RBI Defends its Stand Against Crypto Transactions by Banks

Samanwya.Rautray@timesgroup.com

New Delhi: The Reserve Bank of India on Wednesday defended in the Supreme Court its 2018 circular directing banks to desist from dealing in any transactions involving cryptocurrencies, insisting that it had always been consistent in its opposition to allowing any other payments systems from undermining the integrity of the banking system.

The central bank, through senior advocate Shyam Divan, argued that though there was no formal ban on cryptocurrencies under any law in existence in India, it had consistently been warning all those dealing with virtual currencies of the risks inherent in them.

The RBI circular of 2018, he said, was part of a conscious policy decision of the regulator to ensure that the banking system was not compromised by any other

payment system involving cryptocurrencies, including bitcoins which showed extreme "volatility".

He was arguing before a three-judge bench led by Justice R.F. Nariman, which is hearing petitions filed by currency exchanges dealing with bitcoins. Justices Anirudh Bose and V. Ramasubramanian are also part of the bench.

The lawyer dubbed the 2018 circular as "very proportionate and calibrated". Currency exchanges had argued that the RBI ban on accessing banking channels was beyond its remit. Arguments will continue on Thursday.

The Internet and Mobile Association of India, representing various cryptocurrency exchanges, had at the last hearing

argued that trading in cryptocurrencies in the absence of a law banning them was a "legitimate" business activity under the Constitution. The RBI could not have denied them access to banking channels to carry on such business, it said.

Advocate Ashim Sood had argued that cryptocurrencies were more like "commodities" rather than currency and that it was beyond the RBI's jurisdiction to regulate the field.

The RBI had in a circular issued on April 6, 2018, directed that all entities regulated by it shall not deal in virtual currencies or provide services for facilitating any person or entity in dealing with or settling those. Regulated entities that were already providing such services were told to exit the relationship within three months.

The RBI had earlier issued circulars on December 24, 2013; February 1, 2017 and December 5, 2017, cautioning users, holders and traders of virtual currencies.

RBI told SC that it had been warning those dealing with virtual currencies of the inherent risks

In A Nutshell

■ NTT to Invest Over \$1.5b in India

MUMBAI Japanese tech major NTT on Wednesday said a significant part of its \$7 billion global commitment for data centres business would be spent in India over the next four years. NTT's country CEO for global data centres, Sharad Sanghi said. When asked if the money will be equally split between the four regions the company operates in, Sanghi said the overall investments are bound to be shared proportionately, hinting that over \$1.5 billion or nearly ₹1,000 crore will come into India.

■ Relief for Indian H1B Holders in NJ

NEW YORK The US state of New Jersey will enact legislation that will make college more affordable for the children of H-1B visa holders, mostly Indian IT professionals, bringing financial relief to them. New Jersey Governor Phil Murphy on Tuesday signed the legislation \$255, allowing New Jersey students, who are the children of H-1B visa holders, to qualify for in-state tuition at public institutions of higher education.

Students boycott classes in Assam against CAA

GUWAHATI: Classes across universities and colleges in Assam were affected on Wednesday due to the "total shutdown" call given by students unions of nine varsities from North East on a day the Supreme Court heard the pleas on Citizenship (Amendment) Act.

However, examinations were conducted peacefully as the agitators had kept it out of the shutdown.

A day after Union Home Minister Amit Shah dared opposition leaders for a debate on the Citizenship Amendment Act (CAA), BSP supremo Mayawati on Wednesday said her party accepts the challenge to discuss and debate the new citizenship law "at any forum and at any place." Mayawati alleged the government is "disturbed by protests against the contentious Citizenship Act, National Register of Citizens (NRC) and National Population Register

"The government, disturbed by protests against the controversial CAA, NRC and NPR, across the country, especially the youths and women, has challenged the Opposition for a debate on the matter. The BSP accepts the challenge for debate at any forum and at any place," Mayawati tweeted in Hindi. Union Minister Shah on Tuesday had challenged Congress leader Rahul Gandhi, West Bengal Chief Minister Mamata Banerjee and former UP Chief Minister Akhilesh Yadav for a debate on the

Owaisi dares Amit Shah to debate on Citizenship Act with "bearded man"

HYDERABAD: After Home Minister Amit Shah threw a challenge to leaders like Rahul Gandhi for a public debate over CAA, AIMIM chief Asaduddin Owaisi joined issue and wanted the former to discuss the law with him instead of others. Addressing a rally in Karimnagar district on Tuesday night ahead of the municipal polls on January 25, the Hyderabad MP said the Home Minister called for a public debate on CAA with the opposition even as he asked Shah to debate with him on the legislation.

