10. Payment of Dividend through ECS:

The Securities and Exchange Board of India has made it mandatory for all companies to use the bank account details furnished by the Depositories for the payment of dividend through Electronic Clearing Service (ECS) to investors wherever ECS and bank details are available. In the absence of ECS facilities, the Company will print the bank details, if available, on the payment instrument for distribution of dividend. The Company will not entertain any direct request from Members holding shares in electronic mode for deletion of / change in such bank details. Further, instructions if any, already given by them in respect of shares held in physical form will not be automatically applicable to shares held in the electronic mode. Members who wish to change such bank account details are therefore requested to advise their Depository Participants about such change, with complete details of bank account.

## **SAL AUTOMOTIVE LIMITED**

(Formerly Swaraj Automotives Limited)

---

Members holding shares in physical form and wishing to avail the facility of electronic credit of dividend directly to their respective bank accounts through the Electronic Clearing Service (ECS) / National Electronic Clearing Service (NECS) are requested to intimate the particulars of their bank account, viz., name and address of the branch of the bank with 9 digit MICR code of the branch & 11 digit IFSC, type of account and account number latest by 23rd August, 2019 to Company's Registrar and Share Transfer Agent, M/s MCS Share Transfer Agent Limited. Members located in places where ECS/NECS facility is not available may submit their bank details to enable the Company to incorporate this information on the dividend warrants and thus prevent fraudulent encashment.

11. Pursuant to the provisions of Section 124 of the Companies Act, 2013, the Company has transferred unclaimed dividends for and up to the financial year ended 31st March 2012 to the Investor Education and Protection Fund (IEPF). The Company has uploaded the information of unclaimed / unpaid dividend lying with the Company as on August 10, 2018 (date of last Annual General Meeting) on the website of the Company ([www.swarajautomotive.com](http://www.swarajautomotive.com)). Members who have not encashed the dividend warrant(s) so far for any subsequent financial years are requested to file their claims to the Company.
12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company / Registrar.
13. Members can avail of the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail of this facility may send their nomination in the prescribed Form SH-13 duly filled in to Company's RTA at their above-mentioned address. Members holding shares in electronic mode may contact their respective Depository Participants for availing this facility.
14. Members may please note that pursuant to the amendment in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 vide notification dated June 8, 2018, except in case of transmission or transposition of securities, request for effecting transfer of securities held in physical shall not be processed after April 1, 2019.

Accordingly, Members holding shares in physical form are requested to consider converting their holding to dematerialized form for ease of portfolio management. Members may contact the Company or its RTA for assistance in this regard.

15. Members are requested to:
  - kindly register/update their e-mail address with their respective Depository Participant, where shares are held in electronic mode. If, however, shares are held in physical form, shareholders are advised to register their e-mail address with Company's RTA
  - Intimate to the Company's Registrar and Share Transfer Agent, M/s MCS Share Transfer Agent Limited at their above-mentioned address, changes, if any, in their registered addresses at an early date, in case of shares held in physical form.
  - Intimate directly to the respective Depository Participant, changes, if any, in their registered addresses, nomination, power of attorney etc., at an early date, in case of shares are held in dematerialised form. The Company will not take cognizance of any such requests directly from shareholders.
  - Quote their folio numbers / Client ID / DP ID in all correspondence.
  - consolidate their holdings into one folio in case they hold shares under multiple folios in the identical order of names.

## **REVIEW OF OPERATIONS**

Our Company is dependent on auto and agriculture sector which in turn is influenced by various factors like economic growth, monsoon, etc. impacting the purchasing power of the buyers of the automobiles. Demand is derived from original equipment manufacturers (OEM) as well as the replacement market. The agricultural implement segment too is predominantly dependent on monsoon among other factors.

Due to slow down in automotive industry during last 3 quarter specially, commercial vehicle and passenger vehicles both are showing negative trends in term of demand. Agri implement and tractor industry also has shown de-growth in demand and with the possibilities of late and weak monsoon both industry seems to have negative sentiments for coming year as well. The Company's business is also expected to have affect with same line of adverse impact on current year business. However company is also exploring new business opportunities to generate additional revenue.

In line with industry growth, our Company also posted a growth of 2% in seat mechanisms, 9% in tractor & LCV Seats and 30% in agriculture implements segment in FY 2018-19 as compared to FY 2017-18.

