To The Board of Directors Mauria Udyog Limited

Qualified Opinion

- I. We have reviewed the accompanying Standalone Financial Results ("the Statement") of Mauria Udyog Limited ('the Company') for the quarter and half year ended 30 September 2024, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations") including relevant circulars issued by the SEBI from time to time.
- II. The Statement which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
- III. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- IV. Based on our review conducted as above and according to the explanation given to us, except for the effects/ possible effects of the matters described in the Basis for Qualified Opinion section of our report, the aforesaid Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements)

Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis of Qualified opinion

- I. In the earlier years, the Company has defaulted in repayment of its borrowing taken from various banks/ NBFCs and accordingly these loans have been classified as Non-Performing Assets (NPAs) by the respective banks/ NBFCs. The Company had not been recognising interest on such loans from the date of NPA classification by respective banks/ NBFCs. The amount of interest expenses cannot be ascertained. However, such loans have been restructured and revised payment schedule has been defined. Further, the balances of borrowings are subject to confirmation and reconciliation from the respective banks/ NBFCs.
- II. The Company has classified its investments in unquoted equity shares of other entities to be Fair Valued through other comprehensive income (FVTOCI). However, it has not obtained/ carried out fair valuation of such unquoted equity shares. The Company has measured investments in unquoted equity shares based on Net Asset Value of such equity shares as at 31 March 2024 wherever the financial statements of such entities are available as on such date. The impact of fair valuation cannot be ascertained.
- III. The Company has not used expected credit loss model to assess the impairment loss or gain on trade receivables as required by Ind AS 109 "Financial Instruments". The impact of such non-compliance cannot be ascertained. However, the Company has made a provision of Rs. 3,287.79 Lacs against doubtful trade receivables.
- IV. The Company had entered into certain transactions with Amrapali Group of Companies in past years. In consequent to which forensic audit was conducted as per the Directions of Hon'ble Supreme Court of India to look into transactions between Amrapali Group of Companies and Sureka Group of Companies. After which the Hon'ble Supreme Court vide its order No. Writ Petition{s}(Civil) No. 940/2017 dated 2 December 2019 had directed M/s Jotindra Steel & Tubes Limited and Mauria Udyog Limited including associated companies and Directors viz Mr. Navneet Kumar Sureka and Mr. Akhil Kumar Sureka to deposit Rs. 16,700 lacs. In response to the order of the Hon'ble Supreme Court, it had filed an application on December 9, 2019 before the Hon'ble Supreme Court to accept the title deeds of immoveable properties belonging to Sureka family members and associate companies (based on latest valuation report) worth amounting Rs. 16,897 lacs net of incumbency amount of Rs. 3,934 lacs including Properties amounting Rs. 10,182 lacs belonging to Mauria Udyog Limited.

In the financial year 2019-20, the Company has charged Rs. 1,500 Lacs in the Statement of Profit and Loss against the above matter on an estimated basis and reduced the value of properties (property which is deposited to Hon'ble Supreme Court).

The Company has neither provided for liability against this matter nor any amount has been shown as contingent liability as required by Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets".

Emphasis of Matter

- We draw attention to note 8 to the Statement, which describes the classification of disputed and long outstanding trade receivables as non-current aggregating Rs. 7813.16 Lacs (net of provision of Rs. 3,287.79 Lacs) wherein the management has explained the reasons for not writing off/ provided for such receivables.
- II. We draw attention to note 10 to the Statement, which describes that the Company has received an interim order cum show cause notice from Security & Exchange Board of India (SEBI) and issued interim directions restraining the Company from accessing the securities market till further orders and also directed the Company to deposit jointly and severally with other notices an amount of Rs. 2,619.69 Lacs. The management has explained the reasons for not recording liability for the amount so sought in the order.
- III. We also draw attention to note 11 to the statement, which describes the reason for non-allotment equity shares against the share application money within 6 months of receipt.
- IV. We also draw attention to note 12 to the statement wherein the management has described the reasons for justification of amount received against the disputed land.

Our opinion is not modified in respect of these matters.

