SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 read with Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May, 2022 (collectively referred to as 'SEBI Circulars') permitted the holding of the Annual General Meeting ('AGM') through Video Conferencing ('VC') facility or other audio visual means ('OAVM'), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ('Act'), Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations, 2015') and MCA Circulars, the AGM of the Company will be held through VC/OAVM on Tuesday, August 30, 2022 at 12.00 noon (IST). The deemed venue for the 45th AGM will be 119, GIDC Industrial Area, Ankleshwar – 393002, Gujarat, India. Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. In Compliance with the MCA Circulars and SEBI Circulars, the Notice of the 45th AGM along with the Annual Report 2021-22 are being sent only through electronic mode to those Members whose email addresses are registered with the Company / Depositories. Members may note that the Notice and Annual Report will also be available on the Company's website at [www.rapicutcarbides.com](http://www.rapicutcarbides.com), website of stock exchange i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) and on the website of Central Depository Services (India) Limited at [www.evotingindia.com](http://www.evotingindia.com).
3. Since this AGM is being held through VC / OAVM, pursuant to MCA Circulars, physical attendance of the Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM. Hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.
4. Corporate Members intending to authorise their representatives pursuant to Section 113 of the Act, to attend the AGM through VC/OAVM are requested to send a certified copy of the Board Resolution / authorization letter to the Company by e-mail at [investors@rapicutcarbides.com](mailto:investors@rapicutcarbides.com).

5. Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Act.
6. The details of the Directors seeking appointment / re-appointment at the AGM, pursuant to the provisions of Regulation 36(3) of the SEBI Listing Regulations, 2015 and para 1.2.5 of the Secretarial Standards on General Meetings (SS-2) and other applicable provisions are provided in Annexure – A to this Notice.
7. All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send a request from their registered Email Id mentioning their name, DP ID and Client ID / Folio No., PAN, Mobile No. to the Company at [investors@rapicutcarbides.com](mailto:investors@rapicutcarbides.com)
8. As per Regulation 40 of the SEBI Listing Regulations, 2015 as amended, securities of listed companies can be transferred only in dematerialised form. With effect from January 24, 2022, transmission or transposition of securities held in physical or dematerialized form shall be effected only in dematerialized form. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialised form. Members can contact the Company's Registrar and Transfer Agent, M/s Link Intime India Private Limited at [rnt.helpdesk@linkintime.co.in](mailto:rnt.helpdesk@linkintime.co.in) for assistance in this regard.
9. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, PAN, registration of nomination, power of attorney registration, Bank Mandate details, etc. to their Depository Participants (DP) in case the shares are held in electronic form and to the Registrar and Transfer Agent at [rnt.helpdesk@linkintime.co.in](mailto:rnt.helpdesk@linkintime.co.in) in case the shares are held in physical form, quoting their folio number. Further, Members may note that Securities and Exchange Board of India ('SEBI') has mandated the submission of PAN by every participant in the securities market.
10. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form No. SH-14. The said forms can be downloaded from the Registrar and Transfer Agent's website at [www.linkintime.co.in](http://www.linkintime.co.in) under 'Downloads' section. Members are requested to submit the said form to their DP in case the shares are held in electronic form and to the Registrar at [rnt.helpdesk@linkintime.co.in](mailto:rnt.helpdesk@linkintime.co.in), in case the shares are held in physical form, quoting their folio number.
11. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned DP and holdings should be verified from time to time.
12. The Company has uploaded the information in respect of the Unclaimed Dividends of the Financial Years 2014-2015 to 2018-2019 under "Investor Section" on the website of the Company viz. <http://www.rapicutcarbides.com/finance.htm>. Members who have not claimed dividend for previous year(s) are requested to claim the same by approaching the Company or Registrar and Transfer Agent.
13. In terms of Section 124 of the Act, all unpaid and unclaimed dividend for the Financial Year ended March 31, 2015 will be transferred to the Investor Education and Protection Fund set up by the Government u/s 125 of the Act within 30 days from the due date i.e. November 01, 2022 and thereafter no claim shall lie against the Company in respect of the said unpaid or unclaimed amount. Shareholders may approach IEPF Authority for claiming the dividend transferred to Investor Education and Protection Fund and follow the procedure as per Rule 7 of IEPF (Accounting, Audit, Transfer and Refund) Rules, 2016 (hereinafter referred as "IEPF Rules") for claiming unpaid dividend.

As per Section 124 (6) of the Act read with the IEPF Rules as amended, all the shares in respect of which dividend has remained unpaid / unclaimed for seven consecutive years or more are required to be transferred to IEPF Demat Account. The Company had sent notice through Registered Post to all the members whose Dividends are lying unpaid/unclaimed for seven consecutive years or more. Members are requested to claim the same. In case the dividends are not claimed, necessary steps will be initiated by the Company for transfer of shares to IEPF without further notice. Please note that no claim shall lie against the Company in respect of the shares so transferred to IEPF.