In the above backdrop, total net operating revenue for the financial year 2018-19 increased to Rs. 130.65 crores against the previous year's revenue of Rs. 113.71 crores. However, the Profit before tax for the year has decrease to Rs. 4.82 crores against previous year PBT of Rs. 4.96 crores, which is primarily on account change in product mix. Profit after tax for the year was Rs. 3.47 crores (previous year Rs. 3.52 crores) which gives an Earning per Share (EPS) of Rs. 14.48 (previous year - Rs. 14.66).

## **DIVIDEND**

Based on the Company's performance, the Directors are pleased to recommend for your consideration and approval payment of dividend amounting to Rs. 4.50 i.e. @ 45% per equity share of Rs. 10/- each fully paid up, for the financial year 2018-19. The final dividend on equity shares, if approved by the members would involve a cash outflow of Rs. 1.30 Crores (including Corporate Dividend Tax amounting to Rs. 0.22 Crores).

(Formerly Swaraj Automotives Limited)

---

The Indian tractor industry witnessed a double digit growth for the third consecutive year in FY19, though, the pace was slowest in the last three years. In FY19, tractor sales grew by 10.24 per cent at 878,476 units as compared to 20.52 per cent and 15.74 per cent in FY18 and FY17 respectively. On a yearly basis the growth rate was almost halved in FY19 over FY18. (Source : The Economic Times and Tractor Manufacturers Association website)

### **OUTLOOK/OPPORTUNITIES**

In the recent months, the automobile sector has faced some head winds and the industry is struggling with a burgeoning inventories causing stress. As per the monthly data made available by Tractor Manufacturers Association, tractor sales during the period January to June 2019 too have been substantially lower, compared to the corresponding period of 2018.

The recent sluggishness is linked to the significant increase in insurance and fuel costs. Recently, liquidity tightening due the crises in the NBFC sector have also impacted purchase decisions by the vehicle buyers.

We, however, believe that the recent developments to be temporary and demand in both automotive and tractor industries shall bounce back in medium term. The Automotive Mission 2026, a collective vision of the Industry and Government of India aims to set a new trajectory for the evolution of the ecosystem for the automotive industry with its size, global foot-print, technological maturity, competitiveness and capabilities in mind.

Other factors like government continuous thrust on strengthening rural sector, infrastructure development, make in India, skill India, and launch of new models by vehicle manufactures, changing buying pattern, replacement demand etc. too shall role as a catalyst to the growth of the Industry.

### **NEW DEVELOPMENTS**

Under "Make in India" initiative of Indian government, India is poised to become manufacturing hub. The Automobile sector is one of the prominent sector to contribute to the manufacturing industry in India. Most of the international automobile giants have either set up their plants or they are in the process of setting up their manufacturing facility in India. Western and Southern regions of India has become manufacturing hub of automobile sector. Automobile Manufacturers (OEMs) prefer its suppliers to be nearby of their plant. , Your company has set up another manufacturing facility in Dharwad, Karnataka to cater the increasing demand of seats and seat mechanisms. Also, your Company is actively exploring opportunities to set up new facilities to give a boost to its focus to its auto ancillary business.

Given its high growth potential, your company has forayed into another strategic business segment of "Agriculture implements". The agri-implements segment, which predominantly comprises of contract manufacturing of Rotavators, added 24 % to the revenue has seen a substantial spurt in view of sustained demand from our customers.

### **THREATS, RISKS & CONCERNS**

As your Company supplies components to tractor and automobile OE manufacturers, the Company would be directly affected by the factors impacting tractor industry and automobile industry. These would include issues like quantum of rains spread, Government policy on procurement, enforcement of safety / emission regulations, availability of credit, change in interest rates, commodity price trends, increasing intensity of competition etc.

In the short term, the automobile industry is showing trends of downturn due to various reasons impacting demand from urban and Rural India.

The purpose of the Committee inter-alia includes identification and selection of persons who may be appointed as directors / independent director(s) or as key managerial personnel or in senior management based on certain laid down criteria, formulate policy relating to the remuneration for the directors, key managerial personnel and other employees, to decide on the stock options to be granted, if any, to the eligible employees, directors including non-executive directors; and to deal with such other matters and functions as may be prescribed from time to time.

