The decentralized power looms/ hosiery and knitting sector forms the largest component in the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce wide variety of products suitable for different market segments, both within India and across the world.

The court directed the AMC to disconnect the water and drainage connections of industrial units which release partially treated/untreated water and added that no re-connection shall be granted by AMC without prior approval of GPCB.

On January 28, 2022 the high court of Gujarat had rejected applications filed by 11 industrial units against the AMC and GPCB after they snapped drainage connections of 393 industrial units during the drive following the High court order. The industries had raised the issue of the right to discharge treated effluents in to the AMC sewage lines but he court discussed the law in detail and concluded that industries do not have a right to release their treated effluents in sewage lines and mix them with domestic waste water. The industrial units filed an appeal against the High Court order in the Supreme Court but the same was rejected by Supreme Court on 25.3.2022 and upheld the high court order by which it refused to allow the industrial units to discharge their treated effluents into the AMC sewage lines. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the Standalone Ind AS Financial Statements.

Material Uncertainty Related to Going Concern

We draw attention to **Note No. 43** of the Standalone Financial Statements, due to the direction of the Gujarat High Court Dt. 23rd September, 2021, the Ahmedabad Municipal Corporation (AMC) has disconnected water and drainage connection of the Company. Hence, the operations of the Company are closed with effective from 26th November, 2021 and the Company has incurred loss of ₹ 1643.21 lakhs during the year ended 31st March, 2022 and as of date negative net worth of the Company stood at ₹ 8571.75 lakhs. In the opinion of the management, company's assets including cash & bank balance are sufficient to meet the liabilities of the company. Management of the Company is also evaluating various options including starting new line of business. These conditions, along with other matter as set forth in aforesaid note, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as going concern. The promoters of the Company have assured to give financial support to the Company for the foreseeable future which may be required by the Company. The management has assessed that the Company continuous to be going concern.

Our opinion is not modified in respect of the above said matter.

Emphasis of Matter

We draw your attention to:

- a) We draw attention to **Note No. 47** of Standalone Ind AS Financial Statements, regarding Parliament approval and Presidential assent on The Code on Social Security, 2020('Code') relating to employee benefits during employment and post - employment benefits, which can affect the employment benefit cost of the Company in future. However, the date on which the Code will come into effect has not been notified.

- b) We draw attention to **Note No. 30** of Standalone Ind AS Financial Statements wherein Exceptional items for the year ended 31st March, 2022 represent following components.

Sr. No.	Particulars	Year Ended 31.03.2022 (₹ In lakhs)	Remarks, if any

2.	Provision for Obsolete Inventory	(79.16)	Fair Value Assessment as per Ind As 113
3.	Provision for diminution in value of Investment	(34.21)	Fair Value Assessment as per Ind As 109
4.	Net Balance Written off for Receivables and Payables	51.92	Fair Value Assessment as per Ind As 109
	Total	203.37	

- c) The Company had advanced a loan to its associate company 'Soma Textiles FZC' (UAE) out of GDR proceeds*, classified as Non-Current Loan. The Closing Balance of the same Loan is ₹ 6882.90/- lakhs (Previous year ₹ 7195.68/- lakhs). The Company has quasi-equity in addition to the capital contribution to Soma Textiles FZC. When the said loan was given, the said company was a wholly owned subsidiary, however with effect from 31st March, 2010, the Company's holding in this company has diluted from 100% to 40%. In the audited financial statement of Soma Textiles FZC ended as at 31st March, 2022 the accumulated loss reflects at AED 8,03,800 as against the total capital of AED 9,00,000 (including statutory reserves).

**SEBI has barred Soma Textiles & Industries Ltd, SK Somany, AK Somany, P Bandopadhyay, Prafull Anubhai, Sunil Patel and Whiteview Trading Corporation for indulging in fraudulent trading activities with respect to GDR issuance by Soma Textiles & Industries Ltd vide order WTM/AB/IVD/10343/2020-21 dated 08.02.2021. An investigation was conducted by SEBI with respect to the GDR (Global Depository Receipt) issuance by the Company during October, 2006. The Company, Promoter Directors, Executive Director and others preferred an appeal against the order of SEBI before the Security Appellate Tribunal (SAT) and the matter is kept for hearing on 30-05-2022, and therefore the matter is sub judice*

