MAR, Plot no- AP-III, Action  
Area-1 A, Newtown, Rajarhat,

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **Coal India Limited** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") for the Quarter ended June 30, 2023 ("the Statement"), and its share of the net loss after tax and total comprehensive loss of its joint ventures for the quarter ended June 30, 2023 ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time (herein referred as "Listing Regulation 2015"). We have initialed the Statement for identification purposes only.
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") notified under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of

Page 1 of 6

Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material misstatement. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

5. Based on our review conducted and procedures as stated above and based on the consideration of the review reports of other auditors, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Consolidated Financial Results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**6. Emphasis of Matter**

We draw attention to the following matters relevant to the Unaudited Consolidated Financial Results:

- a. Note No. 7, regarding Input tax credit on GST paid on input materials/services available for utilization against GST on output which consequent to inverted duty structure on account of GST liability on coal being 5% whereas the inputs being taxed at 18%, was being accumulated to Rs. 11,935.75 crore (including Rs. 345.90 crore for the quarter). The amount is not refundable in terms of notification issued in this respect and is therefore available only for utilization against duty on output.

- b. Transportation charges for the period prior to August 2020 recoverable from one of the customers i.e., NTPC against supply of coal for part of the lead range of 0-3 kms aggregating to Rs. 416.38 Crore as on 31<sup>st</sup> March, 2023 with respect to three subsidiaries ECL, NCL and MCL is disputed by the said party and the matter is pending before AMRCD (Mechanism under Department of Public Enterprises) for their decision, outcome thereof and resultant impact as such in this respect is currently not ascertainable.
- c. Consequential adjustments and impact with respect to (a) and (b) above pending determination of amount as such cannot be commented upon by us.

Our conclusion on the statement is not modified in respect of above matters.

## 7. Other Matters

- a. The comparative consolidated financial information of the Company for the corresponding quarter ended 30th June, 2022 were reviewed by the predecessor auditor who expressed unmodified opinion vide their report dated 10th August, 2022 and reliance has been placed by us for the purpose of this report.
- b. The Statement include the results for the quarter ended 31st March, 2023, being the balancing figures between the audited figures in respect of the full financial year ended 31st March, 2023 and the published unaudited year to date figures up to 31st December, 2022, which were subject to limited review by us as required under the Listing Regulations.
- c. We did not review the interim financial statements of eight subsidiaries (including their step-down subsidiaries) included in the consolidated unaudited financial results, whose interim financial statements reflect total revenues of Rs. 37,725.92 Crore, total net profit after tax of Rs. 7,803.00 Crore and total comprehensive income of Rs. 7,994.95 Crore for the quarter ended June 30, 2023 respectively as considered in the Consolidated Unaudited Financial Results. These Interim Financial Statements have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors after considering the requirements of Standard of Auditing (SA 600) on 'Using the work of another auditor including materiality' and the procedures performed by us as already stated above.

- d. The Consolidated Unaudited Financial Results also include the Group's share of net loss after tax of Rs. 23.02 Crore and total comprehensive loss of Rs. 23.16 Crore for the quarter ended June 30, 2023 respectively as considered in the Consolidated Unaudited Financial Results, in respect of three joint ventures, based on their interim financial statements which have not been reviewed by their auditors. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these joint ventures, are based solely on such Unaudited Financial Statements.
- e. In case of three subsidiaries (CIL Solar PV Limited, CIL Navikarniya Urja Limited and Coal India Africana Limitada, Mozambique), and in case of two Joint Ventures (International Coal Ventures Private Limited and CIL NTPC Urja Private Limited), the Unaudited Financial results for the quarter ended 30.06.2023 have not been submitted to the Holding Company and as such these have not been considered for consolidation.

Figures for earlier period with respect to above were considered based on management certified or audited financial results (figures for which were not material) as available in the respective reporting periods.

As represented by the Management on which we have placed reliance, the impact with respect to (d) to (e) above are not material.

- f. In terms of accounting policy consistently followed by the Group, in case of open cast mining with rated capacity of one million tonne per annum or above, the cost of removal of overburden removal (stripping) is charged on technically evaluated average stripping ratio (OB:Coal) at each mine and differential thereof with respect to actual cost is adjusted to stripping activity asset. Net balance of Rs. 57,123.53 Crore of such stripping activity asset being credit has been recognized as stripping activity adjustment under Non-Current Provisions. The policy of providing for stripping activity cost estimated to be incurred with respect to mining activity to be undertaken in future and adjusting thereof with stripping activity asset vis-à-vis its implication on the requirements of Ind AS 16, "Property, Plant and Equipment" in this respect is pending for review with Accounting Standard Board of India (ASB) and consequential decision of the management/adjustment arising in this respect.

- g. The Regulation 17 read with Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 dealing with mandatory requirement of an independent woman director is yet to be complied with by the Holding company.

Our conclusion on the statement is not modified in respect of above matters.
