EXPLANATORY STATEMENT UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 3

Mr. Vasant Gaurishankar Joshi (DIN:00193105) was appointed as an Additional Director (Non-Executive Independent) of the Company, by the Board of Directors of the Company on 20th September, 2018 and holding office upto the date of the ensuing Annual General Meeting of the Members of the Company.

Mr. Vasant Gaurishankar Joshi has given his consent to act as an Independent Director of the Company, along with a Declaration stating that he is not disqualified from being appointed as a Director in the Company in terms of Section 164 of the Companies Act, 2013. Further, he has submitted the declaration as required pursuant to Section 149(7) of the Act stating that he meets the criteria for Independence as provided in sub section (6) of Section 149 of the Act.

In the opinion of the board, Mr. Vasant Gaurishankar Joshi fulfils the conditions specified in the Companies Act, 2013 and the Listing Regulations for appointment as Independent Director and he is independent of the management. Given Mr. Vasant Gaurishankar Joshi's expertise, your board is of the view that Mr. Vasant Gaurishankar Joshi's appointment as an Independent Director would be of immense value to the Company.

As per the provisions of section 149 of the Act, Independent Director shall hold office for a term upto five consecutive years on the Board of the Company and is not liable to retire by rotation. In compliance with the provisions of section 149 of the Act read with Schedule IV of the Act, the appointment of Mr. Vasant Gaurishankar Joshi, as an Independent Director is now being placed before the members in general meeting for their approval.

The brief profile of Mr. Vasant Gaurishankar Joshi as per the requirements of the Companies Act, 2013, and the SEBI Listing Regulations and the rules made thereunder and the Secretarial Standard on General meetings (SS-2) are given in Annexure – I, forming part of this Explanatory Statement.

Except, Mr. Vasant Gaurishankar Joshi, none of the Directors, Key Managerial Personnel of the Company or their relatives are deemed to be interested or concerned, financially or otherwise in the said resolution.

The Board recommends the resolution set out under Item No. 3, for approval of the Members of the Company by way of an Ordinary Resolution.

Item No. 4

Mr. Bharat Sugnomal Bhatia (DIN:00195275) was appointed as an Additional Director (Independent) of the Company, by the Board of Directors of the Company on 20th September, 2018 and holding office upto the date of the ensuing Annual General Meeting of the Members of the Company.

Mr. Bharat Sugnomal Bhatia has given his consent to act as an Independent Director of the Company, along with a Declaration stating that he is not disqualified from being appointed as a Director in the Company in terms of Section 164 of the Companies Act, 2013. Further, he has

submitted the declaration as required pursuant to Section 149(7) of the Act stating that he meets the criteria for Independence as provided in sub section (6) of Section 149 of the Act.

In the opinion of the board, Mr. Bharat Sugnomal Bhatia fulfils the conditions specified in the Companies Act, 2013 and the Listing Regulations fort appointment as Independent Director and he is independent of the management. Given Mr. Bharat Sugnomal Bhatia's expertise, your board is of the view that Mr. Bharat Sugnomal Bhatia's appointment as an Independent Director would be of immense value to the Company.

As per the provisions of section 149 of the Act, Independent Director shall hold office for a term upto five consecutive years on the Board of the Company and is not liable to retire by rotation. In compliance with the provisions of section 149 of the Act read with Schedule IV of the Act, the appointment of Mr. Bharat Sugnomal Bhatia, as an Independent Director is now being placed before the members in general meeting for their approval.

The brief profile of Mr. Bharat Sugnomal Bhatia as per the requirements of the Companies Act, 2013, and the SEBI Listing Regulations and the rules made thereunder and the Secretarial Standard on General meetings (SS-2) are given in Annexure – I, forming part of this Explanatory Statement.

Except, Mr. Bharat Sugnomal Bhatia, none of the Directors, Key managerial Personnel of the Company or their relatives are deemed to be interested or concerned, financially or otherwise in the said resolution.

The Board recommends the resolution set out under Item No. 3, for approval of the Members of the Company by way of an Ordinary Resolution.

Item No. 5

Mr. Rameshchand Garg (DIN:03346742) was appointed as an Additional Director (Independent) of the Company, by the Board of Directors of the Company on 20th September, 2018 and holding office upto the date of the ensuing Annual General Meeting of the Members of the Company.

