loss allowance on a following basis after considering the value of recoverable security:-

- The 12 month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within 12 months after the reporting date).
- Full life time expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments).

The Company follows 'simplified approach' for recognition of impairment on trade receivables or contract assets resulting from normal business

transactions. The application of simplified approach does not require the Company to track changes in credit risk. However, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, from the date of initial recognition.

For recognition of impairment loss on other financial assets, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has increased significantly, lifetime ECL is provided. For assessing increase in credit risk and impairment loss, the Company assesses the credit risk characteristics on instrument-by-instrument basis.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

Impairment loss allowance (or reversal) recognised during the period is recognised as expense/income in the statement of profit and loss.

b) Financial Liabilities

The Company's financial liabilities includes borrowings, trade payable, accrued expenses and other payables.

Initial recognition and measurement

All financial liabilities at initial recognition are classified as financial liabilities at amortized cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit and Loss depending upon the level of fair value.

Subsequent measurement

The subsequent measurement of financial liabilities depends upon the classification as described below:-

Financial Liabilities classified as Amortised Cost:

Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the Effective Interest Rate. Interest expense that is not capitalised as part of costs of assets is included as Finance costs in the Statement of Profit and Loss.

Financial Liabilities at Fair value through profit and loss (FVTPL):

FVTPL includes financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities have not been designated upon initial recognition at FVTPL.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged / cancelled / expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

c) **Derivatives**

Derivative instruments are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument and is recognised in Other Comprehensive Income (OCI). Cash flow hedges shall be reclassified to profit or loss as a reclassification adjustment in the same period or periods during which the hedged expected future cash flows affect profit or loss. If hedge of a forecast transaction results in the recognition of a non-financial asset or a non-financial liability, then the gain or loss that are accumulated in the cash flow hedge reserve is recognised in the initial cost or other carrying amount of the asset or liability (this is also referred to as “Basis Adjustment”).

D) **Recent accounting pronouncements**

The Ministry of Corporate Affairs (MCA) on 23rd March, 2022 through companies (Indian Accounting Standards) Amendment Rules, 2022 has notified the following amendments to IND AS which are applicable on 1st April 2022.

i) **IND AS 16 – Property, Plant and Equipment –**

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment.

The amendment prohibits an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in the profit or loss.

The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

ii) **IND AS 37 – Provisions, Contingent Liabilities and Contingent Assets –**

The amendment specifies that the cost of fulfilling a contract comprises the costs that relate directly to the contract. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (examples depreciation charge). The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

NOTE 2 (a) : PROPERTY, PLANT AND EQUIPMENT

| | (₹ Crores) | |

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

NOTE 24 :

A. Capital Management

For the purpose of Company's Capital Management, capital includes Issued Equity Capital, Securities Premium and all other Equity Reserves attributable to the Equity Holders of the Company. The primary objective of the Company's Capital Management is to maximise the Shareholder Value.

The Company manages its capital structure and makes adjustments in the light of changes in economic conditions and requirements of the financial covenants and to continue as a going concern. The Company monitors using a gearing ratio which is net debts divided by total capital plus net debt. The company includes within net debt, interest bearing loans and borrowings, less cash and short term deposit.

| | (₹ Crores) | |
|---------------------------------------|-----------------|-----------------|
| Particulars | 31.03.2022 | 31.03.2021 |
| Interest bearing Loans and Borrowings | 2008.38 | 1130.08 |
| Less: Cash and Short Term Deposits | (113.11) | (102.80) |
| Net Debt | 1895.27 | 1027.28 |
| Equity | 4.24 | 4.24 |
| Other Equity | 13773.03 | 13174.62 |
| Total Capital | 13777.27 | 13178.86 |
| Capital and Net Debt | 15672.54 | 14206.14 |
| Gearing Ratio % | 12.09% | 7.23% |

B. Financial Risk Management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the operations of the Company. The principal financial assets include trade and other receivables, investments in mutual funds, bonds, cash and short term deposits.

The Company has assessed market risk, credit risk and liquidity risk to its financial instruments.

i) Market Risk

Is the risk of loss of future earnings, fair values or cash flows that may result from a change in the price of a financial instrument, as a result of interest rates, foreign exchange rates and other price risks. Financial instruments affected by market risks, primarily include loans & borrowings, investments and foreign currency receivables, payables and borrowings.

a) Interest Rate Risk :

The Company borrows funds in Indian Rupees and Foreign currency, to meet both the long term and short term funding requirements. The Interest rate risk in terms of Foreign currency is managed through financial instruments available to convert floating rate liability into fixed rate liability. The Company due to its AAA rated status commands one of the cheapest source of funding. Interest rate is fixed for the tenor of the Long term loans availed by the Company. Interest on Short term borrowings is subject to floating interest rate and are repriced regularly. The sensitivity analysis detailed below have been determined based on the exposure to variable interest rates on the average outstanding amounts due to bankers over a year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

If the interest rates had been 1% higher / lower and all other variables held constant, the company's profit for the year ended 31st March, 2022 would have been decreased/increased by ₹ 4.54 crores. (Previous year - ₹ 2.92 Crores).

b) Currency Risk :

Foreign currency risks from financial instruments at the end of the reporting period expressed in INR:

Unhedged Short Term Exposures:

| | (₹ Crores) | |
|-----------------------|------------|------------|
| | 31.03.2022 | 31.03.2021 |
| Financial Assets | 253.61 | 174.23 |
| Financial Liabilities | 212.40 | 233.39 |

The company is mainly exposed to changes in US Dollar. The sensitivity to a 2% (Previous year 2%) increase or decrease in US Dollar against INR with all other variables held constant will be +/- ₹ 0.87 Crores (Previous year - ₹ 0.82 Crores).

The Sensitivity analysis is prepared on the net unhedged exposure of the company at the reporting date.

Hedged Foreign Currency Exposures:

Foreign Exchange forward Contracts on External Commercial borrowings and certain highly probable forecast transactions, are measured at fair value through OCI on being designated as Cash Flow Hedges.

The Company also enters into foreign exchange forward contracts with the intention to minimise the foreign exchange risk of expected purchases, these contracts are not designated in hedge relationships and are measured at fair value through profit or loss.

The outstanding position and exposures are as under :

i) Foreign Currency forward contracts designated as Hedge Instruments:

| | Currency | Amount | | ₹ Crores | Nature | Cross Currency |
|-----------------------------|----------|------------------|--|-----------|-----------------|----------------|
| Currency/Interest Rate Swap | USD | 45.00 Million | | 288.59 | ECB Loan | |
| | | (58.33) Million | | (374.59) | | |
| Forward Contract | USD | 135.18 Million | | 1042.38 | Import purchase | INR |
| | | (140.22) Million | | (1065.30) | | |

The terms of the foreign currency forward contracts match the terms of the transactions. As a result, no hedge ineffectiveness arises requiring recognition through profit or loss.

ii) Other Forward Contract Outstanding :

| | Currency | Amount | | ₹ Crores | Nature | Cross Currency |
|------------------|----------|-----------------|--|----------|-----------------|----------------|
| Forward Contract | USD | 24.96 Million | | 190.91 | Import purchase | INR |
| | | (36.19) Million | | (267.06) | | |

Figures in brackets are in respect of Previous year

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

iii) The following table provides the reconciliation of cash flow hedge for the year ended 31st March, 2022:

| Particulars | (₹ Crores) | |
|--|--------------------------|--------------------------|
| | Year Ended 31.03.2022 | Year Ended 31.03.2021 |
| Balance at the beginning of the year | 1.59 | 11.35 |
| Gain / (Loss) recognized in other comprehensive income during the year | 2.25 | (13.05) |
| Tax impact on above | (0.56) | 3.29 |
| Balance at the end of the year | 3.28 | 1.59 |

c) Price Risk :

The Company is affected by the price stability of certain commodities. Due to the significantly increased volatility of certain commodities like Natural Rubber, Synthetic Rubber and other Chemicals, the Company enters into purchase contracts on a short to medium Term and forward foreign exchange contracts are entered into to bring in stability of price fluctuations.