- d) We draw your attention to the fact that liabilities due to Invent Assets Securitisation & Reconstruction Pvt. Ltd. (Invent ARC) are subject to test of fair valuation, as there was stipulation in agreement, between the Company and Invent Assets Securitisation & Reconstruction Pvt. Ltd., that any default in instalment will cause the arrangement settlement to be withdrawn and all the liabilities as per original terms of contract shall be restored. Considering the same, the Company had continued the entire exposure at the time of restructuring less payment already made to Invent ARC. Company had accounted for the interest on the borrowings as appearing in the accompanying Standalone Ind AS Financial Statements amounting to ₹ 1811.83 lakhs of the Company for the year ended 31st March, 2022. We have relied upon internal working done by management of company. As per management assessment. The differential portion of borrowing will be accounted as income (remission of bank liability) in the financial year in which the Company will make full and final payment towards the restricting plan to Invent ARC.
- e) We draw your attention to the fact that Asset Held for Sale represents a part of net block of Plant and Machinery only, the carrying amount of the same is ₹ 42.84 Lakhs as on 31st March, 2022. Management is quite confident that the same will be sold within one year.

Our opinion is not modified in respect of the above matters.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and is free from material misstatement, whether due to fraud or error. The Standalone Ind AS Financial Statements are the responsibility of the Company's Management. The accompanying Standalone Ind AS Financial Statements pertain to the period where the Board of Directors holds the responsibility for the financial transactions and to whom any significant exceptions/ adjustments in the statements are solely attributable under the review period. The Audited Standalone Ind AS Financial Statements for the year ended 31st March, 2022 have been prepared by the Management of the Company and have been approved by the Company's Board of Directors.

In preparing the Standalone Ind AS Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNUAL REPORT 2021-22

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SOMA TEXTILES & INDUSTRIES LIMITED, ON STANDALONE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Soma Textiles & Industries Limited of even date)

ANNEXURE A

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

In conjunction with our audit of the Standalone Ind AS Financial Statements of **SOMA TEXTILES & INDUSTRIES LIMITED** ("The Company") as at end for the year ended 31st March, 2022, we have audited the internal financial controls over financial reporting (IFCoFR) of The Company as of that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by The Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on The Company's IFCoFR based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on The Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of The Company; (2) provide reasonable assurance that transactions recorded as necessary to permit preparation of Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of The Company are being made only in accordance with authorizations of management and directors of The Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of The Company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, The Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by The Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Ltd. in the year 1940 under the Indian Companies Act, VII of 1913 and the name of the company was changed to Soma Textiles & Industries Ltd. on 21st January, 1992. The Company engaged in manufacturing of Textile Fabrics. The address of its registered office is Kolkata, West Bengal - 700001.

2 SIGNIFICANT ACCOUNTING POLICIES

2.01 Statement of Compliance:

These financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by the Companies (Indian Accounting Standards) Rules, 2016, the Companies (Indian Accounting Standards) Rules, 2017 and other relevant provisions of the Companies Act, 2013.

2.02 Basis of Preparation and Presentation:

The Financial Statements have been prepared on the historical cost basis except for certain financial instruments measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The financial statements are presented in Indian Rupees (₹) which is the Company's functional and presentation currency.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupees in lakhs (upto two decimals), except share data and as otherwise stated as per the requirement of Schedule III of the Companies Act 2013.

The financial statements were approved by the Board of Directors on 13th May, 2022.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 "Presentation of financial statements". Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current-non current classification of assets and liabilities.

2.03 Revenue Recognition:

Revenue from the sale of the Company is recognised when delivery has taken place and control of the goods has been transferred to the customer, and when there are no longer any unfulfilled obligations.

- a) The customer obtains control of the goods when the significant risks and reward of products sold are transferred according to the specific delivery term that have been agreed with the customer.
- b) Revenue is measured at fair value of the consideration received or receivable, after deduction of any discounts, price concessions, volume rebates and any taxes or duties collected on behalf of the government such as

goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts, price concessions and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

2.04 Goods and Service Tax

All items in the financial statements are presented exclusive of Goods and Services Tax (GST) except for receivables and payables, which are presented on a GST-inclusive basis. Where GST is not recoverable as input tax, it is recognized as part of the related asset or expense. The net amount of GST recoverable from the Department is included as part of receivables in the Financial Statement.

2.05 Other Income:

- a) Interest income is recognised on the time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.
- b) Insurance and other claims are accounted as and when unconditionally admitted by the appropriate authorities.
- c) Gains or Losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss in the year of such retirement or disposal.