Mr. Rameshchand Garg has given his consent to act as an Independent Director of the Company, along with a Declaration stating that he is not disqualified from being appointed as a Director in the Company in terms of Section 164 of the Companies Act, 2013. Further, he has submitted the declaration as required pursuant to Section 149(7) of the Act stating that he meets the criteria for Independence as provided in sub section (6) of Section 149 of the Act.

There are no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and company's operations in future.

29. STATUTORY AUDITOR AND STATUTORY AUDITOR'S REPORT

Pursuant to the provisions of Section 139 of the Companies Act, 2013, read with Companies (Audit and Auditors) Rules, 2014, as amended from time to time, M/s. Ambavat Jain & Associates LLP, Chartered Accountant (Firm Registration No.: 109681W) were appointed as the Statutory Auditors of the Company in the 1st Annual General Meeting of the Company held on 29th September, 2017 for term of five consecutive years to hold office till the conclusion of the 6th Annual General Meeting of the Company.

The Auditors' Report on Standalone Financial Statements for the financial year 2018-2019, issued by M/s. Ambavat Jain & Associates LLP, Chartered Accountants, does not contain any qualification, observation, disclaimer, reservation or adverse remark.

30. SECRETARIAL AUDITOR AND SECRETARIAL AUDIT REPORT

Pursuant to the provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, M/s. Ajay Anil Thorat & Associates, Practicing Company Secretaries were appointed as the Secretarial Auditor of the Company to issue the Secretarial Audit Report for the year ended 31st March, 2019. The Secretarial Audit Report for the financial year ended 31st March, 2019 is annexed to this report **Annexure-3**.

M/s. Ajay Anil Thorat & Associates, Practicing Company Secretaries, in their Secretarial Audit Report have made certain qualifications. The auditor's qualifications and Boards explanation thereto are summarized as under:

	Auditors' Qualification	Boards' Explanation
1	<i>Consent to act as director in Form DIR 2 taken from Bharat Keshavlal Shah (DIN 08066115) on 27th January, 2018 however, his DIN was allotted on 07th February, 2018. So ideally he should have given his consent on or after obtaining DIN. Similarity DIR 8 and MBP 1 declarations were given by him prior to obtaining DIN, it should be dated on or after the date of obtaining DIN.</i>	The Company inadvertently took Form DIR-2, MBP-1 and DIR-8 from Mr. Bharat Keshavlal Shah before the date of obtaining DIN by him. The company will take care in future.
2	<i>Further, the company has appointed Bharat Keshavlal Shah (DIN 08066115) as Additional Director on 7th February, 2018 under Section 161 of the Companies Act, 2013 and it is subject to office of director upto the date of subsequent Annual General Meeting and accordingly, if shareholders confirms in the Annual General Meeting then his designation can be changed from Additional Director to Director. However, the company has changed his designation from Additional Director to Director in the Extra-ordinary General Meeting held on 21st February, 2018.</i>	Pursuant to the Scheme of Arrangement, the Resulting Company (Chandni Machines Private Limited) was required to issue shares to the shareholders of the Demerged Company (Chandni Textiles Engineering Industries Limited) in the Share Entitlement Ratio 1:5. Thus, the status of the Company was changed from Private Limited Company to Public Limited Company and in compliance with the provision of the Companies Act, 2013 & Stock Exchange requirement, the Company was required to appoint one more Director. Therefore, Mr. Bharat Keshavlal was appointed

		as an additional director on 7 th February, 2018 by the Board & was regularised on 21 st February, 2018 in Extra Ordinary General Meeting by the Shareholders. The Company then applied for listing of equity shares on BSE after complying with all the required Compliances for the Listed Company.

FORM NO. MR 3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2019

(Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members of
CHANDNI MACHINES LIMITED
(CIN – U74999MH2016PLC279940)
110, T.V. Industrial Estate, 52 S. K. Ahire Marg,
Worli, Mumbai– 400030,
Maharashtra, India

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **CHANDNI MACHINES LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder; (Till the date of signing of this report the status of the company as seen on the master data of Ministry of Corporate Affairs is Unlisted, however the company has got the status of listed company effective from 5th April, 2019 vide BSE Trading Approval letter dated 4th April, 2019 vide reference no DCS/AMAL/TP/JR/8547/2019-20. As per explanation given by the company secretary of the company, the company has tried to submit required papers with Registrar of Companies (ROC) for changes required in master data for changing CIN from U to L and also the status of the company from Unlisted to Listed, but ROC has not accepted the documents due to pressure of strike off companies matters. However, the company has submitted now physical application to ROC on 6th August, 2019 for the said purpose.