The Company's investments in Quoted and Unquoted Securities are susceptible to market price risk arising from uncertainties about future values of investment securities. The company manages the securities price risk through investments in debt funds and diversification by placing limits on individual and total investments. Reports on Investment Portfolio are reviewed on regular basis and all approvals of investment decisions are done in concurrence with the senior management.

As at 31st March, 2022 the investments in debt mutual funds and bonds amounts to ₹ 3632.50 Crores (Previous year - ₹ 5846.02 Crores). A 1% point increase or decrease in the NAV with all other variables held constant would have lead to approximately an additional ₹ 36 Crores (Previous year ₹ 58 Crores) on either side in the statement of profit and loss.

ii) Credit Risk

Is the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Company. It arises from credit exposure to customers, financial instruments viz., Investments in Equity Shares, Bonds, Debt Funds, Fixed Deposits Others and Balances with Banks.

The Company's marketing policies are well structured and all replacement sales are predominantly through dealers and the outstanding are secured by dealer deposits. As regards sales to O.E., and other institutional sales, the Company carries out periodic credit checks and also limits the exposure by establishing maximum payment period for customers and by offering prompt payment discounts. The outstanding trade receivables due for a period exceeding 180 days as at the year ended 31st March, 2022 is 0.25% (31st March, 2021 0.64%) of the total trade receivables.

There are no transactions with single customer which amounts to 10% or more of the Company's revenue.

The company uses Expected Credit Loss (ECL) Model to assess the impairment loss or gain. The allowance for lifetime ECL on customer balances for the year ended 31 March, 2022 was ₹ 2.08 Crores and for the year ended 31 March, 2021 was ₹ 2.45 Crores.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

| Particulars | (₹ Crores) | |
|----------------------------|--------------------------|--------------------------|
| | Year Ended 31.03.2022 | Year Ended 31.03.2021 |
| Balance at the beginning | 2.45 | 2.31 |
| Impairment loss recognised | 0.30 | 0.14 |
| Impairment loss reversed | 0.67 | - |
| Balance at the end | 2.08 | 2.45 |

The Company holds cash and deposits with banks which are having highest safety rankings and hence has a low credit risk.

Investments in mutual funds are primarily debt funds, which have high safety ratings and are monitored on a monthly basis and the Company is of the opinion that its mutual fund investments have low credit risk.

iii) Liquidity Risk

The Company manages liquidity risk by maintaining adequate surplus, banking facilities and reserve borrowings facilities by continuously monitoring forecasts and actual cash flows.

The Company has a system of forecasting rolling three months cash inflow and outflow and all liquidity requirements are planned.

All Long term borrowings are for a fixed tenor and generally these cannot be foreclosed.

The Company has access to various source of Short term funding and debt maturing within 12 months can be rolled over with existing lenders/new lenders, or repaid based on short term requirements.

Trade and other payables are plugged into the three months rolling cash flow forecast to ensure timely funding, if required.

All payments are made along due dates and requests for early payments are entertained after due approval and availing early payment discounts.

The details of the contractual maturities of significant financial liabilities as at 31st March, 2022 are as under:

| Particulars | Refer Note | (₹ Crores) | | | |
|------------------------------|----------------|----------------------|--------------------|--------------------|--------------------|
| | | Less than 1 year | 1-3 years | 3-5 years | More than 5 years |
| Borrowings | Note 11 and 14 | 1186.51 (334.27) | 251.87 (446.42) | 401.21 (202.21) | 180.92 (180.92) |
| Trade Payable | Note 15 | 2774.32 (4109.56) | - | - | - |
| Other Financial Liabilities | Note 16 | 296.58 (333.67) | 106.83 (-) | - | - |
| Employee Benefit liabilities | Note 16 | 101.15 (107.79) | - | - | - |
| Unclaimed dividends | Note 16 | 1.74 (2.54) | - | - | - |
| Lease Liabilities | | 60.08 (54.99) | 108.02 (94.02) | 106.63 (94.81) | 136.22 (123.80) |

Figures in brackets are in respect of Previous year

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

NOTE 25 :

A) Fair Values and Hierarchy

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

| Particulars | Hierarchy | (₹ Crores) | |
|--|-----------|-----------------------------------|---------------------|
| | | Carrying Value/ Fair Value | |
| | | As at 31.03.2022 | As at 31.03.2021 |
| Financial Assets | | | |
| - Investments | Level One | 3643.50 | 5854.45 |
| - Others financial assets | Level One | 17.47 | 16.05 |
| Financial Liabilities | | | |
| - Borrowings | Level Two | 291.69 | 294.76 |
| - Derivative Financial Liabilities (Net) | Level Two | 4.01 | 22.67 |

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The Fair Value of financial assets and liabilities included is the amount at which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair value.

1. The Fair values of Debt Mutual Funds and Quoted Equities are based on NAV / Quoted Price at the reporting date. Further, the Company had invested in Co-operative Societies and in certain other companies towards the corpus. These are non participative shares and normally no dividend is accrued. The Company has carried these investments at it transaction value considering it to be its fair value.
2. The Company enters into Derivative financial instruments with counterparties principally with Banks with investment grade credit ratings. The Interest Rate swaps, foreign exchange forward contracts are valued using valuation techniques which employs the use of market observable inputs namely, Marked-to-Market.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

NOTE 26 : Reconciliation of tax expense and the accounting profit multiplied by India's domestic tax rate

| Particulars | (₹ Crores) | |
|--|--------------------------|--------------------------|

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

vi) Actuarial Assumptions

a. Financial Assumptions

The principal financial assumptions used in the valuation are shown in the table below:

| Particulars | As at | As at |
|--------------------------------|------------|------------|
| | 31.03.2022 | 31.03.2021 |
| Discount rate (per annum) | 7.30% | 6.80% |
| Salary growth rate (per annum) | 5.50% | 5.50% |

b. Demographic Assumptions

| Particulars | As at | As at |
|--|------------|------------|
| | 31.03.2022 | 31.03.2021 |
| Mortality Rate % of IALM 2012-14 (% of IALM 2006-08) | 100% | 100% |
| Withdrawal rates, based on age: (per annum) | | |
| Up to 30 years | 3.00% | 3.00% |
| 31 - 44 years | 2.00% | 2.00% |
| Above 44 years | 1.00% | 1.00% |

vii) Amount, Timing and Uncertainty of Future Cash Flows

a. Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis is given below:

| Particulars | As at | (₹ Crores) As at |
|-----------------------------------|------------|---------------------|
| | 31.03.2022 | 31.03.2021 |
| Defined Benefit Obligation (Base) | 450.87 | 434.13 |

| Particulars | 31.03.2022 | | 31.03.2021 | |
|---|-------------------|-------------------|-------------------|-------------------|
| | Decrease | Increase | Decrease | Increase |
| Discount Rate (- / + 1%) (% change compared to base due to sensitivity) | 495.50 9.90% | 412.48 (8.50%) | 479.45 10.40% | 395.33 (8.90%) |
| Salary Growth Rate (- / + 1%) (% change compared to base due to sensitivity) | 411.48 (8.70%) | 495.92 10.00% | 394.49 (9.10%) | 479.65 10.50% |
| Attrition Rate (- / + 50%) (% change compared to base due to sensitivity) | 448.63 (0.50%) | 452.90 0.50% | 432.99 (0.30%) | 435.14 0.20% |
| Mortality Rate (- / + 10%) (% change compared to base due to sensitivity) | 450.12 (0.20%) | 451.61 0.20% | 433.46 (0.20%) | 434.79 0.20% |

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Please note that the sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior period. For change in assumptions please refer to point (vi) above, where assumptions for prior period, if applicable, are given.

