**Subject: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015**

We wish to inform you that there is a false message being circulated on various social media platforms including WhatsApp, misleading the public into believing that our company is having stock of Remdesivir Injection (medicine used for treatment of COVID – 19 patients) and that the same can be purchased from our office at Spencer Building, Forjett Street; Tardeo, Grant Road, Mumbai 400 036.

We would like to clarify that we only manufacture Remdesivir Injection on a contractual basis for other companies which place orders with our company. We do not sell Remdesivir Injection directly to Wholesalers /Retailers /Hospitals /Institutions.

This is submitted for information.

Thanking You,

For Lyka Labs Limited