Basis of Qualified opinion

- I. In the earlier years, the Holding company has defaulted in repayment of its borrowing taken from various banks/ NBFCs and accordingly these loans have been classified as Non-Performing Assets (NPAs) by the respective banks/ NBFCs. The Company had not been recognising interest on such loans from the date of NPA classification by respective banks/ NBFCs. The amount of interest expenses cannot be ascertained. However, such loans have been restructured and revised payment schedule has been defined. Further, the balances of borrowings are subject to confirmation and reconciliation from the respective banks/ NBFCs.
- II. The Holding Company has classified its investments in unquoted equity shares of other entities to be Fair Valued through other comprehensive income (FVTOCI). However, it has not obtained/ carried out fair valuation of such unquoted equity shares. The Holding Company has measured investments in unquoted equity shares based on Net Asset Value of such equity shares as at 31 March 2024 wherever the financial statements of such entities are available as on such date. The impact of fair valuation cannot be ascertained.
- III. The Holding Company has not used expected credit loss model to assess the impairment loss or gain on trade receivables as required by Ind AS 109 "Financial Instruments". The impact of such non-compliance cannot be ascertained. However, the Holding Company has made a provision of Rs. 3,287.79 Lacs against doubtful trade receivables.
- IV. The Holding Company had entered into certain transactions with Amrapali Group of Companies in past years. In consequent to which forensic audit was conducted as per the Directions of Hon'ble Supreme Court of India to look into transactions between Amrapali Group of Companies and Sureka Group of Companies. After which the Hon'ble Supreme Court vide its order No. Writ Petition{s}(Civil) No. 940/2017 dated 2 December 2019 had directed M/s Jotindra Steel & Tubes Limited and Mauria Udyog Limited including associated companies and Directors viz Mr. Navneet Kumar Sureka and Mr. Akhil Kumar Sureka to deposit Rs. 16,700 lacs. In response to the order of the Hon'ble Supreme Court, it had filed an application on December 9, 2019 before the Hon'ble Supreme Court to accept the title deeds of immoveable properties belonging to Sureka family members and associate companies (based on latest valuation report) worth

amounting Rs. 16,897 lacs net of incumbency amount of Rs. 3,934 lacs including Properties amounting Rs. 10,182 lacs belonging to Mauria Udyog Limited.

In the financial year 2019-20, the Holding Company has charged Rs. 1,500 Lacs in the Statement of Profit and Loss against the above matter on an estimated basis and reduced the value of properties (property which is deposited to Hon'ble Supreme Court).

The Holding Company has neither provided for liability against this matter nor any amount has been shown as contingent liability as required by Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets".

Emphasis of Matter

- I. We draw attention to note 8 to the Statement, which describes the classification of disputed and long outstanding trade receivables as non-current aggregating Rs. 7813.16 Lacs (net of provision of Rs. 3,287.79 Lacs) wherein the management has explained the reasons for not writing off/ provided for such receivables.
- II. We draw attention to note 10 to the Statement, which describes that the Holding Company has received an interim order cum show cause notice from Security & Exchange Board of India (SEBI) and issued interim directions restraining the Holding Company from accessing the securities market till further orders and also directed the Holding Company to deposit jointly and severally with other notices an amount of Rs. 2,619.69 Lacs. The management has explained the reasons for not recording liability for the amount so sought in the order.
- III. We also draw attention to note 11 to the statement, which describes the reason for non-allotment equity shares against the share application money within 6 months of receipt.
- IV. We also draw attention to note 12 to the statement wherein the management has described the reasons for justification of amount received against the disputed land.

Our opinion is not modified in respect of these matters.

Other Matters

1. The Statement includes the interim financial results of three subsidiaries, which have not been reviewed by their auditors, whose interim financial results reflects total revenues of ₹ 0.00 lacs, net profit after tax of ₹ (0.05) lacs, total comprehensive income of ₹ 0.00 lacs and for the quarter and half year ended 30 September 2024, as considered in the Statement, which have not been reviewed by their auditors, and have been furnished to us by the Holding Company's management.