The role of the Nomination and Remuneration Committee is briefed below:

Policy for Selection and appointment of Directors

### **i) Appointment of Directors**

The Nomination and Remuneration Committee (NRC) reviews and assesses Board composition and recommends the appointment of new Directors as and when required. In evaluating the suitability of individual Board member with regard to qualifications, positive attributes and independence of director, the NRC takes into account the following criteria that:

1. All Board appointments are based on merit, in the context of the skills, experience independence and knowledge, for the Board as a whole to be effective.
2. Ability of the candidates to devote sufficient time and attention to his/her professional obligations as Independent Director for informed and balanced decision making.
3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors

Based on recommendation of the NRC, the Board evaluates the candidature and decides on the selection of the appropriate member.

### **ii) Removal of Directors**

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non-adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

### **iii) Succession Planning**

The successors for the Independent Directors shall be identified by the NRC. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit. The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

### **iv) Remuneration**

The NRC determines and recommends the remuneration payable to the Directors and senior management of the Company.

Meetings & Attendance of the Nomination and Remuneration Committee

During the financial year 2018-19, the Nomination and Remuneration Committee met two (2) times i.e. May 11, 2018 and February 1, 2019. Requisite quorum was present in all the meetings of the Committee.

## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of Swaraj Automotives Limited**

### **Report on the Financial Statements**

We have audited the stand alone Indian Accounting Standards (Ind AS) financial statements of SWARAJ AUTOMOTIVES LIMITED ("the company"), which comprise the Balance Sheet as at 31 March, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements, give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS;

- a) of the state of affairs (financial position) of the Company as at March 31, 2019; and
- b) its profit (financial performance including other comprehensive income), and
- c) its Cash Flows and the changes in equity for the year ended on that date.

### **Basis for opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under these Standards are above described in the Auditors' Responsibilities section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Information other than the Standalone Financial Statements and Auditors' Report thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibilities Report, Corporate Governance and Shareholder's information, but does not include the Standalone Financial Statements and our auditors' report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these stand alone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act.

## **SAL AUTOMOTIVE LIMITED**

(Formerly Swaraj Automotives Limited)

---

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Indo AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company's or to cease operations, or has no realistic alternative to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process

### **Auditors' Responsibility**

- A. Our objectives are to obtain reasonable assurance about whether the standalone Indo AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
- i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and operating effectiveness of such controls.
  - iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern, If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements, or if, such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- C. Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.
-

- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are, therefore, the key audit matters. We describe that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

**6. Report on other Legal and Regulatory Requirements**

- i) As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure 'A' statement on the matters specified in paragraphs 3 & 4 of the Order.
- ii) As required by Section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
  - c) the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - d) in our opinion, the aforesaid standalone Ind As financial statements comply with the Accounting Standards specified under Section 133 of the Act.
  - e) on the basis of written representations received from the directors as on 31st March, 2019, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019, from being appointed as a director in terms of Section 164(2) of the Act.
  - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'B'
  - g) with respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanations given to us.
    - i. the Company has disclosed the impact of pending litigations, if any, on its financial positions in its IndAS financial statements.
    - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2019.

**ANNEXURE 'B' REFERRED TO IN OUR REPORT OF EVEN DATE****Report on the Internal Financial Control under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of SWARAJ AUTOMOTIVES LIMITED (the 'Company') as of 31st March, 2019 in conjunction with our audit of the standalone IndAS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that are operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating Effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the standalone IndAS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparations of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone IndAS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone IndAS financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **SAL AUTOMOTIVE LIMITED**

(Formerly Swaraj Automotives Limited)

---

### **1. COMPANY'S OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES**

Swaraj Automotives Limited (SAL) is a public limited company incorporated under the provisions of the Companies Act, 1956 on 20th November, 1974 having its registered office at C-127, IV Floor, Satguru Infotech, Phase VIII, Industrial Area, SAS Nagar, (Mohali), Punjab - 160071.

SAL has its principal place of manufacturing at Nabha located in the State of Punjab and second manufacturing plant at Dharwad located in the State of Karnataka.

SAL is engaged in the business of manufacturing seats for tractor & LCV, Seats Mechanisms, Seat Frames, Rotavator, Tractor Trolleys etc.

The company is listed at Bombay Stock Exchange (BSE) Limited.

#### **1.1 Basis of preparation of financial statements**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies Act 2013 as per Section 133; read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy thereto in use.

#### **1.2 Use of Estimates and Judgements**

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made. Differences between actual results and estimates are recognized in the period in which the results are known/materialized.