- b. Asset Liability Matching Strategies
The scheme is managed on funded basis.
- c. Effect of Plan on Entity's Future Cash Flows
 - Funding arrangements and Funding Policy
The scheme is managed on funded basis.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MRF LIMITED

1. Opinion

We have audited the accompanying Consolidated Financial Statements of MRF Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flows Statement for the year then ended and notes to financial statements, a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the Consolidated state of affairs (financial position) of the Group as at 31st March, 2022, and its Consolidated profit (financial performance including Other Comprehensive Income), the Consolidated Changes in Equity and its Consolidated Cash Flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated financial Statements* section of our

report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

3. Emphasis of Matter

We draw attention to Note 25 (j) (a) to the Consolidated Financial Statement which describe the following matter:

In terms of the Order dated 31st August, 2018 the Competition Commission of India (CCI) has on 2nd February, 2022, released its Order imposing penalty on the Holding Company concerning the breach of provisions of the Competition Act, 2002 during the year 2011-2012 and imposed a penalty of ₹ 622.09 Crores on the Company. The Company has filed an appeal against the CCI Order before the National Company Law Appellate Tribunal (NCLAT). Based on the Company's assessment on the outcome of the appeal, the Company is of the view that no provision is necessary in respect of this matter in the Consolidated Financial Statements in the reporting period.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter | Our Response |
|---------|--|---|
| 1. | <p>Defined Benefit Obligation</p> <p>The valuation of the retirement benefit schemes in the Group is determined with reference to various actuarial assumptions including discount rate, future salary increases, rate of inflation, mortality rates and attrition rates. Due to the size of these schemes, small changes in these assumptions can have a material impact on the estimated defined benefit obligation.</p> | <p>We have examined the key controls over the process involving member data, formulation of assumptions and the financial reporting process in arriving at the provision for retirement benefits. We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these key controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purposes of our audit.</p> <p>We tested the employee data used in calculating the obligation and where material, we also considered the treatment of curtailments, settlements, past service costs, remeasurements, benefits paid, and any other amendments made to obligations during the year. From the evidence obtained, we found the data and assumptions used by management in the actuarial valuations for retirement benefit obligations to be appropriate.</p> |
| 2. | <p>Warranty Provision</p> <p>The Holding Company makes an estimated provision for assurance type warranties at the point of sale. This estimate is based on historical claims data.</p> | <p>We understood and tested the controls over the assumptions applied in arriving at the warranty provision, particularly vouching of relevant data elements with provision calculations; validation of formula used in the warranty spread sheet; management review control of the relevant internal and external factors impacting the provision.</p> |
| 3. | <p>Litigation, Claims and Contingent Liabilities (Refer Note 25 (j), to be read along with Emphasis of matter in Independent Auditor's Report.)</p> <ul style="list-style-type: none"> • The Group is exposed to variety of different laws, regulations and interpretations thereof. Consequently, in the normal course of business, Provisions and Contingent Liabilities may arise from legal proceedings, constructive obligations and commercial claims. • Management applies significant judgement when considering whether and how much to provide for the potential exposure of each matter. • These estimates could change substantially over time as new facts emerge as each legal case or matters progresses. • Given the different views possible, basis the interpretations, complexity and the magnitude of potential exposures and the judgement necessary to estimate the amount of provision required or determine required disclosures. | <ul style="list-style-type: none"> • We understood the processes, evaluated the design and implementation of controls and tested the operating effectiveness of the Group's controls over the recording and re-assessment of uncertain legal positions, claims and contingent liabilities. • We held discussions with senior management including the person responsible for legal and compliance to obtain an understanding of the factors considered by management in classification of the matter as 'probable', 'possible' and 'remote'. • Examined the Holding Company's legal expenses on sample basis and read the minutes of the board meetings in order to ensure completeness. • With respect to tax matters, involving our tax specialists, and discussing with the Holding Company's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws. • Assessing the decisions and rationale for provisions held or for decisions not to record provisions or make disclosures. • For those matters where management concluded that no provisions should be recorded, considering the adequacy and completeness of the disclosures. |

5. Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Report on Corporate Governance, Business Responsibility Report, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Management's Responsibility and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act that give a true and fair view of the Consolidated financial position, Consolidated financial performance, Consolidated Changes in Equity and Consolidated Cash Flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates

that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

7. Auditor's Responsibilities for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or

error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial statements made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within

the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

We did not audit the financial statements / financial information of certain subsidiaries whose financial statements / financial information reflect total assets of ₹ 1203.43 Crores as at 31st March, 2022, total revenues of ₹ 2378.15 Crores, total net profit after tax of

₹ 21.89 Crores and net cash outflows/inflows of ₹ 1.83 Crores for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

9. Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
 - d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Group and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”.
 - g) As required by section 197(16) of the Act, based on our audit, we report that the Holding Company and its subsidiary companies incorporated in India, has paid and provided for remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
 - h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated Financial Statements disclose the impact of pending litigations on the Consolidated financial position of the Group – Refer Note 25 (j) to the Consolidated Financial Statements;
 - ii. The Group has long-term contracts including derivative contracts for which there were no material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Holding company and its subsidiary companies incorporated in India.
 - iv. (a) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been

- audited under the Act, have represented to us that to the best of their knowledge and belief, no funds have been advanced or lend or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company and its subsidiary companies incorporated in India to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding whether recorded in writing or otherwise that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of its subsidiaries, ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that to the best of their knowledge and belief, no funds have been received by the Company and its subsidiary companies incorporated in India, from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of its subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures, we have considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries, which are companies

incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that causes us to believe that the above representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.

- v. The Company and its subsidiary companies incorporated in India have complied with the provisions with respect to Section 123 of the Companies Act, 2013 in respect of final dividend proposed in the previous year, interim dividends declared and paid by the company during the year and the proposed final dividend for the year which is subject to the approval of members at the ensuing Annual General Meeting, as applicable.
- vi. With respect to the matters specified in paragraphs 3(xxii) and 4 of the companies (Auditor's Report) order,2020 (the order/CARO) issued by the central government in terms of section 143 (11) of the act, to be included in the Auditor's Report, according to the information and explanation given to us, and based on CARO reports issued by us and the component auditor for the Holding company and its subsidiaries incorporated in India included in the consolidated financial statements of the company, to which the reporting under CARO is applicable., we report that there are no qualifications or adverse remarks in these CARO reports.

“ANNEXURE A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF MRF LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. Opinion

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended 31 March 2022, we have audited the internal financial controls with reference to Financial Statements of MRF LIMITED (“the Holding Company”) and its subsidiary companies which are companies incorporated in India, as of that date. In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

2. Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds

and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

3. Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Financial Statements of the Holding Company and its subsidiary companies which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors of a subsidiary company incorporated in India, in terms of their report referred to in other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company and its subsidiary companies which are incorporated in India.