Akhilesh Yadav to engage in a debate on CAA," Shah had said while addressing a gathering in Lucknow.

Opposition using women as shields, while men are relaxing under blanket: Yogi Adityanath

OUR CORRESPONDENT
Lucknow

As protests against Citizenship Amendment Act 2019 refuses to subside and rather has spread across the state over the past few weeks with women taking the lead now at many places including Uttar Pradesh capital Lucknow, Chief Minister Yogi Adityanath on Wednesday accused the opposition parties for using women as "shield" to fuel the agitations.

"The opposition lacks the courage to hold protest demonstrations...hence they have decided to use women

cold, fog and intermittent rains over the last few days with night temperature often falling below 10 degree centigrade.

Yogi claimed, "These women don't even know what they are protesting for" and warned, "We would take such a strict action against those, who damaged public properties, that their future generations would not be able to forget it."

Uttar Pradesh had witnessed worst violence mid-December soon after the passage of the CAA by the parliament. Over 20 protesters were killed, including two in Lucknow, and hundreds

were injured in the clashes. More than 5,000 people were arrested across the state put up in jail including activists many of them even accused of torture in the police lockup.

Despite police excesses, protests led mostly by women have spread across the state over the past 10 days.

In Lucknow, the police seized blankets, eatables, switched off the street lights and locked the public toilet near the venue to force women to leave. Over 150 women have been booked for rioting since the protest started last Friday.

For NPR, govt employees will ask you questions but won't force you to answer, says Rajnath

OUR CORRESPONDENT
Lucknow

During a CAA support rally in Meerut on Wednesday, Union Defence Minister Rajnath Singh assured the people that they would not be compelled to answer the questions asked by the government employees for the National Population Register (NPR) survey.

Seeking to clarify the "misconceptions" over the controversial CAA with an as-

urance that "Nobody will touch the Muslims", Mr Singh also explained the NPR, "Such a register was important for implementation of social and welfare schemes. Government employees will approach you with questions but they will not force you to answer."

He also claimed said that Mahatma Gandhi was also in favour of giving citizenship to persecuted Dalits and backward classes who are most persecuted in Pakistan,

Afghanistan and Bangladesh. Former Prime Minister Manmohan Singh was of the same opinion.

Singh claimed that the discussion on the National Register of Citizens (NRC) started after the country became independent and Assam was the first state where it had to be implemented. A discussion on it began during the Rajiv Gandhi government. "We introduced it and now they (Congress) are targeting the BJP".

Protesters chased and caned by police in UP

AGENCIES / Etawah

The police in Etawah district chased and caned women protesters who had started a dharna against the citizenship law. A video clip that has gone viral on the social media on Wednesday, shows policemen chasing women, caning them and also barging into shops to force their closure.

The clip shows cops chasing women into the narrow lane of Pachraha area.

In a 17-second clip, the women can be heard shouting and asking the police why they are being assaulted. The police is also seen lathi-charging men who had gathered in the area.

In another video, cops are seen entering a roadside eatery and hitting the employees inside and forcing its closure. Cops are further seen hitting a roadside vendor and asking him to shut shop. A cop is also heard abusing protesters.

UP police claim that PFI-incited violence falls flat in court

OUR CORRESPONDENT
Lucknow

The Uttar Pradesh Police has failed to produce "substantial evidence" before the court against the popular Front of India (PFI) members, who they had arrested for inciting the violence during the anti-Citizenship Amendment Act (CAA) protests last month.

PFI president Wasim Ahmad, who was accused of masterminding violence, and other 18 members of the outfit were granted bail and

released from jail on Tuesday. Hearing on bail pleas of six others is scheduled next week.

