1. All claims have been provisionally admitted on the basis of submitted proof of claim and limited information available as per books of the corporate debtor. The CoC may undergo change subject to the verification and collation of claims which is continuing.
2. As per Regulation 14 of IBC 2016, where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount of the claim based on the information available with him. The interim resolution professional or the resolution professional, as the case may be, shall revise the amounts of claims admitted, including the estimates of claims made under sub regulation (1), as soon as may be practicable, when he comes across additional information warranting such revision.
3. The claims where admitted are subject to further revision/substantiation/modification on the basis of any additional information / evidence / clarification which may be received subsequently and which warrant such revision/substantiation/modification.
4. Under the provisions of 16A(7), The voting share of a creditor in a class shall be in proportion to the financial debt which includes an interest at the rate of eight per cent per annum unless a different rate has been agreed to between the parties. Thus, amounts have been admitted basis such interest provision however subject to limited information availability from the Corporate Debtor
5. Information / evidence / clarification may also be pending from Operational Creditor/Management/Employees for the claims under further verification.
6. The Corporate Debtor has also entered into various settlement agreements involving allotment of its plots/units, which need detailed legal analysis.
7. There have been orders from various forums where claimants have filed there complains, however, the Corporate Debtor doesn't have any ready Centralised data as to the compliance of such orders and payment thereunder. Thus, detailed exercise is needed in such cases to verify the actual amount payable as per records of the Company which also reconciles with amount payable as per relevant order. Thus, amounts in such cases may undergo change on further verification.

As per Regulation 14 of IBC 2016, where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount of the claim based on the information available with him. The interim resolution professional or the resolution professional, as the case may be, shall revise the amounts of claims admitted, including the estimates of claims made under sub regulation (1), as soon as may be practicable, when he comes across additional information warranting such revision.
 3. The claims where admitted are subject to further revision/substantiation/modification on the basis of any additional information / evidence / clarification which may be received subsequently and which warrant such revision/substantiation/modification.
 4. Information / evidence / clarification may also be pending from Operational Creditor/Management/Employees for the claims under further verification.