In the event of transfer of shares and the unclaimed dividends to IEPF, members are entitled to claim the same from IEPF by submitting an online application in the prescribed Web based Form IEPF-5 available on the website [www.iepf.gov.in](http://www.iepf.gov.in) and sending a physical copy of the same duly signed to the Company along with the requisite documents enumerated in the Form IEPF-5.

14. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the SEBI Listing Regulations, 2015 (as amended), and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system during the AGM will be provided by CDSL.
15. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc., who are allowed to attend the AGM without restriction on account of first come first served basis.

The instructions for shareholders for remote e-voting and joining virtual meetings are as under:

- (i) The remote e-voting period begins on Saturday, August 27, 2022 at 9.00 am and ends on Monday, August 29, 2022 at 5.00 pm. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday, August 23, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for remote e-voting after Monday, August 29, 2022 (5.00 p.m. IST). Members have the option to cast their vote on any of the resolutions using the remote e-voting facility either during the aforesaid voting period or during the AGM.
- (ii) Shareholders who have already voted prior to the Meeting date would not be entitled to vote during the AGM.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 December 9, 2020, under Regulation 44 of the SEBI Listing Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in Demat mode is given below:

Total Comprehensive income for the year	<b>(106.71)</b>	(96.52)
Add:		
Profit brought forward from previous year	<b>1,127.11</b>	1,221.00
Profit available for appropriation	<b>1,022.68</b>	1,127.11
Appropriations		
Dividend and Dividend Tax	-	-
Transfer to General Reserve	-	-
Profit carried to Balance Sheet	<b>1,022.68</b>	1,127.11

The Company's performance for the Financial Year 2021-22 (Rs. 3,613.64 Lakhs) has shown substantial improvement in Revenue from Operations in comparison with the previous year 2020-21 (Rs. 2,801 lakhs) on account of perceptible revival in economy post the COVID-19 impact in the Financial Year 2020-21.

However, with the abrupt and steep rise in cost of raw materials and consumables, it was not possible for the Company to appreciably pass on the cost push to the customers, in the face of stiff Competitive Environment. The Management continues its focus on appropriate decisions in response to the improving overall market conditions.

### **DIVIDEND**

The Board of Directors of your Company, after considering relevant circumstances and loss for the Financial Year 2021-22 (year under review), has decided that it would be prudent, not to recommend any Dividend for the year under review.

### **TRANSFER TO RESERVES**

Due to losses in the FY 2021-22, no amount has been transferred to Reserves.

### **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

The Management Discussion and Analysis Report as required under Regulation 34(2)(e) read with Schedule V of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") forms part of this Annual Report. Certain Statements in the said report may be forward-looking. Many factors may affect the actual results, which could be different from what the Directors envisage in terms of the future performance and outlook. The Management Discussion and Analysis Report is annexed as Annexure -A.

### **SUBSIDIARIES, ASSOCIATES, AND JOINT VENTURE**

The Company does not have any Subsidiary or Associate Company and has not entered into any Joint Venture during the year under review.

## DEPOSITS

The Company has not accepted any deposits under Section 73 of the Companies Act, 2013 ("the Act") and rules made thereunder and no amount on account of repayment of deposits or interest thereon was due during the year under review.

## CHANGE IN CAPITAL STRUCTURE

There is no change in the paid-up equity share capital of the Company during the year under review. The paid-up Equity Share Capital of the Company as on March 31, 2022, is Rs. 5,37,12,450/-.

### **MANAGEMENT DISCUSSION AND ANALYSIS**

#### **TUNGSTEN CARBIDE INDUSTRY STRUCTURE, PERFORMANCE, DEVELOPMENT, OVERVIEW AND OUTLOOK**

The Management is happy to share that the overall business climate is slowly but certainly improving.

#### **OUTLOOK**

The overall demand in F.Y. 2022-23 has gradually but certainly picked up momentum and this augurs well going forward. As reported in the previous Year, Company received order from Neyveli Lignite Corporation of close to Rs. 4 Crores which has been successfully executed as per agreed terms of the Order. The Company also reported in the previous Year Outlook perception that an order of the approx. value of Rs. 4 Crores was bagged from a prestigious Defence Establishment. This Order too has since been successfully executed and the Company has established its footprint firmly in servicing the Defence sector. We are happy to share that we see very positive signs of substantial share of business from the Defence sector as we go forward.

#### **FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONS**

The product-wise performance of the Company is mentioned below:-

<b>Sr. No.</b>	<b>Particulars of Products Manufactured</b>	<b>12 Months ended 31st March, 2022</b>	<b>12 Months ended 31st March, 2021</b>
1.	Metal Cutting	<b>3,55,375 Nos.</b>	2,30,597 Nos.
2.	Mining	<b>3,18,190 Nos.</b>	4,98,648 Nos.
3.	Wear Parts	<b>65,982 Nos.</b>	34,355 Nos.
4.	Intermediates	<b>55,694.75 Kgs.</b>	31,988.70 Kgs.
5.	TC Tool Room Products	<b>26,501 Nos.</b>	26,220 Nos.