2.06 Property, Plant and Equipment:

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or Losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

Capital work-in-progress / intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

The management's estimate of useful lives are in accordance with Schedule II to the Companies Act, 2013. Depreciation is provided on pro-rata basis on the straight line method over the useful life of assets. The useful life, residual value and the depreciation method are reviewed atleast at each financial year end and adjusted prospectively.

Spare parts in the nature of capital spares/ insurance spares are added to the cost of the assets. The total cost of such spares is depreciated over a period not exceeding the useful life of the asset to which they relate.

Capital Subsidy under TUFs from Ministry of Textiles on specified processing machinery has been deducted from the respective Fixed Assets and is represented at their Net off values.

2.07 Intangible Assets:

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives. The amortisation period and amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

2.08 Impairment of assets:

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset or a cash-generating unit is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) earlier.

ANNUAL REPORT 2021-22

2.09 Investments :

Investments are classified as Long Term Investments and Current Investments. Long term investments are stated at Cost. Provision is made for diminution in the value of Long term Investments to recognise a decline, if any other than temporary in nature.

2.10 Financial instruments:

1. Initial recognition and measurement

Financial assets and/or financial liabilities are recognised when the Company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2. Financial assets:

Classification and subsequent measurement of financial assets:

a) Classification of financial assets:

- (i) The Company classifies its financial assets in the following measurement categories:
 - those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
 - those measured at amortised cost.
- (ii) The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.

b) Subsequent Measurement

(i) Equity instruments:

The Company subsequently measures all equity investments at fair value. There are two measurement categories into which the Company classifies its equity instruments:

Investments in equity instruments at FVTPL:

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for equity instruments which are not held for trading.

Investments in equity instruments at FVTOCI:

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments.

c) Impairment of financial assets:

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

d) Derecognition of financial assets:

A financial asset is primarily derecognised when:

1. the right to receive cash flows from the asset has expired, or

2. the Company has transferred its rights to receive cash flows from the asset; and
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognised in the Statement of Profit and Loss.

3. Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial Liabilities

Classification and subsequent measurement

The Company's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent measurement of financial liabilities depends on their classification as fair value through Profit and loss or at amortized cost. All changes in fair value of financial liabilities classified as FVTPL are recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in profit and loss when the liabilities are derecognized."

Offsetting of financial instruments

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of profit and Loss immediately.

2.11 Inventories:

Inventories are stated at the lower of cost and net realisable value.

Cost of inventories comprise all costs of purchase (net of input credits), costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale."

Cost of raw materials and components, packing materials, stores, spare parts other than specific spares for machinery and finished goods are determined on the basis of 'First-in-First-out' (FIFO) or 'Weighted Average Cost', as applicable.

Cost of Materials in transit are determined at cost-to-date.

2.12 Foreign currencies:

Items included in the financial statements of the Company are recorded using the currency of the primary economic environment (INR) in which the Company operates (the 'functional currency').

ANNUAL REPORT 2021-22

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions, and from translation of monetary assets and liabilities at the reporting date exchange rates are recognised in the Statement of Profit and Loss.

2.13 Employee Benefits:

Retirement benefit costs and termination benefits:

Defined Contribution Plans

Payment to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Contributions to Provident and Family Pension Fund and Superannuation scheme, which are defined contribution plans, are made as required by the statute and expensed in the Statement of profit and loss.

Defined Benefit Plans

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement comprising actuarial gains and losses and the effect of the changes to the return of plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to Statement of Profit and Loss. Past service cost is recognised in Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item "Employee benefits expense". Curtailment gains and losses are accounted for as past service cost.

Short-term and other long-term employee benefits:

Short term employee benefits are recognized as an expense at undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

2.14 Borrowing Costs:

- (a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.
- (b) All other borrowing costs are recognised as expense in the period in which they are incurred.

2.15 Taxation:

Tax expense comprises current and deferred tax. Current tax is measured at the amount estimated/calculated to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Deferred tax reflects the tax effect of the timing differences between accounting income and taxable income originating and reversing during the year. Deferred tax is measured based on the tax rate and tax laws enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

2.16 Provisions, Contingent Liabilities and Contingent Assets:

Provisions : Provisions are recognised when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured using the cash flows estimated to settle the present obligation at the Balance sheet date.

