Cigniti Technologies appoints Jayabrata Nag as VP & Global Head of Partnership and Alliances

Dallas, April 8, 2021: Cigniti Technologies, world's leading Independent Quality Engineering & Software Testing services company, today announced the appointment of Jayabrata Nag as their Vice President and Global Head of Partnership and Alliances, responsible for building strategic partnerships that contribute to the overall growth and expansion of the company.

Jayabrata comes with 22 years of experience as an accomplished partnership, strategy, marketing and business development leader with a proven track record in leading high-impact strategic initiatives across global markets. When engaging Fortune 500 enterprises as well as born-digital start-ups, he focuses on enterprise IT products and services addressing Digital transformations, Data and Analytics led competitive advantages, Hyperautomation benefits, experience enrichment through Conversational Computing with AI driven NLP, Cybersecurity, and Hybrid Cloud technologies. He has delivered strong consistent results for global IT leaders such as HCL Technologies and Infosys across multiple verticals including BFSI, Healthcare, Life Sciences, Media & Entertainment, Education, and other industries.

Announcing on Jayabrata's appointment, Srikanth Chakkilam, CEO at Cigniti said, "at Cigniti, we have been working with several leading tool vendors to offer better solutions to our clients. The hiring of Jayabrata is a strategic one as we aim to institutionalize the partnerships with these vendors that would help exponential business growth. We have also identified few business partners based on growth and long-term strategy of the company to generate revenue through these channels by building capability and GTM plans."

Jayabrata holds an MBA in Marketing from IMI, New Delhi, India.

About Cigniti: Cigniti Technologies is a Global Leader in Independent Quality Engineering & Software Testing services. Cigniti's 2,700+ experienced professionals are spread across US, UK, Canada, Australia, India, UAE, and South Africa. We are a strategic quality engineering partner for leading global organizations and assist them in accelerating time-to-market by predicting and preventing unanticipated failures, leveraging AI-driven, proprietary Continuous Testing & Test Automation solutions, with customer-centricity at the core of the transformation.

Our test offerings are [Quality Engineering](#), [Advisory & Transformation](#), [Digital Assurance](#), and [Quality Assurance](#) solutions.