In all products with the exception of Mining, Company succeeded in securing fairly reasonable volumes. Mining activity was most impacted by pandemic conditions, hence the numbers were restricted to about 64% compared with the previous year.

#### **OPPORTUNITIES AND THREATS**

Company's Marketing team at works and other locations is proactively exploring ways and means to tap new customers. Their efforts do yield positive results from time to time.

#### **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

Internal Control Systems and procedures in the Company are commensurate with nature and size of its business. It is to be noted that not only the assets of the Company are safeguarded and protected against any losses, but also all the transactions are properly accounted and that they meet the test of legal compliances.

Apart from regular review and monitoring Internal Control Systems by the Company's Internal Control Department, an independent Chartered Accountants firm has been appointed to conduct the internal audit for the Company's manufacturing units. This provides reasonable assurance to the effectiveness of the internal control systems and procedures and reliability of financial reporting.

#### **SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE**

The Company has only one reportable primary business segment as per Ind AS 108 i.e. Tungsten & Tungsten Carbide Products.

#### **RISKS AND CONCERNS**

The Company evaluates and monitors all risks associated with various areas of operations such as production, sales, inventory Management, debtor's Management with a view to counter the adverse impact of the risk factors, to the extent

feasible. However, the element of risks and concerns remains as under: -

- Price Volatility in key raw materials and consumables;
- Uncertainty in sustained stability of Rupee Dollar equation;
- Natural Calamities, and other Unforeseen circumstances like pandemic, etc.

#### **SAFETY, HEALTH AND ENVIRONMENT (SHE) MANAGEMENT**

Your Company continues to adopt best safety practices which have helped avoiding serious accidents. Regular safety inspection of plant and machinery is carried out to prevent accidents

#### **HUMAN RESOURCES / INDUSTRIAL RELATIONS**

Our people related policies span the entire spectrum of hiring the right talent as best as possible, up-skilling them and motivating them. This enables them in putting their best foot forward for fulfilling set targets. We do our best to provide our people healthy work environment that encourages sharing of knowledge, concerns and where the cross-pollination of ideas can always bloom. This reflects in their day to day performance at the ground level.

The details of employees are as under:

Number of Employees at the beginning of the year	84
Number of Employees recruited during the year	30

## ANNEXURE "C" TO THE DIRECTORS' REPORT

Additional Information as required under sub-section 3(m) of Section 134 of the Act and Rule 8 of the Companies (Accounts) Rules, 2014

### (A) CONSERVATION OF ENERGY:

#### (i) Steps taken or impact on conservation of energy:

The Management is very much cautious for minimizing/eliminating any losses in energy consumption. With such watch, the consumption of electricity and its cost is absolutely under control.

#### a. Energy Conservation measures taken:

- Company has installed LED lighting systems throughout the Company premises as a measure of energy conservation.
- Close monitoring of consumption of electricity, diesel and water.
- Optimum use of Energy by Switching off Machines, Lights, Fans, Air Conditioners and Exhaust Systems whenever not required.
- Creating awareness among employees to conserve energy.

#### b. Impact of measures:

- We replaced worn out insulation in the Chilled Water Pipelines and Heat Exchanges (Condensers) in Vacuum Drying Cabinets (VDCs). This has arrested Power Loss in the transmission lines for the said Equipment.
- We have replaced from Oil base to Water base in VDCs (2 Nos.) This has resulted in appreciable Cost saving. In addition, we have saved cost of 0.5 kw power consumption per hour per VDC.
- Due to measures taken as described above, visible drop in the overall power and fuel oil consumption has resulted.

#### c. Details of total energy consumption:

Sr. No.	Particulars	2021-2022	2020-2021
1	Total Electricity Consumption in unit (kwh)	13,52,803	13,42,824
2	Expenditure on Electricity per annum (Rs in Lakhs)	110.036	110.41
3	Rate of Electricity per unit (In. Rs)	8.13	8.22

#### (ii) Steps taken by the Company for utilizing alternate sources of energy:

The manufacturing unit purchases power from respective State Electricity Board. Steps are taken on a continuous basis to ensure optimal utilization of power.

#### (iii) The capital investment on energy conservation equipments:

The energy conservation equipments, wherever installed, are replaced at intervals to ensure their run at the best capacity and benefit.

### (B) TECHNOLOGY ABSORPTION:

#### (i) Efforts made towards technology absorption:

The Company has its own Quality Assurance Department which is equipped with instruments of latest technology for testing quality of raw material, finished goods etc. Focus is always on new ideas and innovation to support existing business.