Contingent Liabilities : Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets : Contingent assets are disclosed, where an inflow of economic benefits is probable.

2.17 Cash and cash equivalents:

Cash and Cash equivalents include cash, cheques on hand, cash at bank and short term deposits with banks having original maturity of three months or less, which are subject to insignificant risk of changes in value.

2.18 Non-current Assets held for sale:

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at their carrying amount as current market valuation is not available. Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortised.

2.19 Statement of Cash Flows:

Cash flows are reported using the indirect method whereby profit / (loss) is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.20 Earnings per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.21 Critical accounting judgements and key sources of estimation uncertainty:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes judgements, estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to significant accounting estimates include useful lives and impairment of property, plant and equipment, allowance for doubtful debts/advances, deferred tax assets, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, allowances for inventories, etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

(i) Useful lives and Impairment of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This re-assessment may result in change in depreciation expense in future periods.

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Company makes an estimate of the asset's recoverable amount. An asset's recoverable amount is the higher of its fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets and the asset's value in use cannot be estimated to be close to its fair value. In such cases the asset is tested for impairment as part of the cash-generating unit to which it belongs. When the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset or cash-generating unit is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Impairment losses relating to continuing operations are recognised in those expense categories consistent with the function of the impaired asset.

ANNUAL REPORT 2021-22

(ii) Allowance for doubtful debts/advances

When determining the lifetime expected credit losses for trade receivables, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and credit assessment and including forward-looking information.

(iii) Deferred tax assets

Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits. The amount of total deferred tax assets could change if estimates of projected future taxable income or if tax regulations undergo a change.

(iv) Employee Benefit Obligations

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(vi) Allowance for Inventories

An inventory provision is recognised for cases where the realisable value is estimated to be lower than the inventory carrying value. The inventory provision is estimated taking into account various factors, including prevailing sales prices of inventory item and losses associated with obsolete / non-moving inventory items.

2.22 Amendments to Schedule III of the Companies Act, 2013

Ministry of Corporate Affairs (MCA) issued notifications dated 24th March, 2021 to amend Schedule III of the Companies Act, 2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting 1st April, 2021 and applied to the standalone financial statements:

- i. Certain additional disclosures in the standalone Statement of Changes in Equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- ii. Additional disclosure for shareholding of promoters.
- iii. Additional disclosure for ageing schedule of trade receivables & trade payables.
- iv. Specific disclosure such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in the name of the Company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties etc.
- v. Additional disclosures relating to Corporate Social Responsibility (CSR) and undisclosed income.

2.23 Recent Accounting Developments:

Ministry of Corporate Affairs (MCA), vide notification dated 23rd March, 2022, has made the following amendments to Ind AS which are effective 1st April, 2022:

- i. Ind AS 109: Annual Improvements to Ind AS (2021)
- ii. Ind AS 103: Reference to Conceptual Framework
- iii. Ind AS 37: Onerous Contracts - Costs of Fulfilling a Contract
- iv. Ind AS 16: Proceeds before intended use

Based on preliminary assessment, the Company does not expect these amendments to have any significant impact on its standalone financial statements.

(2) Defined Benefit Plans:

The Defined Benefit Plan is as below:

Gratuity (unfunded)

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for compensated absences is recognised in the same manner as gratuity.

The plan typically exposes the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

The Probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Interest risk

If the Discount Rate i.e the yield on the Government Bonds decrease in future, the Actuarial Liability will increase and vice versa.

The quantum of increase in valuation liability corresponding to specific decrease in the Discount Rate and vice versa, has been shown in the annexure containing the sensitivity Analysis of Key Actuarial Assumption.

Longevity risk

If the Mortality rate experienced by the staff of a particular company is higher than what is assumed in mortality Table used in the valuation, the valuation liability will increase.

However, it will be very cumbersome to measure the quantum of increase for assumed reduction of Mortality rates as can be done in case of changes in salary Growth Rate and Interest Rate."

Salary risk

If the salary Growth Rate over the future years of services is increased, the Actuarial Liability will increase and vice versa.

The quantum of increase in the valuation liability corresponding to specific increase in the salary growth rate and vice versa has been shown in the annexure containing Sensitivity Analysis of key Actuarial Assumption.

