#### BSES to approach Centre to stop buying power from NTPC's Dadri-1 plant

FE BUREAU New Delhi, July 2

THE CENTRAL ELECTRICITY
Regulatory Commission
(CERC) has allowed one of
Delhi's power distribution
companies (discoms) BSES to approach the Union power
ministry for de-allocating its
share of electricity supply from
NTPC's Dadn't-generating station. The plant supplies power
at an average cost of
66.50/unit, making it one of
the costlients power stations
providing electricity to the
National Capital Region. "This
will bring down the power purchase cost of the power distribution companies (discoms) and
help in lowering the power tariff, thus benefitting the 45 lakh
consumers of BSES in Delhi," a
spokesperson from the private
discom in Delhi said.
BSES had entered a consol-THE CENTRAL ELECTRICITY

BSSS had entered a consol-idated power purchase agree-ment (PPA) in june, 2007 with NTPC for supplying electricity from its various generating stations, including the 840 mega-watt (WW) Dadri-1 unit. The validity of the PPA was till March 2012, after which the two parties entered into a sup-plementary PPA extending the expiry dates supply period. The Dadri-1 station, commissioned BSES had entered a consolexpiry dates supply period. The Dadri-I station, commissioned in December, 1995, completed 25 years of operation on November, 2020 and BSES claimed that the validity of the PPA was till the end of life of the respective generating stations from which NTPC was to supply power.

supply power.
According to CERC's 2019
tariff regulations, discoms tariff regulations, discoms were given an opportunity to continue sourcing electricity which have completed 25 years on mutually agreed terms with generating companies. The regulations also allowed the discom the first right of refusal "for procuring electricity from old power plants. Accordingly, RSES in November, 2020 sought to ston taking nower from November, 2020 sought to stop taking power from Dadri-I generating station from December 1, 2020. BSES consumed 621 MW from the Dadri-I plant, com-prising 74% of the unit's total capacity.

OVER 30 million content pieces across 10 violation categories during May 15- June 15 in the country, the social media giant said in its maiden monthly compliance report as mandated by the IT rules. Instagram took action against about two million pieces across nine categories during the same period. Under the new IT rules, large digital platforms (with over 5 million users) will have to publish periodic compliance reports every month, mentioning the details of complaints received and action taken thereon. The report is to also include the number of specific

racebook to

communication links or parts of information that the intermediary has removed or dis-abled access to in pursuance of any proactive monitoring con-ducted by using automated

tools. While Facebook actioned over 30 million content pieces

across multiple categories dur-ing May 15-June 15, Insta-gram took action against about 2 million pieces. A Facebook spokesperson said over the years, Facebook has consistently invested in technology, people and processes to furtherits agenda of keeping users safe and secure online and enabling them to express themselves freely on its platform. "We use a combination of artificial intelligence, reports from our community and review towners and review boutent against

and review content against our policies. We'll continue to our policies. We it continue to add more information and build on these efforts towards transparency as we evolve this report," the spokesperson said in a statement to PTI.
