Future Retail defaults on ₹ 5,322-cr debt

New Delhi, 1 April

Debt-ridden Future Retail (FRL) on Friday said it has missed the due date for repayment of ₹5,322.32 crore to lenders on account of the ongoing litigations with ecommerce major Amazon and other related issues.

Last year, FRL had entered into a one-time restructuring (OTR) scheme for Covid-hit companies with a consortium of banks and was under obligation to raise ₹3,900 crore before March 31, 2022, by way of equity contribution.

Further, considering the infusion of capital, there was an obligation on the company to pay an aggregate amount of ₹5.322.32 crore to various consortium banks and lenders (who are parties to the agreement under OTR Plan) on or before 31st March, 2022 ('due date')," it said. However, the company said

"due to ongoing litigations with Amazon.com NV Investment Holdings LLC and other connected issues", it was not able to raise funds by way of equity contribution. Also, the payment of obli-

gations on due date, including monthly interest overdue for February and March 2022. remain unpaid as on date, the company said in a regulatory

filing. Noting that it was in discussions with the lenders on the matter, FRL said, "the company shall intimate the further developments and updates in this connection as and when Singapore

The Future Group firm had missed an earlier deadline on December 31, 2021 for payment of ₹3,494.56 crore to the banks.

On Thursday, FRL's CEO Sadashiv Nayak resigned from the post seven months after his appointment. Earlier this month, the company's director Rahul Garg also put in his papers. FRL, which operates var-

ious formats such as Big Bazaar, Koryo, Foodhall and Easyday, is among the 19 Future Group companies, which would be transferred to Reliance Retail as part of ₹24.713 crore deal announced in August 2020.

The deal is contested by ecommerce major Amazon and is under litigation at various forums including Supreme Court, Delhi High Court and International Arbitration Center.

This has also forced Reliance Retail Ventures, the retail arm of Reliance Industries, to go for extension of the long-stop date for the scheme for completing the deal with the Future Group.

In February, RRVL took over the operations of at least 300 stores of FRL and has offered jobs to its employees after the Kishore Bivani-led group failed to make lease payments to landlords.

Last month, FRL said it is "committed" to the reversal of the takeover of its stores by RRVL and take all such action as may be necessary to seek value adjustments.

Accounts frozen, can't pay rent, FRL tells SC

IT CAN PASS

RESTRAINING

ALIENATION OF

FRL'S ASSETS

ORDERS

The Supreme Court on Friday asked whether it can pass any interim order on a plea of Amazon that Future Retail's assets, including 'Big Bazaar shops', not be alienated till the dispute over its merger with Reliance Retail is decided by the arbitral tribunal.

A Bench headed by Chief Justice NV Ramana, which has now posted the

plea of US ecommerce major for further hearing on April 4, said the landlords of the FRL's shops are not before it and the question is if such

an order restraining the alienation of assets till the conclusion of arbitration can be passed. "If tenants or landlords are not before us how can the court pass an order injuncting them from taking possession (of shops), said the bench which also comprised Justices Krishna Murari and Hima Kohli.

Senior advocate Gopal Subramanium, appearing for the US firm, said as far as the resumption of the arbitration proceedings is concerned,

there was no difference of opinion. "But there cannot be a sudden handover of assets,' Subramanium said, adding that the US firm needed an interim order "against alienation of the assets in favour of any other party and assets must continue to remain with FRL and operate with FRL until the matter is

resolved by the SUPREME COURT arbitral tribunal." He **ASKS WHETHER** said over 800 FRL shops have been taken over by the Reliance group.

Senior advocate Harish Salve, appearing for FRL,

said that around 374 shops are with the group and it is not going to give them to anybody on its own unless some landlords throw them out.

"My bank accounts are frozen I can't pay rent. Everyone is hoping if the scheme gets through Reliance comes in and everyone will get the money,' he said, adding that there was no money to pay the rentals and moreover if the lending banks come it then the Inso-Ivency and Bankruptcy Code will come in the picture.

HAL sees record ₹24K-cr revenue in FY22

New Delhi, 1 April

Public sector aeronautics giant Hindustan Aeronautics (HAL) said on Friday that it has recorded its highest ever revenue of over ₹24,000 crore (provisional and unaudited) in financial year 2021-22 (FY22).

A HAL release announced that this amounted to a 6 per cent revenue growth over the turnover of the previous year, which stood at ₹22,755 crore.

Driving HAL's record revenue was the production of 44 man and managing director.

new helicopters/aircraft, 84 new engines, and the overhauling of 203 aircraft/helicopters and 478 engines.

HAL's income has grown steadily from ₹19,700 crore in FY19 to surpass the ₹20.000 crore mark in FY20. "Despite the challenges of the second wave of Covid-19 and the consequent production loss, the company could meet the targeted revenue growth with improved performance during the balance period of the year," said R Madhavan, HAL's chair-

JB Chemicals bets big on lozenges, probiotics

SOHINI DAS Mumbai, 1 April

KKR-backed JB Chemicals, the owner of marquee brands such as Rantac and Metrogyl, is trying to make gory in a bid to increase the share of India business to 60 per cent of its turnover. Besides, the Mumbai-headquartered company is trying to expand the Sanzyme portfolio of probiotic products.

At present, JB Chemicals is only contract manufacturing for multinational clients such as J&J, P&G, etc. The company, which launched its own lozenges this year, now plan to enter new areas like sleep disorders, sexual wellness, motion sickness, and immunity apart, from the conventional areas like cough, sore throat, etc.

'We have two production lines for lozenges at Daman. and have a capacity to make 1.5 billion units a year. We have already hit a production of 850 million a year and would soon activate the second production line," Nikhil Chopra, chief executive officer and whole-time director of JB Chemicals,

told Business Standard. "This year, we target to touch a 1 billion units of production," Chopra said.

ICICI Securities analysts noted that JB Chemicals aspires to increase domestic contribution to 60 per cent of revenues in the medium to long term, and new procontribution expected to rise from 4 per cent to 6-7 per cent over medium term.

"Indian domestic market is valued at ₹1.6 trillion growing at 10-12 per cent. The market will double in the next five years. Focus would be India," Chopra said. The company is ranked 25th in the domestic market.

In January, JB Chemicals board approved the acquisition of a portfolio of brands for ₹628 crore, which marked its entry in the probiotics space.

Kalrock-Jalan's plea to extend deadline gets banks' support

ANFESH PHADNIS Mumbai,1April

Banks have lent conditional support to the Kalrock-Jalan consortium's plea for an extra two months to fulfill conditions that are required for implementation of Airways' revival plan.

The National Company Law Tribunal (NCLT) will hear the matter again on Monday. On Friday, the consortium

gave a status update of the recertification process to the tribunal. It also indicated a tentative timeline of an additional 37 "business days" to meet all the conditions to restore the grounded airline's air operators' certificate.

time limit sought to complete the process. Last June, the NCLT

to revive Jet Airways, which suspended operations in April 2019.

According to its conditions, the consortium had it. 270 days to fulfill conditions that are required for the plan's implementation. The 270-day limit ended on March 22.

While the consortium said the airline's engineering company's board of directors banks.

Lenders have consented to the extension plea on the condition that the consortium bear the cost of meeting expenses of the airline.

These include paying airport charges, aircraft parking charges, salary and insurance during the additional period.

The consortium will also fund all the expenses required for the recertification process from its own pocket. Advocate