Further, during the financial year the company has passed special resolution for conversion of the company into Public Limited Company on 21st February, 2018 and Form MGT 14 for this purpose was filed on 7th March, 2018 and the same was approved on 9th March, 2018. However, the company has not filed Form INC 27 within 15 days of passing of special resolution and therefore

the delay in filing such form required the condonation of delay from the Central Government and accordingly, the company has filed application with the Central Government in Form CG 1 on 14th March, 2018 vide SRN G79280145 and the same is condoned by the Central Government vide its order dated 9th July, 2018.

2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings – Not Applicable
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **[The Company has issued shares during the period of audit, however during the audit period the company has not been listed on any stock exchanges.];**
 - d. SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (The Company was unlisted during the audit period, however it has got listed with Bombay Stock Exchange Limited after completion of the financial year 2018-19 effective from 5th April, 2019 vide BSE Trading Approval letter dated 4th April, 2019 vide reference no DCS/AMAL/TP/JR/8547/2019-20)
 - e. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **[Not Applicable as the Company has not issued and listed any debt securities during the financial year under review] ;**
 - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulation, 1993 regarding the Companies Act and dealing with client; **[Not Applicable as the company is not registered as Registrar to Issue and Share Transfer Agent during the financial year under review] ;**
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulation, 2009; **[Not applicable as the Company has not delisted / proposed to delist its equity shares from any stock exchange during the financial year under review] ;**
 - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **[Not applicable as the Company has not bought back / proposed to buy back any of its securities during the financial year under review].**
 - j. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 **[Not applicable as the Company as there is no any such event took place during the reporting period].**
6. The management has identified and confirmed the following laws as specifically applicable to the company:

- (a) Factories Act, 1948
- (b) Industrial Disputes Act, 1947

I have also examined compliance with the applicable clauses of the following:

- 1) Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meeting (SS-2) issued by The Institute of Company Secretaries of India;
- 2) SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and Listing Agreements entered into by the Company with BSE Limited.

I further report that

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent generally seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All the decisions of the Board and committee thereof were carried out with requisite majority.

I further report that:-

Based on review of compliance mechanism established by the Company and on the basis of the certificate given by the CS and CFO, we are of the opinion that there are adequate systems and processes in place in the company which is commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines:-

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc mentioned above except to the extent as mentioned below:

- (a) *Consent to act as director in Form DIR 2 taken from Bharat Keshavlal Shah (DIN 08066115) on 27th January, 2018 however, his DIN was allotted on 07th February, 2018. So ideally he should have given his consent on or after obtaining DIN. Similarily DIR 8 and MBP 1 declarations were given by him prior to obtaining DIN, it should be dated on or after the date of obtaining DIN.*

(b) Further, the company has appointed Bharat Keshavlal Shah (DIN 08066115) as Additional Director on 7th February, 2019 under Section 161 of the Companies Act, 2013 and it is subject to office of director upto the date of subsequent Annual General Meeting and accordingly, if shareholders confirms in the Annual General Meeting then his designation can be changed from Additional Director to Director. However, the company has changed his designation from Additional Director to Director in the Extra-ordinary General Meeting held on 21st February, 2019.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS

Injection moulding is a dominant sector in the plastics processing industry. The injection moulding process is used to manufacture products in nearly every market segment from automotive and aerospace to toys and medical devices. In 2017, the global market for plastic injection moulding was valued at \$117 billion and it is expected to reach \$233 billion in 2023.

The market for plastic injection moulding machine is segmented based on geography, and by machine type and end-user industry. Geographically, this market can be segmented in four regions namely North American, Europe, Asia-Pacific and Rest of the World. The market is classified on the basis of machine type, namely, hydraulic injection moulding machine, all-electric injection moulding machine, and hybrid injection moulding machine. By end-user industry the market is segmented by automotive, consumer goods, packaging, healthcare, electrical and electronics.