The most recent actuarial valuation of the present value of the defined benefit obligation was carried out at 31st March, 2022 by an independent actuary. The present value of the defined benefit obligation, the related current service cost and past service cost were measured using the projected unit credit method.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SOMA TEXTILES & INDUSTRIES LIMITED

Report on the Audit of the Consolidated Ind AS Financial Statement

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of **Soma Textiles & Industries Limited** ('the Holding Company') and its associate (the Company and its associate together referred to as the "Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditor on separate financial statements and on the other financial information of the associate the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Company (including its associate) as at 31st March, 2022, and its consolidated loss (consolidated financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matters paragraph below is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to the fact that due to the direction of the Gujarat High Court Dt. 23rd September, 2021, the Ahmedabad Municipal Corporation (AMC) has disconnected water and drainage connection of the Holding Company. Hence, the operations of the Holding Company are closed with effective from 26th November, 2021 and the Group has incurred loss of ₹ 1637.40 lakhs during the year ended 31st March, 2022 and as of date negative net worth of the Group stood at ₹ 8571.75 lakhs. In the opinion of the management, Holding Company's assets including cash & bank balance are sufficient to meet the liabilities of the company. Management of the Holding Company is also evaluating various options including starting new line of business. These conditions, along with other matter as set forth in aforesaid note, indicate the existence of a material uncertainty that may cast significant doubt about the Holding Company's ability to continue as going concern. The promoters of the Holding Company have assured to give financial support to the Holding Company for the foreseeable future which may be required by the Holding Company. The management has assessed that the Holding Company continuous to be going concern.

Our opinion is not modified in respect of the above said matter.

Emphasis of Matter

We draw your attention to:

- a) We draw attention to **Note No. 48** of Consolidated Ind AS Financial Statements, regarding Parliament approval and Presidential assent on The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post - employment benefits, which can affect the employment benefit cost of the Group in future. However, the date on which the Code will come into effect has not been notified.

- b) We draw attention to **Note No. 30** of Consolidated Ind AS Financial Statements wherein Exceptional items for the year ended 31st March, 2022 represent following components.

Sr. No.	Particulars	Year Ended 31.03.2022 (₹ In lakhs)	Remarks, if any
1.	Foreign Exchange Fluctuation	264.82	-
2.	Provision for Obsolete Inventory	(79.16)	Fair Value Assessment as per Ind As 113
3.	Provision for diminution in value of Investment	(23.12)	Fair Value Assessment as per Ind As 109
4.	Net Balance Written off for Receivables and Payables	51.92	Fair Value Assessment as per Ind As 109
	Total	214.47	

- c) The Holding Company had advanced a loan to its associate company 'Soma Textiles FZC' (UAE) out of GDR proceeds*, classified as Non-Current Loan. The Closing Balance of the same Loan is ₹ 6882.90/- lakhs (Previous year ₹ 7195.68/- lakhs). The Company has quasi-equity in addition to the capital contribution to Soma Textiles FZC. When the said loan was given, the said company was a wholly owned subsidiary, however with effect from 31st March, 2010, the Company's holding in this company has diluted from 100% to 40%. In the audited financial statement of Soma Textiles FZC ended as at 31st March, 2022 the accumulated loss reflects at AED 8,03,800 as against the total capital of AED 9,00,000 (including statutory reserves).

**SEBI has barred Soma Textiles & Industries Ltd, SK Somany, AK Somany, P Bandopadhyay, Prafull Anubhai, Sunil Patel and Whiteview Trading Corporation for indulging in fraudulent trading activities with respect to GDR issuance by Soma Textiles & Industries Ltd vide order WTM/AB/IVD/10343/2020-21 dated 08.02.2021. An investigation was conducted by SEBI with respect to the GDR (Global Depository Receipt) issuance by the Company during October, 2006. The Company, Promoter Directors, Executive Director and others preferred an appeal against the order of SEBI before the Security Appellate Tribunal (SAT) and the matter is kept for hearing on 30-05-2022, and therefore the matter is sub judice*

- d) We draw your attention to the fact that liabilities due to Invent Assets Securitisation & Reconstruction Pvt. Ltd. (Invent ARC) are subject to test of fair valuation, as there was stipulation in agreement, between the Holding Company and Invent Assets Securitisation & Reconstruction Pvt. Ltd., that any default in installment will cause the arrangement settlement to be withdrawn and all the liabilities as per original terms of contract shall be restored. Considering the same, the Holding Company had continued the entire exposure at the time of restructuring less payment already made to Invent ARC. Group had accounted for the interest on the borrowings as appearing in the accompanying Consolidated Ind AS Financial Statements amounting to ₹ 1811.83 lakhs of the Holding Company for the year ended 31st March, 2022, we have relied upon internal working of interest provision done by management of holding company. As per management assessment, the differential portion of borrowing will be accounted as income (remission of bank liability) in the financial year in which the Holding Company will make full and final payment towards the restricting plan to Invent ARC.
- e) We draw your attention to the fact that Asset Held for Sale represents a part of net block of Plant and Machinery of the Holding Company only, the carrying amount of the same is ₹ 42.84 lakhs as on 31st March, 2022. Management is quite confident that the same will be sold within one year.

