**Prem Kishan Dass Gupta, Chairman & Managing Director**, said, “The results this quarter have been muted primarily on account of the Red Sea crisis which has disrupted supply chains, causing a slowdown in EXIM business in India. However, our network advantage along with double stack hubs has helped us minimize costs while we navigate these obstacles. We continue to explore land for new container terminals and are optimistic that our Faridabad ICD will soon become a double stack location as railway work nears completion. Our focus remains on expanding our network and sustaining growth.”
