NOTES:

1. In accordance with the provisions of the Companies Act, 2013 ("Act"), read with the Rules made thereunder and General Circular dated 8th April, 2020, 13th April, 2020, 5th May, 2020, 13th January, 2021, 14th December, 2021, 5th May, 2022 and 28th December 2022 issued by the Ministry of Corporate Affairs ("MCA") read with relevant circulars issued by the securities and Exchange Board of India ("SEBI"), from time to time (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold Annual General Meeting (AGM) through VC or OAVM up to 30th September, 2023, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC/OAVM.
2. The information required to be provided as per section 102 of the Companies Act, 2013, Secretarial Standard - 2 on General Meetings issued by The Institute of Company Secretaries of India and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, are furnished in the explanatory statement which is annexed hereto.
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a

proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

4. In compliance with the aforementioned Circulars, Notice of the AGM along with the Annual Report for FY 2022-2023 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report for FY 2022-2023 will also be available on the Company's website: www.morarjee.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of NSDL www.evoting.nsdl.com.
5. In case any member is desirous of obtaining physical copy of the Annual Report for the financial year 2022-2023 and Notice of the AGM of the Company, he/she may send a request to the Company by writing at corporatesecretarial@ashokpiramalgroup.com mentioning their DP ID and Client ID/Folio No.
6. The Register of Members and Share Transfer Books of the Company will remain closed from 21st September, 2023 to 27th September, 2023 (both days inclusive) for the purpose of AGM.
7. Corporate members are requested to send at support@purvashare.com or corporatesecretarial@ashokpiramalgroup.com before e-voting/attending annual general meeting, a duly certified copy of the Board Resolution authorizing their representative to attend and vote at the AGM through VC, pursuant to Section 113 of the Companies Act, 2013.
8. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL. Members who have cast their votes by remote e-voting prior to the AGM may participate in the General Meeting but shall not be entitled to cast their votes again. The manner of voting remotely by members holding shares in dematerialized mode, physical mode and for members who have not registered their email addresses is provided in the Instructions For E-Voting Section which forms part of this Notice.
9. Members holding shares in Electronic (Demat) form are advised to inform the particulars of their bank account, change of postal address, mobile number and email IDs etc. to their respective Depository Participants only. The Company or its STA can't act on any request received directly from the members holding shares in demat mode for changes in any bank mandates or other particulars.
10. Members holding shares in physical form are requested to notify immediately any change in their address/mandate/bank details to the Company or to the office of the STA of the Company, Purva Share Registry (India) Private Limited at support@purvashare.com, quoting their folio number and members whose shareholding is in electronic mode are requested to direct their notifications about change of address to their respective depository participants(s) (DP).
11. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated 25th January, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website at www.morarjee.com under the tab "Shareholders Information" and on the website of the Company's STA at www.purvashare.com. It may be noted that any service request can be processed only after the folio is KYC Compliant.
12. SEBI vide its notification dated 24th January, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the

- same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or STA, for assistance in this regard.
13. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website www.morarjee.com under the tab "Shareholders Information". Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to Purva Share registry (India) Private Limited (STA) in case the shares are held in physical form.
 14. Pursuant to the provisions of the Companies Act, 2013, dividends that are not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account will be transferred to the Investor Education and Protection Fund (IEPF) of the Central Government.
 15. Pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('The Rules') notified by the Ministry of Corporate Affairs effective September 7, 2016, all shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more would also be transferred to the Investor Education and Protection Fund (IEPF) Account.
 16. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode, up to the date of AGM. Members can inspect the same by sending an email to corporatesecretarial@ashokpiramalgroup.com.
 17. Voting rights of the members (for remote e-voting and voting at AGM) shall be reckoned on shares registered in the name of the members and in proportion to their shares in the paid up equity share capital of the Company as on the cut-off date 20th September, 2023. A person who is not a Member on the cut-off date should treat this notice for information purposes only.
 18. Pursuant to SEBI Circular no. SEBI/HO/MIRSD/MIRSDPoD1/P/CIR/2023/37 dated March 16, 2023, issued in supersession of earlier circulars issued by SEBI bearing nos. SEBI/HO/ MIRSD/MIRSD RTAMB /P/CIR/2021/655 and SEBI/HO/MIRSD/ MIRSD RTAMB/ P/CIR/2021/687 dated 3rd November, 2021 and 14th December, 2021, respectively, SEBI has mandated all listed companies to record PAN, Nomination, Contact details, Bank A/c details and Specimen signature for their corresponding folio numbers of holders of physical securities. The folios wherein any one of the cited documents/details is not available on or after 1st October, 2023, shall be frozen by the RTA.

The securities in the frozen folios shall be eligible:
 - a. To lodge any grievance or avail of any service, only after furnishing the complete documents / details as mentioned above;
 - b. To receive any payment including dividend, interest or redemption amount (which would be only through electronic mode) only after they comply with the above stated requirements.

The forms for updation of PAN, KYC, bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13 and the said SEBI circular are available on our website <https://www.morarjee.com>. In view of the above, we urge Members holding shares in physical form to submit the required forms along with the supporting documents at the earliest. The Company has despatched a letter to the Members holding shares in physical form in relation to the above referred SEBI Circular. Members who hold shares in dematerialised form and wish to update their PAN, KYC, Bank details and Nomination, are requested to contact their respective DPs.

Further, Members holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of folios. Such frozen folios shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, after 31st December, 2025.
 19. The Board of Directors has appointed M/s. DNV & Associates, Practicing Company Secretaries (Membership No. 41999, COP No. 21050), as the Scrutinizer for scrutinizing the e-voting process for the AGM in a fair and transparent manner and he has communicated his willingness to be appointed for the said purpose.
 20. The Scrutinizer will, after scrutinizing the votes cast through e-voting during the meeting and through remote e-voting, not later than 48 hours of conclusion of the Meeting, make a consolidated Scrutinizer's Report

and submit the same to the Chairperson/ Executive Vice Chairman & Whole Time Director/ Company Secretary & Compliance Officer who shall declare the results. The results declared along with the consolidated Scrutinizer's Report shall be hosted on the website of the Company viz. www.morarjee.com and on the website of NSDL viz. www.evoting.nsdl.com. The results shall simultaneously be communicated to the Stock Exchanges at www.bseindia.com and www.nseindia.com.

21. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairperson of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
22. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING AGM ARE AS UNDER:-

The remote e-voting period begins on Sunday, 24th September, 2023 at 09:00 A.M. and ends on, Tuesday, 26th September, 2023 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Wednesday, 20th September, 2023, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Wednesday, 20th September, 2023,.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

- A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual

shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

1. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - a) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

- b) **“Physical User Reset Password?”**(If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
- c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
- d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join AGM on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle and AGM is in active status.
2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the AGM. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join Meeting”.
3. Now you are ready for e-Voting as the Voting page opens.

Review of operations: (Rs. In Lakhs)

On Standalone basis, the total Income from operations of the Company was Rs. 20,816 lakhs as against Rs. 27,351 lakhs in the previous year. The EBIDTA of the Company for current year was Rs.(5,071) lakhs as against Rs. 723 lakhs in previous year. The Company incurred a loss of Rs.15,264 lakhs from

ordinary activities before tax in the current year as against a loss of Rs. 8,812 lakhs in the previous year. After providing for Exceptional Item and for tax the Company reported a Total Comprehensive Loss of Rs.18,516 lakhs for the year ended 31st March, 2023 as against Loss of Rs. 8,824 lakhs for the Financial Year ended 31st March, 2022.

On Consolidated basis, the total Income from operations of the Company was Rs. 20,816 lakhs as against Rs. 27,351 lakhs for the previous year. The Company has incurred a loss before tax of Rs. 15,246 lakhs, from ordinary activities before tax in the current year as against a loss of Rs. 8,812 lakhs previous year. After providing for Exceptional Item and for tax and after share in loss of Joint Ventures, the Company reported a Total Comprehensive Loss of Rs. 18,501 lakhs for the Financial Year ended 31st March, 2023 as against that of Rs. 8,826 lakhs for the Financial Year ended 31st March, 2022.

2) Performance of Joint Venture Companies

The Company has only one Joint Venture Company viz. Morarjee Castiglioni (India) Private Limited (50%).

A Statement containing the salient features of the Financial Statements of said Joint Ventures is annexed in the prescribed Form AOC-1 to this Report as "Annexure -1".

A policy on material subsidiaries has been formulated and hosted on the website of the Company at www.morarjee.com.

3) Share Capital

During the financial year 2022-23, there was no change in the Share Capital of the Company. The Company has neither issued any shares nor has granted neither any stock Options nor any Sweat Equity Shares during the year.

4) Dividend and Reserve

In view of losses incurred, your Directors do not recommend any dividend for the year under review. The details of reserves and surplus are provided in Note No. 14 of the notes to the standalone financial statements.

5) Deposits / Loans from Directors

The Company has neither accepted nor has renewed any deposits during the year. Your Company has not accepted any deposit or any loan from the directors during the year under review.

6) Particulars of Loans, Guarantee or Investments

During the year under review, the Company has not made any investments, advanced any loans or provided any guarantee falling under Section 186 of the Companies Act, 2013 ("the Act").

7) State of Company's Affairs and business Review

The details of the Company's affairs including its operations are more specifically given in the Management Discussion and Analysis Report, which is given in this Annual Report.

8) Corporate Social Responsibility ("CSR")

During the Financial Year 2022-23, the Company was not under any statutory obligation to make any contribution towards the Corporate Social Responsibility activities.

Section 135 of the Companies Act, 2013 and rules made thereunder are not applicable to the Company for the financial year 2022-2023. Hence, the detailed reports of CSR is not attached with this Annual Report.

The constitution of the CSR Committee and its terms of reference are more particularly stated in the Corporate Governance Report which forms a part of this Annual Report. CSR Policy of the Company is available on Company's website at www.morarjee.com.

9) Business Risk Management

The Company has formulated and implemented a Risk Management policy in accordance with the provisions of the Act and Regulation 17(9) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") in order to address the business risks associated with the Company. The Company periodically reviews the risk management practices and actions deployed by the management with respect to the identification, impact assessment, monitoring, mitigation and reporting of key risks while trying to achieve its business objectives.

10) Internal Financial Control System and their adequacy

Your Company has an Internal Control System commensurate with the size, scale and complexity of its operations and well-documented procedures for various processes which are periodically reviewed for changes warranted due to business needs. The Internal Auditor continuously monitors the efficiency of the internal controls/ compliance with the objective of providing to Audit Committee and the Board of Directors, an independent, objective and reasonable assurance of the adequacy and effectiveness of the organisation's risk management, control and governance processes. This system of internal control facilitates effective compliance of Section 138 of the Act and the Listing Regulations.

To maintain its objectivity and independence, the Internal Auditor reports to the Chairman of the Audit Committee. The Internal Auditor monitors and evaluates the efficiency and adequacy of the internal control system with reference to the Financial Statement. Based on the report of internal auditor, process owners undertake corrective actions in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions thereon are presented to the Audit Committee. During the year under review, no reportable material weakness in the operation was observed. Regular audit and review processes ensure that such systems are reinforced on an ongoing basis.

11) Vigil Mechanism/ Whistle Blower Policy

The Vigil Mechanism/Whistle Blower Policy has been put in place for the Directors and Employees to report their genuine concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct. The mechanism provides for adequate safeguards against the victimization of directors and employees who avail of the mechanism. Directors and employees may make protected disclosure under the policy to the Compliance Committee constituted by the Company to administer the internal code of business conduct. In exceptional cases, directors and employees have direct access to the Chairman of the Audit Committee. Further, no personnel have been denied access to the Compliance Committee/ Chairman of the Audit Committee.

No complaints were received under whistle blower mechanism during the year under review.

12) Directors and Key Managerial Personnel

During the year under review, on the recommendation of the Nomination and Remuneration Committee, the Board of Directors has re-appointed Mr. Harshvardhan A. Piramal (DIN: 00044972) as an Executive Vice Chairman & Whole Time Director for further period of Five years w.e.f. 1st April, 2022 pursuant to Sections 149, 150, 152 and 161 of the Act and the rules made thereunder. The re-appointment of Mr. Harshvardhan A. Piramal (DIN: 00044972) is approved by the shareholders of the Company by way of postal ballot conducted on 07th April, 2022.

Due to other pressing engagements/commitments, Mr. Mahesh S. Gupta (DIN: 00046810) – Non-Executive Director of the Company has resigned from the Company w.e.f. 12th April, 2023.

In accordance with the provisions of the Companies Act, 2013 and the Articles of Association of the Company, Ms. Urvi A. Piramal (DIN: 00044954) is retiring by rotation at

the forthcoming AGM and being eligible, she has been recommended for re-appointment by the Board.

A statement regarding opinion of the Board with regard to integrity, expertise and experience (including the proficiency) of the independent directors appointed during the year is provided in the Report on Corporate Governance which forms part of this Annual Report.

All the Independent Directors of your company have given declarations that they meet the criteria of Independence laid down under Section 149(6) of the Act and the Listing Regulations.

The Company has complied with the requirements of having Key Managerial Personnel as per the provisions of Section 203 of the Act.

13) Remuneration Policy

In compliance with Section 178(3) of the Act and Regulation 19(3) of the Listing Regulations and on the recommendation of the Nomination and Remuneration Committee, the Board framed a Policy relating to the selection and appointment of Directors, Key Managerial Personnel, Senior Management and their remuneration.

The Policy includes criteria for determining qualifications, positive attributes and independence of a director and other matters. The functions of the Nomination and Remuneration Committee are disclosed in the Corporate Governance Report, which forms part of the Annual Report.

The policy on the appointment of a person as Director and evaluation of Director and Senior Management Personnel of the Company is available on Company's website at www.morarjee.com.

14) Performance Evaluation

Pursuant to Regulation 17 of the Listing Regulations read with Schedule IV of the Act, a formal evaluation of Board's performance and that of its Committees and individual directors had been done. Directors were circulated structured performance evaluation forms on various heads and they have provided their inputs on the same. Based on feedback, an evaluation Report was prepared and forwarded to the Chairperson and the respective Director to maintain the confidentiality of the Report.

The Independent Directors at their meeting held on 8th February 2023 evaluated performance of the Chairperson, non-independent directors of the Company.

The Directors expressed their satisfaction with the evaluation process.

15) Meetings of the Board

Four meetings of the Board of Directors were held during the financial year 2022-23 and the gap between two consecutive board meetings was within the statutory limit. The details of the number of meetings held and attended by each Director are provided in the Corporate Governance Report, which forms part of this Annual Report.

16) Committees of the Board

The details of all the Committees of the Board along with their terms of reference, composition and meetings held during the year, are provided in the Report on Corporate Governance which forms part of this Annual Report.

17) Directors' Responsibility Statement

Pursuant to Section 134(5) of the Act, we hereby state that:

- i) in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- ii) your Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2023 and its loss for the year ended on that date;
- iii) your Directors have taken proper and sufficient care towards the maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv) your Directors have prepared the annual accounts for the year ended 31st March, 2023 on a going concern basis;
- v) your Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively;
- vi) your Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

18) Related Party Transactions ("RPTs")

The RPTs entered into by the Company during the Financial Year 2022-23 were on an arm's length basis

and in the ordinary course of business and none of them were material. The Form AOC-2 for RPTs is enclosed as "Annexure - 2".

All the RPTs by considering their nature were placed before the Audit Committee for its approval, the committee had granted its prior approval/omnibus approvals as the case may be and ratified few transactions which were not material and on arm's length basis and at market price as per provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Audit Committee reviewed, on a quarterly basis, RPTs entered into by the Company to which prior /omnibus approval was granted by the Committee. The Company has framed a policy on RPTs for the purpose of identification, approval and monitoring of such transactions.

The policy on RPTs is hosted on the Company's website at www.morarjee.com.

19) Auditors and their reports

A. Statutory Auditors & Auditors Report

M/s. Haribhakti & Co. LLP, Chartered Accountants, Mumbai (Firm Registration Number 103523W/W100048), were re-appointed as Statutory Auditors of the Company at the 27th Annual General Meeting held on 25th August, 2022 to hold office for a period of consecutive five years i.e. till the conclusion of the 32nd Annual General Meeting.