During the year under review, the Company has been in the Business of Trading. The main product of trading includes Plastic Injection Moulding Machine. The Management presents the analysis of performance of your Company for the financial year 2018-19 and its outlook for the future. This outlook is based on assessment of the current business environment and the expectations, estimates and projections of the management of the Company. It may vary due to future economic and political development, both in the Indian and international economies and due to other factors beyond control.

OPPORTUNITY AND THREAT

OPPORTUNITY

Injection moulding machine is used to produce a variety of multi-dimensional and complex products with plastics and other raw materials. Plastics polymers are most commonly used raw material by injection moulding machines. In the plastics processing industry, injection moulding machinery occupies the major share of the plastic moulding market. The growth in demand of plastic injection moulding machinery is from automobile and packaging industry backed by positive growth trend from manufacturing industry in developed countries.

Due to technological advancement, shortening product life cycle and pressure to increase probability is rapidly changing the trends of how new age injection moulding machine should be manufactured. The ability to mould a variety of raw material through injection moulding process and increase the energy efficiency of the plastic injection machine has outpaced the traditional Chinese injection moulding machine. The advancement in technology to mould different material through injection molding has led to the use of injection moulding machinery in various sectors such as healthcare, furniture, transport, aerospace & defence etc. With increasing technological capacity of machines the plastics industry exploring options in new fields such as electro-optical, solar cells, organic LED's etc.

THREAT

The injection moulding machinery market is highly competitive. It is not only highly capital intensive business but needs a technological advance machines. The manufacturer is striving to build a brand which known for consistency, efficiency, and ability to produce quality plastic molded products.

The plastics machinery industry is a high barrier to entry for new entrants as they need to produce technologically advanced plastics machinery to compete with existing machinery manufacture

STRENGTH	WEAKNESS
Experienced Management team	Working capital intensive business
Long standing relations with reputed clientele	Limited flexibility in pricing
Ability to provide quality service	High transportation cost
Ability to control costs	Low bargaining power with customers

OUTLOOK

The long term outlook for the industry is optimistic based upon the market innovation and cutting edge technology for sustaining growth. Your Company believes that the competition in the emerging markets will be based on cost efficiency, high productivity and maintaining stringent quality parameters etc. Due to rising energy costs combined with an increased corporate interest in sustainability, companies are now focused on being more energy efficient. Several Corporates are expanding their activities to benefit from growth of economy. However, the pressure to get high tech equipment at reasonable costs persists to remain cost competitive globally. Such high tech equipments are available at reasonable costs. This is a much better alternative than brand new equipments which are prohibitively expensive.

INDEPENDENT AUDITOR'S REPORT

To
The Members
Chandni Machines Limited
(Formerly known as Chandni Machines Private Limited)

Opinion

We have audited the standalone financial statements of Chandni Machines Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2019, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2019, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

The key audit matters	How our audit addressed the key audit matter
Adoption of Ind AS 115 - Revenue from Contracts with Customers	
As described in Note 2 (d) to the	Our audit procedures on adoption of Ind AS 115,

standalone financial statements, the Company has adopted Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115') which is the new revenue accounting standard.

The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of identified performance obligation, the appropriateness of the basis used to measure revenue recognized over a period.

The Company adopted Ind AS 115 and applied the available exemption provided therein, to not restate the comparative periods.

Revenue from contracts with Customers ('Ind AS 115'), which is the new revenue accounting standard, include –

- Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.
- Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price.
- Selected a sample of continuing and new contracts and performed the following procedures:
 - a) Read, analysed and identified the distinct performance obligations in these contracts.
 - b) Compared these performance obligations with that identified and recorded by the Company.
 - c) Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.
 - d) Performed analytical procedures for reasonableness of revenue recognition as per Ind AS 115.
- Evaluated the changes made to internal reporting and accounting systems to reflect the changes required in revenue recognition as per the new accounting standard;
- Evaluated the cumulative effect adjustments as at 1 April 2018 for compliance with the new revenue standard; and
- Evaluated the appropriateness of the disclosures provided under the new revenue standard and assessed the completeness and mathematical accuracy of the relevant disclosures.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information.

