Accordingly, the activities of the Pharma business of the Company, that are considered as disposal group, are presented as a discontinued operation in the Standalone financial results of the Company in accordance with the provisions of Indian Accounting Standard 105 – 'Non-current Assets Held for Sale and Discontinued Operations'. 7. During the Quarter under review, the Company has:
  - a. signed investment agreements with India Resurgence Fund ('IndiaRF'), promoted by Piramal Enterprises Limited and Bain Capital Credit, along with its affiliates (Investors) for obtaining long term funds of upto INR 99,200 lakh, consequent to approval from shareholders in general meeting held on March 25, 2019. This investment is structured by way of subscription to Non-Convertible Debentures ('NCDs') of up to INR 86,400 lakh and subscription amount of INR 3,200 lakh towards share warrants to be allotted on a preferential basis. The subscription amount represents 25% of total amount of INR 12,800 lakh proposed to be raised upon issuance of equity shares against warrants as per SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 ('ICDR Regulations'). Upon exercise of conversion rights in the warrants, IndiaRF (along with its affiliates) will collectively own 10.4% stake in the equity share capital of the Company on a fully diluted basis;
  - b. issued and allotted 74,300 unrated, unlisted, redeemable NCDs, having the face value of INR 1 lakh each, aggregating to INR 74,300 lakh under Series 1A, Series 1B and Series 2 NCDs to the Investors;
  - c. issued and allotted 71,11,111 convertible warrants at a price of INR 180 each on a preferential basis to the Investors, entitling them to subscribe to an equivalent number of equity shares of face value of INR 1 each at a premium of INR 179 per share as per the provisions of Chapter V of ICDR Regulations; and
  - d. received US FDA approval for the Company's Oncology Parenteral Formulations facility at Baddi, Himachal Pradesh, India for the manufacture and supply of Azacitidine Injection 100 mg/vial in the US market and has launched this product in USA.

8. With respect to the observations of the auditors in their report on the above results:

- a. During the financial year 2007-08, the Company had given an advance of INR 1,768 lakh pursuant to the agreement with Ilyas & Mustafa Galadari Management Investment & Development (L.L.C.), U.A.E. ('the Developer') for purchase of certain immoveable properties in Dubai. The Developer failed to deliver the said properties to the Company and offered other properties under construction in lieu of the said properties. Owing to continuous delays in completion of construction, the Company has initiated legal recourse and issued a legal notice to the Developer.

During the quarter ended December 31, 2017, with a view to restructure the Company's debt obligations and reduce its interest outlay, the Board of Directors had approved the assignment of its receivables from the Developer to RHL in lieu of adjustment of part of RHL's loan payable by the Company. The Company has executed the agreement for assignment of this advance to RHL on April 06, 2019. The process of assigning the said receivable to RHL and complying with the applicable provisions of the Foreign Exchange Management Act, 1999 as amended and other applicable laws, is expected to be completed in due course.

In view of ongoing discussions with the Developer and on the basis of the legal advice obtained, the Group believes that it has valid rights to claim the recovery of the advance paid to the Developer, in the form of either a refund or allotment of other properties. The management believes that the advance given to the Developer is fully realisable. Accordingly, no adjustments are considered necessary in the books of accounts.

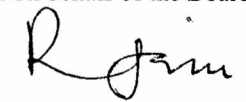

- b. In view of absence of profits during financial years 2013-14 and 2012-13, total remuneration paid to the Managing/ Joint Managing and Whole time Directors exceeded the ceiling prescribed in Section II of Part II of Schedule XIII to the Companies Act, 1956. Further, because of non-compliance to one of the conditions of part II Section II of Schedule V to the Companies Act, 2013, the remuneration paid to a whole time director during the year ended March 31, 2016 and remuneration paid to six directors (Managing/ Joint Managing and Whole time Directors) during the year ended March 31, 2017, March 31, 2018 and March 31, 2019 respectively required approval of the Central Government. The Company submitted applications to the Central Government for waiver of recovery of excess remuneration paid in respect of aforesaid periods. However, in view of the recent amendments in the provisions of Section 197 of the Companies Act, 2013 effective from September 12, 2018, whereby the powers of Central Government for approval of payment of managerial remuneration in excess of limits/ waiver of recovery of managerial remuneration recoverable, etc. have been transferred to the shareholders of the Company. Accordingly, the said applications stand abated at the Central Government. The Company has also paid managerial remuneration amounting to Rs. 93 Lakh during the quarter ended June 30, 2019 for which the Company required prior approval of the shareholders of the Company. The Company has, accordingly, decided to obtain the necessary approval from its shareholders in due course in compliance with the aforesaid amended provisions of the Companies Act, 2013. Pending such approval, the Company has recorded an amount of INR 1,633 lakh as on June 30, 2019 as recoverable from such directors towards such excess remuneration paid. The Company is confident of obtaining necessary approvals from its shareholders.
9. For the quarter ended June 30, 2019, the Company has incurred a loss (before tax and exceptional items) of INR 2,665 lakh (2019: loss of INR 27,617 lakh) from the continuing and discontinued operations. The continuous operating losses had adversely affected the cash flows of the Company. As explained in Notes 4, 6 and 7 above, the Company has already taken various measures aimed at improving the financial condition of the Company, inter-alia, deploying funds received from the Investors for scaling up its vaccine as well as pharmaceutical formulations business in India and international markets including ROW countries, USA/EU, etc., besides expediting development of new products and monetization of non-core assets. Based on these measures and continuous efforts to improve the business performance, the management believes that it would be able to generate sustainable cash flows, recoup the erosion in its net worth through profitable operations, discharge its obligations as they fall due and has therefore concluding that the going concern assumption continues to be valid.
10. The necessary certificate/ report in respect of the above results in terms of requirement of Regulation 33 of the SEBI (Listing Obligations and Other Disclosure Requirements) Regulations, 2015, has been placed before the Board of Directors.
11. Previous period amounts have been regrouped/ reclassified in compliance with IND-AS to make them comparable with those of current period/ year.
12. 0 under "Rs. in Lakh" represents amount less than Rs.50,000. Further, the figures shown in the tables may not exactly add up due to rounding off.