4. **Meaning of Internal Financial Controls with reference to Financial Statements**

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

5. **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of

collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. **Other MATTERS**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Financial Statements in so far as it relates to subsidiary companies, incorporated in India, is based on the report of the auditors.

| Transfer to General Reserve | - | - | 605.64 | - | - | (605.64) | - | - | - | - |
| Balance at the end of the reporting year ending 31st March 2022 | 9.42 | 0.05 | 14072.53 | 0.44 | (61.68) | - | 3.28 | (4.29) | 7.76 | 14027.51 |

* Gain of ₹ 10.46 Crores and Loss of ₹ 15.19 Crores on re-measurement of defined benefit plans (net of tax) is recognised as part of Reserves and Surplus for the year ended 31st March 2022 and 31st March 2021, respectively.

| Nature and Purpose of each component of equity | Nature and Purpose |
|--|--|
| Securities Premium | Amounts received in excess of par value on issue of shares is classified as Securities Premium |
| Capital Reserve | Capital reserve was created on purchase of shares by the parent company. |
| General Reserve | General Reserve represents accumulated profits and is created by transfer of profits from Retained Earnings and it is not an item of Other Comprehensive Income and the same shall not be subsequently reclassified to Statement of Profit and Loss |
| Capital Redemption Reserve | Capital Redemption Reserve represents statutory reserve created upon buyback of equity shares in the earlier years. |
| Retained Earnings | Retained earnings are the Profits that the group has earned till date, less any transfer to General reserve and Dividend. |
| Cash Flow Hedges | Gains / Losses on Effective portion of cashflow hedges are initially recognized in Other Comprehensive Income as per IND AS 109. These gains or losses are reclassified to the Statement of Profit or Loss when the forecasted transaction affects earnings, except for hedge transactions resulting in recognition of non financial assets which are included in the carrying amount of the asset ("Basis Adjustments") |
| Debt Instruments | The fair value change of the debt instruments measured at fair value through Other Comprehensive Income is recognised in Debt instruments through Other Comprehensive Income. Upon derecognition, the cumulative fair value changes on the said instruments are reclassified to the Statement of Profit and Loss. |
| Remeasurements of Defined Benefit Plans | Gains / Losses arising on Remeasurements of Defined Benefit Plans are recognised in the Other Comprehensive Income as per IND AS-19 and shall not be reclassified to the Statement of Profit or Loss in the subsequent years. |
| Foreign Currency Translation Reserve | Exchange differences relating to the translation of the results and net assets of the groups foreign operations from their functional currencies to the Group's presentation currency, i.e, Indian Rupees. |

This is the Consolidated Statement of Equity(SOCE) referred to in our report of even date.

NOTE 1 – BASIS OF CONSOLIDATION AND SIGNIFICANT ACCOUNTING POLICIES UNDER IND AS

A) General Information

The Consolidated Financial Statements comprise Financial Statements of MRF Limited (the Holding Company) and its Subsidiaries (collectively, the Group) for the year ended 31st March 2022.

The Group, except for MRF Corp Ltd., a subsidiary company, is engaged interalia in the manufacture of Rubber Products such as Tyres, Tubes, Flaps, Tread Rubber and trading in rubber. MRF Corp Ltd., is engaged in the manufacture of speciality coatings.

B) Principles of Consolidation:

The Consolidated Financial Statements comprise of the Financial Statements of the Holding Company and the following Subsidiaries as on March 31st March, 2022:

| Name | Country of incorporation | Proportion of ownership interest | Financial Statement as on | Accounting Period covered for consolidation |
|------------------------|--------------------------|----------------------------------|---------------------------|---|
| MRF Corp Ltd. | India | 100% | March 31, 2022 | 1st April, 2021 – 31st March, 2022 |
| MRF International Ltd. | India | 94.66% | March 31, 2022 | 1st April, 2021 – 31st March, 2022 |
| MRF Lanka Pvt. Ltd. | Sri Lanka | 100% | March 31, 2022 | 1st April, 2021 – 31st March, 2022 |
| MRF SG PTE LTD. | Singapore | 100% | March 31, 2022 | 1st April, 2021 – 31st March, 2022 |

The Consolidated Financial Statements comprise the Financial Statements of the Holding Company and its Subsidiaries as at 31st March 2022. Control is achieved when the Holding Company is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Holding Company controls an investee if and only if the Holding Company has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee),
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Holding Company has less than a majority of the voting or similar rights of an investee, the Holding Company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Holding Company’s voting rights and potential voting rights
- The size of the Holding Company’s holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Holding Company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a Subsidiary begins when the Holding Company obtains control over the Subsidiary and ceases when the Holding Company loses control of the Subsidiary. Assets, liabilities, income and expenses of a Subsidiary acquired or disposed of during the year are included in the Consolidated Financial Statements from the date the Holding Company gains control until the date the Holding Company ceases to control the Subsidiary.

Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the Consolidated Financial Statements for like transactions and events in similar circumstances, appropriate adjustments, if material, are made to that group’s Financial Statements in preparing the Consolidated Financial Statements to ensure conformity with the group’s accounting policies.

The Financial Statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent Holding Company, i.e., year ended on 31 March.

Consolidation procedure:

- a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Holding Company with those of its Subsidiaries.
- b) Offset (eliminate) the carrying amount of the Holding Company's investment in each Subsidiary and the Holding Company's portion of equity of each Subsidiary.
- c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and Property, Plant and Equipment, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the Consolidated Financial Statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the Holding Company of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the Financial Statements of Subsidiaries to bring their accounting policies in line with the Holding Company's accounting policies.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Holding Company loses control over a Subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the Subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity

- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Reclassifies the Holding Company's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Holding Company had directly disposed of the related assets or liabilities.

C) Basis of preparation of Financial Statements

The principal accounting policies applied in the preparation of these Consolidated Financial Statements are set out below. These policies have been consistently applied to all the years presented.

i. Statement of Compliance

The Consolidated Financial Statements have been prepared in accordance with IND AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto.

ii. Basis of preparation and presentation

The Consolidated Financial Statements have been prepared on historical cost basis considering the applicable provisions of Companies Act, 2013, except for the following items that have been measured at fair value as required by relevant IND AS. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

- a) Certain financial assets/liabilities measured at fair value (Refer Note 1 (D 20)) and
- b) Any other item as specifically stated in the accounting policy.

The Consolidated Financial Statement are presented in INR and **all values are rounded off to Rupees Crores** unless otherwise stated.

The group reclassifies comparative amounts, unless impracticable and whenever the group changes the

presentation or classification of items in its Financial Statements materially. No such material reclassification has been made during the year.

The Consolidated Financial Statements of the Group for the year ended 31st March, 2022 were authorised for issue in accordance with a resolution of the directors on 10th May, 2022.

iii. Major Sources of Estimation Uncertainty

In the application of accounting policy which are described in para (D) below, the management is required to make judgment, estimates and assumptions about the carrying amount of assets and liabilities, income and expenses, contingent liabilities and the accompanying disclosures that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant and are prudent and reasonable. Actual results may differ from those estimates. The estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future period.

