## Star Health Insurance awarded ISO Certifications for its Information Security and Business Continuity Management Systems

- Achievement endorses Star Health's commitment to set higher standards of business practices
- Certifications provide assurance to customers, investors and partners about insurer's robust governance & information security practices

**Chennai, 20<sup>th</sup> June 2023:** India's Health Insurance Specialist, Star Health and Allied Insurance Co. Ltd., is proud to announce that the organization has been officially certified the **ISO:27001 certification for its Information Security Management System (ISMS)** and the **ISO:22301 certification for its Business Continuity Management System (BCMS)**. These certifications are internationally recognized standards that endorse Star Health's commitment to protecting its customers' sensitive information and ensuring business continuity.

An independent certification audit entity conducted a thorough review of Star Health's policies and procedures to ensure the company met the ISO standard requirements.

*"We are delighted to have achieved the ISO:27001 and ISO:22301 certifications," said **Mr. Anand Roy, MD and CEO of Star Health and Allied Insurance Co. Ltd.** "This is a significant milestone for us as a leading health insurance provider. It demonstrates our commitment to ensuring the highest level of information security and business continuity. The ISO certifications are also an assurance to our customers, investors, and partners that Star Health is prepared to handle any eventuality," added Roy.*

Additionally, these certifications reaffirm that the company has a robust system in place to ensure that critical business functions continue even during unexpected events and customer data is protected.

### **About Star Health Insurance:**

Star Health and Allied Insurance Co Ltd ([BSE:543412](#) | [NSE:STARHEALTH](#)) commenced its operations in 2006 as India's first Standalone Health Insurance Company with business interests in Health, Personal Accident and Overseas Travel Insurance. The company uses its vast resources to focus on service excellence and product innovation to deliver the best to its customers. Star Health has been providing innovative health insurance products to individuals, families and corporates, directly and through various channels – agents, brokers, online and digital channels like web aggregators, fintech, etc. Star Health is also a prominent Bancassurance player with long standing relationship with various banks.

Star Health currently has 835 branch offices spread across 25 states and 5 union territories in India. These existing branches are also supplemented by an extensive network of over 369 Sales Managers Stations (“SMS”), which are small individual service centres, located across India. As of 31<sup>st</sup> March 2023, the company has 14,203 network hospitals pan India. In FY23, Star Health had a gross written premium of Rs. 12,952 crore and a net worth of Rs. 5,430 crore.
