Subject: Appointment of 50 Dealer Networks for Electric Vehicle Sales and Market Reach

We are pleased to announce that Jindal Worldwide Limited through its subsidiary Jindal Mobilitric Private Limited has appointed 50 dealer networks for Electric Vehicles (EV) Manufactured by the Company. This strategic decision is aimed at expanding our market reach and enhancing our customer service capabilities. We believe that the addition of these dealers will contribute significantly to our growth and profitability in the coming years. Further, we aim to start commercial production by the end of the year.

We believe this investment is an important step for making India self-reliant in advanced EV technologies. It will also help to create a local ecosystem of suppliers, as well as boost R&D in EV technologies.

For Jindal Worldwide Limited
