COMPANY'S SALES PERFORMANCE FOR THE QUARTER ENDING SEPTEMBER 30, 2024

We are pleased to report that Calcom Vision Limited has recorded quarterly sales of **₹34.08** Crores for this quarter, representing an impressive **87% growth** compared to the previous quarter.

A significant milestone achieved this quarter is the approval of our Solar Street Light Prototype. This development aligns with our commitment to expand our product offerings in the renewable energy and sustainable technology sectors. We expect the production to commence from the end of this Quarter or by the beginning of next Quarter.

Looking ahead, we are excited to announce our foray into Outdoor Lighting Segment starting in the 3rd quarter of this financial year. We have developed a complete range of Street Lights catering to both Trade as well as Professional Category. There are several new products under development in the Outdoor Lighting Segment.

OUTLOOK FOR THE YEAR

Calcom Vision Limited remains confident and optimistic for the financial year ahead. Though the first half performance is not comparable to the last Year, we are sure that our annual sales will exceed the previous year numbers and expect the annual sales to touch the 200 Crores mark for the first time.

We are confident that our continued focus on innovation, operational efficiency, and market expansion will deliver strong results and create sustainable value for our shareholders.