The few critical estimations and judgments made in applying accounting policies are:

Property, Plant and Equipment:

Useful life of Property, Plant and Equipment and Intangible Assets are as specified in Schedule II to the Companies Act, 2013 and on certain assets based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support. The Group reviews the useful life of Property, Plant and Equipment at the end of each reporting period. This reassessment may result in change in depreciation charge in future periods. (Refer Note 1 (D 1))

Impairment of Non-financial Assets:

For calculating the recoverable amount of non-financial assets, the Group is required to estimate the value-in-use of the asset or the Cash Generating Unit and the fair value less costs to disposal. For calculating value in use the Group is required to estimate the cash flows to be generated from using the asset. The fair value of an asset is estimated using a valuation technique where observable prices are not available. Further, the discount rate used in value in use calculations includes an estimate of risk assessment specific to the asset. (Refer Note 1 (D 4))

Impairment of Financial Assets:

The Group impairs financial assets other than those measured at fair value through profit or loss or designated at fair value through other comprehensive income on expected credit losses. The estimation of expected credit loss includes the estimation of probability of default (PD), loss given default (LGD) and the exposure at default (EAD). Estimation of probability of default apart from involving trend analysis of past delinquency rates include an estimation on forward-looking information relating to not only the counterparty but also relating to the industry and the economy as a whole. The probability of default is estimated for the entire life of the contract by estimating the cash flows that are likely to be received in default scenario. The lifetime PD is reduced to 12 months PD based on an assessment of past history of default cases in 12 months. Further, the loss given default is calculated based on an estimate of the value of the security recoverable as on the reporting date. The exposure at default is the amount outstanding at the balance sheet date. (Refer Note 1 (D 21(a))

Defined Benefit Plans:

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include

the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair Value Measurement of Financial Instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. (Refer Note 1 (D 20))

Income Taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. (Refer Note 1 (D 17))

In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the group will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered

realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. (Refer Note 1 (D 6))

Allowance for credit losses on receivables:

The Group determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Group considered current and anticipated future economic conditions relating to industries the Group deals with and the countries where it operates. In calculating expected credit loss, the Group has also considered credit reports and other related credit information for its customers to estimate the probability of default in future.

D) Summary of Significant Accounting Policies:

1) Property, Plant and Equipment (PPE)

The Group has elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognised as of the transition date, measured as per the Previous GAAP and use that carrying value as its deemed cost of the PPE.

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses except for freehold land which is not depreciated. Cost includes purchase price after deducting trade discount / rebate, import duties, non-refundable taxes, cost of replacing the component parts, borrowing costs (Refer Note D15) and other costs that are directly attributable and necessary to bring the asset to its working condition in the manner intended by the management, and the initial estimates of the cost of dismantling /removing the item and restoring the site on which it is located.

Spare parts procured along with the Plant and Equipment or subsequently which has a useful life of more than 1 year and considering the concept of materiality evaluated by management are capitalised and added to the carrying amount of such items. The carrying amounts of items of PPE and spare parts that are replaced is derecognised when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as ‘stores and spares’ forming part of the inventory. If the cost of the replaced part is not available, the estimated cost of similar new parts is used as an indication of what the cost of the existing part was when the item was acquired.

An item of PPE is derecognised on disposal or when no future economic benefits are expected from use or disposal. Any gain or loss arising on derecognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss when asset is derecognised.

The depreciable amount of an asset is determined after deducting its residual value. Where the residual value of an asset increases to an amount equal to or greater than the asset’s carrying amount, no depreciation charge is recognised till the asset’s residual value decreases below the asset’s carrying amount. Depreciation of an asset begins when it is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the intended

manner. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale and the date when the asset is derecognised.

| Description of the Asset | Estimated Useful life (On Single shift working) |
|--|--|
| Tangible (Owned Assets) : | |
| Building – Factory | 30 Years |
| – Other than factory buildings | 60 Years |
| Plant and Equipment | 5-21 Years |
| Moulds | 6 Years |
| Furniture and Fixtures | 5 Years |
| Computer Servers | 5 Years |
| Computers | 3 Years |
| Office Equipment | 5 Years |
| Other Assets, viz., Electrical Fittings, Fire Fighting/Other Equipments and Canteen Utensils | 10 Years |
| Renewable Energy Saving Device – Windmills | 22 Years |
| Vehicles | 5 Years |
| Aircraft | 10 and 20 Years |
| Right of Use Assets (Leased Assets) : | |
| - Buildings-Other than factory buildings | 1-21 Years |
| - Vehicles | 2 Years |
| - Land – Leasehold | Primary period of lease |
| Intangible (Owned Assets): | |
| Software | 5 Years |

Depreciation on the Property, Plant and Equipment, is provided over the useful life of assets based on management estimates which is generally in line with the useful life indicated in Schedule II to the Companies Act, 2013. Depreciation on all assets except Renewable Energy Saving Devices is provided on straight line basis whereas depreciation on renewable energy saving devices is provided on reducing balance basis. Plant and Machinery, Moulds, Vehicles, Furniture and Fixtures and Computer Servers are depreciated based on management

estimate of the useful life of the assets, and is after considering the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support.

Depreciation on property, plant and equipment added/discharged during the year is provided on pro rata basis with reference to the date of addition/disposal.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Further, the Group has identified and determined separate useful life for each major component of Property, Plant and Equipment, if they are materially different from that of the remaining assets, for providing depreciation in compliance with Schedule II of the Companies Act, 2013.

In respect of Property, Plant & Equipment of MRF Lanka Pvt. Ltd. and MRF SG PTE Ltd. depreciation is provided on straight line method based on management estimate of useful life of assets based on internal technical evaluation, except for certain Property, Plant and Equipment namely Building, Plant and Machinery, Moulds and Equipments of MRF Lanka Pvt. Ltd., which are depreciated on Written Down Value method. The proportion of depreciation of the Subsidiaries to the total depreciation of the group is not material.

2) **Intangible Assets:**

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets.

An item of Intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset are measured as the difference between the

net disposal proceeds and the carrying amount of the asset and are recognised in the Consolidated statement of profit and loss when the asset is derecognised.

Intangible Assets are amortised over 5 years on straight-line method over the estimated useful economic life of the assets.

The group undertakes Research and Development activities for development of new and improved products. All expenditure incurred during Research and Development are analysed into research phase and development phase. The group recognises all expenditure incurred during the research phase in the profit or loss whereas the expenditure incurred in development phase are presented as Intangible Assets under Development till the time they are available for use in the manner intended at which moment they are treated as Intangible Assets and amortised over their estimated useful life.

3) **Assets held for Sale:**

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the non-current asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as held for sale. Non-current assets held for sale are measured at the lower of carrying amount and fair value less cost to sell. Non-current assets that ceases to be classified as held for sale shall be measured at the lower of carrying amount before the non-current asset was classified as held for sale adjusted for any depreciation/amortization and its recoverable amount at the date when it no longer meets the "Held for Sale" criteria.

4) **Impairment of tangible (PPE) and intangible assets:**

At the end of each reporting period, the Group reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual

asset, the Group estimates the recoverable amount of the cash-generating unit (CGU) to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Consolidated statement of profit and loss.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Where an impairment loss subsequently reverses, the carrying amount of the asset or CGU is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or CGU in prior years. A reversal of an impairment loss is recognised in the Consolidated statement of profit and loss.

5) **Inventories:**

Inventories consisting of stores and spares, raw materials, work in progress, stock in trade and finished goods are valued at lower of cost and net realisable value. However, materials held for use in production of inventories are not written down below cost, if the finished products are expected to be sold at or above cost. The cost is computed on FIFO basis except for stores and spares which are on daily moving Weighted Average Cost basis and is net of input tax credits under various tax laws.

Goods and materials in transit include materials, duties and taxes (other than those subsequently recoverable from tax authorities) labour cost and other related overheads incurred in bringing the inventories to their present location and condition.

