Limited Review Report On Quarterly and Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors of **Glittek Granites Limited**

1. We have reviewed the accompanying statement of Standalone unaudited financial results of Glittek Granites Limited (the "Company") for the quarter ended 31st December, 2023 and year to date from April 01,2023 to December 31,2023 together with notes thereon (the "Statement"), being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation,2015 as amended (The "Regulation") and has been initiated by us for identification purpose.
2. This statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34 "Interim Financial reporting" (IND AS 34) prescribed under section 133, of the Companies Act, 2013 as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410," Review of Interim Financial Information Performed by the Independent Auditor of the Entity" Specified under section 143 (10) of the Companies Act,2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard prescribed under section 133 of the Companies Act, 2013 as amended read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed In terms of the Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

We draw attention to the following:

5. The Company is carrying Stock of Granite Slabs for more than 5 years without any movement but no provision has been made for any obsolescence or diminution in the value due to efflux of time.

In the opinion of the management, in Stone industry, unlike other minerals such as iron ore or coal, each color or variety is a product by itself and the demand changes fast in consonance with the "fashion factor" abroad. It is natural product which is imperishable. It is commoditized business. Maintaining of large inventory is desirable in this business as company have to offer their customers so much in terms of variety, all sorts of colors, designs, textures and types. Slabs are extremely resilient when it comes to staining and wear and water resilient. As such the same no provision for diminution in value is required.
