Dear Sir,

### Sub: Clarification on Increase in Volume

This is with reference to your email letter No. **L/SURV/ONL/PV/SR/2022-2023/146** dated August 18, 2022, seeking our response on increase in volume in our securities across exchanges in the recent past mainly in last 2 days and asking for clarification on disclosures on the events, information etc. that have a bearing on the operation/performance of the company which include all price sensitive information, etc.

So far as increase in volume is concerned, we would like to inform you that there was surge in volume in last 2 days as noticed. The trading/transactions may have been carried out by Mutual Funds either between their Schemes or between the Mutual Funds or by Financial Institutions.

Further, we would like to inform you that we have fully complied with Regulation 30 of the SEBI (LODR) Regulations, 2015 and have intimated to the exchanges from time to time, events and information which may have bearing on operation/ performance of the Company, including price sensitive information. *Also, on 13.08.2022 and 16.08.2022, we had intimated about the New Orders received by the Company as per the aforesaid Regulation, that may have a bearing on the price / volume behavior in the scrip.*

So, it is very difficult to identify the parties involved in the volume spurt till we get the movement details from the Depositories. The Exchange can also ask for the same directly from NSDL and CDSL.

Thanking you,

Yours faithfully,

For Techno Electric & Engineering Company Limited