The Auditors' Report furnished by M/s. Haribhakti & Co. LLP, Chartered Accountants, Mumbai on the financial statements for the financial year ended 31st March, 2023 contains the following observations:

Qualification is with respect to Going Concern, the impact of which is presently not ascertainable.

Management Response : Please refer Note 46 to the Standalone Ind AS Financial Statement, which is self explanatory.

There have been no instances of fraud reported by the Auditors under Section 143(12) of the Act and Rules framed thereunder either to the Company or to the Central Government.

B. Cost Auditors

Pursuant to Section 148 of the Act and on the recommendation of the Audit Committee, M/s. Phatak Paliwal & Co., Cost Accountants (Firm Registration Number 000105), were appointed by the Board as the Cost Auditors of the Company for

the financial year 2023-24 at a remuneration of Rs. 1,50,000/- (Rupees One Lakh Fifty Thousand only), exclusive of applicable taxes subject to ratification by the members at the AGM. The requisite resolution for ratification of remuneration of Cost Auditors by the shareholders has been set out in the Notice of AGM. M/s. Phatak Paliwal & Co. provided a certificate to the Company certifying their independence and arm's length relationship with the Company in accordance with the provisions of the Act.

C. Secretarial Audit

Pursuant to Section 204 of the Act read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has obtained the Secretarial Audit Report for the financial year ended 31st March, 2023 from M/s. Kala Agarwal, Company Secretary in practice and same is annexed as "Annexure - 3" to this Report. The Secretarial Audit Report does not contain any qualification, reservations or adverse remarks.

20) Corporate Governance Report and Management Discussion and Analysis Report

The Corporate Governance Report on compliance of the conditions of Corporate Governance as stipulated in the Listing Regulations and the Management Discussion & Analysis Report forms an integral part of this annual report.

21) Corporate Governance details as required under Schedule V of the Companies Act, 2013

The disclosures to be mentioned in pursuance of Section II of Part II of Schedule V of the Act have been mentioned in the Corporate Governance Report.

22) Compliance of Secretarial Standards

The Company has complied with the applicable Secretarial Standards during the year.

23) Particulars of Employees

The information required pursuant to Section 197 of the Act read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 in respect of employees of the Company, will be provided on request. In terms of Section 136 of the Act, the reports and accounts are being sent to the shareholders and others entitled thereto, excluding the said information which will be made available for inspection by the shareholders in electronic mode, up to the date of AGM. Members can inspect the same by sending an email to the Company Secretary in advance at corporatesecretarial@ashokpiramalgroupp.com.

24) Energy Conservation and Technology absorption, Foreign Exchange Earnings and Outgo

The information pertaining to conservation of energy and technology absorption as required under Section 134 (3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014 is furnished in "Annexure - 4 " to this report.

The total Foreign Exchange Inflow was Rs. 4675.76 lakhs and Outflow was Rs. 197.93 lakhs during the year under review.

25) Significant and Material Orders

There were no significant and material orders passed by any Regulators or Courts or Tribunals during the year ended 31st March, 2023 impacting the going concern status and Company's operations in future.

26) Prevention of Sexual Harassment of Women at workplace

The Company has zero tolerance towards sexual harassment at workplace and has adopted a policy to abide by letter and spirit requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the Rules made thereunder. The Company has Internal Complaints Committee (ICC) at Group level to redress the complaints of sexual harassment. During the year, Company has not received any complaint of sexual harassment.

Disclosures in relation to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013:

number of complaints filed during the financial year	Nil
number of complaints disposed of during the financial year	Nil
number of complaints pending as on end of the financial year	Nil

27) Maintenance of Cost Records

The provisions of sub-section (1) of Section 148 of the Companies Act, 2013 pertaining to the maintenance of cost records are applicable to the Company and accordingly such accounts and records are made and maintained by the Company.

28) Material Changes and Commitments affecting the financial position of the company

There has been no material change/commitment affecting the financial position of the Company during the period from the end of the financial year on 31st March, 2023 to the date of this Report except filing of petition by Operational/ Financial Creditors with the Hon'ble National Company Law Tribunal under CIRP and during the year under review, the workers at the factory plant of the Company, due to some operational difficulties resorted to Strike for few days and later

with effect from 17th April, 2023, as the operation difficulties increased more, again called out strike which is continuing as on date. There has been no change in the nature of business of the Company.

29) Annual Return

Pursuant to the provisions of Sections 134(3)(a) and 92(3) of the Act read with Rule 12(1) of the Companies (Management and Administration) Rules, 2014, Annual Return as on 31st March, 2023, is placed on the website of the Company at www.morarjee.com

30) Details of proceedings under the Insolvency and Bankruptcy Code, 2016

During the financial year under review, in view of the account of the Company becoming Non-Performing Assets (NPA) with the lenders, the following petitions have been filed under Section 7 of the Insolvency and Bankruptcy Code, 2016 before National Company Law Tribunal, Mumbai Bench, to initiate the Corporate Insolvency and Resolution process.

- (i) Axis Bank Limited, financial creditor, has filed on 25th November, 2022.
- (ii) Solitex Chem, operational creditor, has filed on 19th August, 2022.
- (iii) Ramanand Kidarnath International, operational creditor has filed on 4th May, 2023.

31) Valuation of Assets

During the financial year under review, there was no instance of one-time settlement of loans/ financial assistance taken from Banks or Financial Institutions, hence the Company was not required to carry out valuation of its assets for the said purpose.

32) Acknowledgements

Your directors gratefully acknowledge the support and cooperation received from various departments of the Central and State governments, members, business associates, analysts, banks, financial institutions, customers, distributors and suppliers, business partners and other stakeholders of the Company and also convey a sense of high appreciation to all the employees of the Company for their hard work, dedication, continued commitment and contribution.

Secretarial Audit Report

For The Financial Year Ended on 31st March, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,

Morarjee Textiles Limited

Peninsula Corporate Park, Unit 5, Ground Floor,
Tower 1, Wing B, Ganpatrao Kadam Marg,
Lower Parel, Mumbai 400013

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Morarjee Textiles Limited (hereinafter called the 'Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Morarjee Textiles Limited for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA) and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; Not Applicable
- (v) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz.:

- (a) SEBI(Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (b) SEBI(Prohibition of Insider Trading) Regulations, 2015;
- (c) SEBI(Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable during the FY 2022-23)
- (d) SEBI(Share Based Employee Benefits) Regulations, 2014;(Not applicable during the FY 2022-23);
- (e) SEBI(Issue and Listing of Debt Securities) Regulations. 2008; (Not applicable during the FY 2022-23)
- (f) SEBI(Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) SEBI(Delisting of Equity Shares) Regulations, 2009; (Not applicable during the FY 2022-23)
- (h) SEBI(Buy Back of Securities) Regulations, 1998; (Not applicable during the FY 2022-23) and
- (i) SEBI(Listing Obligations and Disclosure Requirements) Regulations, 2015
- (vi) Other Laws specifically applicable to the Company, namely:

Annexure – 4

Details of Conservation of Energy, technology absorption, foreign exchange earnings and outgo.

A. Conservation of Energy :

(i) The steps taken or impact on conservation of energy

New pipeline laid for interconnection of Unit -1/2 with Unit -3 Compressed Air distribution System and on account of optimization of compressed air by running lower no of compressors for the same demand resulted in saving of 972000 KWH annually.

(ii) Total energy consumption

As per Form A attached

B. Technology absorption :-

(i) The efforts – made towards technology absorption:-

- Boiler feed water low-level indicator with alarm incorporated at the tank for avoiding operation failure and accident
- Smoke detector sensors & CCTV cameras are incorporated at all zones of unit-3 spinning compactor ducting for the prevention of fire incidences.
- In-house repaired CRP without any support from OEM and achieved 100% results. Earlier CRP was running with an output of 22 Baume which gradually reduced to 7 Baume. After repair, we have set 32 Baume and it is running normally with the desired output.
- Modification in boiler house APC system – Increased the Filtration area of Bag filters by 30 %. By the addition of filter bags has resulted in the reduction of the stack emissions further.

(ii) The benefit derived as a result of above efforts.

- Improvement in quality and productivity.
- Cost reduction
- Energy conservation.

(iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year

- a. Technology Imported : NIL
- b. Whether the technology is fully absorbed : Not Applicable
- c. If not fully absorbed, areas where absorption has not taken place, and reasons thereof. : Not Applicable

C. The expenditure incurred on Research and Development

(Rs.in lakhs)

(a) Capital	-
(b) Recurring	61.94
(c) Total	61.94
(d) Total R&D expenditure as a percentage of total turnover	0.30%

**Resigned w.e.f. 12.04.2023*

2.4. Meetings of the Board of Directors:

During Financial Year 2022-2023, 4(Four) Board Meetings were held on 19th May, 2022, 12th August, 2022, 4th November, 2022, 8th February, 2023 and the gap between any two consecutive board meetings did not exceed one hundred and twenty days.

2.5. Details of directors being appointed/ re-appointed/ resigned

Pursuant to Section 152 of the Companies Act, 2013 ("the Act"), Ms. Urvi A. Piramal (DIN: 00044954) is retiring by rotation at the ensuing AGM and being eligible, has offered herself for re-appointment.

Mr. Mahesh S. Gupta has resigned from the directorship of the Company due to his other pressing engagements/ commitments with immediate effect on 12th April, 2023.

Further, all the Independent Directors have given the declaration of their Independence under Section 149 and Regulation 16 of the Listing Regulations. The Board hereby confirms that in the opinion of the Board, all the Independent Directors fulfill the conditions specified in Listing Regulations and are independent of the Management of the Company.

2.6. Familiarization program

As required under the Listing Regulations and the Act, the Company has an orientation programme upon induction of new Directors, as well as other initiatives to update Directors on a continuous basis. The Board has framed a familiarization program for the Independent Directors wherein they were acquainted with their roles, rights, responsibilities in the Company, business nature of the Company, business model etc. It aims to provide Independent Directors, the textile industry scenario, the socio-economic environment in which the Company operates, the business model, the operational and financial performance of the Company, significant developments so as to enable them to take well informed decisions timely. The familiarization program also seeks to update the directors on the roles, responsibilities, rights and duties under the Act, Listing Regulations and other statutes.

The Company has a structured Familiarization Programme through various reports/codes/policies and the same are placed before the Board with a view to update them on the Company's policies and procedures on a regular basis. This includes various business review, presentations at the Board Meetings where Company's performance, strategy, initiatives, risk mitigation programmes are discussed.

The details of familiarization program are available on the Company's website viz. www.morarjee.com

2.7. List of core skills, expertise, competencies required by the Board and those actually available with the Individual Directors.

The Board has identified and approved the matrix setting out the list, as mentioned below, of core skills, expertise and competencies to be possessed by the Board in general and the members in particular, in the context of the Company's business in order to provide guidance for the effective functioning of the Company. The details of the said skills/ expertise/ competencies as available with the individual directors are given below.

2.8. Performance Evaluation

Regulation 17 of Listing Regulations read with Schedule IV and other applicable provisions of the Act, mandates a formal evaluation to be done by the Board of its own performance and that of its Committees and individual Directors. Independent Directors shall also evaluate the performance of non-independent Directors and the Chairperson of the Board.

The evaluation of all the directors including independent directors was carried out by the entire Board, except for the director being evaluated. Performance evaluation of the Board, Chairperson and the non-independent directors was carried out by the independent directors in their meeting held on 08th February, 2023.

The directors were satisfied with the outcome of the evaluations of the Board, its Committees and the individual directors and on the basis of said evaluation reports, the Independent Directors will continue to act as Independent Directors of the Company for their remaining period.

Criteria for performance evaluation of Directors

The Board of Directors has approved the criteria for performance evaluation of Non-Executive Directors (including Independent Directors) as recommended by the Nomination & Remuneration Committee. The said criteria inter alia includes following:

- Attendance at the Board meetings.
- Active participation in the meetings.
- Understanding the critical issues affecting the Company.
- Prompts Board discussion on strategic issues.
- Brings relevant experience to the Board and uses it effectively.

- Understands and evaluates the risk environment of the organization.
- Conducts himself/herself in a manner that is ethical and consistent with the laws of the land.
- Maintain confidentiality wherever required.
- Communicates in an open and constructive manner.
- Seeks satisfaction and accomplishment through serving on the Board.

2.9. Separate Meeting of Independent Directors

A separate meeting of the Independent Directors of the Company was held on 08th February, 2023 as per Schedule IV of the Act and Regulation 25 of the Listing Regulations, to review the performance of all Non-Independent Directors, the Board as a whole and the performance of the Chairperson of the Company taking into account the views of other executive and non-executive directors. The Independent Directors also reviewed the quality, content and timeliness of the flow of information between the Management and the Board and its Committees towards effective and reasonable performance and discharge of their duties. Except Mr. Archit Jayakar and Mrs. Alpana Chinai, all the Independent Directors have participated in the Meeting.

3. Audit Committee

The Audit Committee of the Company is constituted under Regulation 18 of the Listing Regulations and Section 177 of the Act. The Company Secretary acts as the secretary to the committee. The Audit Committee acts as a link between the statutory auditors, internal auditors and the Board of Directors. Its purpose, amongst others, is to assist the Board in fulfilling its oversight responsibilities of monitoring financial reporting processes, reviewing the Company's established systems and processes for internal financial controls, governance and reviewing the Company's statutory, internal audit activities and related party transactions.

3.1. Composition, Meetings and Attendance

The Audit Committee comprises of Lt. Gen. A. K. Singh (Chairman), Mr. Harshvardhan A. Piramal, Ms. Alpana Chinai, Mr. Archit Jayakar and Mr. Devesh Dadheech as members. The Executive Vice Chairman, Whole Time Director & CEO, CFO, Company Secretary & Compliance Officer are permanent invitees to the meetings.

Lt. Gen. A. K. Singh was present at the Annual General Meeting held on 25th August, 2022, being the Chairman of the Audit Committee as on the date of AGM.

The Audit Committee met 4 (Four) times during the financial year 2022-23 on 19th May, 2022, 12th August, 2022, 04th November, 2022 and 8th February, 2023. The gap between two consecutive meetings did not exceed 120 (one hundred and twenty) days.

The attendance details are given below:

Name of the Directors	Designation	No. of meetings attended
Lt. Gen. A.K. Singh	Chairman	4 out of 4
Mr. Harshvardhan A. Piramal	Member	4 out of 4
Ms. Alpana Chinai	Member	3 out of 4

10.9. Share Transfer Agent

Purva Sharegistry (India) Private Limited, Share Transfer Agent of the Company has been appointed as one point agency for dealing with shareholders. Shareholders' correspondence should be addressed to the Company's Share Transfer Agent at the address mentioned below:

Purva Sharegistry (India) Private Limited

9, Shiv Shakti Industrial Estate, J. R. Boricha Marg, Near Lodha Excelus, Lower Parel East, Mumbai – 400011. Maharashtra

CIN: U67120MH1993PTC074079

Contact Details: Telephone No. 022- 31998810/ 49614132

Email: support@purvashare.com

10.10. Share Transfers System

The Board has delegated the authority for approving transfer, transmission, etc. of the Company's equity shares to a Share Transfer Committee comprising of Ms. Urvi A. Piramal, Mr. Harshvardhan A. Piramal and Mr. Arindam Maheshwari.

For administrative convenience and to facilitate speedy approvals, authority has also been delegated to Senior Executives of the Company to approve share transfers upto specified limits.

A summary of the transfers, transmissions as approved by the Share Transfer Committee or the authorized Executives, as the case may be, are placed at subsequent meeting of the Board of Directors of the Company.

The Certificate of Compliance obtained from the Practicing Company Secretary as required under Regulation 40(9) of the Listing Regulations, confirms the compliance with the share transfer formalities within the timelines prescribed.

The Company conducts a Reconciliation of Share Capital Audit on a quarterly basis in accordance with Securities and Exchange Board of India (SEBI) requirements. M/s. Nilesh Shah & Co., Practicing Company Secretary appointed by the Company to conduct this audit. Reconciliation of Share Capital Audit Reports of M/s. Nilesh Shah & Co., which have been submitted to the Stock Exchanges within the stipulated period, inter- alia confirms that the equity shares of the Company held in dematerialized form and in physical form tally with the issued and paid-up equity share capital of the Company.