Efforts, in brief, made towards technology absorption, adaptation and innovation:

- Establishment of standardized and improved manufacturing processes
- Continued modernization of analytical techniques

**(ii) The benefits derived like product improvement, cost reduction, product development or import substitution:**

- We have cautiously but successfully optimized Charge Loading in our furnaces Network, resulting in Direct Cost saving in the running of these furnaces.
- Focus on efficiency optimization has contributed on obtaining the targeted operations. It is also kept in view that the cost of production does not go beyond the appropriate level.
- We replaced worn out insulation in the Chilled Water Pipelines and Heat Exchanges (Condensers) in Vacuum Drying Cabinets (VDCs). This has arrested Power Loss in the transmission lines for the said Equipment.
- We have replaced from Oil base to Water base in VDCs (2 Nos.). This has resulted in appreciable Cost saving. In addition, we have saved cost of 0.5 kw power consumption per hour per VDC.

**(iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year): -Not Applicable**

**(iv) Expenditure incurred on Research and Development:**

Expenditure on In-House R & D, as and when incurred, is debited to the respective head of expenses in Statement of Profit and Loss.

**(C) FOREIGN EXCHANGE EARNINGS AND OUTGO**

## INDEPENDENT AUDITOR'S REPORT

**To**  
**The Members of**  
**Rapicut Carbides Limited**  
**Report on the Audit of the Financial Statements**

### **Opinion**

We have audited the accompanying financial statements of Rapicut Carbides Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss including Other Comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Company's Board of Directors is responsible for preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis and Shareholder's Information but does not include the financial statements and our auditors' report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles

generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act;
  - (e) On the basis of the written representations received from the directors as on March 31, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a Director in terms of Section 164(2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
  - (g) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended;

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and;

- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts as at March 31, 2022 for which there were any material foreseeable losses;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
  
(b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
  
(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.

## ANNEXURE-A

### TO THE INDEPENDENT AUDITOR'S REPORT

The annexure referred to in our Independent Auditors' Report to the members of **Rapicut Carbides Limited** ("the Company") on the financial statements for the year ended March 31, 2022, we report that:

- i. In respect of the Company's Property, Plant and Equipment:
  - (a) (A) The Company has generally maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.  
(B) The Company has generally maintained proper records showing full particulars of intangible assets.
  - (b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which Property, Plant and Equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain Property, Plant and Equipment were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - (c) According to the information and explanations given to us and on the basis of our examination of records of the Company, the title/lease deeds of all the immovable properties (other than properties where the Company is the lessee, and the lease agreement are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
  - (d) The Company has not revalued any of its Property, Plant and Equipment during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Company.
  - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
  - (a) The Inventories have been physically verified by the management during the year and in our opinion, the coverage and procedure for such verification is reasonable. As explained to us, there were no discrepancies of 10% or more in the aggregate for each class of inventory on physical verification of inventory as compared to the book records.
  - (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. The Company had submitted preliminary quarterly returns initially, thereafter the Company had resubmitted the quarterly returns with the final numbers which are in agreement with the books of accounts of the Company.
- iii. The Company has not made investment in, provided any guarantee or security or granted any loans, or advance in nature of loans, secured or unsecured to companies, firms, Limited Liability Partnership or other parties covered in register maintained under section 189 of Companies Act, 2013 and therefore, reporting under this clause of the order is not applicable to the Company.
- iv. The Company has not granted any loans or provided any guarantees or security to the parties covered under section 185 of the Act. In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of section 186 of the Act in respect of the Investments made.
- v. According to the information and explanations given to us, the Company has not accepted any deposits during the year from the public within the meaning of provisions of section 73 to 76 of the Act, and the rules framed thereunder or under the directives issued by the Reserve Bank of India and therefore, reporting under clause (v) of the Order is not applicable to the Company.
- vi. In our opinion and according to the information and explanations given to us, in view of Rule 3 of the Companies (Cost Records and Audit) Amendments Rules 2014 the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013 is not applicable to the Company and therefore, reporting under clause (vi) of the Order is not applicable to the Company.

- vii. (a) In our opinion and according to the information and explanations given to us, the Company has been regular in depositing with appropriate authorities undisputed statutory dues, including provident fund, income-tax, duty of customs, cess, goods and services tax and any other statutory dues applicable to it. Further, no undisputed amounts payable in respect of income tax, duty of customs, duty of excise, goods and service tax, cess and other statutory dues were in arrears as at 31st March 2022 for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us, there are no statutory dues as referred to in sub clause (a) above which have not been deposited on account of any dispute.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or Government or any Government Authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company does not have any subsidiaries, associates or joint ventures and hence, reporting under this clause of the order is not applicable.
- (f) The Company has not raised any loans during the year and hence reporting under clause 3(ix)(f) of the Order is not applicable to the Company.
- x. (a) According to information and explanation given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) To the best of our knowledge and according to information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. In our opinion, the Company is not a Nidhi Company and therefore, reporting under clause (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- xiv. (a) In our opinion and based on our examination, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, reporting under clause (xv) of the Order are not applicable to the Company.
- xvi. (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, there is no core investment Company within the Group [as defined in the Core Investment Companies (Reserve Bank) Directions, 2016] and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit, but the Company has incurred cash losses of Rs. 42.02 Lakhs during the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year and accordingly, this clause is not applicable.
- xix. In our opinion and according to the information and explanations given to us, on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanations given to us, section 135 of the Act is not applicable to the Company and therefore, reporting under this clause of the Order is not applicable to the Company;
- xxi. The Company is not required to prepare consolidated financial statements and therefore, reporting under this clause of the Order is not applicable to the Company.