The development has the potential to derail the state government's proposal to the Centre to ban the outfit accusing that it was involved in anti-national activities. The deputy chief minister Dinesh Sharma had called the PFI as offshoot of SIMI, a banned organisation of Muslim students, and alleged that it was behind the violence in the state.

Kerala Govt-CM rift heads for a flashpoint

K RAVEENDRAN
Thiruvananthapuram

The rift between Kerala Governor Arif Mohammed Khan and the Pinarayi Vijayan government is approaching a flashpoint, with the state cabinet finalising the Governor's address to the state Assembly that would contain references that are bound to embarrass the Governor.

The assembly session is scheduled to start on January with an address by the Governor. The text of the speech is prepared and approved by the Cabinet. It is understood that the approved text records the strong opposition of the state government to the Citizenship Amendment Act by the state government in the Supreme Court challenging the central legislation.

The state assembly in its previous session had passed a resolution, calling upon the Modi govt to scrap the controversial new law as the state's people had serious apprehensions about it. While opposing CAA, the CM also declared that the govt will not implement the law in the state.

Bhim Army chief, 2 others file PIL against CAA, NPR, NRC

AGENCIES
New Delhi

Bhim Army chief Chandrashekhar Azad, Swami Agnivesh and former Chairperson of the National Minority Commission Wajahat Habibullah have filed a petition against the Citizenship Amendment Act (CAA), the National Register of Citizens (NRC) and the National Population Register (NPR). The petition filed through

advocate Mehmood Pracha said that the CAA, which has been brought into force vide notification dated January 10, 2020, is only a step leading to the promulgation of the NRC with the clear intent of placing all the backward sections of citizens including Muslims into detention centres and removing them from the mainstream, thereby destroying the existing fabric of the nation.

Mamata garners support from the hills for CAA fight

PREMA RAJARAM
Kolkata

West Bengal Chief Minister Mamata Banerjee steps up her rhetoric against Citizenship Amendment Act (CAA), National Register of Citizens (NRC) and National Population Register (NPR) in the hills by holding a rally in Darjeeling on Wednesday. "Bengal is our land and Gorkhas are the heart. They (BJP) did a lot in Assam and Manipur, but they will do nothing

here." Said Mamata Banerjee while also stressing on the aspect that her party the Trinamool Congress (TMC) won't allow any detention camps to be set up in Bengal.

Mamata lashed out at the BJP saying they call her a liar. "Will the country develop by abusing? If students agitate, they are bashed up. Social workers are called mad. They call us Pakistani if we revolt," added Mamata. Mamata had announced that her party will pass a resolution in the State Assem-

bly and had appealed to Chief Ministers of North Eastern states to do the same. The resolution against CAA and NPR is expected to be passed on the 27th of January.

Mamata has been vocal against CAA since the last few months and is trying to garner more support for her fight against the BJP. The hills are divided in their support for the TMC and BJP and keeping in mind the 2021 elections in West Bengal, Mamata is leaving no stone unturned.

File report on Jamia plea: Court directs Delhi police

AGENCIES / New Delhi

A Delhi Court on Wednesday directed the police to file an action taken report (ATR) over the alleged brutality that happened inside the Jamia Millia Islamia University campus on Dec 15 last year.

Metropolitan Magistrate Rajat Goel passed the directions while hearing a plea filed by the varsity's administration under section 156 (3) Code of Criminal Proce-

dures (CrPC) seeking registration of an FIR against the Delhi Police as it entered the varsity campus without permission and subjected to brutality with the students.

The plea is filed by varsity's Registrar through Advocate Asghar Khan and Tariq Anwar. It also said the police filed an FIR in connection with the incident but the said FIR has not been lodged on the basis of the complaint dated 16.12.2019 made by the varsity.