10.11. Dematerialization of shares and liquidity:

As on 31st March, 2023, 3,59,58,612 Equity Shares representing 98.97% of the Company's paid-up Equity Share Capital have been dematerialized. Trading in Equity Shares of the Company on Stock Exchanges is permitted only in dematerialized form as per notification issued by SEBI. Shareholders seeking demat/ remat of their shares need to approach their Depository Participants (DP) with whom they maintain a demat account. The DP will generate an electronic request and will send the physical share certificates to the Share Transfer Agent of the Company. Upon receipt of the request and share certificates, the Share Transfer Agent will verify the same. Upon verification, the Share Transfer Agent will request National Securities Depository Limited (NSDL) / Central Depository Services (India) Limited (CDSL) to confirm the demat request. The demat account of the respective shareholder will be credited with equivalent number of shares. In case of rejection of the request, the same shall be communicated to the shareholder.

SEBI has vide Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2022/8 dated 25th January, 2022 directed listed entities to issue securities in dematerialized form only while processing various investor service requests. Pursuant to the said Circular, SEBI had issued "Guidelines with respect to Procedural Aspects of Suspense Escrow

Demat Account” vide its Letter No. SEBI/ HO/MIRSD/PoD-1/OW/P/2022/64923 dated 30th December, 2022, to move securities, pertaining to Letter of Confirmation cases, to newly opened Suspense Escrow Demat Account latest by 31st January, 2023. The Company was not statutorily required to comply with the said circular of SEBI.

SEBI vide its notification dated 24th January, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or STA, for assistance in this regard.

No. of Shares held in Demat and Physical Mode

10.12. There are no outstanding Global Depository Receipts or American Depository Receipts or warrants or any convertible instruments issued by the Company.

10.13. Commodity Price Risk, Foreign Exchange Risk and Hedging activities:

Management Discussion & Analysis

Overview: Global Economy:

Global economic activity is experiencing a broad-based and sharper-than-expected slowdown, with inflation higher than seen in several decades. The cost-of-living crisis, tightening financial conditions in most regions, Russia's invasion of Ukraine, and the lingering COVID-19 pandemic all weigh heavily on the outlook.

The United States, the Euro area, and China are all undergoing a period of pronounced weakness, and the resulting spill overs are exacerbating other headwinds faced by emerging market and developing economies (EMDEs). The combination of slow growth, tightening financial conditions, and heavy indebtedness is likely to weaken investment and trigger corporate defaults. Further negative shocks—such as higher inflation, even tighter policy, financial stress, deeper weakness in major economies, or rising geopolitical tensions—could push the global economy into recession. In the near term, urgent global efforts are needed to mitigate the risks of global recession and debt distress in EMDEs.

The baseline forecast is for growth to fall from 3.4 per cent in 2022 to 2.8 per cent in 2023, before settling at 3.0 per cent in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7 per cent in 2022 to 1.3 per cent in 2023. In a plausible alternative scenario with further financial sector stress, global growth declines to about 2.5 per cent in 2023 with advanced economy growth falling below 1 per cent. Global headline inflation in the baseline is set to fall from 8.7 per cent in 2022 to 7.0 per cent in 2023 on the back of lower commodity prices but underlying (core) inflation is likely to decline more slowly. Inflation's return to target is unlikely before 2025 in most cases.

Textile Industry:

India is one of the largest producers of textiles. It provides direct employment to 51 million people and indirectly 68 million. Due to changing government policies at the state and central government levels because of which major challenges are arising in the textile industry. The tax structure GST (Goods and Service Tax) makes the garments expensive. Another important threat is raising interest rates and labour wages and workers' salaries at the hubs of textile garment industries all over India at places such as Bangalore, Mumbai, Tirupur, and New Delhi. These manufacturers have the ability to produce the entire range of woven wear and knitwear at a low cost with reasonably good quality. The Indian textile industry has its own limitations such as access to the latest technology and failures to meet global standards in the highly competitive export market. Countries like China, Bangladesh and Sri Lanka give fierce competition in low

price garment market. The formulation of policy, planning, development, export promotion, and regulation of the textile industry in India is administered under the Ministry of Textile, Government of India.

Challenges of Textile Industry:

- Shortage in supply of raw materials;
- Increase in the cost of raw materials;
- Environmental problems;
- Infrastructure bottlenecks;
- Impact of GST;
- Shortage of labourer's due to a mass return;
- The decline in Apparel export.

Shortage in supply of raw materials: Because of pollution issues some unit of China and Europe has been shut down due to which rise in the prices of basic raw material has resulted and there are many other factors like weather, crop quality etc. which are influencing the raw material supply.

Increase in cost of raw material: Unpredictable market conditions, weather, policies etc. have resulted in an increase in raw material costs.

Environmental problems: Environmental compliance often isn't at the top of textile and garment importers' concerns.

Infrastructure bottlenecks: The low quality of India's infrastructure continues to lag behind that of many other Asian countries.

The key advantages of the Indian Textile industry are:

- India is among the world's largest producers of Textiles and Apparel. The domestic apparel & textile industry in India contributes 5% to the country's GDP, 7% of industry output in value terms, and 12% of the country's export earnings;
- It is the industry in the country which is self-reliant and complete in the value chain i.e. from raw material to highest value added products;
- India is the largest producer of cotton with the largest area under cotton cultivation in the world. It has an edge in low cost cotton sourcing compared to other countries;
- Average wage rates in India are 50-60 per cent lower than that in developed countries, thus enabling India to benefit from global outsourcing trends in labour

intensive businesses such as garments and home textiles;

- Design and fashion capabilities are key strengths that will enable Indian players to strengthen their relationships with global retailers and score over their Chinese competitors. Production facilities are available across the textile value chain, from spinning to garments manufacturing. The industry is investing in technology and increasing its capacities which should prove a major asset in the years to come;
- Large Indian players have established themselves as 'quality producers' in the global market. This recognition would further enable India to leverage its position among global retailers. India has gathered experience in terms of working with global brands and this should benefit Indian vendors;
- Robust demand: Cotton production in India is projected to reach 7.2 million tonnes (~43 million bales of 170 kg each) by 2030, driven by increasing demand from consumers.
- Competitive advantage: Abundant availability of raw materials such as cotton, wool, silk and jute;
- Policy support: In October 2021, the government approved a scheme worth Rs. 4,445 crore (US\$ 594.26 million) to establish seven integrated mega textile parks and boost textile manufacturing in the country;
- Increasing Investments: Huge funds in schemes such as Integrated Textile Parks (SITP) (US\$ 184.98 million) and Technology Up gradation Fund Scheme (US\$ 961.11 million) released by Government during 2015-16 to 2019-20 to encourage more private equity and provide employment.
- PM MITRA (Pradhan Mantri Mega Integrated Textile Region & Apparel) Parks to come up in Tamil Nadu, Telangana, Gujarat, Karnataka, Madhya Pradesh, Uttar Pradesh & Maharashtra.

Outlook:

The revenue generated by the global apparel market is steadily increasing over the course of the observed time period. The global apparel market grew from \$610.12 billion in 2022 to \$652.94 billion in 2023 at CAGR of 7%. The Russia-Ukraine war disrupted the chances of global economic recovery from the Covid-19 pandemic, at least in the short term. The war between these two countries has led to economic sanctions on multiple countries, a surge in commodity prices, and supply chain disruptions, causing

inflation across goods and services and affecting many markets across the globe. The global apparel market is expected to grow to \$830.69 billion in 2027 at a CAGR of 6.2%.

The Indian textiles market is expected to be worth more than US\$ 209 billion by 2029:

The apparel market encompasses every kind of clothing, from sportswear to business wear, from value clothing to statement luxury pieces. After difficulties in 2020 during the coronavirus pandemic, when sales across the apparel industry took a hit, the global demand for clothing and shoes is set to rise again. The countries that account for the majority of this apparel demand are the United States and China, both generating substantially higher revenues than any other country. It is perhaps no surprise that the same two countries play a significant role in international trade. China leads the rankings for the highest value of apparel exports. The U.S. is second only to the EU in the value of apparel imports.

Increasing demand for online shopping is expected to help the apparel manufacturing market grow. Manufacturers can now sell their products on a larger platform than before, which will increase their customer base geographically driving the growth of the apparel manufacturing market. In countries such as India, for instance, e-commerce portals have boosted the sales of traditional garments by giving larger exposure to producers who were confined to one geography where the weaving community was located.

Along with digitalization, another key apparel industry trend is sustainability. More consumers are concerned about the future of the planet and are putting pressure on fashion brands that do not have eco-friendly practices.

Risk Management:

Risks are inherent in all businesses. The challenge for the Company is to effectively and responsibly manage and control the risks on a sustained basis to enhance returns.

Industry Risk:

The demand for textiles is perennial and major fluctuations occur largely due to changes in overall economic growth and manufacturing competitiveness.

However, the business is cyclical on the supply side considering the quantum of capital investment involved in capacity expansion. This makes it necessary for the Company to incur large capital expenditure at the right time.

Risk Mitigation:

Morarjee has consistently invested funds in its manufacturing plant to bring them in line with the latest technology. This prudence is reflected in the enhanced market presence due to higher production and improved quality at a lower cost of production.

Raw Material Risk:

The company is exposed to the vagaries of nature, with cotton being the principal raw material for fabric manufacturing.

Risk Mitigation:

Procurement of raw cotton at right price remains crucial. The Company covers its cotton requirements from time to time through the domestic and international markets. The Company also seeks out alternative cotton varieties and blends to increase its raw material basket. Thus, this enables an in built risk mitigation for cotton price fluctuation.

Product Substitution Risk:

Man Made Fibres are a direct substitute for cotton textiles.

Risk Mitigation:

The company specialises in producing the best quality cotton fabrics, which are at par with the highest global quality standards and has created a niche positioning with products which cater to high-end customers. The company also produces high quality printed cotton fabric.

6	Operating Profit Margin (%)	(35.3)	(5.7)	Because of Lower Turnover the margin is impacted
7	Net Profit Margin (%)	(89.6)	(32.4)	Because of lower turnover company could not cover the fixed expenses and also the increase in interest cost and other exceptional item the Net Profit Margin decreased significantly.
8	Return on Net Worth (%)	-	-	Ratio is not calculated as the networth of the Company is Negative

Internal control systems & their adequacy:

The Company has proper and adequate systems of Internal Control to ensure that all the assets are safeguarded from loss, damage or disposition. Checks & balances are in place

to ensure that transactions are adequately authorised and recorded and that they are reported correctly. The Board of Directors considers internal controls as adequate.

Human Resource:

The Company takes pride in the commitment, competence and dedication shown by its employees in all areas of business.

The company's belief is that its people are the primary source of its competitive advantage and consistently puts emphasis on Human Resources Development, which remains vital and strategic to the company. The Company is committed to nurturing, enhancing and retaining talent through Learning & Organizational Development to support the organization's growth and its sustainability in the long run.

However, during the year under review, the workers at the factory plant of the Company, due to some operational difficulties resorted to Strike for few days and later with effect from 17th April, 2023, as the operation difficulties increased more, again called out strike which is continuing as on date.

Cautionary Statement:

Statements in this report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions maybe forward looking statements within the meaning of applicable laws or regulations. These statements are based on certain assumptions and reasonable expectation of future events. Actual results could however differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and domestic demand – supply conditions, finished goods prices, raw materials cost & availability, changes in Government regulations and tax structure, economic developments within India and the Countries with which the Company has business contacts and other factors such as litigation and industrial relations. The Company assumes no responsibility in respect of the forward looking statements herein which may undergo changes in future on the basis of subsequent developments, information or events.

Independent Auditor's Report

To the Members of

Morarjee Textiles Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying standalone Ind AS financial statements of Morarjee Textiles Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone Ind AS financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, of the state of affairs of the Company as at March 31, 2023, its loss (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw attention to Note 46 in the standalone Ind AS financial Statements, which indicates that the Company has incurred a net loss after tax of Rs. 18,542.21 lakhs, including cash losses during the year ended March 31, 2023 and as of that date, the Company's accumulated losses amount to Rs. 30,377.48 lakhs resulting in complete erosion of its net worth and its current liabilities are in excess of current assets. Further, there have been continuous delays and defaults in repayment of debt obligations leading to classification of Company's debt as non performing by the lenders and some of the lenders

creditors have served notice for recall / taken legal recourse against the Company. Also one of the financial creditor and certain operational creditors have filed an application before National Company Law Tribunal for initiating CIRP against the Company, which are pending. The annual standalone financial statements, however for the reason stated in the aforesaid note have been prepared by the Management on going concern basis. The Company's ability to continue as Going Concern is dependent on debt resolution including identifying strategic investor for one time settlement with lenders, though it is yet to receive a definitive proposal. These conditions along with other matters as set forth in the said note indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may not be able to realise its assets and meet with liabilities in the normal course of business. The standalone financial statements does not include any adjustment in this respect.

Emphasis of Matters

We draw attention to the following matters in the notes to the standalone Ind AS financial statements:

1. Note 47 to the Standalone Ind AS financial statements, regarding strike at Nagpur Plant, due to pending revision of long term wage agreement for which the management is in discussion with the workers, and impact if any, is not presently ascertainable;
2. Note 12 to the Standalone Ind AS financial statements, regarding Carry forward of GST input tax credit amounting to Rs. 3,034 lakhs (Net of provision of Rs. 1,792.06 lakhs) as on March 31, 2023 for the reasons stated in the note; and
3. Note 34 to the Standalone Ind AS financial statements, regarding MAT Credit Entitlement amounting to Rs 3,041 lakhs as on March 31, 2023 which is carried based on the judgment of the management that the MAT credit would be fully utilised

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the

standalone Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a

separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion Section above, we have determined the matter described below to be the key audit matter to be communicated in our report.

Sr. No.	Key audit matter	How our audit addressed the key audit matter
1.	<p><u>Valuation of Inventory (Refer Note 7 to the Standalone Ind AS Financial Statements):</u> Total Inventory Valuation as on 31st March 2023 is Rs.3,251.84 lakhs (March 31, 2022: Rs.6,644.02 lakhs) Inventory of Company comprises of finished goods, Work in Progress (WIP), Raw Material and Consumables. As described in Note 7 to the standalone Ind AS financial statements, cost of Inventory represents the costs of materials, conversion cost and related production costs at each stage till date. It is held at the lower of cost and net realisable value (NRV). Some of the finished goods and WIP (Grey Cloth) are slow moving. Considering the materiality of the amount involved and degree of management judgment in valuation, we have identified valuation of inventory as a key audit matter for the current year audit.</p>	<p>Our audit procedures in respect of this area included but not limited :</p> <ul style="list-style-type: none"> • We understood and tested the design and operating effectiveness of controls as established by the management for valuation of inventory and identifying slow moving inventory and determination of net realizable value of inventory as on date. • We observed the physical inventory verification procedures carried out by the management as at the year end. • We performed year end cut-off procedures to validate the actual stocks carried in the inventory as at year end. • We tested the adequacy of the key assumptions and estimates used to determine cost allocation at each stage of production and consistency in such allocation including mathematical accuracy of the calculations. • We performed NRV testing by comparing subsequent sale/order value. We also evaluated judgment used by the management for arriving at the diminution in value of slow moving inventory. • The above audit procedures enabled us to conclude on the valuation of inventory held by the Company as on the date of Balance Sheet.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion & Analysis, Corporate Governance and Director's Report but does not include the standalone Ind AS financial statements, consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements

that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future

events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we report in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by section 143(3) of the Act, we report that:
 - a. We have sought and, except for the possible effects of the matter described in the Basis for Qualified Opinion section above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. Except for the possible effects of the matter described in the Basis for Qualified Opinion section above, in our opinion, proper books of account as required by law have been kept by the Company

so far as it appears from our examination of those books;

- c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
- d. Except for the possible effects of the matter described in the Basis for Qualified Opinion section above, in our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. The matter described under the Basis for Qualified Opinion section and Emphasis of matters section above, in our opinion, may have an adverse effect on the functioning of the Company;
- f. On the basis of the written representations received from the directors as on March 31, 2023, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of section 164(2) of the Act;
- g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2";
- h. With respect to the other matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 36 on Contingent Liabilities to the standalone Ind AS financial statements;

- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;

- iv) (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the standalone Ind AS financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (iv) (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the standalone Ind AS financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (iv) (c) Based on the audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- (v) The Company has not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable.

