2. MANAGEMENT ‘S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS:

The Company’s Management is responsible for establishing and maintaining Internal Financial controls based on the Internal Controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India(‘ICAI’) These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the Accounting Records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

3. AUDITORS’S RESPONSIBILITY:

- (a) Our responsibility is to express an opinion on the Company’s Internal Financial Controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Control both applicable to an audit of Internal Financial Controls and both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Control with reference to financial statements was established and maintained and if such controls operated effectively in all material aspects.
- (b) Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Control System with reference to Financial Statements and their operating effectiveness. Our Audit of internal Financial Controls with reference to financial statements included obtaining an understanding of Internal Financial Controls with reference to IND AS financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- (c) We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s Internal Financial Control System over financial reporting .

4. MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS:

A company's Internal Financial Control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control with reference to financial statements includes those policies and procedures that

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

5. INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS:

Because of the inherent limitations of Internal Financial Controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and may NOT be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to financial statements, to future periods are subject to the risk that the Internal Financial Control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. OPINION :

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls system with reference to financial statements and such Internal Financial Controls with reference to financial statements were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India.
