States, UTs told to avoid huge gatherings on I-Day

Covid cases rise with positivity rate at 5.44%

OUR BUREAU

New Delhi, August 12

Ahead of Independence Day celebrations, the Union Ministry of Home Affairs has asked the State governments and UTs to avoid large gatherings in view of an increase in Covid cases. It has also asked the State governments to follow Covid guidelines.

In a communication on Friday, the Ministry said: "As a precaution, against Covid-19, large congregation in the ceremony may be avoided. It is imperative that Covid guidelines are followed."

Slight rise in cases

Meanwhile, India saw a two per cent rise in daily Covid cases on Friday at 16,561. On Thursday, infections stood at 16,299, according to data released by the Union Ministry of Health and Family Welfare. The country's daily positivity rate was up at 5.44 per cent.

The country reported 49 deaths, slightly lower than the previous day's tally of 53, of which, 10 were reconciliation from Kerala. Delhi and Karnataka reported the highest number of deaths with six fatalities each, followed by Maharashtra (five) and West Bengal (four). Active

cases account for 0.31 per cent of the total cases; on a daily basis it declined by 1,541. Cases declined across most States, apart from Uttar Pradesh, Punjab, Odisha and Delhi. Among the States, the National Capital had the highest daily addition, with active cases of 635.

Viral infections in Delhi

Delhi reported 2,726 fresh Covid infections - on a 24-hour basis - with positivity rate hovering at 14.38 per cent. The National Capital has, for some days, been logging more than 2,000 cases a day.

According to Satish Koul, Director, Internal Medicine, Fortis Memorial Research, water-borne and vector-borne diseases are associated with the rainy season. Hospital admissions are due to dengue, typhoid and other diseases, said Koul. "This year, we are facing a spurt of sub-variant of Omicron infections. Covid cases, though, are having mild illness and usually recover at home," he said.

Paytm loan disbursements up 512% in July

KR SRIVATS

New Delhi, August 12

One97 Communications, which owns the Paytm brand, on Friday said its total loan disbursements grew 296 per cent to 2.9 million in July 2022 (0.7 million in July 2021), while the value of loans disbursed in the month increased 512 per cent to ₹2,090 crore (₹341 crore).

"Our loan distribution business is annualising a run rate

of ₹25,000 crore, and we believe there is ample opportunity for upsell in this business. We are being conservative on the quality of the book (especially given the possibility of macro headwinds)," said the company in its latest Operating Performance Update for July 2022, filed with the stock exchanges. Merchant payment volumes grew 82 per cent year-on-year to ₹1.06-lakh crore in July.

J&J to end global sale of baby powder with talc

ASSOCIATED PRESS

Washington, August 12

Johnson & Johnson will end sales of baby powder containing talc worldwide next year after it did the same in the US and Canada amid thousands of lawsuits claiming it caused cancer.

Talc will be replaced by cornstarch, said the company. J&J has faced litigation alleging its talcum powder caused users to develop ovarian cancer, through use for feminine hygiene, or mesothelioma, a cancer that strikes the lungs and other organs.

J&J insists, and the overwhelming majority of med-

ical research on talc indicates, that the talc baby powder is safe and doesn't cause cancer.

However, demand for the company's baby powder fell off, and J&J removed the talc-based product in most of North America in 2020.

The company did so after it saw demand drop due to "misleading talc litigation advertising that caused global confusion and unfounded concern", about product safety, said a company spokeswoman.

Evolving global trends

J&J said the change announced late on Thursday it

will simplify its product selection and meet evolving global trends.

Last October, J&J said a separate subsidiary it created to manage talc litigation

claims, had filed for Chapter 11 bankruptcy protection.

J&J said then that it funded the subsidiary, LTL Management, and established a \$2-billion trust to pay claims the bankruptcy court determines that it owes.

Separate entity

The health care giant also said last fall that it will turn its consumer health business - which sells the baby powder, Band-Aids and other products - into a separate publicly traded company. The part of the company selling prescription drugs and medical devices will keep the J&J name.
