PM-Kisan: Over ₹38k cr transferred during Apr-Aug

PRESS TRUST OF INDIA
New Delhi, September 15

THE CENTRE HAS TRANSFERRED ₹38,282 crore to farmers under PM-Kisan till August this fiscal, agriculture minister Narendra Singh Tomar informed the Lok Sabha on Tuesday. There is no proposal to either advance the payment of the remaining installments or increase the amount from the current level, he added.

Under the Pradhan Mantri Kisan Samman Nidhi Yojana (PM-KISAN), the government is providing ₹6,000 per annum in three equal installments to 14 crore farmers. The amount is directly transferred into the bank

Sugar mills owe ₹13k cr to farmers for 2019-20 season as on Sept 11

SUGAR MILLS OWED nearly ₹13,000 crore to cane farmers as on September 11 for the 2019-20 marketing season, starting October 2019.

Responding to a series of queries raised by MPs on this initiative, Tomar said an amount of Rs 38,282 crore has been transferred to various beneficiaries under the scheme during April-August period of this fiscal. "Around 9.24 crore farmer families have been benefited under the PM-KISAN Scheme," he said, adding there is no proposal for advance payment of the remaining installments for the 2020-21 fiscal.

There is also no proposal to increase the amount from the current level to ₹12,000 annually, he added. — PTI

The sugar mills also owe ₹548 crore for 2018-19 marketing season (October-September), ₹242 crore for 2017-18 and ₹1,899 crore for 2016-17 and earlier, taking the total outstanding amount to ₹15,683 crore.

Gujarat to set up world's 1st CNG terminal at Saurashtra region

FE BUREAU
Ahmedabad, September 15

THE GUJARAT GOVERNMENT on Tuesday issued a letter of intent to set up the world's first compressed natural gas (CNG) terminal at Bhavnagar port in Saurashtra region.

The state government said that a consortium consisting Foresight Group of UK, Mumbai-based Padmanabha Mafatlal Group and Boskalis group of the Netherlands are authorised to develop CNG port terminal at Bhavnagar.

In the first phase the developers would invest ₹1,300 crore for the 1.5 million metric tonne per annum (MMTPA) of CNG handling capacity. Sources in the Chief Minister's Office (CMO) said that the developers will also construct a Roll-in/Roll-out (Ro-Ro) terminal, liquid cargo terminal and container terminal at Bhavnagar port.

"As of now, the total investment for the project approved by is around ₹2,000 crore. A MoU was signed for this ambitious project between Gujarat Maritime Board (GMB) and Foresight Group during the Vibrant Gujarat Summit held in January 2019," said a senior official in the state port & transport department.

Currently, the existing port at Bhavnagar is having a capacity to handle 3 MMTPA cargo, said the official, adding that after the construction of CNG port terminal and other facilities it would enhance to nine MMTPA.

According to him, major modifications are required on the north side of the existing Bhavnagar port to develop CNG, Ro-Ro and liquid terminals. Moreover, there is a requirement of dredging in the water channel of the port basin, construction of two lock gates and off-shore infrastructure for CNG transportation, he said.

Delay in green clearances curbing not only new projects but expansion too, says dyestuff makers association

FE BUREAU
Ahmedabad, September 15

DESPITE REPEATED CLAIMS related to 'ease of doing business' from Gujarat government, new industrial projects are facing unnecessary delays in availing various permissions including that of environment clearances.

Raising the issue of delay in permissions Gujarat Dyestuff Manufacturer Association (GDMA) claimed that due to delay in permissions, not only new projects but expansions of many dyestuff units have been held up.

"We have appealed to the

state government to grant all permissions related to new industrial units within the period of three months. Currently many greenfield projects including that of dyestuff are facing difficulties to start production due to delay in various permissions, especially environment related permissions," said Yogesh Parikh, president, GDMA.

GDMA has also demanded for 100 acres of non-agriculture land from the state government for the purpose near the industrial areas in Vapi, Dahej, Ankleswar, Ahmedabad and Vadodara.

According to GDMA if proper infrastructure for solid waste disposal would

be developed, not only new industrial projects but many existing units would pump in fresh investments. As a result, not only state government's revenue would increase but a plethora of employment opportunities will also be generated, said GDMA in its representation to Gujarat Chief Minister.

The association has also demanded to reduce natural gas prices being provided to the chemical and dyestuff industry.

According to Parikh current prices are too high and if prices would reduce, local dyestuff and chemical units will be able to compete globally. Gujarat government has decided to lay a deep sea pipeline for the disposal of industrial waste water. For the purpose, the government will charge 30% of the total cost from beneficiary units. Looking at the current Covid-19 situation, this charge should be taken in instalment, he adds.

Where Practice Meets Theory

Indus University is rapidly growing well-reputed private funded university in Ahmedabad. The university is focused on Engineering, Management, Aviation Technology, Skill Development, Architecture, Design and Environment, Indology, Yoga & Wellness Programmes at UG, PG and Research levels with emphasis on niche areas like Aviation, Indic Studies and Environment Studies.

We are looking for a Dynamic and Visionary Leader as:

Executive President

(Equivalent to Vice Chancellor)

To take the university to the next level as a Nationally Acclaimed University with an ambition to be ranked among the top institutions of India. The prospective candidate must satisfy all the norms and requirements of minimum qualification and experience as per University Grants Commission.

Apart from a Doctoral Degree from a nationally / internationally reputed institution, preferably in engineering and technology, the candidate should be an accomplished academician with a proven track record of higher education management and experience of not less than ten years at a level of Director / Principal of a reputed institution. Should be willing to take challenges of a growing institution head-on with a burning passion for Institution building.

If you are excited to lead from the fore, this challenging pursuit towards excellence of our young University, apply with detailed resume in prescribed format within 15 days on www.indusuni.ac.in/careers

(Your candidature will be kept in strict confidentiality)