Our opinion is not modified in respect of the above matters.

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Ind AS Financial Statements, Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the Consolidated state of affairs (Consolidated financial position), Consolidated profit or loss (Consolidated financial performance including other comprehensive income), Consolidated changes in equity and Consolidated cash flows of the Holding Company and its associate in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act.

The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Ind AS Financial Statements. Further, in terms of the provisions of the Act, the respective Board of Directors/ Management of the companies and its associate companies covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, management is responsible for assessing the Company's (including its associate) ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company (including its associate) or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's (including its associate) ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company (including its associate) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the Consolidated Ind AS Financial Statements.

Materiality is the magnitude of misstatements in the Consolidated Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNUAL REPORT 2021-22

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SOMA TEXTILES & INDUSTRIES LIMITED, ON CONSOLIDATED IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

ANNEXURE A

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

In conjunction with our audit of the Consolidated Ind AS Financial Statements of **SOMA TEXTILES & INDUSTRIES LIMITED** ('The Holding Company') and its associate (the Company and its associate together referred to as the "Group"), for the year ended 31st March, 2022, we have audited the internal financial controls over financial reporting (IFCoFR) of the Company as of that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Group.

Meaning of Internal Financial Controls over Financial Reporting

A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS Financial Statements of external purposes in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions recorded as necessary to permit preparation of Consolidated Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Ind AS Financial Statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Holding Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022 based on the criteria for internal financial control over financial reporting established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements of the Holding Company, in so far as it related to an associate company, which is company incorporated outside India, is based on the corresponding reports of the auditors of such associate and in cases where the components are unaudited and based overseas, no such tests have been conducted and management representations have been relied upon.

ANNUAL REPORT 2021-22

Notes to the financial statements

Summary of significant accounting policies followed by the company

The consolidated financial statements includes results of the associates of Soma Textile & Industries Limited, consolidated in accordance with Indian Accounting Standards 28 'Investment in Associates and Joint Ventures.

Name of the company	Country of Incorporation	% shareholding of Soma Textile & Industries Limited	Consolidated as
Soma Textile FZC	Outside India	40%	Associate

An associate is an entity over which the Group is in a position to exercise significant influence over operating and financial policies. The considerations made in determining whether significant influence is being exercised are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its associate are accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

The Statement of Profit and Loss reflects the Group's share of the results of operations of the associate. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the Group recognises its share of any changes, when applicable, in the Statement of Changes in Equity.

Unrealised gains and losses resulting from transactions between the Group and the associate are eliminated to the extent of the interest in the associate.

If an entity's share of losses of an associate equals or exceeds its interest in the associate (which includes any long-term interest that, in substance, form part of the Group's net investment in the associate), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of an associate is shown on the face of the Statement of Profit and Loss.

For the purpose of Section 2(6) of the Companies Act, 2013, "associate company", in relation to another company, means a company in which that the other company has a significant influence, but which is not a subsidiary company of the company having such influence and includes a joint venture company. Explanation- For the purpose of this clause , "significant influence" means control of at least twenty per cent of total share capital and/or the ability to significantly influence the operational and financial policies of the company but not control them. The holding of Soma Textiles & Industries Limited in Soma Textile FZC is 40%. The Soma Textile FZC is consolidated as an associates by virtue of formers ability to influence the operational and financial policies whereby the share of the parent in the associate's net worth and profit has been picked up and accounted for under an independent line item in the "General Reserve","investment" and "Statement of profit and loss". The excess of cost of investment in the associate and the share of net worth of the associate on the day of investing is reflected as a "Goodwill".

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by the Companies (Indian Accounting Standards) Rules, 2016, the Companies (Indian Accounting Standards) Rules, 2017 and other relevant provisions of the Companies Act, 2013.
