## PRESS RELEASE

### **Techno Electric & Engineering Co Ltd and Keppel Data Centres (India) Private Limited sign MOU for collaboration on a joint data centre campus development**

**Kolkata | Wednesday, 22 November 2023** | Techno Electric & Engineering Company Limited (“TECHNO”) and Keppel Data Centres (India) Private Limited (“KDCI”) have entered into a non-binding memorandum of understanding (MOU) to formalise the parties’ intentions to explore potential collaboration in a greenfield development of a data centre campus in India.

#### **About Techno Electric and Engineering Co. Ltd:**

Headquartered in Kolkata, TECHNO is a leading engineering, procurement, and construction (EPC) company in the power sector. With over 40 years of EPC experience and having completed 450 projects, TECHNO has leveraged its portfolio of EPC services in all segments of the power sector, that is, generation, transmission and distribution, to venture into Renewable Energy projects, Data Centre, Flue Gas Desulphurisation projects, and Advanced Metering Infrastructure projects.

#### **About Keppel Data Centres (India) Private Limited:**

Keppel Data Centres (India) Private Limited is a subsidiary of Keppel Data Centre Holding Private Limited (“Keppel Data Centres”). Keppel Data Centres is the data centre arm of Keppel Corporation, a Singapore-headquartered global asset manager and operator with strong expertise in sustainability-related solutions spanning the areas of energy & environment, urban development and connectivity.

Keppel Data Centres has a track record of more than a decade in owning, developing and managing high-quality carrier-neutral data centre facilities that support mission-critical computer systems. Strongly committed to environmentally sustainable business practices, Keppel Data Centres offers a comprehensive range of wholesale, build-to-suit and co-location solutions built to the high industry standards.

The Keppel Group owns and operates a global portfolio of more than 30 data centres located in key data centre hubs across Asia Pacific and Europe.

The image shows a handwritten signature in blue ink over a purple circular stamp. The stamp contains the text "Techno Electric & Engineering Co Ltd" around the top edge and "Kolkata" at the bottom, with a star on either side. In the center of the stamp is a logo featuring a stylized 'TE' inside a square.