## ANNEXURE-B

### TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Rapicut Carbides Limited** on the financial statements of even date)

#### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Subsection 3 of Section 143 of the Act.**

We have audited the internal financial controls with reference to financial statements of **Rapicut Carbides Limited** ("the Company") as of March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the, "Guidance note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to financial statements**

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail,

accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

### Note No. 1.

#### 1. Corporate Information

The Financial Statements of "Rapicut Carbides Limited" ("the Company") are for the year ended 31st March 2022.

Rapicut Carbides Limited (RCL) was incorporated as a Public Limited Company in April 1977, and Commercial Production Commenced in October 1979.

The Company is a domestic public limited Company incorporated and domiciled in India and has its Registered Office at 119, GIDC Industrial Area, on National Highway BOM-AHM, Ankleshwar, Gujarat. The Company's shares are listed and traded on the Bombay Stock Exchange Ltd. (BSE). The Company is engaged in business of manufacturing of Tungsten Carbide products used in metal cutting, mining, wear parts and various other industries.

Gujarat Drillwell Private Limited promoted with technical knowhow provided by RCL was merged with the Company in the year 1993.

#### 2. Basis of Preparation of Financial Statements

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Financial Statements have been prepared on the historical cost convention on accrual and going concern basis except for certain financial instruments that are measured at fair values / amortized cost / net present value at the end of each reporting period. The accounting policies are applied consistently to all the periods presented in the Financial Statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The Financial Statements of the Company for the year ended 31st March 2022 were approved for issue in accordance with the resolution of the Board of Directors on 28th May, 2022.

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company's presentation and functional currency. All values are rounded off to the nearest two decimal lakhs, unless otherwise indicated.

#### 3. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Financial Statements are categorized within the fair value hierarchy, described as follows, which gives highest priority to quoted prices in active markets and the lowest priority to unobservable inputs.

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for inputs other than quoted prices included within Level 1 that are observable for the asset or Liability either directly or indirectly.

Level 3 — Valuation techniques for inputs that are unobservable for the asset or liability.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### **4. Statement of Compliance**

The Comparative Financial Statements comprising Balance Sheet, Statement of Profit and Loss, Statement of Changes in Equity, Cash Flow Statement, together with the Notes to accounts along with a summary of the significant accounting policies and other explanatory information for the year ended 31st March 2022, have been prepared in accordance with the Ind AS notified above. For all periods up to and including the year ended 31st March 2018, the Company prepared its Financial Statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

##### **4.1. Basis of Measurement - Historic Cost Convention:**

These Financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that is measured at fair value (refer accounting policy regarding financial instruments);
- Assets held for sale – measured at fair value less cost incurred for sale;
- Defined benefit plans – plan assets measured at fair value. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other Criteria set out in the Schedule III to the Companies Act, 2013.

##### **4.2. Use of Estimates:**

The preparation of Financial Statements in accordance with Ind -AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the Balance Sheet and Statement of Profit and Loss. The actual amounts realized may differ from these estimates. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the period in which the results are known /materialized and, if material, their effects are disclosed in the notes to the Financial Statements.

##### **4.3. Critical accounting judgments, assumptions and Key sources of estimation uncertainty:**

The preparation of the Company's Financial Statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities at the date of the Financial Statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these

assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key source of judgments, assumptions and estimates in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of useful lives of Property, Plant and Equipment, impairment, employee benefit obligations, provisions, provision for income tax, measurement of deferred tax assets and contingent assets & liabilities.

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

**(i) Determination of the estimated useful life of tangible assets and the assessment as to which components of the cost may be capitalized.**

Useful life of tangible assets is based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful life is different from that prescribed in Schedule II, it is based on technical advice, taking into account the nature of the asset, estimated usage and operating conditions of the asset, past history of replacement and maintenance support. An assumption also needs to be made, when the Company assesses, whether an asset may be capitalized and which components of the cost of the asset may be capitalized.

**(ii) Recognition and measurement of defined benefit obligations:**

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations being carried out at reporting date. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, Salary escalation rate, expected rate of return on asset and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

**(iii) Recognition of income taxes:**

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions as also to determine the amount of deferred tax that can be recognized, based upon the likely timing and the level of future taxable profits.