#### **1.3 Revenue Recognition**

- i) Sales Revenue is recognized at the time of dispatches to customers or their respective transporters for onward dispatches and upon transfer of ownership to customers. Hence, finished goods dispatched whose ownership has not been transferred to customers at the end of last working day of the period, have been considered as Finished Goods-In-Transit and are excluded from being recognized as operational revenue.
- ii) Impact of variation in selling price with respect to goods sold, are recognized on periodical basis based on the agreements with the customers. Sales Revenue is recorded net of Trade Discounts, Rebates and any taxes or duties collected on behalf of the government, if any.
- iii) In respect of Tools and fixtures developed for the production of components exclusively for customer concerned, revenue is recognized on completion of development process for production readiness.
- iv) Incomes from services rendered are booked based on agreements / arrangements with the concerned parties, in proportion to the stage of completion of the transactions at the reporting date when the outcome of the transaction can be estimated reliably.
- v) Interest on fixed deposits is recognized on a time proportion basis taking into account the underlying interest rate.

#### **1.4 Inventories**

- i) Stores, Spare Parts, Loose Tools, Raw Materials, Components and Packing Materials are valued at material cost determined on the basis of moving weighted average cost method with due provisioning for non-useable / obsolete items and impact of provisioning for price variation, if any.
- ii) Work-in-progress and Finished goods are valued at lower of cost or net realizable value as certified by Management, with due provisioning for slow moving / obsolete items. Cost includes material cost and an appropriate portion of manufacturing overheads, wherever applicable, incurred in bringing them to their present location and condition. Finished goods include government taxes, wherever applicable.
- iii) Finished Goods - (In - Transit), whose ownership has not been transferred to customers at the end of last working day of the period and are not recognized for Sales revenue, are valued at cost plus taxes as applicable.
- iv) Scrap / damaged goods value is incorporated in books on the basis of expected realizable value.
- v) Rejected goods pending for quality approval are valued at 10% of the actual cost till further disposal/ rework.

#### **1.5 Property, Plant and Equipment**

The Company has applied for the one-time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS 101 and hence, previous GAAP carrying value is considered as historical cost. Freehold land is carried at cost. All other items of Property, plant and equipment are stated at cost, less accumulated depreciation. The Cost of an item of Property, Plant and Equipment comprises:

- (a) its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates.
- (b) any attributable expenditure directly attributable for bringing an asset to the location and the working condition for its intended use; and
- (c) the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.
- (d) Depreciation is provided on Straight Line Method on the basis of useful lives of such assets specified in Schedule II to the Companies Act, 2013 except the following assets:-
  - (i) Depreciation on dies manufactured by the Company is charged @ 20%.
  - (ii) Depreciation on vehicles (cars) is charged @ 25%.
- (e) Capital spares are amortized in a systematic manner over the useful life of the assets to which it relates.
- (f) Assets individually costing up to Rs. 5000/- are depreciated at 100% within one year from the date of purchase.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the statement of Profit and Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell.

## **SAL AUTOMOTIVE LIMITED**

(Formerly Swaraj Automotives Limited)

---

### **1.6 Investment Property**

Investment property is property held to earn rental and or capital appreciation. Investment properties are measured at cost and the same is derecognized upon disposal or when it is permanently withdrawn from use with no future economic benefits are expected from the disposal.

Depreciation is provided on Straight Line Method computed on the basis of useful lives prescribed under part C of schedule II to the Companies Act 2013.

### **1.7 Intangible Assets**

Intangible assets are stated at cost less accumulated amount of amortization. Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, etc.

Intangible Assets (Other than Software) are amortized over a period of 6 years, which is the estimated useful life of the asset. Software expenditure capitalized during the year is amortized over 3 years from the date of its capitalization.

### **1.8 Employees Benefits**

#### **(i) Defined Contribution Plans**

The Company's contribution to Provident Fund is considered as defined contribution plan and is charged as an expense to the Statement of Profit and Loss for the year when the contributions are due. The Company contributes to Life Insurance Corporation of India to cover its liability towards its master policies of employee's superannuation and gratuity. Payment of gratuity at the time of retirement is routed through the Gratuity Fund created by the company with LIC.

#### **(ii) Defined Benefit Plans**

The company operates a defined benefit plan for its employees in the form of gratuity fund. The cost of providing benefit under the plan is determined on the basis of actuarial valuations being carried out at each Balance Sheet date. Re-measurements comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are recognized in Other Comprehensive Income which are not reclassified to profit or loss in subsequent periods.

#### **(iii) Short-term / Long-term employee benefits**

All employee benefits payable within twelve months of receiving the employee services are classified as Short-term employee benefits and benefits payable after twelve months of receiving the employee services are classified as Long-term employee benefits.

