**Sub: News Update regarding licensing for spices manufacturing.**

Add-shop E-Retail Ltd is proudly announce to our Esteemed and valuable Stake holders that the We have informed our stake holders regarding licensing process for organic spices on few days back.

In this regard we are happy to inform our stake holders that company had got FSSAI license yesterday for manufactured spices on organic based. Now we are ready to prepare Organics spices. We are very much pleased to inform our esteemed stake holders regarding company's planning and we updated the same to our share holders time by time.

This new range our spices will help company to grow rapidly in future and we are hoping a wide range of market for our products in coming time period.

Add-shop would be leveraging on its robust distribution network spread across the country for its ayurvedic products and agriculture products. The company having vast distribution network of more than 1250 franchises spread across India. In addition the company is having wide customer base, which offers substantial base for marketing its products to them. Such distribution network would be major growth catalyst for the company.