Traded goods includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated cost necessary to make the sale.

Inventory obsolescence is based on assessment of the future uses. Obsolete and slow-moving items are subjected to continuous technical monitoring and are valued at lower of cost and estimated net realisable value. When Inventories are sold, the carrying amount of those items are recognized as expenses in the period in which the related revenue is recognized.

6) **Leases:**

The Group has applied Ind AS 116 using the modified retrospective approach.

The Group as a lessee

The Group's lease asset classes primarily consist of leases for land, buildings and vehicles. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

7) Government Grants:

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the group will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognised as income on a systematic basis in the Consolidated Statement of Profit and Loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset or by deducting the grant in arriving at the carrying amount of the assets. Where the assets have been fully depreciated with no future related cost, the grant is recognised in profit or loss.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities in respect of loans/assistance received subsequent to the date of transition.

8) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when there is a present legal or constructive obligation as a result of a past event and it is probable (i.e. more likely than not) that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined

based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist when a contract under which the unavoidable costs of meeting the obligations exceed the economic benefits expected to be received from it. Unavoidable cost are determined based on cost that are directly attributable to having and executing the contracts.

Contingent liabilities are disclosed on the basis of judgment of management / independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Provisions for warranty-related costs are recognized when the product is sold to the customer. Initial recognition is based on scientific basis as per past trends of such claims. The initial estimate of warranty-related costs is revised annually.

Contingent Assets are not recognized, however, disclosed in financial statement when inflow of economic benefits is probable.

9) Foreign Currency Transactions:

The Financial Statements of Group are presented in INR, which is also the functional currency. In preparing the Financial Statements, transactions in currencies other than the entity's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date. Non-monetary items denominated in foreign currency are reported at the exchange rate ruling on the date of transaction.

On consolidation, the assets and liabilities of foreign operations are translated into INR at the exchange rate prevailing at the reporting date and their statement of profit and loss are translated at the exchange rate prevailing on the date of transactions. For practical reasons, the group uses an average rate to translate income and expense items, if they average rate approximates the exchange rates at the dates of the transactions. The exchange differences arising on the translation for consolidation are recognised in consolidated statement of OCI. On disposal of foreign operation, the relevant component of OCI is reclassified to consolidated statement of profit and loss.

10) Share Capital and Securities Premium:

Ordinary shares are classified as equity, incremental costs directly attributable to the issue of new shares are shown in equity as a deduction net of tax from the proceeds. Par value of the equity share is recorded as share capital and the amount received in excess of the par value is classified as securities premium.

11) Dividend Distribution to Equity Shareholders:

The Group recognizes a liability to make cash distributions to equity holders when the distribution is authorized and the distribution is no longer at the discretion of the group. A distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in other equity along with any tax thereon.

12) Cash Flows and Cash and Cash Equivalents:

Statement of cash flows is prepared in accordance with the indirect method prescribed in the relevant IND AS. For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheques and drafts on hand, deposits held with Banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and book overdrafts. However, Book overdrafts are

to be shown within borrowings in current liabilities in the balance sheet for the purpose of presentation.

13) Revenue Recognition:

The Group derives revenues primarily from sale of goods comprising of Automobile Tyres, Tubes, Flaps, Tread Rubber, Speciality Coatings and trading in rubber.

The following is a summary of significant accounting policies related to revenue recognition:

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Group expects to receive in exchange for those products or services.

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer.

Revenue is measured based on the transaction price, which is the consideration, adjusted for turnover/product/prompt payment discounts to customer as specified in the contract with the customers. When the level of discount varies with increase in levels of revenue transactions, the Group recognises the liability based on its estimate of the customer's future purchases. If it is probable that the criteria for the discount will not be met, or if the amount thereof cannot be estimated reliably, then discount is not recognised until the payment is probable and the amount can be estimated reliably. The Group recognises changes in the estimated amounts of obligations for discounts in the period in which the change occurs. Revenue also excludes taxes collected from customers.

Revenue in excess of invoicing are classified as contract assets while invoicing in excess of revenues are classified as contract liabilities.

The Holding Company provides warranties for general repairs and does not provide extended warranties or maintenance services in its contracts with customers and are assurance type warranties. Claims preferred during the year against such obligations are netted off from revenue, consistent with its current practice. Provision for warranties is made for probable

future claims on sales effected and are estimated based on previous claim experience and are accounted for under Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets, consistent with its current practice.

Use of significant judgments in revenue recognition.

- Judgment is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of consideration or variable consideration with elements such as turnover/product/prompt payment discounts. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period.
- The Group exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Group considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer.

14) Other Income:

Dividend Income

Dividend Income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

Interest Income

Interest Income on financial assets measured at amortised cost is recognised on a time-proportion basis using the effective interest method.

15) **Borrowing Costs**

Borrowing cost includes interest, commitment charges, brokerage, underwriting costs, discounts / premiums, financing charges, exchange difference to the extent they are regarded as interest costs and all ancillary / incidental costs incurred in connection with the arrangement of borrowing.

Borrowing costs which are directly attributable to acquisition/ construction of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized as a part of cost pertaining to those assets. All other borrowing costs are recognised as expense in the period in which they are incurred.

The capitalisation on borrowing costs commences when the group incurs expenditure for the asset, incurs borrowing cost and undertakes activities that are necessary to prepare the asset for its intended use or sale. The capitalisation of borrowing costs is suspended during extended periods in which active development of a qualifying asset is suspended. The capitalisation of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

16) **Employee Benefits:**

a) **Short term Employee Benefits:**

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., are recognized during the period in which the employee renders related services and are measured at undiscounted amount expected to be paid when the liabilities are settled.

b) **Long Term Employee Benefits:**

The cost of providing long term employee benefit such as earned leave is measured as the present value of expected future payments to be made in respect of services provided by employees upto the end of the reporting period. The expected costs of the benefit

is accrued over the period of employment using the same methodology as used for defined benefits post employment plans. Actuarial gains and losses arising from the experience adjustments and changes in actuarial assumptions are charged or credited to the Consolidated statement of profit and loss in which they arise except those included in cost of assets as permitted. The benefit is valued annually by independent actuary.

c) **Post Employment Benefits:**

The Group provides the following post employment benefits:

- i) Defined benefit plans such as gratuity, trust managed Provident Fund and post-retirement medical benefit (PRMB); and
- ii) Defined contributions plans such as provident fund, pension fund and superannuation fund.

d) **Defined Benefits Plans:**

The cost of providing benefits on account of gratuity and post retirement medical benefits / obligations are determined using the projected unit credit method on the basis of actuarial valuation made at the end of each balance sheet date, which recognises each period of service as given rise to additional unit of employees benefit entitlement and measuring each unit separately to build up the final obligation. The yearly expenses on account of these benefits are provided in the books of accounts.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Consolidated statement of profit and loss except those included in cost of assets as permitted.

Re-measurements comprising of actuarial gains and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on plan asset

(excluding net interest as defined above) are recognized in other comprehensive income (OCI) except those included in cost of assets as permitted in the period in which they occur. Re-measurements are not reclassified to the Consolidated statement of profit and loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements) is recognized in the Consolidated statement of profit and loss except those included in cost of assets as permitted in the period in which they occur.

