RATING ACTION / OUTLOOK / NATURE OF NON-COOPERATION

The reaffirmation of rating has factored in continued delays and defaults in servicing of debt by ITNL.

BWR took up with IL&FS Transportation Networks Limited several times to provide the required information over emails. Despite the best efforts of BWR to get at least the minimum required information for a review, the entity has not provided the same. In the absence of adequate information from the Company, BWR is unable to assess the Company's financial performance, its ability to service its debt and maintain a valid rating.

LIMITATIONS OF THE RATING

Information availability risk is a key factor in the assessment of credit risk as generally, noncooperation by the rated entities to provide required information for a review of the assigned rating may also be accompanied by financial stress.

*Issuer did not cooperate; Based on best available information

Detailed Rationale & Key Rating Drivers

CARE Ratings Ltd. had, vide its press release dated March 27, 2019, placed the ratings of IL&FS Transportation Networks Limited (ITNL) under the 'issuer non-cooperating' category as ITNL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. ITNL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated January 24, 2022, February 03, 2022 and February 13, 2022. In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above ratings.

The rating factors in continued delays in debt servicing.

Detailed description of the key rating drivers

At the time of last rating on March 10, 2021, the following were the rating strengths and weaknesses:

Key Rating Weaknesses

Delay in debt-servicing obligations: As per disclosures on stock exchanges, there have been continuous delays in servicing of debt obligations. CARE has also not received NDS since June 2018.

Analytical approach: Standalone