- (vi) As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. April 1, 2023, reporting under this clause is not applicable.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section in the Independent Auditor's Report of even date to the members of Morarjee Textiles Limited on the standalone Ind AS financial statements for the year ended March 31, 2023]

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone Ind AS financial statements of the Company and taking into consideration the information, explanations and written representation given to us by the management and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- (a) (B) The Company has maintained proper records showing full particulars of Intangible Assets.
- (b) During the year, the Property, Plant and Equipment of the Company have not been physically verified by the management and as such, we cannot comment on material discrepancies existing, if any. In our opinion, the frequency of verification is not reasonable having regard to the size of the Company and the nature of its assets.
- (c) Based on the examination of the property tax receipts and lease agreement for land on which building is constructed, we report that the title in respect of self-constructed building and the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of lessee), disclosed in the standalone Ind AS financial statements are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and Intangible Assets during the year. Accordingly, reporting under clause (i)(d) of paragraph 3 of the Order is not applicable.
- (e) No proceedings have been initiated or are pending against the Company as at March 31, 2023 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and stocks lying with third parties. There are no stocks lying with third parties at the year end. In our opinion, the coverage and procedure of such verification by the management is appropriate.
- (b) The Company has not obtained any sanctioned working capital limit during the year, from banks and/or financial institutions, on the basis of security of current assets. Therefore, reporting under clause (ii)(b) of paragraph 3 of the Order is not applicable.
- (iii) During the year, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, reporting under clause (iii) of paragraph 3 of the Order is not applicable.
- (iv) The Company has complied with the provisions of section 185 of the Act in respect of grant of loans, providing guarantees and securities. Further, the provisions of section 186 of the Act are not applicable to the Company. Further, the Company has not given any loan or provided any guarantees or securities.
- (v) In our opinion, the Company has not accepted any deposits or amounts which are deemed to be deposits. Accordingly, reporting under clause (v) of paragraph 3 of the Order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Act and rules thereunder. We have broadly reviewed such records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) The Company is not regular in depositing with appropriate authorities, undisputed statutory dues including Goods and Services tax (GST), provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues applicable to it, and there have been serious delays in a large number of cases. During the year 2017-18, sales tax, value added tax, service tax and duty of excise subsumed in GST and are accordingly reported under GST.

No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, GST, customs duty, cess and any other material statutory dues applicable to it, were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) The dues outstanding with respect to provident fund, employees' state insurance, income tax, GST, sales tax, service tax, value added tax, customs duty, excise duty and cess, on account of any dispute, are as follows:

AND

Statement of Disputed Dues

Name of the statute	Nature of the dues*	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
Central Excise Act, 1944	Excise Duty	6.22	FY 1979-80 to FY 1985-86	Commissioner of Excise (Appeals)	None
		0.09	FY 1990-91		
		146.49	FY 1993-94 to FY 1995-96		
		218.61	FY 1999-00 to FY 2001-02		
Central Excise Act, 1944	Excise Duty	2.10	FY 1990-91 to FY 1991-92	CESTAT	None
		438.27	FY 1995-96 to FY 2002-03		
Central Excise Act, 1944	Excise Duty	3.19	FY 1997-98 to FY 200	High Court	None
Central Excise Act, 1944	Excise Duty	111.64	FY 2008-09 to FY 2009-10	High Court Nagpur	None
Maharashtra Value Added Tax Act, 2002	Sales Tax	1.95	FY 2006-07	Joint Commissioner of Sales Tax (Appeals)	None

→* Includes amount of interest and penalty, where ascertainable.

(viii) We have not come across any transaction which were previously not recorded in the books of account of the Company that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender, except for the details given below:

Nature of Borrowing including debt securities	Name of lender	Amount not paid on due date (Rs. In lakhs)	Whether principal or interest	No of days delay or unpaid*	Remarks if any
Term loan	Axis Bank Limited	12,935.36	Principal	1 to 913 days	Not yet paid
Term loan	Axis Bank Limited	1,011.53	Funded Interest	397 to 972 days	Not yet paid
	Axis Bank Limited	4,548.93	Term Loan		
Term loan	Axis Bank Limited	4,548.93	Interest	1 to 913 days	Not yet paid
	Tata Capital Financial Services Limited	2,831.45	Principal	1 to 912 days	Not yet paid

Working Capital Loans	Indian Bank Limited	5,518.12	Interest	1 to 912 days	Not yet paid
	IDBI Bank Limited	652.71	Interest	1 to 912 days	Not yet paid
	Saraswat Co-operative Bank Limited	499.12	Interest	1 to 912 days	Not yet paid
	ICICI Bank Limited	384.64	Interest	1 to 912 days	Not yet paid
	Myra Mall Management Company Limited	81.87	Interest	1 to 1126 days	Not yet paid

*Refer Note 48(i) of standalone Ind AS financial statements on debt restructuring plan submitted by the Company.

- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company did not obtain any money by way of term loans during the year. Accordingly, reporting under clause (ix)(c) of paragraph 3 of the Order is not applicable.
- (d) On an overall examination of the standalone Ind AS financial statements of the Company, no funds raised on short-term basis have, been used for long-term purposes by the Company.
- (e) On an overall examination of the standalone Ind AS financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Act.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, as defined under the Act.
- (x) (a) The Company has not raised money by way of initial public issue offer / further public offer (including debt instruments) during the year. Therefore, reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, reporting under clause (x)(b) of paragraph 3 of the Order is not applicable.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year, nor have we been informed of any such instance by the management.
- (b) No report under section 143(12) of the Act has been filed with the Central Government by the auditors of the Company in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year or upto the date of this report.
- (c) There are no whistle blower complaints received by the Company during the year and upto the date of this report.
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, reporting under clause (xii) of paragraph 3 of the Order is not applicable.
- (xiii) All transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and the details have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.

- (xiv) (a) In our opinion, the Company has an internal audit system which is not commensurate with the size and nature of its business as no internal audit was carried out for the second half of the year.
- (b) We have considered the Internal Audit Reports of the Company issued till date, for the period under audit.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with them during the year and hence, provisions of section 192 of the Act are not applicable to the Company.
- (xvi)(a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, reporting under clause (xvi)(a) and (b) of paragraph 3 of the Order are not applicable.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without having a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company (CIC) as defined in Core Investment Companies (Reserve Bank) Directions, 2016 ("Directions") by the Reserve Bank of India. Accordingly, reporting under clause (xvi)(c) and (d) of paragraph 3 of the Order are not applicable.
- (d) As informed by the Company, the Group to which the Company belongs has no CIC as part of the Group.
- (xvii) The Company has incurred cash losses for the current and the immediately preceding financial year amounting to Rs. 12,871.50 Lakhs and Rs. 6,444.45 Lakhs respectively.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly, reporting under clause (xviii) of paragraph 3 of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone Ind AS financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, we believe that material uncertainty exists on account of accumulated losses, complete erosion of net worth of the Company, its current liabilities are in excess of current assets and continuous delays and defaults in repayment of debt obligations leading to classification of Company's debt as non-performing by the lenders as on the date of this audit report and due to which the Company may not be capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to date of the audit report. We further draw attention to Qualified Opinion issued w.r.t 'Material Uncertainty in relation to Going Concern' in our main audit report of even date regarding the applicability of the going concern assumption.
- (xx) The provisions of section 135 of the Act are not applicable to the Company. Hence, reporting under clause (xx) of paragraph 3 of the Order is not applicable.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section in our Independent Auditor's Report of even date to the members of Morarjee Textiles Limited on the standalone Ind AS financial statements for the year ended March 31, 2023]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Morarjee Textiles Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone* Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

Notes to Standalone Financial Statements for the year ended 31st March, 2023

Company Overview

Morarjee Textiles Limited (“the Company”) is a public limited company, incorporated and domiciled in India which mainly deals in manufacture of yarn and fabric. The registered office of the Company is located at, Peninsula Corporate Park, Unit 5, Ground Floor, Peninsula Tower-1, Wing B, Ganpatrao Kadam Marg, Lower Parel, Mumbai – 400013. The Company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

The standalone financial statements for the year ended 31st March, 2023 were approved by the Board of Directors and authorized for issue on 29th May, 2023.

Note 1: Significant Accounting Policies

The accounting policies set out below have been applied consistently to the periods presented in these Ind AS financial statements except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy.

(a) Basis of Preparation of Financial Statements

(i) Statement of Compliance with Indian Accounting Standards (Ind AS)

These financial statements comply, in all material respects, with Ind AS notified under section 133 of the Companies Act, 2013 (“the Act”), Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act and other accounting principles generally accepted in India. The financial statements are prepared on accrual and going concern basis.

(ii) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- a) Certain financial assets and liabilities that are measured at fair value
- b) Derivative financial instruments

(iii) Functional and Presentation Currency

These financial statements are presented in Indian Rupees, which is also the functional currency of the Company. All financial information presented in Indian Rupees has been rounded off to two decimals in lakhs.

(iv) Current and Non-current Classification

All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle (Twelve months) and other criteria set out in Schedule III to the Act.

(b) Property, Plant and Equipment (PPE) and Depreciation

All items of PPE are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost includes its purchase price including non-refundable taxes and duties, directly attributable costs of bringing the asset to its present location and condition and initial estimate of costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent costs are included in the carrying amount of PPE or recognised as a separate PPE, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Notes to Standalone Financial Statements for the year ended 31st March, 2023

Machinery spares and servicing equipment are recognised as PPE when they meet the definition of PPE. Otherwise, such items are classified as inventory.

Capital work-in-progress includes cost of PPE under installation / under development as at the Balance Sheet date.

The Company depreciates its PPE over the useful life in the manner prescribed under Part C of Schedule II to the Act. Depreciation commences when the assets are ready for their intended use and is computed on pro-rata basis from the date of installation/ acquisition till the date of sale/ disposal. Management believes that useful life of assets are same as those prescribed in Schedule II to the Act, except for machinery spares wherein based on technical evaluation, useful life has been estimated to be different from that prescribed in Schedule II of the Act. Useful life considered for calculation of depreciation for machinery spares varies from 2 to 10 years.

Individual assets acquired for less than Rs. 5,000 are entirely depreciated in the year of acquisition.

Lease hold PPE are amortised over the period of lease or useful life, whichever is lower. Leasehold land (under Finance Lease) is amortised over the period of lease.

Gains and losses on disposals are determined by comparing net disposal proceeds with carrying amount. These are included in the Statement of Profit and Loss.

(c) Intangible Assets and Amortisation

Intangible assets that are acquired by the Company, which have finite useful lives are measured at cost less amortisation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost includes its purchase price including non-refundable taxes and duties, directly attributable costs of bringing the asset to its present location and condition.

Intangible assets are amortised on straight line basis over the estimated useful life.

Useful life considered for amortisation of intangible assets being computer Software is 10 years.

Gains and losses on disposals are determined by comparing net disposal proceeds with carrying amount. These are included in the Statement of Profit and Loss.

(d) Leases

At inception of a contract, company shall assess whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Where the Company is Lessee

At the Inception, lessee shall recognise and measure Right-of-use asset and lease liability at cost. Right of use assets shall comprise initial measurement of lease liability, any lease payments made at or before the commencement date less any lease incentives received, any initial direct costs incurred by the lessee; and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories.

Lease liability is the present value of the lease payments that are not paid. These lease payments shall be discounted using the interest rate implicit in the lease (if readily determined) otherwise should be discounted at lessee's incremental borrowing rate.

If the lease contract transfers ownership of the underlying asset, at the end of the lease term or if, the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, then depreciate the right-of-use asset over the useful life of the underlying asset. Otherwise, depreciate the right-of-use asset till the end of the useful life of the right-of-use asset or the end of the lease term, whichever is earlier.

The lease term as the non-cancellable period of a lease, together with both: (a) periods covered by an option to extend the lease if the lessee is reasonably certain to exercise that option; and (b) periods covered by an option to terminate the lease if the lessee is reasonably certain not to exercise that option.

Subsequently, lessee shall measure the right-of-use asset applying a cost model.

(e) Borrowing Cost

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing.

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use. Other borrowing costs are expensed in the period in which they are incurred.

(f) Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of PPE are included in non-financial liabilities as deferred income and are credited to the Statement of Profit and Loss on straight line basis over the expected lives of related assets and presented within other income.

Government grants relating to an expense item are recognised in the Statement of Profit and Loss by way of a deduction to the related expense on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

(g) Financial instruments

(i) Financial Assets

Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent Measurement

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, as per Ind AS 109.

a. Subsequent Measurement - Equity Instruments

All equity investments other than investments in subsidiaries, joint ventures and associates are measured at fair value. Equity investments which are held for trading are classified as FVTPL. For all other equity investments, the Company decides to classify the same either at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

Investment in equity instruments of subsidiaries, joint ventures and associates are measured at cost.

b. Subsequent Measurement - Debt Instruments

A financial asset being debt instrument that meets the following 2 conditions is measured at amortised cost (net off any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

Business Model Test: the objective of the Company's model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes).

Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Notes to Standalone Financial Statements for the year ended 31st March, 2023

A financial asset that meets the following 2 conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option. Business Model Test: the financial asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets.

Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognising the gains or losses on them on different basis.

All other debt instruments are measured at fair value through profit or loss.

Derecognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset, to another entity.

Impairment of Financial Assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and FVTOCI. For financial assets other than trade receivables, whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables, considering historical trend, industry practices and the business environment in which the Company operates or any other appropriate basis.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

(ii) Equity and Financial Liabilities

Debt and equity instruments issued by an entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

a. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

b. Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are initially recognised at fair value plus any transaction costs that are attributable to the acquisition of the financial liabilities, except for the financial liabilities at FVTPL which are initially measured at fair value.

Subsequent Measurement

The financial liabilities are classified for subsequent measurement either at amortised cost or at fair value through Profit and Loss (FVTPL). Amortised cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount.

Derecognition of Financial Liabilities

A financial liability is removed from the Balance Sheet when the obligation is discharged, or is cancelled, or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Derivative Financial Instruments

Derivative financial instruments such as forward contracts are taken by the Company to hedge its foreign currency risks, are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise (other than in case of hedge accounting).

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

(h) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted prices in active markets for identical assets or liabilities
- Level 2 — Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 — Inputs for the asset or liability that are not based on observable market data.

(i) Inventories

Inventories are stated at the lower of cost and net realisable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. The cost formula used for determination of cost is 'Weighted Average Cost'.

Machinery spares, stand-by equipment and servicing equipment are recognised as inventory when the useful life is less than one year and the same are charged to the Statement of Profit and Loss as and when issued for consumption.

(j) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The Company's liability for current tax is calculated using the Indian tax rates and laws that have been enacted by the reporting date. The Company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretations and provisions where appropriate.

Notes to Standalone Financial Statements for the year ended 31st March, 2023

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and current tax liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax (MAT) credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(k) Provisions and Contingencies

Provisions

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

Contingent assets are not recognised in the financial statements. If the inflow of economic benefits is probable, then it is disclosed in the financial statements.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each

Balance Sheet date.

(l) Employee Benefits

(i) Short-term Obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Post-employment Obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plan (Gratuity), and
- (b) Defined contribution plans such as superannuation scheme, provident fund.

Defined Benefit Plan

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually on the basis of actuarial valuation using the Projected Unit Credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The interest cost is calculated by applying the discount rate to the balance of the defined benefit obligation. This cost is included in employee benefits expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.

Defined Contribution Plans

Defined Contribution Plans such as superannuation scheme, provident fund are charged to the Statement of Profit and Loss as an expense, when an employee renders the related services.

(iii) Other Long-term Employee Benefits

The liabilities for compensated absences that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the Projected Unit Credit method. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the Balance Sheet if the entity does not have any unconditional right to defer settlement for at least 12 months after the end of the reporting period, regardless of when the actual settlement is expected to occur.