Eligible employees of the Group receive benefits from a provident fund trust which is a defined benefit plan. Both the eligible employee and the Group make monthly contributions to the provident fund plan equal to a specified percentage of the covered employees salary. The Group contributes a part of the contribution to the provident fund trusts. The trusts invests in specific designated instruments as permitted by Indian Law. The remaining portion is contributed to the Government Administered Pension Fund. The rate at which the annual interest is payable to the beneficiaries by the trusts is administered by the Government. The Group has obligation to make good the shortfall, if any, between the return from investments of the Trusts and the notified interest rate. However, as at the year end no shortfall remains unprovided for.

e) **Defined Contribution Plans**

Payments to defined contribution retirement benefit plans, viz., Provident Fund for certain eligible employees, Pension Fund and Superannuation benefits are recognized as an expense when employees have rendered the service entitling them to the contribution.

17) **Taxes on Income:**

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognized in the Consolidated statement of profit and loss, except to the extent that it relates to

items recognized directly in equity or in other comprehensive income.

a) **Current Tax:**

Current tax includes provision for Income Tax computed under normal provision of Income Tax Act. Tax on Income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments/appeals.

b) **Deferred Tax:**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

The deferred tax assets (Net) and deferred tax liabilities (Net) are determined separately for the parent and each subsidiary Group, as per their applicable laws and then aggregated.

18) Earnings per Share:

Basic earnings per share is calculated by dividing the profit from continuing operations and total profit, both attributable to equity shareholders of the Holding Company by the weighted average number of equity shares outstanding during the period.

19) Current versus non-current classification:

The Group presents assets and liabilities in the Balance Sheet based on current/non-current classification.

a) An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

b) A liability is current when:

- It is expected to be settled in the normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

c) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

20) Fair value measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of asset and liability if market participants would take those into consideration. Fair value for measurement and / or disclosure purposes in these Financial Statements is determined on such basis except for Inventories, Leases and value in use of non-financial assets. Normally at initial recognition, the transaction price is the best evidence of fair value.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the Financial Statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognized at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.

21) **Financial Instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Group recognizes a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

a) **Financial Assets**

A financial asset inter-alia includes any asset that is cash, equity instrument of another entity or contractual rights to receive cash or another financial asset or to exchange financial asset or financial liability under condition that are potentially favourable to the Group.

Financial assets other than investment in Subsidiaries

Financial assets of the Group comprise trade receivable, cash and cash equivalents, Bank balances, Investments in equity shares of companies other than in Subsidiaries, investment in units of Mutual Funds, loans/advances to employee / related parties / others, security deposit, claims recoverable etc.

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair

value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Consolidated statement of profit and loss. Where transaction price is not the measure of fair value and fair value is determined using a valuation method that uses data from observable market, the difference between transaction price and fair value is recognized in Consolidated statement of profit and loss on the date of recognition if the fair value pertains to Level 1 or Level 2 of the fair value hierarchy and in other cases spread over life of the financial instrument using effective interest method.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three categories:

- Financial assets measured at amortized cost
- Financial assets at fair value through OCI – Debt Instruments
- Financial assets at fair value through profit or loss

Financial assets measured at amortized cost

Financial assets are measured at amortized cost if the financials asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These financials assets are amortized using the effective interest rate (EIR) method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the consolidated statement of profit and loss. The losses arising from impairment are recognized in the consolidated statement of profit and loss in finance costs.

Financial assets at fair value through OCI (FVTOCI)

Financial assets are mandatorily measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

At initial recognition, an irrevocable election is made (on an instrument-by-instrument basis) to designate investments in equity instruments other than held for trading purpose at FVTOCI. Fair value changes relating to financial assets measured at FVTOCI are recognized in the other comprehensive income (OCI). However, the Group recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the income statement. On derecognition of the financial asset other than equity instruments, cumulative gain or loss previously recognised in OCI is reclassified to Profit or Loss.

Financial assets at fair value through profit or loss (FVTPL)

Any financial asset that does not meet the criteria for classification as at amortized cost or as financial assets at fair value through other comprehensive income, is classified as financial assets at fair value through profit or loss. Further, financial assets at fair value through profit or loss also include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognized in the Consolidated statement of profit and loss.

Derecognition

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the asset and an associated liability for amounts it may have to pay.

Impairment of financial assets

The Group assesses impairment based on expected credit loss (ECL) model on the following:

- Financial assets that are measured at amortised cost.
- Financial assets (excluding equity instruments) measured at fair value through other comprehensive income (FVTOCI).

ECL is measured through a loss allowance on a following basis after considering the value of recoverable security:-

- The 12 month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within 12 months after the reporting date)
- Full life time expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments)

The Group follows 'simplified approach' for recognition of impairment on trade receivables or contract assets resulting from normal business transactions. The application of simplified approach does not require the Group to track changes in credit risk. However, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, from the date of initial recognition.

For recognition of impairment loss on other financial assets, the Group determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has increased significantly, lifetime ECL is provided. For assessing increase in credit risk and impairment loss, the Group assesses the credit risk characteristics on instrument-by-instrument basis.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

Impairment loss allowance (or reversal) recognized during the period is recognized as expense/income in the consolidated statement of profit and loss.

b) Financial Liabilities

The Group's financial liabilities includes borrowings, trade payable, accrued expenses and other payables.

Initial recognition and measurement

All financial liabilities at initial recognition are classified as financial liabilities at amortized cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the consolidated statement of profit and loss depending upon the level of fair value.

Subsequent measurement

The subsequent measurement of financial liabilities depends upon the classification as described below:-

Financial Liabilities classified as Amortised Cost:

Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the Effective Interest Rate. Interest expense that is not capitalised as part of costs of assets is included as Finance costs in the consolidated statement of profit and loss.

Financial Liabilities at Fair value through profit and loss (FVTPL)

FVTPL includes financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities have not been designated upon initial recognition at FVTPL.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged / cancelled / expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the consolidated statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

c) Derivatives

Derivative instruments are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at

the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated. The resulting gain or loss is recognized in the consolidated statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument and is recognized in Other Comprehensive Income (OCI). Cash flow hedges shall be reclassified to profit or loss as a reclassification adjustment in the same period or periods during which the hedged expected future cash flows affect profit or loss. If hedge of a forecast transaction results in the recognition of a non-financial asset or a non-financial liability, then the gain or loss that are accumulated in the cash flow hedge reserve is recognised in the initial cost or other carrying amount of the asset or liability (this is also referred to as “Basis Adjustment”).

E) Recent accounting pronouncements:

The Ministry of Corporate Affairs (MCA) on 23rd March, 2022 through companies (Indian Accounting Standards) Amendment Rules, 2022 has notified the following amendments to IND AS which are applicable on 1st April, 2022.

i) Ind AS 16 – Property, Plant and Equipment –

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall

not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment.

The amendment prohibits an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in the profit or loss.

The Group does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

ii) Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets –

The amendment specifies that the cost of fulfilling a contract comprises the costs that relate directly to the contract. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (examples depreciation charge). The amendment is essentially a clarification and the Group does not expect the amendment to have any significant impact in its financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

NOTE 24 :

A. Capital Management

For the purpose of Group's Capital Management, capital includes Issued Equity Capital, Securities Premium, and all other Equity Reserves attributable to the Equity Holders of the Group. The primary objective of the Group's Capital Management is to maximise the Shareholder Value.

The Group manages its capital structure and makes adjustments in the light of changes in economic conditions and requirements of the financial covenants and to continue as a going concern. The Group monitors using a gearing ratio which is net debts divided by total capital plus net debt. The group includes within net debt, interest bearing loans and borrowings, less cash and short term deposit. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain an optimal capital structure, the group allocates its capital for distribution as dividend or reinvestment into business based on its long term financial plans.

