PRESS RELEASE

Sunita Tools Limited's New Era in Defence and Weapons Manufacturing

Mumbai, December 16, 2024, In a strategic and well planned move to grow its share in the Defence Aerospace and Weapons manufacturing and Diversify to manufacture and market different products to Sunita Tools Limited existing products, announces a significant Majority 55% share total cost of (Undisclosed) in cash Acquisition of a Tripathi Aerotech and Weapons Manufacturing Pvt Ltd company, A Company Where Shigna Industrial Corporation a sole proprietor co on Mr Rajeev Tripathi and Sunita Tools Limited have come together, Formalities for this acquisition will be completed in 60 days from signing the Agreement.

This Acquisition of the Tripathi Aerotech and Weapons Manufacturing Pvt Ltd in turn with Shigna Industrial corporation (sales undisclosed due to confidentiality) is Sunita Tools Limited's strategic vision to expand its portfolio of products related to Aerospace, Defence and Weapons Mfg and gives us both the qualification as per net worth, Infrastructure and multi location manufacturing facility to take orders of Gun parts and Artillery Shell cases in Huge numbers as size of project.

This move propels Sunita Tools Limited to leverage its 36 years Technical expertise along with the Acquisition partner to manufacture Gun Parts, Defence Parts, Artillery Shell case etc which have a vast and huge market in India and Worldwide. Shigna Industrial Corporation and Tripathi Aerotech and weapons manufacturing Company Is Registered as vendor and works with various Defence & Ordnance Factory & establishments in India presently.

The company anticipates that this expansion will not only give Sunita Tools Limited Aerotech and Defence capabilities but also contribute to the profitability of the Sunita Tools Ltd. Furthermore, the other subsidiary manufacturing companies in Sunita Tools Limited Group too will benefit from this acquisition as they have similar machinery as needed to make parts for Tripathi Aerotech.

About Sunita