(m) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM monitors the operating results of its business segments separately for the purpose of making decision about the resources allocation and performance assessment. The operating segments have been identified on the basis of the nature of products/ services.

The Board of Directors of the Company has appointed the Chief Executive Officer & Additional Director as the Chief Operating Decision Maker (CODM) who is assessing the financial performance and position of the Company, and makes strategic decisions.

(n) Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows as well as the Balance Sheet, cash and cash equivalents include cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(o) Earnings per Share (EPS)

Notes to Standalone Financial Statements for the year ended 31st March, 2023

Basic earnings per share are computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for the events for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net off any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

(p) Non-current Assets Held for Sale

The Company classifies non-current assets as held sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Such non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Any expected loss is recognised immediately in the Statement of Profit and Loss.

The criteria for held for sale classification are regarded as met only when the sale is highly probable i.e. an active program to locate a buyer to complete the plan has been initiated and the asset is available for immediate sale in its present condition and the assets must have been actively marketed for sale at a price that is reasonable in relation to its current fair value. Actions required to complete the sale should indicate that it is unlikely that significant changes to that plan to sale these assets will be made. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

PPE and intangible assets once classified as held for sale are not depreciated or amortised. Assets and liabilities classified as held for sale are presented separately as current items in the Balance Sheet.

(q) Dividend Distribution to Equity Shareholders

Dividend distributed to Equity shareholders is recognised as distribution to owners of capital in the Statement of Changes in Equity, in the period in which it is paid. Dividend proposed by the Board of Directors, subject to the approval of shareholders, is disclosed in the notes to financial statements.

(r) Foreign Currency Transactions

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

(s) Revenue Recognition

The Company derives revenues primarily from sale of manufactured goods. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, returns and rebates taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

Sale of Products

Sales are recognised at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods. The normal credit term is 0 to 180 days on delivery. In determining the transaction price for sale of goods, the company considers the effect of variable consideration, the existence of significant financial components and consideration payable to the customer (if any).

The company provides volume rebates to certain customers once the quantity of product purchased during the period exceeds a threshold limit specified in the contract. The company does not adjust consideration for the effect of a significant financial component, if it expects, at contract inception, that customer pays for those goods within one year.

No revenue is recognised if there are significant uncertainties regarding recovery of the amount due, associated costs or the possible return of goods.

Duty Drawback Scheme/MEIS Scheme

Export benefits under Duty Drawback/MEIS/RODTEP Scheme is estimated and accounted in the year of export.

Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable effective interest rate.

Dividend Income

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

Income from Services

Income from services is recognised (net of taxes as applicable) as they are rendered, based on agreement/arrangement with the concerned customers.

(t) Significant Accounting Estimates, Judgements and Assumptions:

The preparation of the Company's financial statements in conformity with Ind AS requires Management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised and in any future year affected.

In the process of applying the Company's accounting policies, Management has made the following judgements which have significant effect on the amounts recognised in the financial statements:

- i. Useful Lives of Property, Plant and Equipment:** Determination of the estimated useful life of tangible assets and the assessment as to which components of the cost may be capitalised. Useful life of tangible assets is based on the life specified in Schedule II of the Act and also as per Management estimate for certain category of assets. Assumption also needs to be made, when the Company assesses, whether as asset may be capitalised and which components of the cost of the assets may be capitalised.
- ii. Fair Value Measurement of Financial Instruments:** When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs for these valuations are taken from observable sources where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of various inputs including liquidity risk, credit risk, volatility etc. Changes in assumptions/ judgements about these factors could affect the reported fair value of financial instruments.
- iii. Measurement of Defined Benefit Plan:** The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.
- iv. Impairment of Financial Assets:** Trade receivables are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when Management deems them not collectable. Impairment is made on the expected credit loss model, which is the present value of the cash shortfall over the expected life of the financial assets. The impairment provisions for financial assets are based on assumption about the risk of default and expected loss rates. Judgement in making these assumptions

Notes to Standalone Financial Statements for the year ended 31st March, 2023

and selecting the inputs to the impairment calculation are based on past history, existing market condition as well as forward looking estimates at the end of each reporting period.

- v. **Impairment of Non-financial Assets:** The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. The company expects to recover full amount related to government subsidies related to interest and capitalisation. Further company also expects to recover/ adjust input tax credit related to GST in future.
- vi. **Contingencies:** Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigation against the Company as it is not possible to predict the outcome of pending matters with accuracy.
- vii. **Net Realisable Value for Inventory Valuation:** The Company assesses net realisable value considering subsequent realisation, ageing and obsolescence for the purpose of valuation of inventories lower of cost or net realisable value.

1.1 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

i. Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its standalone Ind AS financial statements.

ii. Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its standalone Ind AS financial statements.

iii. Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its standalone Ind AS financial statements.

Nature and Purpose of Reserve:

a) General Reserve

General Reserve has been created on account of the Schemes of Amalgamation, Demerger and Capital Restructuring carried out in the past and transfer of net profit before declaring dividend, pursuant to the earlier provisions of the Companies Act, 1956. Such transfer of net profit to general reserve is not required under the Companies Act, 2013.

b) Retained Earnings

Retained earnings are the profits that the Company has earned/ Losses incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

b)	Miranda Tools Private Limited		
	Number of Shares	13,95,000	13,95,000
	% of holding	55.80	55.80
iii)	Terms / rights attached to Preference Shares		

"5% Redeemable Cumulative Non-convertible Preference Shares of Rs.100/- each, were redeemable anytime between 15th November, 2014 and 15th November, 2019 at the option of the Company. However, the Company could not redeemed these preference shares. The Company has approached NCLT under Section 55 of the Companies Act, 2013, for re-issuance of the said preference shares for a further period of 20 years. The approval from preference share holders have already been taken, however, approval from NCLT is awaited.

9% Redeemable Cumulative Non-convertible Preference Shares of Rs.100/- each, are redeemable anytime between 4th June, 2017 and 3rd December, 2020 after period of 18 months from the date of its renewal i.e. 3rd December, 2015, at the option of the Trust. As per Section 55 of the Companies Act, 2013 the Company has an option to further extend the date of redemption of the said Preference Shares (maximum tenure of 20 years). Accordingly during FY 2020-21, the Board had extended its redemption for 2 period of 2 years i.e. till December 3, 2022. Further during the year, the Board has extended the redemption for a further period of 4 (Four) years i.e. from December 3, 2022 to December 3, 2026 with an option for early repayment after 18 months from the date of extension.

The holders of Preference Shares shall not have any right to vote in any manner before the Company at any meeting, except on resolutions placed before the Company at any meeting, which directly affects their rights. "

The effective interest rate on the above borrowings (excluding preference shares) is in the range from 10.45 % to 13.50 % per annum.

(B) Defined Benefit Plan (Gratuity) and Other Long-term Employee Benefits (Leave Encashment)

The Company provides for gratuity for employees in India as per the payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employees last drawn basic salary per month computed proportionately for 15 days basic salary multiplied by the number of years of service. The gratuity plan is not funded and payout is done by Company on resignation / retirement of employees.

d) Assumptions

The principal actuarial assumptions used for estimating the Company's defined benefit obligations and other long term employee benefits are set out below:

Particulars	Gratuity		Leave Encashment	
	As at 31.03.2023	As at 31.03.2022	As at 31.03.2023	As at 31.03.2022
Withdrawal rate	3% p.a. at younger ages reducing to 1% at older ages	3% p.a. at younger ages reducing to 1% at older ages	3% p.a. at younger ages reducing to 1% at older ages	3% p.a. at younger ages reducing to 1% at older ages
Normal retirement age	60 years	60 years	60 years	60 years
Discount rate	7.45% p.a.	7.15% p.a.	7.45% p.a.	7.15% p.a.
Salary escalation rate	"0.00% p.a for next 1 year & 3.50% p.a thereafter"	"0.00% p.a for next 1 year & 3.50% p.a thereafter"	"0.00% p.a for next 1 year & 3.50% p.a thereafter"	"0.00% p.a for next 1 year & 3.50% p.a thereafter"

e) Sensitivity Analysis

The sensitivity of the defined benefit obligation to change in the weighted key assumptions is:

(₹ in lakhs)

Particulars	Gratuity		Leave Encashment	
	As at 31.03.2023	As at 31.03.2022	As at 31.03.2023	As at 31.03.2022
Salary escalation rate + 0.5%	624.27	650.39	125.01	134.87
Salary escalation rate - 0.5%	574.19	597.73	118.22	125.50
Withdrawal rate + 10%	600.89	625.69	121.89	130.56
Withdrawal rate - 10%	596.10	620.76	121.12	129.48
Discount rate + 0.5%	575.11	598.65	118.35	125.67
Discount rate - 0.5%	623.48	649.59	124.89	134.72

A description of methods used for sensitivity analysis and its limitations:

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged.

Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously.

The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

Morarjee Castiglioni (India) Private Limited (Joint Venture)	India	Trading	50%	50%

41 Capital Management

a) Risk Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Board of Directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings less cash and cash equivalents.

Particulars	(₹ in lakhs)	
	As at 31.03.2023	As at 31.03.2022
Total borrowings	51,513.10	52,521.42
Less : Cash and cash equivalents	239.36	1,674.11
Adjusted net debt	51,273.74	50,847.31
Total equity	(27,834.22)	(9,317.84)
Less : Hedging reserve	-	-
Adjusted equity	(27,834.22)	(9,317.84)
Adjusted net debt to adjusted equity ratio	(1.84)	(5.46)

b) During the year, the Company has not declared any dividend to Preference shareholders and equity shareholders.

42 Financial Risk Management

Risk Management Framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

A. Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk, the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition.

The Company measures the expected credit loss of trade receivables from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends.

Notes to Standalone Financial Statements for the year ended 31st March, 2023

i Trade Receivables

a. Trade receivables ageing schedule as at March 31, 2023 and March 31, 2022:

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

b. Movement in Expected Credit Loss on Trade receivable.

Particulars	Year ended	
	31.03.2023	31.03.2022
Opening provision	817.00	672.00
Add:- Additional provision made	237.00	145.00
Less:- Amounts written off	-	-
Less:- Provision reversed	-	-
Closing provision	1,054.00	817.00

During the year, the Company has created provision for expected credit loss of Rs. 3 lakhs (Previous year Rs. Nil) on other financial assets.

ii Investments other than Investments in Joint Venture

There is investment of ₹ 0.89 Lakh (₹ 0.89 Lakh as at 31st March, 2022) and no impairment has been recognised on such investments.

iii Cash and Bank Balances

The Company held cash and bank balance with credit worthy banks of ₹417.57 Lakhs at March 31, 2023 (March 31, 2022 ₹1,833.19 Lakhs), includes Fixed deposits marked under lien with banks of ₹170.54 Lakhs at March 31, 2023 (March 31, 2022 ₹155.25 Lakhs). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant

iv Loans

No impairment in respect of loans was necessary during the current as well as previous year.

B. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company manages its liquidity risk by preparing periodic cash flow projections to monitor liquidity requirements. In addition, the Company monitors the Balance Sheet liquidity ratios against internal and external regulatory requirements and maintains debt financing plans.

Maturity Pattern of Financial Liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date.

As at 31st March, 20223

(₹ in lakhs)

Particulars	Carrying Amount	0-1 year	1-5 years	Beyond 5 years	Total
Long-term borrowings (including current maturities of long-term debt)	30,230.49	24,231.53	5,998.96	-	30,230.49

Interest accrued on borrowings	9,025.39	9,025.39	-	-	9,025.39
Trade payables	7,679.14	7,679.14	-	-	7,679.14
Other current financial liabilities	73.33	73.33	-	-	73.33

C. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

i) Currency Risk

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales to overseas customers and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods in the respective currencies.

(a) Derivative Instruments

(Foreign currency in lakhs)

Particulars	As at 31.03.2023	As at 31.03.2022
Forward contracts to sell USD	-	-

Notes to Standalone Financial Statements for the year ended 31st March, 2023

Derivative financial instruments such as foreign exchange forward contracts are used for hedging purposes and not as trading or speculative instruments.

(b) Foreign Currency Exposures*

As at 31st March, 2023						(Foreign currency in lakhs)
Particulars	USD	EURO	GBP	CHF	JPY	
Trade receivable	7.95	0.47	-	-	-

Trade payables	-	-	-	0.01	7.20	
Less: Foreign currency forward contracts (Buy)	-	-	-	-	-	
Unhedged payable	-	-	-	0.01	7.20	

(d) Foreign Currency Risk Sensitivity

A change of 1% in foreign currency exchange rate applied on net foreign exposure (i.e. net unhedged payable / receivable) would have following Impact on profit before tax:

Particulars	(₹ in lakhs)			
	Year ended 31.03.2023		Year ended 31.03.2022	
	1% Increase	1% decrease	1% Increase	1% decrease
USD	6.53	(6.53)	7.66	(7.66)
EURO	0.42	(0.42)	1.44	(1.44)
CHF	(0.01)	0.01	(0.01)	0.01
JPY	(0.04)	0.04	(0.04)	0.04
Increase / (decrease) in profit or loss	6.90	(6.90)	9.05	(9.05)

ii Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest Rate Risk

In order to optimise the Company's position with regards to interest income and interest expenses and to manage the

interest rate risk, the Company performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio. According to the Company, interest rate risk exposure is only for floating rate borrowings. The interest rate profile of the Company's interest-bearing financial instruments as reported to the Management of the Company is as follows.

Particulars	(₹ in lakhs)	
	Year ended 31.03.2023	Year ended 31.03.2022
Borrowings bearing fixed rate of interest	5,734.71	5,743.65
Borrowings bearing floating rate of interest	45,778.39	46,777.76
Total Borrowings	51,513.10	52,521.41

Interest Rate Sensitivity

a) Fair Value Sensitivity Analysis for Fixed-rate Instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

b) Cash Flow Sensitivity Analysis for Variable-rate Instruments

A reasonably possible change of 25 basis points in interest rates at the reporting date would have increased (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables in particular foreign currency exchange rates remain constant.

A change of 25 bps in interest rates would have following impact on profit before tax.

Particulars	(₹ in lakhs)	
	Year ended 31.03.2023	Year ended 31.03.2022
25 bp decrease	114.45	116.94
25 bp increase	(114.45)	(116.94)

43 Fair Value Measurement

A) Accounting Classification and Fair Values

As at 31st March, 2023

Total	-	-	53,740.18	53,740.18	53,740.18

B) Fair Value Hierarchy

Fair values of all financial instruments mentioned in Note no. 43(A) above belong to Level 3 Fair Value Hierarchy.

Carrying amounts of financial instruments such as cash and cash equivalents, other bank balances, trade receivables, loans, borrowings, trade payables and other financial assets and liabilities at 31st March 2023 and 31st March 2022 reasonably approximate their respective fair values.

44 Segment Reporting

Based on the "management approach" as defined in Ind AS 108 – Operating Segments, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators of business, the segment/s in which the Company operates. The Company is primarily engaged in the business of Textile Products which the Management and CODM recognise as the sole business segment. Hence, disclosure of segment-wise information is not required and accordingly not provided.

45 Corporate Social Responsibility Expenditure (CSR)

Disclosure as required under Section 135 of Companies Act, 2013, read with Companies (Corporate Social Policy) Rules, 2014 is as under:

- Gross amount required to be spent by the Company during the year ₹ Nil Lakhs (Previous year ₹ Nil Lakhs)
- CSR expenditure incurred during the year:

Particulars	(₹ in lakhs)			
	In cash		Yet to be paid in cash	
	Year ended 31.03.2023	Year ended 31.03.2022	Year ended 31.03.2023	Year ended 31.03.2022
(i) On construction/acquisition of any asset	-	-	-	-
(ii) On purposes other than (i) above (refer footnote)	-	-	-	-

The Company undertakes its Corporate Social Responsibility (CSR) activities through Conservation Wildlands Trust. The foundation operates in areas of health, vocational skill training, environment and education. The Company has contributed ₹ Nil Lakhs (Previous year ₹ Nil Lakhs) to the foundation for undertaking CSR activities as defined under CSR rules.

