# Red Sea Conflict may Make Basmati Rice Exports Costlier

**Our Bureau**

New Delhi: India's exports of basmati rice to Egypt and European countries may get hit if the conflict in the Red Sea doesn't abate and the country may have to take a longer route around Africa to ship the commodity which can raise costs by 15-20%, an official said Thursday.

Moreover, overall exports face a shortfall of about \$4.5 billion this year after India curbed exports of wheat, rice and sugar amid rising prices though the growth in exports of other farm commodities will offset the export deficit. India's agriculture exports in FY24 are expected to reach last year's level of \$53 billion despite these restrictions. "We expect that we would reach that level in spite of \$4.55 billion impact due to the restrictions," said Rajesh Agrawal, additional secretary, department of commerce. Basmati rice exports from India have grown by 20% year-on-year in the period between April 1, December 8, 2023.

## 321 National Highway Projects Taken up

New Delhi: The ministry of road transport and highways has taken up 321 national highway projects covering a length of about 8,544 km and amounting to ₹1,49,758 crore for improvement of important tourist and religious connectivity across India, union minister Nitin Gadkari said in response to a question in Lok Sabha on Thursday. As per the response, the highest number of these projects are in Uttarakhand (43) followed by West Bengal (40), Nagaland (29), Sikkim (19) and Uttar Pradesh (18).

## 5,803 Black Spots Identified in NH Network

New Delhi: The Centre has identified 5,803 black spots in the entire National Highways network in the country, with Tamil Nadu, West Bengal, and Karnataka having the biggest share of such highly dangerous stretches, Parliament was informed on Thursday. In a written reply, Union Minister Nitin Gadkari said state/UT-wise details of the accidents/fatalities at these black spots based on the data for 2018-2020 received from states.

## 'Nandigram Rail Project Stuck due to West Bengal govt'

New Delhi: The 17-km long Deshpriyanandigram new rail line project was kept in abeyance after getting sanctions in 2009-10 because of lack of support from the West Bengal government, Railway Minister Ashwini Vaishnaw informed the Lok Sabha. "The project was kept in abeyance because of lack of support from the state government. Considering the needs of the area, work has been restarted in April, 2023," Vaishnaw said in a written reply on Wednesday while responding to questions from TMC MP Dibyendu Adhikari.

## Tur, Urad Prices fall up to 25%

Pune: Prices of pulses have eased amid imports of tur dal (pigeon pea) and urad (black gram), and consumers can expect some more respite as supplies are improving with the start of domestic harvesting and demand is slowing due to the onset of winter. The two dal varieties are imported from Myanmar, where prices have reduced by around 25% for tur and 10-12% for urad in two months due to expectation of a bumper production, according to trade sources. —Jayashree Bhosale
