Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Snowman Logistics Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Snowman Logistics Limited (the "Company") for the quarter ended September 30, 2020 and year to date from April 01, 2020 to September 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. **Emphasis of Matter**
We draw your attention to Note 3 to the accompanying unaudited Ind AS financial results, which describes the management's assessment of the impact of the uncertainties related to outbreak of COVID-19 on the business operations of the Company.
Our conclusion is not modified in respect of this matter.

Bangalore 28th October 2020:

During the quarter ended September 30, 2020, Snowman Logistics Ltd recorded a Revenue of INR 57.69 Crores against INR 58.38 Crores in Q2 FY19-20. EBITDA decreased to INR 15.19 Crores from INR 16.12 Crores in the corresponding quarter of the previous year. PBT decreased to INR. (1.73) Crores from INR. (1.29) Crores in the corresponding quarter of the previous year and PAT decreased to INR (1.73) Crores in the current quarter from INR (1.40) Crores in the same period in the previous year.

Speaking about the quarter performance, Mr. Sunil Nair, CEO, Snowman Logistics Ltd said, *"In spite of the business impact faced by our major set of customers, we have done fairly well and have been able to maintain a high warehouse occupancy rate during this year. This was possible due to the new business pipeline that we had maintained across various segments. Now we are seeing our customers' businesses resuming to pre-lockdown levels. This should help us do better in the coming quarters as our existing business grows and the new volumes are retained. Further, we have almost finished the construction of dedicated facility for Amazon in Kundli (near Delhi), and it should be functional from 1st of November. Our new facility at Siliguri is under construction along with expansion planned at Coimbatore, Krishnapatanam and Mumbai. We are on track with respect to all these projects to be ready for operations in Q4 of this year. The total capital outlay for these projects which will add around 12,000 pallets will be around Rs.75 crores."*