The Company has incurred losses in three preceding financial years and therefore the Company is not required to contribute towards Corporate Social Responsibility.

- 46** i) The Company has incurred net loss including cash losses during the quarter and year as also in previous years, owing to high input and finance cost, coupled with sub-optimal utilization of the manufacturing facilities due to severe working capital constraints. The net worth has completely eroded and current liabilities are in excess of current assets. During the beginning of the financial year and subsequently, the workers at plant resorted to strike and operations of the Company have been adversely affected. There have been continuous delays and defaults in repayment of debt obligations as well as delay in other payments. The loan account of the Company is classified as NPA by lenders and some of the lenders have served notice for recall / taken legal recourse against the Company, requiring repayment of the loan. One of the financial creditor has filed an application before National Company Law Tribunal ("NCLT"), Mumbai under Section 7 of Insolvency and Bankruptcy Code, 2016 for initiating Corporate Insolvency Resolution Process against the Company. Further, two of the operational creditors have also submitted applications under Section 9 of Insolvency and Bankruptcy Code, 2016 before NCLT, Mumbai. All the applications are pending before NCLT.

The Management is in discussions with lenders and creditors to amicably resolve the matter.

- ii) Further, the Company has, after obtaining the approval of Preference Shareholders, approached NCLT under Section 55 of the Companies Act 2013 for issue of further Redeemable Cumulative Non-Convertible Preference Shares against the existing Preference Shares of ₹ 10 Crores which were due for redemption on November 15, 2019 for a further period of 20 years. The approval of NCLT is awaited. These events / conditions indicate the existence of material uncertainty on the Company's ability to continue as a going concern. Though the management has been making sincere efforts for finding a solution for debt resolution in the interest of all stakeholders, including identifying strategic investor for one time settlement with lenders, it is yet to receive a definitive proposal.

The Company's product is well accepted in market and with resolution; the Company would be able to cater to its customers.

In the circumstances mentioned above, the standalone financial results have been prepared on a going concern basis and does not include any adjustment to the carrying value of assets and liabilities.

- 47** The operations of the Company were affected due to strike by workers union at the plant at Nagpur during the quarter ended June 30, 2022, due to pendency of revision of long term wage agreement which expired in the earlier year. After continuous discussions by the management, the strike was called off and work resumed w.e.f. May 02, 2022.

Further, the workers have again resorted to strike from April 17, 2023 putting forth various demands including wage revision etc. This has resulted in majority of the operations at the Plant being adversely impacted. The management is in discussions with the Workers to amicably resolve the same.

Notes to Standalone Financial Statements for the year ended 31st March, 2023

48 Financial Ratios

The ratios as per the latest amendment to Schedule III are as below:

Sr. No.	Ratios	Year ended 31.03.2023	Year ended 31.03.2022	Variance %	Reason for variance for (+/- 25%)
1	Current Ratio (in times) (Current Assets - Current Liabilities excluding current borrowings)	0.2	0.5	(61)	Reduction in Ratio due to increase in liabilities
2	Debt Equity Ratio (in times) (Total Borrowings / Total Equity)	-	-	-	Ratio is not calculated as Net worth of the Company is Negative
3	Debt Service Coverage Ratio (in times) (Earnings available for debt service / Debt Service) (Earnings available for debt service = Net profit after tax + Depreciation + Finance cost + Exceptional Item + provision for doubtful debts/ allowances + any non cash item Debt Service - Interest Payments + Principal Payment)	(2.9)	2.1	242	Reduction in Ratio due to significant increase in loss
4	Return on Equity Ratio % (Net Profit / (Loss) / Total Equity)	-	-	-	Ratio is not calculated as Net worth of the Company is Negative
5	Inventory Turnover Ratio (in times) (Revenue from Operations / Average Inventory)	4.2	4.2	0	Not Applicable
6	Trade Receivable - Turnover Ratio (in Times) (Revenue from Operations / Average Trade Receivable)	15.8	9.7	64	Ratio has improved as the Company was able to secure faster realisation of Trade Receivable
7	Trade Payable - Turnover Ratio (in Times) (Expenses / Average Trade Payable) (Expenses : Total Expenses - Finance cost - Depreciation and Amortisation Expenses - Other Expenses with respect to Rates & Taxes, Provision for Doubtful Debt - Loss on foreign exchange fluctuation)	3.2	3.3	(1)	Not Applicable
8	Net Capital Turnover Ratio (in times) (Revenue from Operations / Current Assets - Current Liabilities)	(0.3)	(0.8)	(56)	Decrease in Revenue from operations and Increase in liability has resulted in lower Ratio
9	Net Profit Ratio (%) (Loss after tax / Revenue from Operations)	(89.6)	(32.4)	177	Higher Expenses over Revenue from Operations has resulted in decrease in Ratio.
10	Return on Capital Employed (%) (EBIT / Capital Employed = (Total Equity + Total Debt)	(30.8)	(3.6)	751	Increase in losses and reduction in capital employed resulted in decrease in Ratio
11	Return on Investment (Income generated from invested funds/ treasury investments)	-	-	-	Not Applicable

49 Additional regulatory information required by schedule III to the Companies Act, 2013

- I. The Company has not traded or invested in crypto currency or virtual currency during the year.
- II. The Company does not have any benami property held in its name. No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.
- III. There is no income surrendered or disclosed as income during the year in tax assessments under the Income Tax Act, 1961 (such as search or survey), that has not been recorded in the books of account.
- IV. The Company does not have any charges or satisfaction of charges which is yet to be registered with Registrar of Companies beyond the statutory period.
- V. The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - (a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
 - (b) Provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

- VI. The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like on behalf of the ultimate beneficiaries
- VII. The Company has not been declared wilful defaulter by any banks / financial institution or government or any government authority.
- VIII. The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the current year or previous year.
- IX. The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Companies Act 2013 read with Companies (Restrictions on number of Layers) Rules, 2017.
- X. The Company has not obtained any new sanctioned working capital limit during the year, from banks and/or financial institution, on the basis of security of current assets. However, based on stock and debtors statement submitted to banks on quarterly basis for facilities obtained, the difference is not material as compared to value of stock and debtors with books of account.
- XI. The Company has not obtained any term loans from banks and financial institution during the year.
- XII. The Company did not have any material transactions with companies struck off under Section 248 of the Companies Act, 2013 or Section 560 of Companies Act, 1956 during the financial year.

Independent Auditor's Report

To the Members of
Morarjee Textiles Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying consolidated Ind AS financial statements of Morarjee Textiles Limited (hereinafter referred to as "the Holding Company") and its joint venture, comprising of the Consolidated Balance Sheet as at March 31, 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated Ind AS financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate Ind AS financial statements and on the other financial information of the joint venture, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, of the consolidated state of affairs of the Holding Company and its joint venture as at March 31, 2023, their consolidated loss (including other comprehensive income), their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw attention to Note 4 in the consolidated Ind AS financial Statements, which indicates that the Holding Company has incurred a net loss after tax of Rs. 18,525 lakhs, including cash losses during the year ended March 31, 2023 and as of that date, the Holding Company's accumulated losses amount to Rs. 30,377 lakhs resulting in complete erosion of its net worth and its current liabilities are in excess of current assets. Further, there have been continuous delays and defaults in repayment of debt obligations leading to classification of Holding Company's debt as non performing by the lenders and some of the lenders creditors have served notice for recall / taken legal recourse against the Holding Company. Also one

of the financial creditor and certain operational creditors have filed an application before National Company Law Tribunal for initiating CIRP against the Holding Company, which are pending. The annual consolidated Ind AS financial statements, however for the reason stated in the aforesaid note have been prepared by the Management on going concern basis. The Holding Company's ability to continue as Going Concern is dependent on debt resolution including identifying strategic investor for one time settlement with lenders, though it is yet to receive a definitive proposal. These conditions along with other matters as set forth in the said note indicates that a material uncertainty exists that may cast significant doubt on the Holding Company's ability to continue as a going concern and therefore the Holding Company may not be able to realise its assets and meet with liabilities in the normal course of business. The consolidated Ind AS financial statements does not include any adjustment in this respect

Emphasis of Matters

We draw attention to the following matters in the notes to the consolidated Ind AS financial statements:

1. Note 47 to the consolidated Ind AS financial statements, regarding strike at Nagpur Plant, due to pending revision of long term wage agreement for which the management is in discussion with the workers, and impact if any, is not presently ascertainable;
2. Note 12 to the consolidated Ind AS financial statements, regarding Carry forward of GST input tax credit amounting to Rs. 3,034 lakhs (Net of provision of Rs. 1,792.06 lakhs) as on March 31, 2023 for the reasons stated in the note; and
3. Note 34 to the consolidated Ind AS financial statements, regarding MAT Credit Entitlement amounting to Rs 3,041 lakhs as on March 31, 2023 which is carried based on the judgment of the management that the MAT credit would be fully utilised

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current year. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole,

and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion Section above,

we have determined the matter described below to be the key audit matter to be communicated in our report.

Sr. No.	Key audit matter(s)	How our audit addressed the key audit matter
1.	<p>Valuation of Inventory (Refer Note 7 to Consolidated Ind AS Financial Statement): Total Inventory Valuation as on 31st March 2023 is Rs.3,251.84 lakhs (March 31, 2022: Rs.6,644.02 lakhs) Inventory of Holding Company comprises of finished goods, Work in Progress (WIP), Raw Material and Consumables. As described in Note 7 to the consolidated Ind AS financial statements, cost of Inventory represents the costs of materials, conversion cost and related production costs at each stage till date. It is held at the lower of cost and net realisable value (NRV). Some of the finished goods and WIP (Grey Cloth) are slow moving. Considering the materiality of the amount involved and degree of management judgment in valuation, we have identified valuation of inventory as a key audit matter for the current year audit.</p>	<p><u>Our audit procedures in respect of this area included but not limited :</u></p> <p>We understood and tested the design and operating effectiveness of controls as established by the management for valuation of inventory and identifying slow moving inventory and determination of net realizable value of inventory as on date.</p> <p>We observed the physical inventory verification procedures carried out by the management as at the year end.</p> <p>We performed year end cut-off procedures to validate the actual stocks carried in the inventory as at year end.</p> <p>We tested the adequacy of the key assumptions and estimates used to determine cost allocation at each stage of production and consistency in such allocation including mathematical accuracy of the calculations.</p> <p>We performed NRV testing by comparing subsequent sale/order value.</p> <p>We also evaluated judgment used by the management for arriving at the diminution in value of slow moving inventory.</p> <p>The above audit procedures enabled us to conclude on the valuation of inventory held by the Holding Company as on the date of Balance Sheet.</p>

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Management Discussion and Analysis, Corporate Governance and Director's Report, but does not include the standalone Ind AS financial statements, consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed and the report of other auditor, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind

AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Holding Company and its joint venture in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the Holding company and its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Holding Company and its joint venture and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the Holding Company and its joint venture are responsible for assessing the ability of the Holding Company and its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting

unless management either intends to liquidate the Holding Company and its joint venture or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of Holding Company and its joint venture are responsible for overseeing the financial reporting process of the Holding Company and its joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its joint venture company, which are companies incorporated in India, have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast

significant doubt on the ability of the Holding Company and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Holding Company and its joint venture to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Holding Company of which we are the independent auditor, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the Ind AS financial statements of such entity included in the consolidated Ind AS financial statements of which we are the independent auditor. For the other entity included in the consolidated Ind AS financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company of which we are the independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our

report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated Ind AS financial statements include Holding Company's share of net loss (including other comprehensive income) of Rs. 2.61 lakhs for the year ended March 31, 2023, as considered in the consolidated Ind AS financial statements, in respect of one joint venture, whose Ind AS financial statements have not been audited by us. These Ind AS financial statements have been audited by other auditor whose report has been furnished to us by the management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of this joint venture, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid joint venture, is based solely on the report of the other auditor.

Our opinion on the consolidated Ind AS financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

- (1) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by us for the Holding Company and taking into consideration the report of other auditor on separate Ind AS financial statements of joint venture, included in the consolidated Ind AS financial statements of the Holding Company, to which reporting under CARO is applicable, we report in "Annexure 1" the details of the qualifications or adverse remarks reported in the aforesaid CARO reports.
- (2) As required by section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate Ind AS financial statements and the other financial information of joint venture, as noted in the Other Matters section above we report, to the extent applicable, that:
 - a. We have sought and, except for the possible effects of the matter described in the Basis for Qualified Opinion section above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our

audit of the aforesaid consolidated Ind AS financial statements;

- b. Except for the possible effects of the matter described in the Basis for Qualified Opinion section above, in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor;
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
- d. In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section above, the aforesaid consolidated Ind AS financial statements comply with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. The matter described under the Basis for Qualified Opinion section and Emphasis of matters section above, in our opinion, may have an adverse effect on the functioning of the Holding Company;
- f. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2023 and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor of its joint venture company, incorporated in India, none of the directors of the Holding Company and joint venture company, incorporated in India, is disqualified as on March 31, 2023 from being appointed as a director in terms of section 164(2) of the Act;
- g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its joint venture company incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure 2";
- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us by the Holding

Company and the report of the statutory auditor of its joint venture company incorporated in India, the remuneration paid/ provided to their directors during the year by the Holding Company, and its joint venture company incorporated in India is in accordance with the provisions of section 197 of the Act;

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Holding Company and its joint venture – Refer Note 37 to the consolidated Ind AS financial statements;
 - (ii) The Holding Company and its joint venture company did not have any material foreseeable losses on long term contracts including derivative contracts;
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its joint venture company incorporated in India.
 - (iv) (a) Based on our audit report on separate Ind AS financial statements of the Holding Company incorporated in India, and consideration of report of the other auditor on separate Ind AS financial statements of its joint venture company, incorporated in India, whose financial statements have been audited under the Act, the management of the Holding Company and its joint venture, have represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts of the consolidated Ind AS financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company and its joint venture to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company and its joint venture ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (iv) (b) Based on our audit report on separate Ind AS financial statements of the Holding Company, incorporated in India, and consideration of report of the other auditor on separate Ind AS financial statements of its joint venture company, incorporated in India, whose financial statements have been audited under the Act, the management of the Holding Company and its joint venture, have represented that, to the best of their knowledge and belief, other than as disclosed in the notes to consolidated Ind AS financial statements, no funds have been received by the Holding Company and its joint venture from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company and its joint venture shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (iv) (c) Based on the audit procedures that are considered reasonable and appropriate in the circumstances, and consideration of report of the other auditor on separate Ind AS financial statements of the joint venture company, incorporated in India, whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - (v) The Holding Company and based on the audit report of the joint venture company, incorporated in India, has not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section in our Independent Auditor's Report of even date to the members of Morarjee Textiles limited on the consolidated Ind AS financial statements for the year ended March 31, 2023]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of Morarjee Textiles Limited ("Holding Company") as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to consolidated Ind AS financial statements of the Holding Company and its joint venture company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its joint venture company, which are companies incorporated in India, are responsible for establishing and maintaining

internal financial controls based on the internal control with reference to financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated Ind AS financial statements of Holding Company, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified

under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor, in terms of their report referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated Ind AS financial statements of Holding Company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of report of other auditor as mentioned in Other Matter paragraph below, the Holding Company and its joint venture company, which are companies incorporated in India, have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control with reference to financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to one joint venture company, which is a Company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

Company Overview

Morarjee Textiles Limited (“the Company”) is a public limited company, incorporated and domiciled in India which mainly deals in manufacture of yarn and fabric. The registered office of the Company is located at, Peninsula Corporate Park, Unit 5, Ground Floor, Peninsula Tower-1, Wing B, Ganpatrao Kadam Marg, Lower Parel, Mumbai – 400013. The Company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

The standalone financial statements for the year ended 31st March, 2023 were approved by the Board of Directors and authorized for issue on 29th May, 2023.

Note 1: Significant Accounting Policies

The accounting policies set out below have been applied consistently to the periods presented in these Ind AS financial statements except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy.

