Brief Profile

Shri D.Porpathasekaran, Executive Director is an officer of Indian Telecommunication Service, 1988 batch. He joined TCIL on 04-04-2022. He has bachelor's degree in Electronics and Communication Engineering and MBA in International Business. He has more than 32 years of experience in working in different domains in DoT, BSNL, TCIL and ICSIL. He has been working in various parts of India and Abroad in almost all spheres of Telecom. He is well experienced in executing very large projects and operation and maintenance of Telecom network and large Data centres. He has expertise in Project management, Material and Man power management, General Administration, Sales and Marketing, Enterprise Business, Tendering and Evaluation, Participation in Tenders/EOIs of other agencies, Vendor management, High Level/ Low Level Design for third party integrations , Proof of Concept(POC), validation testing, and Acceptance Testing. He has been part of various Technical committees and PNCs at corporate level. Shri.D.Porpathasekaran has been working as Principal General Manager, Broadband Network Circle, BSNL since April 2019.

Shri D.Porpathasekaran has shown exemplary leadership qualities in the guiding, motivating and getting the best out of his staff and was adept in handling critical issues and emergency situations affecting the services. During Covid Pandemic and lock down conditions all the NOCs under his jurisdiction were maintained with better than 99.99% uptime and he lead by example by attending the office regularly even during the peak periods of Covid-19.

He was deputed to TCIL for five years and as Project Director, TN he executed External plant projects across various SSAs of TN circle and CHTD. He handled the project successfully for nearly 3years 7 months with a profit of around 8%. In addition to this, Shri.D.Porpathasekaran in his early days has handled M/W projects in the North Eastern region. He was chosen by DOT to undergo three weeks "Junior Communications course" at Tokyo, Japan under APT program. He is also highly experienced in construction of external plant, Transmission and switching systems.
