2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

- The above consolidated financial results for the quarter and nine months ended on December 31, 2019 were reviewed by the Audit Committee and thereafter approved by the Board of Directors at the meeting held on February 12, 2020. These financial results have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
- The Group has adopted Ind AS 116 "Leases" effective April 1, 2019, using modified retrospective method. The Group has applied the standard to all its leases with the cumulative impact recognised on the date of initial application i.e. April 1, 2019. Accordingly, previous periods information has not been restated. This has resulted in recognising a Right-of-Use (ROU) asset included in Property, Plant and Equipment and corresponding lease liability, included in Other financial liability of Rs. 9,875 Lakhs as at April 1, 2019.

Operating lease expenses which were recognized as other expenses in previous year / period are now recognized as depreciation expense for the ROU and finance cost for interest accrued on lease liability in the financial results for the current period ended December 31, 2019 and September 30, 2019. The adoption of this standard did not have significant impact on the profit for the period and earnings per share.

**Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended****Review Report to  
The Board of Directors  
Welspun India Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Welspun India Limited (the "Company") for the quarter ended December 31, 2019 and year to date from April 1, 2019 to December 31, 2019 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes :**

- The above standalone financial results for the quarter and nine months ended on December 31, 2019 were reviewed by the Audit Committee and thereafter approved by the Board of Directors at its meeting held on February 12, 2020. These financial results have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
- The Company has adopted Ind AS 116 "Leases" effective April 1, 2019, using modified retrospective method. The Company has applied the standard to all its leases with the cumulative impact recognised on the date of initial application i.e. April 1, 2019. Accordingly, previous periods information has not been restated. This has resulted in recognising a Right-of-Use (ROU) asset included in Property, Plant and Equipment and corresponding lease liability, included in Other financial liability of Rs. 2,001 Lakhs as at April 1, 2019.  
  
Operating lease expenses which were recognized as other expenses in previous year / period are now recognized as depreciation expense for the ROU and finance cost for interest accrued on lease liability in the financial results for the current period ended December 31, 2019 and September 30, 2019. The adoption of this standard did not have significant impact on the profit for the period and earnings per share.
- (a) During the quarter, the Company received final approval from trial court dated October 28, 2019 for its settlement agreement which is intended to resolve all pending legal claims in the United States concerning past marketing and labeling of the Company's premium cotton home textile products. Accordingly, the management based on expert advice has reversed the unutilized provision aggregating Rs. 4,316 lacs during the quarter and period ended December 31, 2019.  
  
(b) The Ministry of Textiles, Government of India has issued a notification dated January 14, 2020 withdrawing the entitlement under Merchandise Exports from India Scheme (MEIS) with retrospective effect from March 7, 2019 on certain products exported by the Company and its subsidiary. Based on external legal opinions, the Company is evaluating the options against such retrospective amendment. Without prejudice to the Company's claim, during the quarter ended December 31, 2019 the Company has not recognised an amount aggregating to Rs. 4,131 lacs and has taken write off for an amount aggregating to Rs. 9,469 lacs (including Rs. 8,381 lacs accrued as revenue from operations for the period ended September 30, 2019) with respect to the affected products for the period March 7, 2019 to September 30, 2019.
- The Company publishes this standalone financial result along with the consolidated financial results. In accordance with Ind AS 108, Operating Segments, the Company has disclosed the segment information in the statement of unaudited consolidated financial results.