The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk

of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

CHANDNI MACHINES LIMITED

Annexure - B to the Auditors' Report

(Referred to in paragraph 2 (f) under 'Report on other Legal & Regulatory Requirements' Section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Chandni Machines Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

Considering the size of the company and nature of its business, in our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

CASH FLOW STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2019

Accounting Policy

Cash flows are reported using the indirect method, whereby profit/(loss) for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

Amendment to Ind AS 7

Effective April 1, 2017, the Company adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The adoption of amendment did not have any material impact on the financial statements.

The Financial Statements have been prepared on a historical cost basis, except otherwise stated in the financial statements.

(iii) Use of estimates

In preparing the Financial Statements in conformity with accounting principles generally accepted in India, management is required to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of Financial Statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognized in the period the same is determined.

b) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

c) Fair value measurement

The Company measures financial instruments, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market

participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of un-observable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 —Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 —Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarizes accounting policy for a fair value. Other fair value related disclosures are given in the relevant notes.

d) Revenue recognition

The Company earns revenue primarily from sale of products and sale of services. W.e.f. April 1, 2018 the company has adopted Ind 115 – “Revenue from Contracts with Customers” under the modified retrospective approach. The application of the standard does not have any significant impact on the retained earnings as at 1st April, 2018 or on these financial statements. The comparative information has not been restated and continues to be reported under erstwhile Ind AS 18 and Ind AS 11.

Sale of Products and Services

Revenues are recognized when the Company satisfies the performance obligation by transferring a promised product or service to a customer. A product is transferred when the customer obtains control of that product. To recognize revenues, company applies the following five step approach: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenues when a performance obligation is satisfied. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Engineering Services

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction shall be recognized by reference to the stage of completion of the transaction at the end of reporting period

Interest Income

Revenue from Interest is recognized on accrual basis and determined by contractual rate of interest.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Revenue is measured net of indirect taxes, returns and discounts.

e) Transactions in Foreign Currency

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Premium on forward cover contracts, if any, in respect of imports is charged to profit & loss account over the

period of contract. All monetary assets and liabilities as at the Balance sheet date, not covered by forward contracts are restated at the applicable exchange rates prevailing on that date. All exchange differences arising on transactions, not covered by forward contracts, are charged to Profit & Loss Account.

f) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, cash at bank and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

g) Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

h) Inventories

Inventories are valued at the lower of cost and net realizable value.

- Costs includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.
- Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

i) Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less depreciation.

Historical Cost represents direct expenses incurred on acquisition or construction of the assets and the share of indirect expenses relating to construction allocated in proportion to the direct cost involved.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment, is provided on 'Straight Line Method' based on useful life as prescribed under Schedule II of the Companies Act 2013.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

j) **Financial instruments**

Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss directly attributable transaction costs. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Classification

- Cash and Cash equivalents

Cash and cash equivalents comprises cash on hand and demand deposits with banks.

- Debt Instruments

The Company classifies its debt instruments as subsequently measured at amortised cost, fair value through Other Comprehensive Income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

- (i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these

financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(ii) Financial assets at fair value through Other Comprehensive Income (FVOCI)

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest. Movements in the carrying value are taken through Other Comprehensive Income, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains or losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from Other Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL as well as interest income is recognised in the Statement of Profit and Loss.

Derecognition

A financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value, plus, in the case of financial liabilities not at fair value through profit or loss directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Impairment of financial assets

The Company assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired. Ind AS-109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance. For trade receivables only, the Company recognises expected lifetime losses using the simplified approach permitted by Ind AS-109, from initial recognition of the receivables. For other financial assets (not being equity instruments or debt instruments measured subsequently at FVTPL) the expected credit losses are measured at the 12 month expected credit losses or an amount equal to the lifetime expected credit losses if there has been a significant increase in credit risk since initial recognition.

k) Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

l) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of respective assets during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

m) Employee Benefits

(i) Short-term obligations

The costs of all short-term employee benefits (that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service) are recognised during the period in which the employee renders the related services. The accruals for employee entitlements of benefits such as salaries, bonuses and annual leave represent the amount which the Company has a present obligation to pay as a result of the employees' services and the obligation can be measured reliably. The accruals have been calculated at undiscounted amounts based on current salary levels at the Balance Sheet date.