**(iv) Recognition of Deferred tax assets:**

Deferred Tax Assets (DTA) are recognized for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized. Management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits.

**(v) Recognition and measurement of provisions:**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

**(vi) Determining whether an arrangement contains a lease:**

At the inception of an arrangement, the Company determines whether the arrangement is or contains a lease. At the inception or on reassessment of an arrangement that contains a lease, the Company separates payments and other consideration required by the arrangement into those for the lease and those for the other elements based on their relative fair values. If the Company concludes for a finance lease that, it is impracticable to separate the payments reliably, then an asset and a liability are recognized at an amount equal to the fair value of the underlying asset; subsequently, the liability is reduced as payments are made and an imputed finance cost on the liability is recognized using the Company's incremental borrowing rate. In case of operating lease, the Company treats all payments under the arrangement as lease payments.

**(vii) Contingent Liabilities and Assets:**

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractual, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgment and the use of estimates regarding the outcome of future events

**(viii) Allowance for impairment of trade receivable:**

The expected credit loss is mainly based on the ageing of the receivable balances and historical experience. The receivables are assessed on an individual basis assessed for impairment collectively, depending on their significance. Moreover, trade receivables are written off on a case-to-case basis if deemed not to be collectible on the assessment of the underlying facts and circumstances.

**(ix) Impairment of non-financial assets:**

Evaluation for impairment requires use of judgment, estimates and assumptions.

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance of the idle assets etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment and such assessment is based on estimates, future plans as envisaged by Company.

**4.4. Current versus Non-current classification:**

(i) The assets and liabilities in the Balance Sheet are based on current/ non – current classification.

An asset is current when it is:

1. Expected to be realized or intended to be sold or consumed in normal operating cycle.
2. Held primarily for the purpose of trading.
3. Expected to be realized within twelve months after the reporting period, or
4. Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non - current.

(ii) A liability is current when it is:

5. Expected to be settled in normal operating cycle
6. Held primarily for the purpose of trading.
7. Due to be settled within twelve months after the reporting period, or
8. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are treated as non - current. Deferred tax assets and liabilities are classified as non – current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

## 5. Significant Accounting Policies

### 5.1. Property, Plant and Equipment

The Company has elected to continue with the carrying value of its Property Plant & Equipment (PPE) recognized as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as on the transition date as per Para D7AAof Ind AS 101.

Property, Plant & Equipment (PPE) comprises of Tangible assets and Capital Work in progress. PPE are stated at cost, net of tax/duty credit availed, if any, after reducing accumulated depreciation and accumulated impairment losses, if any, until the date of the Balance Sheet. The cost of PPE comprises of its purchase price or its construction cost (net of applicable tax credit, if any), any cost directly attributable to bring the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management. Direct costs are capitalized until the asset is ready for use and includes borrowing cost capitalized in accordance with the Company's accounting policy.

Capital work in progress includes the cost of PPE that are not yet ready for the intended use.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

Depreciation is provided on the cost of Property, Plant and Equipment less their estimated residual value, using the straight-line method over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on internal technical evaluation. The management believes that the useful lives as assessed best represent the period over which management expects to use these assets.

Useful lives of following class of PPE are as prescribed under Part C of Schedule II to the Companies Act, 2013, which are as under: -

<b>Asset Description</b>	<b>Assets Useful life (in Years)</b>
Factory Building	30
Building other than Factory Building	60
Lease Hold Land	99
Data Processing Equipment	6
Plant and Machinery	10
Furniture and Fixtures	10
Vehicle	8

The estimated useful lives, residual values and depreciation method are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

Depreciation on additions/deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

## 5.2. Intangible Assets

The Company has elected to continue with the carrying value of its Intangible assets recognized as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as on the transition date as per Para D7AA of Ind AS 101.

Intangible assets with finite useful life acquired separately, are recognized only if it is probable that future economic benefits that are attributable to the assets will flow to the enterprise and the cost of assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized over the estimated period of benefit, not exceeding ten years.

Intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized in the Statement of Profit and Loss when the asset is derecognized.

Intangible assets are amortized on Straight Line Method from the date they are available for use, over the useful lives of the assets as estimated by the Management as under:

Asset Description	Assets Useful life (in Years)
Software	5

## 5.3. Impairment of non-financial assets

The Company reviews at each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit & Loss. If at the reporting period, there is an indication that there is change in the previously assessed impairment loss, the recoverable amount is reassessed and the asset is reflected at the lower of its recoverable amount and the carrying amount that is determined, net of depreciation, had no impairment loss been recognized for the asset in prior years.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates which has the effect of increasing the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that has been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.

## 5.4. Cash and Cash Equivalents:

Cash and cash equivalents comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash, and which are subject to insignificant risk.