Notes :-

- The above Standalone and Consolidated results for the quarter and nine months ended December 31, 2019 were taken on record and approved by the Board of Directors at their meeting held on January 22, 2020. These results have been reviewed by the audit committee and have been subjected to a limited review by the statutory auditors.
 - During the quarter ended September 30, 2019, the Company has received demands from Department of Telecommunications (DOT) aggregating to ₹ 663343 lakhs towards License Fee on its Adjusted Gross Revenue (AGR) for the financial years 2006-07 till 2017-18. This includes an amount of ₹ 543370 lakhs which were disallowed by the DOT towards the cost adjusted to Gross Revenues by the Company that were claimed on accrual basis instead of actual payment, for which a revised statement on the basis of actual payment has been submitted. On October 24, 2019, the Honorable Supreme Court has given ruling on the AGR. Subsequently, based on media reports, the Company understands that certain ISPs have got demands for payment of AGR on non-telecom income by the DOT and these ISPs have sought clarifications which is pending before Hon'ble Supreme Court. The Company has existing appeals relating to its ILD & NLD licenses which were filed in the past and are pending at the Hon'ble Supreme Court and Hon'ble Madras High Court and the Company's appeal is not included in the Hon'ble Supreme Court ruling of October 24, 2019. Further, the Company believes that all its licenses are different from UASL, which was the subject matter of Supreme Court judgement. The Company has responded to the DOT denying and disputing the amounts claimed by the DOT in the demand cum show cause notice. The Company has not received any response from the DOT after the submission.
 - During the quarter ended September 30, 2019, a subsidiary domiciled abroad, has received a final VAT assessment from VAT authorities for ₹ 12397 lakhs, during the quarter ended December 31, 2019 a final penalty assessment of ₹ 14477 lakhs was also received. The Group has filed a notice of intention to appeal the final VAT and penalty assessment which is currently pending with the Economic Administrative Court. The management believes that there are grounds to defend its position.
 - On March 5, 2018, the Company filed with the National Company Law Tribunal, Mumbai Bench ("NCLT"), a scheme of arrangement and reconstruction among the Company and Hemisphere Properties India Limited ("HPIL") and their respective shareholders and creditors for demerger of surplus land ("Scheme"). By order of the NCLT, a meeting of the shareholders of the Company was held on May 10, 2018, at which the shareholders approved the Scheme. On July 12, 2018, the NCLT approved the Scheme. HPIL, being a 'government company', as defined under Section 2(45) of the Companies Act, 2013, had filed its petition seeking sanction to the Scheme, before the Central Government through the Ministry of Corporate Affairs, New Delhi ("MCA"). The MCA has approved the Scheme through its order dated August 5, 2019 and HPIL has filed the order with the Registrar of Companies, New Delhi. Consequent to the receipt of the approvals of the NCLT and the MCA, to the Scheme, the Board of Directors of the Company fixed September 18, 2019 as the "Record Date" for the Scheme, for determining the shareholders of the Company who shall be eligible to receive the equity shares of HPIL. The Company and HPIL are working towards giving effect to the Scheme in accordance with its terms.
- Accordingly, during the quarter ended September 30, 2019, the Company has recorded an expense of ₹ 592 lakhs relating to such demerger under exceptional items. Further, the carrying value of surplus land and fixed deposits amounting to ₹ 306 lakhs has been derecognised and the same is adjusted in retained earnings.
- The Company and the Group has adopted Ind AS 116 using the modified retrospective approach from April 1, 2019 and has taken the cumulative adjustment to retained earnings, on the date of initial application. Accordingly, comparatives for previous periods have not been retrospectively adjusted. On adoption of this standard following are the impact on Standalone and Consolidated Financial Statements:

Particulars	Standalone	Consolidated
Right-of-use (ROU) assets	6117	92872
Lease liability	7885	115155
Retained earnings (net of taxes) (note a)	(1150)	(14890)
Non-current/current prepaid operating lease assets reclassified to ROU assets	16614	16614
Increase/ (decrease) of profit from operations before taxes for the nine months ended December 31, 2019	(472)	(463)

- The retained earnings of consolidated financial statements is also adjusted for previously recognised lease equalisation liability of ₹ 4384 lakhs that has been derecognised on adoption of this standard.
- The above is an extract of the detailed format of standalone and consolidated unaudited financial results for the quarter and nine months ended December 31, 2019, filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by circular no CIR/CFD/FAC/62/2016 dated July 5, 2016. The full format of the standalone and consolidated financial results for the quarter and nine months ended December 31, 2019 are available on the stock exchange websites, www.nseindia.com and www.bseindia.com and on the Company's website www.tatacommunications.com