(ii) Post-employment obligations

The Company operates the following post-employment schemes:

(iii) Provident Fund –

The Company pays provident fund contributions to a fund administered by Government Provident Fund Authority. The Company has no further payment obligations once the contributions have been paid. The contributions are

accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

n) Tax expenses

(i) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted, by the end of the reporting period.

(ii) Deferred Tax

Deferred Income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the separate Financial Statements.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and Deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other Comprehensive Income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax is accounted for in accordance with tax laws which give rise to future economic benefits in the form of tax credit against which future income tax liability is adjusted and is recognized as deferred tax asset in the balance sheet.

o) Earnings per share

Basic earnings per share is computed by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year including potential equity shares on compulsory convertible debentures. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

p) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. Assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. In case of such reversal, the carrying amount of the asset is increased so as not to exceed the carrying amount that would have been determined had there been no impairment loss.

q) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present legal or statutory obligation or constructive obligation as a result of past events and where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets where it is probable that future economic benefits will flow to the Company are not recognised but disclosed in the Financial Statements. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

Level 1: Level 1 hierarchy includes Financial Instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. Fair value of mutual funds is determined based on the closing NAV.

Level 2: The fair value of Financial Instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, security deposits included in level 3.

30 Financial Risk Management

The Company's activities expose it to market risk (including currency risk, interest rate risk and other price risk), liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk :

The Company's risk management is carried out by chief financial officer under policies approved by the Board of Directors. Company's chief financial officer identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of non-derivative financial instruments and investment of excess liquidity. The risk management includes identification, evaluation and identifying the best possible option to reduce such risk.

(A) Market risk

(i) Foreign currency risk

Foreign currency risk arises from future commercial transactions and recognized assets or liabilities denominated in a currency that is not the Company's functional currency (INR). This is closely monitored by the Management to decide on the requirement of hedging. The position of unhedged foreign currency exposure to the Company as at the end of the year expressed in INR are as follows :

Currency	31-03-2019	31-03-2018	31-03-2019	31-03-2018	31-03-2019	31-03-2018

Great Britain Pound (GBP)	2,241,846	2,257,614	-	-	2,241,846	2,257,614
Euro	4,138,873	1,614,981	-	-	4,138,873	1,614,981
AUD	-	4,661,095	-	-	-	4,661,095
Exposure to foreign currency risk	6,770,204	9,620,437	-	1,353,432	6,770,204	8,267,005

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments

	Impact on profit Increase/(Decrease)	
	March 31, 2019	March 31, 2018
USD sensitivity		
INR/USD Increases by 5%	19,474	(13,334)

AUD sensitivity		
INR/AUD Increases by 5%	-	233,055
INR/AUD Decreases by 5%	-	(233,055)

Holding all other variables constant.

(ii) Interest rate risk

The Company has interest free borrowings and hence is not exposed to interest rate risk.

(B) Credit risk

Credit risk arises when a counter party defaults on contractual obligations resulting in financial loss to the Company. Trade receivables consist of large number of customers, spread across diverse industries and geographical areas. In order to mitigate the risk of financial loss from defaulters, the Company has an ongoing credit evaluation process in respect of customers who are allowed credit period. In respect of walk-in customers the Company does not allow any credit period and therefore, is not exposed to any credit risk. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 90 days past due.

(C) Liquidity risk

The Company has sufficient cash and cash equivalent and other liquid current financial assets which can be easily realised in cash or cash equivalent in short time. Therefore there is no significant liquidity risk.

(i) Maturities of Financial Liabilities

The tables below analyse the Company's Financial Liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative Financial Liabilities.

31. Capital management

For the purpose of the Company's capital management, equity includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company's Capital Management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximize shareholders' value. The Company is monitoring capital using debt equity ratio as its base, which is debt to equity. The company's policy is to keep debt equity ratio below one and infuse capital if and when it is required through issue of new shares and/or better operational results and efficient working capital management.

In order to achieve the aforesaid objectives, the Company has not sanctioned any major capex since inception. However, modernization, upgradation and continued marginal expansions have been to remain competitive and improve product quality through efficient machinery. There is constant endeavour to reduce debt as much as feasible and practical by improving operational and working capital management.

Debt-to-equity ratio are as follows:

	31-03-2019	31-03-2018
Debt (A)	5,850,000	-
