Dear Sir/Madam,

Sub: Dispute with World Crest society (“society”) in relation to recovery of maintenance dues of approx Rs. 9 crore and their claim for payment of Rs. 7.2 crore

We draw your attention to an article in regards to the subject matter which was published in a certain newspaper today.

The Company would like to inform you that the Company has outstanding claims from the society members towards payment of maintenance charges of approximately Rs. 9 crore. The society/its members have not made payment of these amounts inspite of constant followup. It is understood that the society has filed a suit in the National Company Law Tribunal (NCLT) for payment of Rs. 7.2 crore from the Company.

The Company has been advised that this is a contractual dispute and intends to defend these proceedings and take appropriate measures to recover the moneys due to it from the society.

Kindly take the same on record.

Thanking you,

Yours faithfully,
