TRANSFORM YOUR WORLD

- Chairman's Message
- Financial Performance – Q3 FY21
- Balance sheet perspective
- Subsidiaries
- Income Statement
- Shareholding Pattern

The resurgent India is gaining momentum.

The resilient spirit of the average Indian supported our growth aspiration. Our sales volumes have improved by 11%, sales have increased by 13% over the corresponding quarter of the previous year. Operating margins have touched a new high of 21.68% in Q3'21.

The tile industry witnessed gradual demand pickup from the month of July onwards. Tile consumption has found its way into the smaller cities and retail markets as the heat of pandemic was felt much more in the urban markets at that point in time. Tier 2 and below markets, we believe will continue to thrive in future as well.

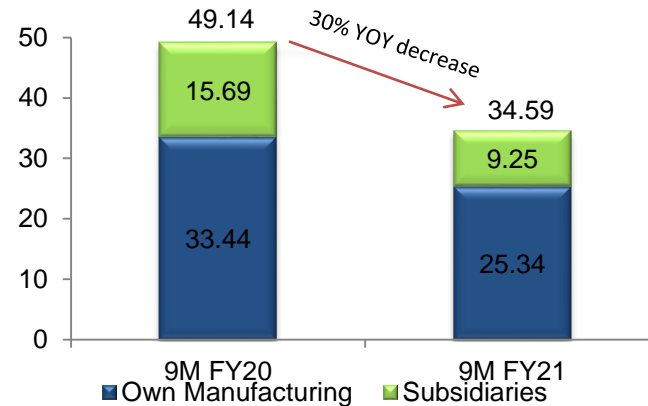

For this year Board has decided to pay a interim dividend of Rs. 10 per equity share.

We take this opportunity to wish our stakeholders a happy, healthy and rewarding 2021.