## 5.5. Inventories

Inventories are valued at lower of cost and net realizable value after providing for impairment and other losses, where considered necessary. The basis of determining the value of each class of inventory is as follows:

Inventories	Cost Formulae
Raw Material, packing materials	Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a first-in-first out basis. Customs duty on imported raw materials (excluding stocks in the bonded warehouse) is treated as part of the cost of the inventories. Raw material, store and spares: Cost on FIFO basis or net realizable value, whichever is lower.
Raw Material (Goods in transit)	At invoice price
Work -in-progress	Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.
Finished Goods (Including in Transit)	At Cost, comprising of raw material cost, labour cost and appropriate proportion of manufacturing expenses and overheads.
Traded goods	Lower of cost and net realizable value. Cost includes the purchase price and other associated costs directly incurred in bringing the inventory to its present location. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.
Waste and Scarp	Waste and scrap are not separately valued being insignificant in value.
Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.	

## 5.6. Employee Benefit

### (i) Defined Contribution Plan

Retirement benefit in the form of Provident Fund and Superannuation fund, a defined contribution scheme and the contributions are charged to the statement of profit and loss for the year when the contributions to the government funds are due. The Company has no obligation other than the contribution payable to provident fund authorities and superannuation fund.

### (ii) Defined Benefit Plan

The employees' gratuity fund scheme is the Company's defined benefit plan. The present value of the obligation under the said defined benefit plan is determined on the basis of actuarial valuation from an independent actuary using the Projected Unit Credit Method. The gratuity benefit of the Company is administered by a trust formed for this purpose through the group gratuity LIC scheme. Re measurements comprising of actuarial gain and losses, the effect of the asset ceiling and the return on plan assets (excluding amount included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur

Re-measurements are not reclassified to the statement of profit and loss in subsequent periods.

Past service cost is recognized in the statement of profit & loss in the period of plan amendment.  
Net interest is calculated by applying the discounted rate to the net defined benefit liability or asset.

**(iii) Short Term Employee Benefits**

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**(iv) Other Long Term Employee Benefits**

The Company treats accumulated leave expected to be carried forward beyond 12 months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

**5.7. Foreign Exchange Transactions**

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognized at the spot exchange rates prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using closing exchange rate prevailing on the last day of the reporting period.

Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.

Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

**5.8. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

**a. Initial Recognition:**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value through Profit or Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized in the Statement of Profit and Loss.

**b. Classification and Subsequent Measurement: Financial Assets**

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial assets.

**c. Amortized Cost:**

A financial asset shall be classified and measured at amortized cost, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**d. Fair Value through OCI:**

A financial asset shall be classified and measured at FVTOCI, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**e. Fair Value through Profit or Loss:**

A financial asset shall be classified and measured at FVTPL unless it is measured at amortized cost or at FVTOCI.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

**f. Impairment of financial assets:**

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial Assets are measured at amortized cost e.g., deposits, trade receivables and bank balance

Simplified Approach

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade Receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition

General Approach

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-months ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-months ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

**g. Trade receivables**

A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest rate method, less provision for impairment. For some trade receivables the Group may obtain security in the form of guarantee, security deposit or letter of credit which can be called upon if the counter party is in default under the terms of the agreement. Impairment is made on the expected credit losses, which are the present value of the shortfalls over the expected life of financial assets. The estimated impairment losses are recognized in a separate provision account and the impairment losses are recognized in the Statement of Profit and Loss within other expenses.

For foreign currency trade receivable, impairment is assessed after reinstatement at closing rates.

Subsequent changes in assessment of impairment are recognized in provision for impairment and changes in impairment losses are recognized in the Statement of Profit and Loss within other expenses.

Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of trade receivable and the amount of the loss is recognized in the Statement of Profit and Loss within other expenses.

**h. Derecognition of financial assets:**

The Company derecognizes a financial asset when the contractual right to receive the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g., when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

## 5.9. Classification and Subsequent Measurement: Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

### a. Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or Losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

### b. Other Financial Liabilities at amortized cost:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

### c. Financial liabilities and equity instruments:

#### ● Classification as debt or equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### ● Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Equity instruments issued by a Company are recognized at the proceeds received.

### d. Derecognition of Financial Liabilities:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

### e. Offsetting:

Financial assets and financial liabilities are offset, and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

## 5.10. Share capital

### Ordinary Shares:

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity, net of any tax effects.

## 5.11. Leases

### As a lessee

The Company's lease assets primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- the contract involves the use of an identified asset.
- the Company has substantially all the economic benefits from use of the asset through the period of the lease and
- the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases and corresponding Right-of-use Asset. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The Right-of-use Assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses and adjusted for any remeasurement of the lease liability.

Right-of-use Assets are depreciated on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

### As a lessor

The Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income from operating lease is recognized in the statement of profit and loss on straight line basis over the Lease term.

### **5.12. Borrowing Costs**

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings.