B. Financial Risk Management

The Group's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the operations of the Group. The principal financial assets include trade and other receivables, investments in mutual funds, cash and short term deposits.

The Group has assessed market risk, credit risk and liquidity risk to its financial instruments.

i) Market Risk

Is the risk of loss of future earnings, fair values or cash flows that may result from a change in the price of a financial instrument, as a result of interest rates, foreign exchange rates and other price risks. Financial instruments affected by market risks, primarily include loans & borrowings, investments and foreign currency receivables, payables and borrowings.

a) Interest Rate Risk:

The Group borrows funds in Indian Rupees and Foreign currency, to meet both the long term and short term funding requirements. The Interest rate risk in terms of Foreign currency is managed through financial instruments available to convert floating rate liability into fixed rate liability. The Group due to its AAA rated status commands one of the cheapest source of funding. Interest rate is fixed for the tenor of the Long term loans availed by the Group. Interest on Short term borrowings is subject to floating interest rate and are repriced regularly. The sensitivity analysis detailed below have been determined based on the exposure to variable interest rates on the average outstanding amounts due to bankers over a year.

If the interest rates had been 1% higher / lower and all other variables held constant, the Group's profit for the year ended 31st March, 2022 would have been decreased/increased by ₹ 13.17 Crores (Previous year - ₹ 11.66 Crores).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

b) Currency Risk:

Foreign currency risks from financial instruments at the end of the reporting period expressed in INR :

| | (₹ Crores) | |
|---------------------------------------|------------|------------|
| | 31.03.2022 | 31.03.2021 |
| <u>Unhedged Short Term Exposures:</u> | | |
| Financial Assets | 253.61 | 174.23 |
| Financial Liabilities | 212.40 | 233.39 |

The company is mainly exposed to changes in US Dollar. The sensitivity to a 2% (Previous year - 2%) increase or decrease in US Dollar against INR with all other variables held constant will be +/- (-) ₹ 0.87 Crores (Previous year - ₹ 0.82 Crores).

The Sensitivity analysis is prepared on the net unhedged exposure of the company at the reporting date.

Hedged Foreign Currency exposures:

Foreign Exchange forward Contracts on External Commercial borrowings and certain highly probable forecast transactions, are measured at fair value through OCI on being designated as Cash Flow Hedges.

The Group also enters into foreign exchange forward contracts with the intention to minimise the foreign exchange risk of expected purchases, these contracts are not designated in hedge relationships and are measured at fair value through profit or loss.

The outstanding position and exposures are as under:

i) Foreign Currency forward contracts designated as Hedge Instruments :

| | Currency | Amount | | ₹ Crores | Nature | Cross Currency |
|-----------------------------|-----------------|------------------|--|-----------------|-----------------|-----------------------|
| Currency/Interest Rate Swap | USD | 45.00 Million | | 288.59 | ECB Loan | |
| | | (58.33) Million | | (374.59) | | |
| Forward Contract | USD | 135.18 Million | | 1042.38 | Import purchase | INR |
| | | (140.22) Million | | (1065.30) | | |

The terms of the foreign currency forward contracts match the terms of the transactions. As a result, no hedge ineffectiveness arises requiring recognition through profit or loss.

ii) Other Forward Contract Outstanding :

| | Currency | Amount | | ₹ Crores | Nature | Cross Currency |
|------------------|-----------------|-----------------|--|-----------------|-----------------|-----------------------|
| Forward Contract | USD | 24.96 Million | | 190.91 | Import purchase | INR |
| | | (36.19) Million | | (267.06) | | |
| Forward Contract | USD | 19.03 Million | | 144.04 | Sales | USD |
| | | (55.79) Million | | (407.71) | | |

Figures in brackets are in respect of Previous year.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

c) Price Risk :

The Group is affected by the price stability of certain commodities. Due to the significantly increased volatility of certain commodities like Natural Rubber, Synthetic Rubber and other Chemicals, the Group enters into purchase contracts on a short to medium Term and forward foreign exchange contracts are entered into to bring in stability of price fluctuations.

The Group's investments in Quoted and Unquoted Securities are susceptible to market price risk arising from uncertainties about future values of investment securities. The group manages the securities price risk through investments in debt funds and diversification by placing limits on individual and total investments. Reports on Investment Portfolio are reviewed on regular basis and all approvals of investment decisions are done in concurrence with the senior management.

As at 31st March, 2022 the investments in debt mutual funds and Bonds amounts to ₹ 3644.25 Crores (Previous year - ₹ 5864.44 Crores). A 1% point increase or decrease in the NAV with all other variables held constant would have lead to approximately an additional ₹ 36 Crores (Previous year - ₹ 59 Crores) on either side in the statement of profit and loss.

ii) Credit Risk

Is the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Company. It arises from credit exposure to customers, financial instruments viz., Investments in Equity Shares, Bonds, Debt Funds, Fixed deposit-others and Balances with Banks.

The Group's marketing policies are well structured and all replacement sales are predominantly through dealers and the outstanding are secured by dealer deposits. As regards sales to O.E., and other institutional sales, the Group carries out periodic credit checks and also limits the exposure by establishing maximum payment period for customers and by offering prompt payment discounts. The outstanding trade receivables due for a period exceeding 180 days as at the year ended 31st March, 2022 is 0.25% (31st March, 2021 - 0.64%) of the total trade receivables.

The group uses Expected Credit Loss (ECL) Model to assess the impairment loss or gain. The allowance for lifetime ECL on customer balances for the year ended 31st March, 2022 was ₹ 2.99 Crores and for the year ended 31st March, 2021 was ₹ 3.24 Crores.

| Particulars | (₹ Crores) | |
|----------------------------|--------------------------|--------------------------|
| | Year Ended 31.03.2022 | Year Ended 31.03.2021 |
| Balance at the beginning | 3.24 | 2.76 |
| Impairment loss recognised | 0.42 | 0.48 |
| Impairment loss reversed | 0.67 | - |
| Balance at the end | 2.99 | 3.24 |

The Group holds cash and deposits with banks which are having highest safety rankings and hence has a low credit risk.

Investments in mutual funds are primarily debt funds, which have high safety ratings and are monitored on a monthly basis and the Group is of the opinion that its mutual fund investments have low credit risk.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

iii) Liquidity Risk

The Group manages liquidity risk by maintaining adequate surplus, banking facilities and reserve borrowings facilities by continuously monitoring forecasts and actual cash flows.

The Group has a system of forecasting rolling three months cash inflow and outflow and all liquidity requirements are planned.

All Long term borrowings are for a fixed tenor and generally these cannot be foreclosed.

The Group has access to various source of Short term funding and debt maturing within 12 months can be rolled over with existing lenders/new lenders, or repaid based on short term requirements.

Trade and other payables are plugged into the three months rolling cash flow forecast to ensure timely funding, if required.

All payments are made along due dates and requests for early payments are entertained after due approval and availing early payment discounts.

The details of the contractual maturities of significant financial liabilities as at 31st March, 2022 are as under:

| (₹ Crores) | | | | | |
|------------------------------|----------------|----------------------|--------------------|--------------------|--------------------|
| Particulars | Refer Note | Less than 1 year | 1-3 years | 3-5 years | More than 5 years |

(Figures in brackets are in respect of Previous year)

(c) Terms and conditions of transactions with related parties;

The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31st March, 2022, the Group has not recorded any impairment of receivables relating to amounts owed by related parties (Previous year - ₹ Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.