The undiscounted amount of short-term employee benefits expected to be paid in exchange of services rendered by employees is recognized during the period when the employee renders services. These benefits include salaries, bonus, and leave travel allowance and performance incentives.

The employees of the Company are entitled to compensate absences. The Company has a policy for leave encashment, whereby the balance of leave is either availed or encashed in the following year, and hence the same is classified as short-term. The short-term leave encashment liability has been measured based on the actual leave balance outstanding at the year end.

### **1.9 Earnings per Share**

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

Dilutive potential equity shares are determined independently for each period presented.

#### **1.10 Income Taxes**

- (i) Current Tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Advance tax and provision for current tax are presented in the balance sheet after off setting advance tax paid and income tax provisions.
- (ii) Deferred Tax is recognised, subject to consideration of prudence, on timing differences, being the difference between carrying amount and tax base of all assets and liabilities that originate in one period and are capable of reversal in one or more subsequent periods. Deferred Tax charge or credit is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

#### **Deferred Tax liabilities are recognised for all timing differences.**

Deferred Tax assets arising from unabsorbed depreciation or carry forward losses are recognised only if there is virtual certainty of that there will be sufficient future taxable income available to realise such assets.

Deferred Tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised.

Deferred Tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off.

Deferred Tax Assets are reviewed at each balance sheet date for their realizability.

#### **1.11 Grants-in-Aid**

Capital grants received in previous years are allocated to income over the periods and in proportions in which the depreciation on those assets is charged.

#### **1.12 Foreign Currency Transactions**

Foreign currency transactions are recorded at exchange rates prevailing at the date of transaction. Exchange differences, if any, arising on settlement of transactions except those relating to fixed assets are recognized as income or expense in the year in which they arise.

In case of fixed assets, the cost is adjusted for exchange differences arising on payment of liabilities incurred for the purpose of acquiring such fixed assets.

#### **1.13 Dividends**

Dividends are recommended by the board in the board meeting while approving annual financial results and subsequently approved by the shareholders in annual general meeting. Post approval of dividend in AGM, dividends are paid and recorded in books accordingly.

#### **1.14 Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

The financial instruments are recognized in the balance sheet when the company becomes a party to the contractual provisions of the financial instrument. The company determines the classification of its financial instruments at initial recognition.

#### **1.15 Impairment of assets**

**Financial assets:** The company recognizes loss allowances using the expected credit loss (ECL) model

## **SAL AUTOMOTIVE LIMITED**

(Formerly Swaraj Automotives Limited)

---

for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables is measured at an amount equal to life time ECL and charged to the statement of profit & loss account subject to the provisions created so far.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in statement of profit or loss.

**Non-financial assets:** Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

### **1.16 Cash and cash equivalents**

Cash and cash equivalents comprise cash in hand, balances with banks in Current Accounts, demand deposits with banks/corporates and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

### **1.17 Cash flow statement**

The cash flow statement is prepared in accordance with the Indian Accounting Standard (Ind AS) - 7 "Statement of Cashflows" using the indirect method for operating activities.

### **1.18 Provisions**

A provision shall be recognized when:

- (a) an entity has a present obligation as a result of a past event;
- (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (c) a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

### **1.19 MSMED Act, 2006**

Payment of Interest as per provisions of MSMED Act, 2006 is accounted for on actual payment basis as & when incurred.

### **1.20 Product Warranty**

In respect of warranty given by the company on sale of rotavators, the estimated cost of warranty is provided at the time of sale. The estimate for accounting of warranty is reviewed and revisions are made as on annual basis.

### **1.21 Segment Reporting**

The Company identifies primary segments based on the dominant nature of products, risks and returns, category of customers dealt and the internal reporting system, organization and management structure.

The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The Company's business is primarily dominated by Automobile components and Agriculture Implements and accordingly there is no reportable secondary segment. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company.

**2.50 STANDARDS ISSUED BUT NOT YET EFFECTIVE**

The amendments to the standards that are issued, but not yet effective, up to the date of issuance of the company's financial statements are disclosed below.

The company intends to adopt these standards, if applicable, when they become effective.

Ind AS 116 Leases was notified on March 30, 2019 and it replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 is effective for annual periods beginning on or after April 01, 2019.

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17.

The standard includes two recognition exemptions for lessees - leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less).

At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

The adoption of this standard is not likely to have a material impact in its Financial Statements.
