Estimation of uncertainty relating to COVID-19 global health pandemic: In assessing the recoverability of loans, receivables, goodwill and investments, the Group has considered internal and external sources of information, economic forecasts and industry reports upto the date of approval of these financial results. The Group has developed estimates and applied management overlays for the upropose of determination of the provision for impairment of financial assets. The full extent of impact of the pandemic on the Group's operations and financial performance (including impact on carrying value of Goodwill and Impairment allowances for financial asset) will depend on future developments including governmontal and regulatory measures and the Group's responses thereto, which are highly uncertain at this time.