(a) Basis of Preparation of Financial Statements

(i) Statement of Compliance with Indian Accounting Standards (Ind AS)

These financial statements comply, in all material respects, with Ind AS notified under section 133 of the Companies Act, 2013 (“the Act”), Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act and other accounting principles generally accepted in India. The financial statements are prepared on accrual and going concern basis.

(ii) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- a) Certain financial assets and liabilities that are measured at fair value
- b) Derivative financial instruments

(iii) Functional and Presentation Currency

These financial statements are presented in Indian Rupees, which is also the functional currency of the Company. All financial information presented in Indian Rupees has been rounded off to two decimals in lakhs.

(iv) Current and Non-current Classification

All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle (Twelve months) and other criteria set out in Schedule III to the Act.

(b) Property, Plant and Equipment (PPE) and Depreciation

All items of PPE are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost includes its purchase price including non-refundable taxes and duties, directly attributable costs of bringing the asset to its present location and condition and initial estimate of costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent costs are included in the carrying amount of PPE or recognised as a separate PPE, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

Machinery spares and servicing equipment are recognised as PPE when they meet the definition of PPE. Otherwise, such items are classified as inventory.

Capital work- in- progress includes cost of PPE under installation / under development as at the Balance Sheet date.

The Company depreciates its PPE over the useful life in the manner prescribed under Part C of Schedule II to the Act. Depreciation commences when the assets are ready for their intended use and is computed on pro-rata basis from the date of installation/ acquisition till the date of sale/ disposal. Management believes that useful life of assets are same as those prescribed in Schedule II to the Act, except for machinery spares wherein based on technical evaluation, useful life has been estimated to be different from that prescribed in Schedule II of the Act. Useful life considered for calculation of depreciation for machinery spares varies from 2 to 10 years.

Individual assets acquired for less than Rs. 5,000 are entirely depreciated in the year of acquisition.

Lease hold PPE are amortised over the period of lease or useful life, whichever is lower. Leasehold land (under Finance Lease) is amortised over the period of lease.

Gains and losses on disposals are determined by comparing net disposal proceeds with carrying amount. These are included in the Statement of Profit and Loss.

(c) Intangible Assets and Amortisation

Intangible assets that are acquired by the Company, which have finite useful lives are measured at cost less amortisation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost includes its purchase price including non-refundable taxes and duties, directly attributable costs of bringing the asset to its present location and condition.

Intangible assets are amortised on straight line basis over the estimated useful life.

Useful life considered for amortisation of intangible assets being computer Software is 10 years.

Gains and losses on disposals are determined by comparing net disposal proceeds with carrying amount. These are included in the Statement of Profit and Loss.

(d) Leases

At inception of a contract, company shall assess whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Where the Company is Lessee

At the Inception, lessee shall recognise and measure Right-of-use asset and lease liability at cost. Right of use assets shall comprise initial measurement of lease liability, any lease payments made at or before the commencement date less any lease incentives received, any initial direct costs incurred by the lessee; and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories.

Lease liability is the present value of the lease payments that are not paid. These lease payments shall be discounted using the interest rate implicit in the lease (if readily determined) otherwise should be discounted at lessee's incremental borrowing rate.

If the lease contract transfers ownership of the underlying asset, at the end of the lease term or if, the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, then depreciate the right-of-use asset over the useful life of the underlying asset. Otherwise, depreciate the right-of-use asset till the end of the useful life of the right-of-use asset or the end of the lease term, whichever is earlier.

The lease term as the non-cancellable period of a lease, together with both: (a) periods covered by an option to extend the lease if the lessee is reasonably certain to exercise that option; and (b) periods covered by an option to terminate the lease if the lessee is reasonably certain not to exercise that option.

Subsequently, lessee shall measure the right-of-use asset applying a cost model.

(e) Borrowing Cost

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing.

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use. Other borrowing costs are expensed in the period in which they are incurred.

(f) Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of PPE are included in non-financial liabilities as deferred income and are credited to the Statement of Profit and Loss on straight line basis over the expected lives of related assets and presented within other income.

Government grants relating to an expense item are recognised in the Statement of Profit and Loss by way of a deduction to the related expense on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

(g) Financial instruments

(i) Financial Assets

Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent Measurement

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, as per Ind AS 109.

a. Subsequent Measurement - Equity Instruments

All equity investments other than investments in subsidiaries, joint ventures and associates are measured at fair value. Equity investments which are held for trading are classified as FVTPL. For all other equity investments, the Company decides to classify the same either at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

Investment in equity instruments of subsidiaries, joint ventures and associates are measured at cost.

b. Subsequent Measurement - Debt Instruments

A financial asset being debt instrument that meets the following 2 conditions is measured at amortised cost (net off any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

Business Model Test: the objective of the Company's model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes).

Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

A financial asset that meets the following 2 conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option. Business Model Test: the financial asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets.

Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognising the gains or losses on them on different basis.

All other debt instruments are measured at fair value through profit or loss.

Derecognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset, to another entity.

Impairment of Financial Assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and FVTOCI. For financial assets other than trade receivables, whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables, considering historical trend, industry practices and the business environment in which the Company operates or any other appropriate basis.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

(ii) Equity and Financial Liabilities

Debt and equity instruments issued by an entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

a. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

b. Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are initially recognised at fair value plus any transaction costs that are attributable to the acquisition of the financial liabilities, except for the financial liabilities at FVTPL which are initially measured at fair value.

Subsequent Measurement

The financial liabilities are classified for subsequent measurement either at amortised cost or at fair value through Profit and Loss (FVTPL). Amortised cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount.

Derecognition of Financial Liabilities

A financial liability is removed from the Balance Sheet when the obligation is discharged, or is cancelled, or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Derivative Financial Instruments

Derivative financial instruments such as forward contracts are taken by the Company to hedge its foreign currency risks, are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise (other than in case of hedge accounting).

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

(h) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted prices in active markets for identical assets or liabilities
- Level 2 — Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 — Inputs for the asset or liability that are not based on observable market data.

(i) Inventories

Inventories are stated at the lower of cost and net realisable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. The cost formula used for determination of cost is 'Weighted Average Cost'.

Machinery spares, stand-by equipment and servicing equipment are recognised as inventory when the useful life is less than one year and the same are charged to the Statement of Profit and Loss as and when issued for consumption.

(j) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The Company's liability for current tax is calculated using the Indian tax rates and laws that have been enacted by the reporting date. The Company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretations and provisions where appropriate.

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and current tax liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax (MAT) credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(k) Provisions and Contingencies

Provisions

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

Contingent assets are not recognised in the financial statements. If the inflow of economic benefits is probable, then it is disclosed in the financial statements.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each

Balance Sheet date.

(l) Employee Benefits

(i) Short-term Obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Post-employment Obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plan (Gratuity), and
- (b) Defined contribution plans such as superannuation scheme, provident fund.

Defined Benefit Plan

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually on the basis of actuarial valuation using the Projected Unit Credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The interest cost is calculated by applying the discount rate to the balance of the defined benefit obligation. This cost is included in employee benefits expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.

Defined Contribution Plans

Defined Contribution Plans such as superannuation scheme, provident fund and ESIC are charged to the Statement of Profit and Loss as an expense, when an employee renders the related services.

(iii) Other Long-term Employee Benefits

The liabilities for compensated absences that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the Projected Unit Credit method. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the Balance Sheet if the entity does not have any unconditional right to defer settlement for at least 12 months after the end of the reporting period, regardless of when the actual settlement is expected to occur.

(m) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM monitors the operating results of its business segments separately for the purpose of making decision about the resources allocation and performance assessment. The operating segments have been identified on the basis of the nature of products/ services.

The Board of Directors of the Company has appointed the Chief Executive Officer & Additional Director as the Chief Operating Decision Maker (CODM) who is assessing the financial performance and position of the Company, and makes strategic decisions.

(n) Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows as well as the Balance Sheet, cash and cash equivalents include cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

(o) Earnings per Share (EPS)

Basic earnings per share are computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for the events for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net off any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

(p) Non-current Assets Held for Sale

The Company classifies non-current assets as held sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Such non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Any expected loss is recognised immediately in the Statement of Profit and Loss.

The criteria for held for sale classification are regarded as met only when the sale is highly probable i.e. an active program to locate a buyer to complete the plan has been initiated and the asset is available for immediate sale in its present condition and the assets must have been actively marketed for sale at a price that is reasonable in relation to its current fair value. Actions required to complete the sale should indicate that it is unlikely that significant changes to that plan to sale these assets will be made. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

PPE and intangible assets once classified as held for sale are not depreciated or amortised. Assets and liabilities classified as held for sale are presented separately as current items in the Balance Sheet.

(q) Dividend Distribution to Equity Shareholders

Dividend distributed to Equity shareholders is recognised as distribution to owners of capital in the Statement of Changes in Equity, in the period in which it is paid. Dividend proposed by the Board of Directors, subject to the approval of shareholders, is disclosed in the notes to financial statements.

(r) Foreign Currency Transactions

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

(s) Revenue Recognition

The Company derives revenues primarily from sale of manufactured goods. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, returns and rebates taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

Sale of Products

Sales are recognised at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods. The normal credit term is 0 to 180 days on delivery. In determining the transaction price for sale of goods, the company considers the effect of variable consideration, the existence of significant financial components and consideration payable to the customer (if any).

The company provides volume rebates to certain customers once the quantity of product purchased during the period exceeds a threshold limit specified in the contract. The company does not adjust consideration for the effect of a significant financial component, if it expects, at contract inception, that customer pays for those goods within one year. No revenue is recognised if there are significant uncertainties regarding recovery of the amount due, associated costs or the possible return of goods.

Duty Drawback Scheme/MEIS Scheme

Export benefits under Duty Drawback/MEIS/RODTEP Scheme is estimated and accounted in the year of export.

Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable effective interest rate.

Dividend Income

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

Income from Services

Income from services is recognised (net of taxes as applicable) as they are rendered, based on agreement/arrangement with the concerned customers.

(t) Significant Accounting Estimates, Judgements and Assumptions:

The preparation of the Company's financial statements in conformity with Ind AS requires Management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised and in any future year affected.

In the process of applying the Company's accounting policies, Management has made the following judgements which have significant effect on the amounts recognised in the financial statements:

- i. Useful Lives of Property, Plant and Equipment:** Determination of the estimated useful life of tangible assets and the assessment as to which components of the cost may be capitalised. Useful life of tangible assets is based on the life specified in Schedule II of the Act and also as per Management estimate for certain category of assets. Assumption also needs to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the assets may be capitalised.
- ii. Fair Value Measurement of Financial Instruments:** When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs for these valuations are taken from observable sources where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of various inputs including liquidity risk, credit risk, volatility etc. Changes in assumptions/ judgements about these factors could affect the reported fair value of financial instruments.
- iii. Measurement of Defined Benefit Plan:** The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

- iv. Impairment of Financial Assets:** Trade receivables are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when Management deems them not collectable. Impairment is made on the expected credit loss model, which is the present value of the cash shortfall over the expected life of the financial assets. The impairment provisions for financial assets are based on assumption about the risk of default and expected loss rates. Judgement in making these assumptions and selecting the inputs to the impairment calculation are based on past history, existing market condition as well as forward looking estimates at the end of each reporting period.
- v. Impairment of Non-financial Assets:** The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. The company expects to recover full amount related to government subsidies related to interest and capitalisation. Further company also expects to recover/ adjust input tax credit related to GST in future.
- vi. Contingencies:** Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigation against the Company as it is not possible to predict the outcome of pending matters with accuracy.
- vii. Net Realisable Value for Inventory Valuation:** The Company assesses net realisable value considering subsequent realisation, ageing and obsolescence for the purpose of valuation of inventories lower of cost or net realisable value.

1.1 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

i. Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its standalone Ind AS financial statements.

ii. Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its standalone Ind AS financial statements.

iii. Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its standalone Ind AS financial statements.

Note 14 : Other Equity		
a) General Reserve		
Opening balance	5,627.91	5,627.91
Movement during the year	-	-
Closing balance (a)	5,627.91	5,627.91
b) Retained Earnings		
Opening balance	(17,503.81)	(8,677.63)
(Loss) for the year	(18,527.41)	(8,813.96)
Other Comprehensive Income for the year (Remeasurement of defined benefit obligation - Net of tax)	25.83	(12.22)
Closing balance (b)	(36,005.39)	(17,503.81)
Total (a+ b)	(30,377.48)	(11,875.90)

Nature and Purpose of Reserve:

a) General Reserve

General Reserve has been created on account of the Schemes of Amalgamation, Demerger and Capital Restructuring carried out in the past and transfer of net profit before declaring dividend, pursuant to the earlier provisions of the Companies Act, 1956. Such transfer of net profit to general reserve is not required under the Companies Act, 2013.

b) Retained Earnings

Retained earnings are the profits that the Company has earned/ Losses incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

b)	Miranda Tools Private Limited		
	Number of Shares	13,95,000	13,95,000
	% of holding	55.80	55.80
iii)	Terms / rights attached to Preference Shares		

5% Redeemable Cumulative Non-convertible Preference Shares of ₹100/- each, were redeemable anytime between 15th November, 2014 and 15th November, 2019 at the option of the Company. However, the Company could not redeemed these preference shares. The Company has approached NCLT under Section 55 of the Companies Act, 2013, for re-issuance of the said preference shares for a further period of 20 years. The approval from preference share holders have already been taken, however, approval from NCLT is awaited.

9% Redeemable Cumulative Non-convertible Preference Shares of ₹100/- each, are redeemable anytime between 4th June, 2017 and 3rd December, 2020 after period of 18 months from the date of its renewal i.e. 3rd December, 2015, at the option of the Trust. However, based on the confirmation received from the trust, the trust will not exercise their redemption rights before maturity date i.e. 3rd December, 2020. As per Section 55 of the Companies Act, 2013 the Company has an option to further extend the date of redemption of the said Preference Shares (maximum tenure of 20 years). Accordingly Board has decided to extend the redemption for a further period of 2 (Two) years from December 3, 2020 to December 3, 2022. The holders of Preference Shares shall not have any right to vote in any manner before the Company at any meeting, except on resolutions placed before the Company at any meeting, which directly affects their rights.

The effective interest rate on the above borrowings (excluding preference shares) is in the range from 10.45 % to 13.50 % per annum..

(B) Defined Benefit Plan (Gratuity) and Other Long-term Employee Benefits (Leave Encashment)

The Company provides for gratuity for employees in India as per the payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employees last drawn basic salary per month computed proportionately for 15 days basic salary multiplied by the number of years of service. The gratuity plan is not funded and payout is done by Company on resignation / retirement of employees.

*includes gratuity payable and leave encashment payable to resigned employees during the year of ₹ 89.59 Lakhs and ₹ 53.41 Lakhs respectively as at 31st March, 2023 (Previous Year ₹ 110.56 Lakhs and ₹ 41.77 Lakhs respectively as at 31st March, 2022).

d) Assumptions

The principal actuarial assumptions used for estimating the Company's defined benefit obligations and other long term employee benefits are set out below:

Particulars	Gratuity		Leave Encashment	
	As at	As at	As at	As at
	31.03.2023	31.03.2022	31.03.2023	31.03.2022
Withdrawal rate	3% p.a. at younger ages reducing to 1% at older ages	3% p.a. at younger ages reducing to 1% at older ages	3% p.a. at younger ages reducing to 1% at older ages	3% p.a. at younger ages reducing to 1% at older ages
Normal retirement age	60 years	60 years	60 years	60 years
Discount rate	7.45% p.a.	7.15% p.a.	7.45% p.a.	7.15% p.a.
Salary escalation rate	"0.00% p.a for next 1 year & 3.50% p.a thereafter"	"0.00% p.a for next 1 year & 3.50% p.a thereafter"	"0.00% p.a for next 1 year & 3.50% p.a thereafter"	"0.00% p.a for next 1 year & 3.50% p.a thereafter"

e) Sensitivity Analysis

The sensitivity of the defined benefit obligation to change in the weighted key assumptions is:

(₹ in lakhs)

Particulars	Gratuity		Leave Encashment	
	As at	As at	As at	As at
	31.03.2023	31.03.2022	31.03.2023	31.03.2022
Salary escalation rate + 0.5%	624.27	650.39	125.01	134.87
Salary escalation rate - 0.5%	574.19	597.73	118.22	125.50
Withdrawal rate + 10%	600.89	625.69	121.89	130.56
Withdrawal rate - 10%	596.10	620.76	121.12	129.48
Discount rate + 0.5%	575.11	598.65	118.35	125.67
Discount rate - 0.5%	623.48	649.59	124.89	134.72

A description of methods used for sensitivity analysis and its limitations:

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged.

Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously.

The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

f) Expected Cashflows based on Past Service Liability					(₹ in lakhs)
Particulars	Gratuity		Leave Encashment

41 Capital Management

a) Risk Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Board of Directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings less cash and cash equivalents.

Particulars	(₹ in lakhs)	
	As at 31.03.2023	As at 31.03.2022
Total borrowings	51,513.10	52,521.42
Less : Cash and cash equivalents	239.36	1,674.11
Adjusted net debt	51,273.74	50,847.31
Total equity	(27,834.22)	(9,317.84)
Less : Hedging reserve	-	-
Adjusted equity	(27,834.22)	(9,317.84)
Adjusted net debt to adjusted equity ratio	(1.84)	(5.46)

b) During the year, the Company has not declared any dividend to Preference shareholders and equity shareholders.

42 Financial Risk Management

Risk Management Framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

A. Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk, the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition.

The Company measures the expected credit loss of trade receivables from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends.

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

i Trade Receivables

a. Trade receivables ageing schedule as at March 31, 2023 and March 31, 2022:

Particulars	Outstanding for following periods from due date of payment						Total

Total Trade Receivables	322.26 (1,037.22)	160.86 (779.94)	38.29 (29.88)	54.46 (91.84)	82.11 (281.78)	918.51 (686.46)	1,576.49 (2,911.12)
Provision for Doubtful debts							1,054.00 (817.00)
Net Trade Receivables							522.49 (2,094.12)

Previous year amounts are in brackets.

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

b. Movement in Expected Credit Loss on Trade receivable.

Particulars	Year ended	
	31.03.2023	31.03.2022
Opening provision	817.00	672.00
Add:- Additional provision made	237.00	145.00
Less:- Amounts written off	-	-
Less:- Provision reversed	-	-
Closing provision	1,054.00	817.00

During the year, the Company has created provision for expected credit loss of Rs. 3 lakhs (Previous year Rs. Nil) on other financial assets.

ii Investments other than Investments in Joint Venture

There is investment of ₹ 0.89 Lakh (₹ 0.89 Lakh as at 31st March, 2022) and no impairment has been recognised on such investments.

iii Cash and Bank Balances

The Company held cash and bank balance with credit worthy banks of ₹417.57 Lakhs at March 31, 2023 (March 31, 2022 ₹1,833.19 Lakhs), includes Fixed deposits marked under lien with banks of ₹170.54 Lakhs at March 31, 2023 (March 31, 2022 ₹155.25 Lakhs). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant

iv Loans

No impairment in respect of loans was necessary during the current as well as previous year.

B. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company manages its liquidity risk by preparing periodic cash flow projections to monitor liquidity requirements. In addition, the Company monitors the Balance Sheet liquidity ratios against internal and external regulatory requirements and maintains debt financing plans.

Maturity Pattern of Financial Liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date.

As at 31st March, 2023

(₹ in lakhs)

Particulars	Carrying Amount	0-1 year	1-5 years	Beyond 5 years	Total
Long-term borrowings (including current maturities of long-term debt)	30,230.49	24,231.53	5,998.96	-	30,230.49
Short-term borrowings	21,282.61	21,282.61	-	-	21,282.61
Interest accrued on borrowings	15,824.22	15,824.22	-	-	15,824.22
Trade payables	8,028.92	8,028.92	-	-	8,028.92
Other current financial liabilities	60.73	60.73	-	-	60.73

As at 31st March, 2022

(₹ in lakhs)

Particulars	Carrying Amount	0-1 year	1-5 years	Beyond 5 years	Total
Long-term borrowings (including current maturities of long-term debt)	30,277.81	13,763.46	16,514.50	-	30,277.96
Short-term borrowings	22,243.61	22,243.61	-	-	22,243.61
Interest accrued on borrowings	9,025.39	9,025.39	-	-	9,025.39
Trade payables	7,679.14	7,679.14	-	-	7,679.14
Other current financial liabilities	73.33	73.33	-	-	73.33

C. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

i) Currency Risk

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales to overseas customers and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods in the respective currencies.

(a) Derivative Instruments

(Foreign currency in lakhs)

Particulars	As at 31.03.2023	As at 31.03.2022
Forward contracts to sell USD	-	-

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

Derivative financial instruments such as foreign exchange forward contracts are used for hedging purposes and not as trading or speculative instruments.

(b) Foreign Currency Exposures*

As at 31st March, 2023						(Foreign currency in lakhs)
Particulars	USD	EURO	GBP	CHF	JPY	
Trade receivable	7.95	0.47	-	-	-	
Trade payables	-	-	-	0.01	7.20	

As at 31st March, 2022						(Foreign currency in lakhs)
Particulars	USD	EURO	GBP	CHF	JPY	
Trade receivable	10.10	1.70	-	-	-	
Trade payables	-	-	-	0.01	7.20	

* Advance Received in foreign currency are not considered for disclosure purpose

(c) Details of Hedged and Unhedged Foreign Currency Exposure

As at 31st March, 2023						(Foreign currency in lakhs)
Particulars	USD	EURO	GBP	CHF	JPY	
Trade receivables	7.95	0.47	-	-	-	
Less: Foreign currency forward contracts (Sell)	-	-	-	-	-	
Unhedged receivable	7.95	0.47	-	-	-	
Trade payables	-	-	-	0.01	7.20	
Less: Foreign currency forward contracts (Buy)	-	-	-	-	-	
Unhedged payable	-	-	-	0.01	7.20	

As at 31st March, 2022						(Foreign currency in lakhs)
Particulars	USD	EURO	GBP	CHF	JPY	
Trade receivables	10.10	1.70	-	-	-	
Less: Foreign currency forward contracts (Sell)	-	-	-	-	-	
Unhedged receivable	10.10	1.70	-	-	-	
Trade payables	-	-	-	0.01	7.20	
Less: Foreign currency forward contracts (Buy)	-	-	-	-	-	
Unhedged payable	-	-	-	0.01	7.20	

(d) Foreign Currency Risk Sensitivity

A change of 1% in foreign currency exchange rate applied on net foreign exposure (i.e. net unhedged payable / receivable) would have following Impact on profit before tax:

Particulars	(₹ in lakhs)			
	Year ended 31.03.2023		Year ended 31.03.2022	
	1% Increase	1% decrease	1% Increase	1% decrease
USD	6.53	(6.53)	7.66	(7.66)
EURO	0.42	(0.42)	1.44	(1.44)
CHF	(0.01)	0.01	(0.01)	0.01
JPY	(0.04)	0.04	(0.04)	0.04
Increase / (decrease) in profit or loss	6.90	(6.90)	9.05	(9.05)

ii Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest Rate Risk

In order to optimise the Company's position with regards to interest income and interest expenses and to manage the

interest rate risk, the Company performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio. According to the Company, interest rate risk exposure is only for floating rate borrowings. The interest rate profile of the Company's interest-bearing financial instruments as reported to the Management of the Company is as follows.

Particulars	(₹ in lakhs)	
	Year ended 31.03.2023	Year ended 31.03.2022
Borrowings bearing fixed rate of interest	5,734.71	5,743.65
Borrowings bearing floating rate of interest	45,778.39	46,777.76
Total Borrowings	51,513.10	52,521.41

Interest Rate Sensitivity

a) Fair Value Sensitivity Analysis for Fixed-rate Instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

b) Cash Flow Sensitivity Analysis for Variable-rate Instruments

A reasonably possible change of 25 basis points in interest rates at the reporting date would have increased (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables in particular foreign currency exchange rates remain constant.

A change of 25 bps in interest rates would have following impact on profit before tax.

Particulars	(₹ in lakhs)	
	Year ended 31.03.2023	Year ended 31.03.2022
25 bp decrease	114.45	116.94
25 bp increase	(114.45)	(116.94)

Total	-	-	53,740.18	53,740.18	53,740.18

B) Fair Value Hierarchy

Fair values of all financial instruments mentioned in Note no. 43(A) above belong to Level 3 Fair Value Hierarchy.

Carrying amounts of financial instruments such as cash and cash equivalents, other bank balances, trade receivables, loans, borrowings, trade payables and other financial assets and liabilities at 31st March 2023 and 31st March 2022 reasonably approximate their respective fair values.

44 Segment Reporting

Based on the "management approach" as defined in Ind AS 108 – Operating Segments, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators of business, the segment/s in which the Company operates. The Company is primarily engaged in the business of Textile Products which the Management and CODM recognise as the sole business segment. Hence, disclosure of segment-wise information is not required and accordingly not provided.

45 Corporate Social Responsibility Expenditure (CSR)

Disclosure as required under Section 135 of Companies Act, 2013, read with Companies (Corporate Social Policy) Rules, 2014 is as under:

- Gross amount required to be spent by the Company during the year ₹ Nil Lakhs (Previous year ₹ Nil Lakhs)
- CSR expenditure incurred during the year:

Particulars	(₹ in lakhs)			
	In cash		Yet to be paid in cash	
	Year ended 31.03.2023	Year ended 31.03.2022	Year ended 31.03.2023	Year ended 31.03.2022
(i) On construction/acquisition of any asset	-	-	-	-
(ii) On purposes other than (i) above (refer footnote)	-	-	-	-

The Company undertakes its Corporate Social Responsibility (CSR) activities through Conservation Wildlands Trust. The foundation operates in areas of health, vocational skill training, environment and education. The Company has contributed ₹ Nil Lakhs (Previous year ₹ Nil Lakhs) to the foundation for undertaking CSR activities as defined under CSR rules.

The Company has incurred losses in three preceding financial years and therefore the Company is not required to contribute towards Corporate Social Responsibility.

- 46** i) The Company has incurred net loss including cash losses during the quarter and year as also in previous years, owing to high input and finance cost, coupled with sub-optimal utilization of the manufacturing facilities due to severe working capital constraints. The net worth has completely eroded and current liabilities are in excess of current assets. During the beginning of the financial year and subsequently, the workers at plant resorted to strike and operations of the Company have been adversely affected. There have been continuous delays and defaults in repayment of debt obligations as well as delay in other payments. The loan account of the Company is classified as NPA by lenders and some of the lenders have served notice for recall / taken legal recourse against the Company, requiring repayment of the loan. One of the financial creditor has filed an application before National Company Law Tribunal ("NCLT"), Mumbai under Section 7 of Insolvency and Bankruptcy Code, 2016 for initiating Corporate Insolvency Resolution Process against the Company. Further, two of the operational creditors have also submitted applications under Section 9 of Insolvency and Bankruptcy Code, 2016 before NCLT, Mumbai. All the applications are pending before NCLT.

The Management is in discussions with lenders and creditors to amicably resolve the matter.

- ii) Further, the Company has, after obtaining the approval of Preference Shareholders, approached NCLT under Section 55 of the Companies Act 2013 for issue of further Redeemable Cumulative Non-Convertible Preference Shares against the existing Preference Shares of ₹ 10 Crores which were due for redemption on November 15, 2019 for a further period of 20 years. The approval of NCLT is awaited. These events / conditions indicate the existence of material uncertainty on the Company's ability to continue as a going concern. Though the management has been making sincere efforts for finding a solution for debt resolution in the interest of all stakeholders, including identifying strategic investor for one time settlement with lenders, it is yet to receive a definitive proposal.

The Company's product is well accepted in market and with resolution; the Company would be able to cater to its customers.

In the circumstances mentioned above, the standalone financial results have been prepared on a going concern basis and does not include any adjustment to the carrying value of assets and liabilities.

- 47** The operations of the Company were affected due to strike by workers union at the plant at Nagpur during the quarter ended June 30, 2022, due to pendency of revision of long term wage agreement which expired in the earlier year. After continuous discussions by the management, the strike was called off and work resumed w.e.f. May 02, 2022.

Further, the workers have again resorted to strike from April 17, 2023 putting forth various demands including wage revision etc. This has resulted in majority of the operations at the Plant being adversely impacted. The management is in discussions with the Workers to amicably resolve the same.

Notes to Consolidated Financial Statements for the year ended 31st March, 2023

48 Financial Ratios

The ratios as per the latest amendment to Schedule III are as below:

Sr. No.	Ratios	Year ended 31.03.2023	Year ended 31.03.2022	Variance %	Reason for variance for (+/- 25%)
1	Current Ratio (in times) (Current Assets - Current Liabilities excluding current borrowings)	0.2	0.5	(61)	Reduction in Ratio due to increase in liabilities
2	Debt Equity Ratio (in times) (Total Borrowings / Total Equity)	-	-	-	Ratio is not calculated as Net worth of the Company is Negative
3	Debt Service Coverage Ratio (in times) (Earnings available for debt service / Debt Service) (Earnings available for debt service = Net profit after tax + Depreciation + Finance cost + Exceptional Item + provision for doubtful debts/ allowances + any non cash item Debt Service - Interest Payments + Principal Payment)	(2.9)	2.1	242	Reduction in Ratio due to significant increase in loss
4	Return on Equity Ratio % (Net Profit / (Loss) / Total Equity)	-	-	-	Ratio is not calculated as Net worth of the Company is Negative
5	Inventory Turnover Ratio (in times) (Revenue from Operations / Average Inventory)	4.2	4.2	0	Not Applicable
6	Trade Receivable - Turnover Ratio (in Times) (Revenue from Operations / Average Trade Receivable)	15.8	9.7	64	Ratio has improved as the Company was able to secure faster realisation of Trade Receivable
7	Trade Payable - Turnover Ratio (in Times) (Expenses / Average Trade Payable) (Expenses : Total Expenses - Finance cost - Depreciation and Amortisation Expenses - Other Expenses with respect to Rates & Taxes, Provision for Doubtful Debt - Loss on foreign exchange fluctuation)	3.2	3.3	(1)	Not Applicable
8	Net Capital Turnover Ratio (in times) (Revenue from Operations / Current Assets - Current Liabilities)	(0.3)	(0.8)	(56)	Decrease in Revenue from operations and Increase in liability has resulted in lower Ratio
9	Net Profit Ratio (%) (Loss after tax / Revenue from Operations)	(89.6)	(32.4)	177	Higher Expenses over Revenue from Operations has resulted in decrease in Ratio.
10	Return on Capital Employed (%) (EBIT / Capital Employed = (Total Equity + Total Debt)	(30.8)	(3.6)	751	Increase in losses and reduction in capital employed resulted in decrease in Ratio
11	Return on Investment (Income generated from invested funds/ treasury investments)	-	-	-	Not Applicable

49 Additional regulatory information required by schedule III to the Companies Act, 2013

- I. The Company has not traded or invested in crypto currency or virtual currency during the year.
- II. The Company does not have any benami property held in its name. No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.
- III. There is no income surrendered or disclosed as income during the year in tax assessments under the Income Tax Act, 1961 (such as search or survey), that has not been recorded in the books of account.
- IV. The Company does not have any charges or satisfaction of charges which is yet to be registered with Registrar of Companies beyond the statutory period.
- V. The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - (a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
 - (b) Provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

- VI. The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like on behalf of the ultimate beneficiaries
- VII. The Company has not been declared wilful defaulter by any banks / financial institution or government or any government authority.
- VIII. The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the current year or previous year.
- IX. The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Companies Act 2013 read with Companies (Restrictions on number of Layers) Rules, 2017.
- X. The Company has not obtained any new sanctioned working capital limit during the year, from banks and/or financial institution, on the basis of security of current assets. However, based on stock and debtors statement submitted to banks on quarterly basis for facilities obtained, the difference is not material as compared to value of stock and debtors with books of account.
- XI. The Company has not obtained any term loans from banks and financial institution during the year.
- XII. The Company did not have any material transactions with companies struck off under Section 248 of the Companies Act, 2013 or Section 560 of Companies Act, 1956 during the financial year.
