Notes:

- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 11th November 2021.
- Post relaxation of lock down by the Government, the plants situated at Dighe, Thane in the State of Maharashtra and Gingera, Koppal in the State of Karnataka became partially operational as per guidelines of the Government with effect from first week of May 2020. Company's steel production achieved near full capacity during FY 2020-21. However, from 2nd week of April 2021 on account of diversion of oxygen which was used by the Steel Industry for medical purposes to save human lives, the stainless steel long products at Company's steel plant at Dighe, Thane could not be cast from 9th April 2021 to 2nd June 2021. Since 2nd June 2021, Government has withdrawn the directive and the production has since improved.

The second COVID-19 wave poses a downside risk to economic activity in the first quarter of the year in progress. Its impact is expected to be muted compared with that of the first wave a year ago. Management expects that considering the nature of its business operations, existing customer and supplier relationships, impact on its business operations, if any, arising from COVID-19 pandemic may not be significant in the long run and would be able to recover carrying amount of all its assets as appearing in the financial statements and meet its entire financial obligations in the near future. The impact of COVID-19 pandemic may be different from that estimated as at the date of approval of these financial results. The Management will continue to monitor any material changes to future economic conditions.

- Petitions filed with NCLT for Scheme of amalgamation between Adore Traders and Realtors Private Limited, a wholly owned subsidiary of Mukand Global Finance Limited with the parent company MGF, followed by the amalgamation of MGF and Mukand Engineers Limited with the Company are yet to be approved by NCLT. The Scheme shall be effective from the appointed date 1st April, 2019 on receipt of NCLT order and filing the same with Registrar of Companies and therefore the above results do not include effect of amalgamation of these Companies.

- Management's response to the observations of the auditors on the financial statements for the year ended 31.03.2021:
 - The investments in and debts / advances due from Bombay Forgings Limited (BFL) was at Rs.24.41 Crore (net of amounts written off / provided) as at 30th September 2021 as against Rs.31.57 Crores (net of amounts written off) as at 31st March 2021. The management, considering the value of unencumbered fixed assets of BFL, considers the balance dues to be 'Good' and adequately covered and barring unforeseen circumstances expects full realisability of the same in future.
 - In accordance with the Scheme of Amalgamation as sanctioned by the NCLT, Mukand Sumi Special Steel Ltd., a joint venture, has recognized goodwill on amalgamation amounting to Rs. 1,834.84 Crore which is amortized over its useful life. Depreciation and amortization charge upto date of sale of investments of the Company in MSSSL, i.e., 30.04.2021 on this account is Rs. 7.54 Crore. This accounting treatment is different from that prescribed under Indian Accounting Standard (Ind AS 103) - 'Business Combinations' for business combination of entities under common control.

- As regards Mukand Engineers Ltd (MEL), an associate company, the Company had filed Company Scheme Petition seeking sanction of the NCLT, Mumbai bench and the same was admitted by NCLT Special Bench, Mumbai on 23rd April, 2020. Final hearing on the petition and approval of the Scheme by NCLT is awaited. The Scheme is also subject to requisite approval of other Statutory or Regulatory authorities as may be applicable. On implementation of the Scheme, the Company will cease to exist and all the assets and liabilities of the Company will be transferred to Mukand Limited w.e.f. the Appointed Date on a going concern basis without any further act, instrument, deed, matter or thing by virtue of and in the manner provided in the Scheme. In view of this the financial statements have been prepared on a going concern basis. The statutory Auditor of MEL have referred this note as a matter of emphasis in its report on the results for the quarter ended 30th September 2021.

- The Company has disposed off, in tranches, the equity stake held by it in Mukand Sumi Special Steel Ltd, a Joint Venture of the Company to Jammalal Sons Private Limited, an Entity belonging to the promoter group. Divestment was partly in earlier period and completed during the quarter ended June 30, 2021. Accordingly, the results of the group for the current reporting quarter and six month ended September 30, 2021 are not comparable with those of earlier quarters and period.

- The above is an extract of the detailed format of Quarterly/Annual Financial Results filed with Stock Exchange under Regulation 33 of SEBI (Listing and Other Disclosure Requirements) Regulations, 2015. The full format of the unaudited Results for the Quarter ended 30th September 2021 is available on the Stock Exchange websites (www.nseindia.com and www.bseindia.com) and on the Company's website (www.mukand.com).
- Figures in respect of the previous period have been regrouped / recast wherever necessary in case of above results.