General and specific borrowing costs attributable to acquisition and construction of qualifying assets is added to the cost of the assets upto the date the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period to get ready for its intended use Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

### **5.13. Statement of Cash Flows**

Statement of Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

### **5.14. Income Taxes**

Income tax expense represents the sum of the current tax and deferred tax.

#### **a. Current Tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

#### **b. Deferred Tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

**c. Current and Deferred Tax Expense for the Year**

Current and deferred tax expense is recognized in the Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

**5.15. Revenue Recognition**

The Company derives Revenue primarily from sale of manufactured and traded products being “Tungsten Carbides Products”.

Revenues from sale of goods or services are recognized upon transfer of control of the goods or services to the customer in an amount that reflects the consideration which the Company expects to receive in exchange for those goods or services.

Revenue is measured at the transaction price of the consideration received or receivable duly adjusted for variable consideration & customer's right to return the goods and the same represents amounts receivable for goods and services provided in the normal course of business. Revenue also excludes taxes collected from customers. Any retrospective revision in prices is accounted for in the year of such revision.

Revenue is recognized at a point in time on accrual basis as per the terms of the contract, when there is no uncertainty as to measurement or collectability of consideration. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

he contract asset or a contract liability is recognized when either party to a contract has performed, depending on the relationship between the entity's performance and the customer's payment. When the Company has a present unconditional right to consideration, it is recognized separately as a receivable.

Sale of products excludes amounts of indirect taxes on sales.

Interest on investments is booked on a time proportion basis taking into account the amounts invested and the rate of interest.

Dividend income is recognized when the right to receive the same is established.

Other income is recognized on accrual basis except when realization of such income is uncertain.

**5.16. Dividend**

Provision is made in the accounts for the amount of any final dividend declared on the date of its approval by the shareholders. Interim dividends, if any, are recorded as a liability on the date of its declaration by the Company's Board of Directors.

**5.17. Earnings Per Share**

Basic earnings per share is computed by dividing the profit / (loss) after tax with the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after

tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, with the aggregate of weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

#### **5.18. Segment Reporting**

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the Chief Operating Decision Making Body (CODM) in deciding how to allocate resources and in assessing performance.

The Company operates in one reportable business segments i.e., "Tungsten Carbides Products".

#### **5.19. Provision, Contingent Liabilities and Contingent Assets**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, it carrying amount is the present value of those cash flows (when the effect of the time value of money is material). If the time value of money is material, Provisions are discounted using pre-tax discount rate and when discounting is used, increase in the provision with the passage of time is recognized as a finance cost in the statement of Profit and Loss account.

A contingent liability is (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or (b) a present obligation that arises from past events but is not recognized because (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or (ii) the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is a possible asset that arises from the past events and whose existence will be confirmed only by the occurrence or non- occurrence of one or more of uncertain future events not wholly within the control of the entity.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. There are no transfers between levels 1 and 2 during the year. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

i) Valuation technique used to determine fair value

**Specific valuation techniques used to value financial instruments include:**

- The use of quoted market prices or dealer quotes for similar instruments
- The fair value of the remaining financial instruments is determined using NAV.
- Valuation of unquoted equity shares is done by external valuation agency.
- Changes in Level 2 fair value are analysed at the end of each reporting period.

## 25. Financial Risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk.
- Liquidity risk, and
- Market risk

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk controls and to monitor risks. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

### i) Credit risk :

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, deposit and other receivables. Credit risk is managed through continuous monitoring of receivables and follow up of overdue.

### Investments :

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counter parties, and does not have any significant concentration of exposures to specific industry sector or specific country risks.

### Trade receivables :

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer, demographics of the customer, default risk of the industry and country in which the customer operates, Credit risk is managed through credit approvals, establishing credit limits, and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

(₹ in Lakhs)

	Particulars	As at 31st March, 2022	As at 31st March, 2021
a	Balance at the beginning of the year	1,041.86	707.91
b	Provision made during the year	1.00	1.00
c	Provision reversed during the year	-	-
d	Balance at the end of the year	1,040.86	706.91

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

### ii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligation as they fall due. The Company ensures that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition.

### Maturities of Financial Liabilities

The table herewith analyse the Company's Financial Liabilities into relevant maturity groupings based on their contractual maturities for:

**iii) Market risk :**

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and other price risk such as commodity risk, Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt.

**Price Risk :**

The Company is mainly exposed to the price risk due its investment in equity instruments and equity & debt mutual fund. The price risk arises due to unascertainty about the future market value of these investments.

**Management Policy :**

The Company maintains its portfolio in accordance with framework set by risk management policies duly monitored by competent professionals.

**26. Capital management**

The Company's capital management objectives are:

- To ensure the Company's ability to continue as going concern; and
- To provide an adequate return to shareholders through optimization of debts and equity balance.

The Company monitors capital on the basis of the carrying amount of debt less cash and cash equivalents as presented on the face of the Financial Statements. The Company's objective for capital management is to maintain an optimum overall financial structure.
