Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Royal Orchid Hotels Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of Royal Orchid Hotels Limited ('the Company') for the quarter ended 30 September 2021 and the year to date results for the period 1 April 2021 to 30 September 2021, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Walker Chandiok & Co LLP

5. We draw attention to Note 4 to the accompanying Statement, which describes the effects of uncertainties relating to the outbreak of COVID-19 pandemic and management's evaluation of its impact on the business operations of the Company and accompanying financial results as at reporting date, the extent of which is significantly dependent on future developments. Our conclusion is not modified in respect of this matter.

- 1 The standalone financial results ("the Statement") for the quarter and six month period ended 30 September 2021 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 11 November 2021.
- 2 The Company has evaluated its operating segments in accordance with Ind AS 108 and has concluded that it is engaged in a single operating segment viz. hospitality business.
- 3 Exceptional items comprise of the following:

Particulars	(₹ in lakhs)			
	Quarter ended			Year ended
	30 September 2021	30 June 2021	30 September 2020	31 March 2021
Settlement of dispute with a vendor	-	-	-	125.00
Provision for impairment of investment in subsidiaries	-	331.66	-	2,228.15
	-	331.66	-	2,353.15

- 4 The COVID-19 pandemic has impacted and continues to impact hospitality industry due to lockdown, travel bans, quarantines and other emergency measures resulting in reduction in occupancy of hotels and average realization rate per room. The Company's business has been impacted during the year on account of the second wave of COVID-19 during the first three months. Whilst there has been a second wave of the COVID-19 pandemic in the first few months of the year where the Company operates, there has also been increased vaccination drive by the Government and with the unlocking of restrictions, the Company witnessed a recovery in its demand especially in its leisure destinations and business is expected to gradually improve.
The Company has also assessed the possible impact of COVID-19 in preparation of the standalone financial results, including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenues and costs. In evaluating the impact of the COVID-19 pandemic on its ability to continue as a going concern and the possible impact on its financial position, management has used the principles of prudence and exercised judgements in estimating occupancy rates and average room rate per hotel while developing cash-flow forecasts. Towards this objective, the management is implementing various initiatives like rationalizing costs, negotiating rent waivers, negotiating extended credit terms with suppliers and lenders, availing term loan moratorium from banks, building efficiencies in collections and taking various initiatives to improve revenues. The Company believes that with a combination of the above mitigation plans, it would be able to recover its assets and meet all its obligations in the normal course of business. Accordingly, the management believes that the Company will continue as a going concern.
Management has used internal and external sources of information upto the date of approval of these standalone financial results in determining the recoverability of property, plant and equipment, investments and other financial assets, and trade receivables as at 30 September 2021. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions and any significant impact of these changes would be recognised in the financial results as and when these material changes to economic conditions arise.
- 5 During the previous year ended 31 March 2021, the Company had classified investment made in two subsidiaries amounting to ₹ 3,676.38 lakhs (30 September 2021: ₹ 3,344.72 lakhs) as assets held for sale in accordance with the management's plan to dispose the assets of the subsidiaries.
- 6 During the previous quarter, the Company had issued a termination letter in respect of one of its leased hotels and the matter is pending for arbitration. The Company is of the view that it will be able to obtain rent concessions through arbitration and hence no adjustments with respect to lease liabilities and Right-of-use assets have been made as on 30 September 2021.
- 7 Prior period figures have been regrouped/ reclassified, wherever necessary, to conform to the current periods' presentation and to comply with the requirements of the amended Schedule III to the Companies Act, 2013, effective 1 April 2021.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Walker Chandiok & Co LLP

5. We draw attention to Note 3 to the accompanying Statement, which describes the effects of uncertainties relating to the outbreak of COVID-19 pandemic and management's evaluation of its impact on the business operations of the Group and accompanying financial results as at reporting date, the extent of which is significantly dependent on future developments. Our conclusion is not modified in respect of this matter.
6. We draw attention to Note 5 of the Consolidated Financial Results, which describes that in case of Ksheer Sagar Developers Private Limited ("subsidiary company"), there are events and conditions that indicate the existence of a material uncertainty that may cast significant doubt about the subsidiary company's ability to continue as a going concern and accordingly, the auditor of such subsidiary company has included an emphasis of matter paragraph indicating material uncertainty relating to going concern, in their review report on the financial results for the quarter ended 30 September 2021. Our conclusion is not modified in respect of this matter.
7. Notes:

- The consolidated financial results ("the Statement") for the quarter and six month period ended 30 September 2021 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 11 November 2021.
- The Group has evaluated its Operating segments in accordance with Ind AS 108 and has concluded that it is engaged in a single operating segment viz. hospitality business.
- The COVID-19 pandemic has impacted and continues to impact hospitality industry due to lockdown, travel bans, quarantines and other emergency measures resulting in reduction in occupancy of hotels and average realization rate per room. The Group's business has been impacted during the year on account of the second wave of COVID-19 during the first three months. Whilst there has been a second wave of the COVID-19 pandemic in the first few months of the year where the Group operates, there has also been increased vaccination drive by the Government and with the unlocking of restrictions, the Group witnessed a recovery in its demand especially in its leisure destinations and business is expected to gradually improve.

The Group has also assessed the possible impact of COVID-19 in preparation of the consolidated financial results, including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenues and costs. In evaluating the impact of the COVID-19 pandemic on its ability to continue as a going concern and the possible impact on its financial position, management has used the principles of prudence and exercised judgements in estimating occupancy rates and average room rate per hotel while developing cash-flow forecasts. Towards this objective, the management is implementing various initiatives like rationalizing costs, negotiating rent waivers, negotiating extended credit terms with suppliers and lenders, availing term loan moratorium from banks, building efficiencies in collections and taking various initiatives to improve revenues. The Group believes that with a combination of the above mitigation plans, it would be able to recover its assets and meet all its obligations in the normal course of business. Accordingly, the management believes that the Group will continue as a going concern.

Management has used internal and external sources of information upto the date of approval of these consolidated financial results in determining the recoverability of property, plant and equipment, investments and other financial assets, and trade receivables as at 30 September 2021. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions and any significant impact of these changes would be recognised in the financial results as and when these material changes to economic conditions arise.

- Exceptional items comprise of the following:

Particulars	Quarter ended			Year ended
	30 September 2021	30 June 2021	30 September 2020	31 March 2021
Settlement of dispute with a vendor	-	-	-	125.00
Provision for impairment of investment in subsidiaries	-	-	-	603.05
	-	-	-	728.05

- Ksheer Sagar Developers Private Limited ("subsidiary company") has suffered a loss of ₹ 90.70 lakhs during the quarter and has an accumulated deficit of ₹ 6,304.46 lakhs as at 30 September 2021. The subsidiary company's current liabilities exceed its current assets by ₹ 3,760.03 lakhs as on 30 September 2021. While these factors would normally indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern, the Company is taking steps towards improving operating cash flows through term loan restructuring plan for improving operating cash flows through cost synergies, exploring avenues of enhancing revenues, operational and financial support from its shareholders. The Company is confident of improving and maintaining sustainable operating cash flows and accordingly the financial results of the subsidiary company is prepared and presented on a going concern basis, which contemplates realization of assets and settlement of liabilities in the normal course of business.
- During the previous year ended 31 March 2021, the Group had classified non-current assets of two subsidiaries amounting to ₹ 6,412.21 lakhs (30 September 2021: ₹ 6,434.55 lakhs) as assets held for sale in accordance with the management's plan to dispose these assets of the subsidiaries.
- During the current period ended 30 September 2021, consequential to COVID-19 pandemic, the Group has requested and received rent waiver from certain landlords and accordingly recognized an amount of ₹ 22.50 lakhs for the current period ended 30 September 2021 in the accompanying Statement as "Other income", by applying practical expedient given in Para 46A and Para 46B of Ind AS 116 (as amended).
- During the previous quarter, the Company had issued a termination letter in respect of one of its leased hotels and the matter is pending for arbitration. The Company is of the view that it will be able to obtain rent concessions through arbitration and hence no adjustments with respect to lease liabilities and Right-of-use assets have been made as on 30 September 2021.
- Prior period figures have been regrouped/ reclassified, wherever necessary, to conform to the current periods' presentation and to comply with the requirements of the amended Schedule III to the Companies Act, 2013, effective 1 April 2021.
